Q5 For several years, the WPD has been phasing in the recommendations of its Waterfront 2030 Master Plan. The current project is the Elder/Centennial beach renovation. The design concept plan was voted on and approved during the Regular Board Meeting May 25, 2023. According to the WPD, it provides only for improvements to the basic infrastructure including repairing gabion baskets and blankets, protecting beaches, bluffs and sand with stone break walls, and adding ADA access. According to the WPD, the plan will repair the beaches for the long-term, and add protections that bring it into compliance with its mandate as a Park District. Going forward, what would you like to see the WPD do?

ANSWER CHOICES	RESPONSES
Perform the work that must be done to repair and preserve the beaches, bluffs, and tableland, repair and maintain restrooms, and address safety and security issues.	43.86% 829
Following completion of the current plan, explore additional development of our beaches possibly including a restaurant, boardwalk or promenade, expanded parking, and enhanced lighting.	38.73% 732
I have concerns about the current plan and would like additional discussions with the community including a possible referendum, understanding that it may, but not necessarily, delay the process of upgrading the beaches.	14.97% 283
No opinion.	2.43% 46

#	PLEASE EXPLAIN.	DATE

1	Please do the land swap with [REDACTED] It would create one big beautiful park.	9/21/2023 6:10 AM
2	I believe we need to be more forward thinking and looking in tending to our parks. For too long, we have assumed a "just maintain it" stance, and as a result, our parks seem to me to be suffering. I also believe we need to approach all redesign and maintenance with as much respect as we can for the environment, including plants that can help restore the shoreland to some of its former ecosystem.	9/20/2023 3:56 PM
3	Hopefully the past is not prologue	9/20/2023 12:43 PM
4	Would like to see WPD keep up with the amount of graffiti that is growing along the underpasses that line the Metra tracks. As of 9/20/23 there are 5 instances of significant graffiti (two of which are new in the past week) that have not been addressed since early in the summer.	9/20/2023 11:03 AM
5	Referendum must happen - [REDACTED] have caused irreparable harm to our Park District- all trust & transparency are lost- land swap must never happen. [REDACTED] traded precious land under cover of secrecy to curry favor with billionaire & now has dug in his heels contrary to outspoken opposition from community.	9/20/2023 8:49 AM
6	Northfield residents aren't welcomed to use the beach except as a non-resident. I suggest a reduced rate between resident and non-resident for Northfield residents.	9/20/2023 8:35 AM
7	at the very least figure out how to combine the two beaches and create the boardwalk between the two.	9/20/2023 8:27 AM
8	The park distric's work at Lloyd has been phenomenal. A swimming beach of this quality, particularly with some amenities, would be a huge plus for the community.	9/20/2023 6:17 AM
9	Plan does not propose dog beach with lake access for dogs. This is an essential feature that winnetka currently offers and a dog park without beach access is an unacceptable alternative.	9/20/2023 5:46 AM
10	Our shoreline is what makes Winnetka unique. We deserve a plan that takes full advantage of that.	9/19/2023 11:12 PM
11	I would like our waterfront to remain non-commercial. Keep it a place for recreation, contemplation, and wildlife.	9/19/2023 10:40 PM
12	As long as the dog beach is preserved.	9/19/2023 9:52 PM
13	Opposed to the land swap and [REDACTED] deal.	9/19/2023 9:50 PM
14	See Glencoe beach. Winnetka needs an equivalent.	9/19/2023 9:16 PM
15	The Park District should establish rules regarding referendums for projects that exceed an agreed upon sum. The costs that this project entails must be further discussed and voted upon by the taxpayers.	9/19/2023 9:10 PM
16	The Glencoe and Wilmette beaches are so much nicer than those in Winnetka.	9/19/2023 8:59 PM
17	Daily maintenance would be nice at all beaches, Trash and debris pick up on the sand and clean walkways and sidewalk	9/19/2023 8:45 PM
18	I'd like to see that area engaged in the evenings and create a space for the community to gather with friends and family	9/19/2023 8:42 PM
19	I am horrified that the Park District wants to proceed with the developing of Elder/Centennial Beach when we have Lloyd Park which is greatly underutilized. If you think the village residents truly want your E/C Beach project, put it to a referendum! Your Waterfront 2030 Plan stated it was only to STUDY the development, not PROCEED as if everyone wants to spend millions of dollars for something that is not needed nor desired! ASK THE RESIDENTS IN A REFERENDUM!	9/19/2023 8:36 PM

24	I am aghast at how the Park District Board has operated. I am particularly suspect of the	9/19/2023 7:44 PM

leadership [REDACTED] has been given way too much leeway. What he is doing in our Village is a travesty and the influence that he is exercised over the Park District and Park District Board and the payola that he has offered to them in the past, and again most recently in the form of his \$3 million "donation" offer that is clearly being done to advance his agenda, including walling off his American 'Taj Mahal' from view out into the lake after first destroying our lakefront bluff, is just sickening. Personally, I think there should be a full scale investigation of the Park District Board's behavior. They are not acting in the best interest of the Village, and they are not listening to the residents of the Village. This is a classic case of a carpet-bagger, coming in and buying his way into our community. He's done it in numerous ways and the Park District Board (and potentially staff) has aided and abetted his agenda in my view. A pool of residents wanted to buy the personal residence and land that bisects the two pieces of that lakefront parkland and donate it to the Park District to combine the two into a larger Lakefront Park. [REDACTED] continued to outbid that group that was only doing what was best for Winnetka, so that he could trade it for more land or favor. His original proposal, which is perhaps, still his proposal, was to swap that center land in exchange, for claiming the southern end of the Parkland for himself. [REDACTED]

[REDACTED] I'm not sure that he's threatened the park district board, if only because they seem to be lining up on his side to further his agenda, but he certainly may have threatened or coerced park district board members who are not on board with his agenda. I would be in favor of reaching out beyond the village for assistance in investigating this whole affair. Since the lakefront involves a complex combination of the state, the federal, Army Corps of Engineers, the village of winnetka, and the park district, we need some group, privately, or publicly, to get to the bottom of this mess. If we let this continue, we are only sacrificing the assets of our wonderful North Shore community to scoundrels. We are also opening up the possibility that if this project continues, there will be ongoing future investigations, and litigation. We need to hit the reset button. We need to get new leadership in who is clearly working on behalf of the park district and Village residents, and who are ethically pristine, so as to blow away the stench surrounding our beachfront parks in question. In my view, the Village Council has also not stood up [REDACTED] enough. Of course, I'm sympathetic to the threat of litigation, but this cannot stand. We have been under gunned lightweights in this situation. And it's only getting worse as I understand [REDACTED] has more recently hired [REDACTED] to fight for him and nominally other lakefront owners. The moratorium passed on lakefront building as we study the adequacy of our zoning laws is prudent, despite the outcries of our lakefront residents. In fact, we need a full re-examination of many of our zoning laws, because we have not adequately protected ourselves and are being exploited not only on the lakefront but elsewhere in Winnetka by well-heeled new residents to Winnetka. During the Village Council meeting concerning the potential moratorium, it was very telling that one lakefront owner, who came up to the podium to speak against the moratorium, inadvertently and very casually, let out the fact that he and his family had moved into a Winnetka from Glencoe, because our (lax) lakefront rules allowed them to build what they wanted to build, whereas other lakefront communities had rules that would thwart them. This was, of course, not part of the argument he was making that the moratorium should not be extended, it was an inadvertent statement made in the way of an offhand comment that spoke more truth than anything else said up there at the podium. I hope to have more room to comment further down in the survey about the village and the village council, but what I have to say here as it relates specifically to the Park District plan, and the behavior of the Park District Board is that they should resign, and [REDACTED] should immediately be removed or resign and we should start over with a board that truly has the best interest of Winnetka in mind, not its own self-serving, and possibly self-enriching, agenda. I have absolutely no confidence in the Board and therefore no confidence in anything that they are proposing or doing. Yes I do believe that the bluff and the lakefront needs to be protected, but not beyond that which is absolutely necessary until we can sort this out. In the short term we need to stop, get entirely new leadership, and then go at this again. Frankly, I think we should reach out to the state AG or another state or governmental watchdog group with resources and power to conduct a comprehensive investigation into the matter before another move is made.

25	please lower the beach admission fees for winnetka residents—it's actually insane how much you charge for a is technically a public beach	9/19/2023 7:44 PM
26	Re open elder so it can be used by the neighbors.	9/19/2023 7:20 PM
27	I want whatever it takes to have the beaches in working order asap for our family to enjoy them.. if later that means add extra features during the winter months or off season.or when	9/19/2023 7:18 PM

	things won't disrupt our use, great. We moved here with our 3 kids for the schools and public spaces.	
28	Maintenance - We frequent Tower beach often and I think maintenance is much needed.	9/19/2023 7:01 PM
29	The beaches should be the pride and joy of Winnetka. In the five years we've lived here we have been unable to use most of our neighborhood beach. I would like to see the park district make the beaches safe, and continue improvements for the long term. As newer residence, we pay very high taxes, and also plan to live here for a very long time.	9/19/2023 6:43 PM
30	Beaches are under utilized - Lloyd, Tower and a little work at Elder Centennial would be more than sufficient	9/19/2023 6:33 PM
31	But don't want to lose a dog beach!	9/19/2023 6:33 PM
32	I am open to the WPD exploring additional development, but I do not have an opinion on whether such changes/enhancements are made, but I am open to them being explored/discussed.	9/19/2023 6:19 PM
33	We could envision one beach going beyond a more natural condition and exploring other features and infrastructure.	9/19/2023 6:06 PM
34	Please...no theme parks at the beaches or parks.	9/19/2023 5:40 PM
35	After living in Winnetka for 45 years, I am totally disappointed in how the Park Board has handled the lakefront issue [REDACTED]. Except for two trustees, the board has totally ignored the concerns of Winnetka residents. Their rude, arrogant behavior to move forward with their plans in the face of public sent is unconscionable. I would like to know what is behind the board's behavior. What are they getting out of their association [REDACTED]. If we could use the power of recall, I would say most of the commissioners with the exception Coleen Root and Cynthia Rapp should be recalled.	9/19/2023 5:00 PM
36	Please keep it simple. I just want the beaches open, clean and safe for my family to use. You are making this more complicated and more expensive than it should be. And the \$3MM bribe is unacceptable--this is. not the kind of thing I thought would happen in this community. I do not support the land swap--either buy the lot or we can just keep it the way it is.	9/19/2023 4:51 PM
37	I believe we elected our Park Board commissioners to do a job on our behalf, and I want to let them do their job. Why would we pursue a referendum, etc.? Please, please stick with the current plan and including new opportunities for revenue and services. There have been many opportunities for us as Winnetka citizens to listen and learn, and I am very impressed with the level of detail and extensive planning that went into the Waterfront 2030 Master Plan.	9/19/2023 4:49 PM
38	I wish we could get elder beach open asap. sooner is better than any additional development	9/19/2023 4:16 PM
39	excessive costs & breaches of trust by WPD officials	9/19/2023 3:53 PM
40	Let's leverage the waterfront.	9/19/2023 3:50 PM
41	Please get Elder Lane Beach open ASAP!!! It's been long enough!	9/19/2023 3:49 PM
42	The park district is out of control. We need less reasons for people to want to come to the beach, not more.	9/19/2023 3:28 PM
43	Verity dismayed by the how the whole Ishibia affairs has bee handled and that their plans to destroy the bluff were ever approved. Any donation from them should be earmarked for something completely separate from the lakefront	9/19/2023 3:08 PM
44	Stop making deals behind everyone's back for billionaires!	9/19/2023 2:59 PM
45	How is this not a multiple choice question? I'm only 1 question in, and I'm immediately reminded of how poorly the Caucus questions are written each year and how nothing actually changes with these surveys. Must be a reason these questions are written the way they are.	9/19/2023 2:21 PM
46	No restaurants - the WPD seems to forget that it serves the taxpayers that fund its operations. A boardwalk would be nice but a restaurant will attract too many people. We already have a growing and thriving business district that attracts people from out of Winnetka, which is fine. But our entire community should not be for the benefit of others or charge them for parking and access and also for the required traffic management.	9/19/2023 1:45 PM
47	I definitely have concerns about the current plan and the way the Park District is	9/19/2023 12:31 PM

	maneuvering. I also think we should have access to the "pocket" beaches at the end of various streets instead of allowing them to become the private property of adjacent homeowners. Money for repairing these beaches was budgeted by a previous Village Board, so why wasn't it done?	
48	Consider a natural lake pool like they do in Australia. Pool walls and ladder submerged in the water- the lake provides the water - safer swim area	9/19/2023 12:28 PM
49	Gillson in Wilmette has amazing parking and a great beach, would love if our beach had parking setup more similarly	9/19/2023 12:16 PM
50	The Park District is not listening to the public. They are following a grandiose agenda that has never been approved by the public. has	9/19/2023 11:29 AM
51	We need to move forward with the WPD plan for sure. The concerns raised by opponents of this plan have been addressed reasonably and we need to move forward. Winnetka is stagnating due to everyone opposing reasonable development! It's not the 1970s and this community needs to move forward in a reasonable and well planned way. The beachfront is perhaps our most valuable resource. We need to take care of it and maximize it for the benefit of all residents. Putting together Elder & Centennial into a new beachfront park/space is a no-brainer. When it's done, we should definitely be thinking about what is next.	9/19/2023 11:21 AM
52	Just get something done	9/19/2023 11:03 AM
53	Q#5 re WPD: The WPD is completely out of control. All current construction, both work in progress and work that has been approved by the WPD Board, should be stopped unless it has been specifically approved on a project-by-project basis in a public referendum. It is only due to the outstanding work of Trustee Colleen Root and Trustee Cynthia Rapp that the current horrible situation is not much worse. In addition to stopping current work, all the senior WPD staff who have acted as "enablers" [REDACTED]	9/19/2023 10:46 AM
54	Plan ignores historic facts, is inconsistent with past decisions, refused to listen to elder citizens recognize bad ideas that have failed elsewhere.	9/19/2023 10:27 AM
55	Our lakefront is a jewel asset and should be open to all residents. 2+ years of closure must come to an end. I love dogs, however a "dog club" for 350 residents of Winnetka is restrictive and not the highest and best use of a jewel asset that has many recreational and green space opportunities. Very open to finding a dog Park solution on the west side of town. ADA compliance is a core principle of public assets. If there is concern about congestion from out of towners, simply raise the non-resident Beach access and parking rates. Please execute phase 1 and phase 2 of the Park Board plan. Please do not Post Office My Lakefront. The Park District is a wonderful steward of green and recreational assets and gets projects done	9/19/2023 10:12 AM
56	Work seems to be consistently concentrated in Winnetka and not Hubbard Woods	9/19/2023 9:49 AM
57	The land swap idea is a disaster that needs to be quashed.	9/19/2023 9:35 AM
58	Definitely 'NO' to option #2 above (question#5) and I would like more information on current plan	9/19/2023 9:21 AM
59	The Board has lost its way. [REDACTED] and Archambault have got to go. WPD should never sell or swap land it owns.	9/19/2023 9:16 AM
60	Repair work and ADA updates should be completed. Maintain natural habitat as much as possible, don't sacrifice green space for parking. Restaurant is not necessary.	9/19/2023 8:56 AM
61	Since dealing with bluff issues on our own property, I am concerned that the current breakwater plans may actually negatively impact the beaches in the future.	9/19/2023 8:52 AM
62	I do not want restaurants on the beach.	9/19/2023 8:47 AM
63	The ADA plan is ;not well thought out, does NOT include input from members of the ADA community representing multiple ages, and disabilities, and/or inclusion of more than one professional working in the ADA field. Tower Rd. ADA ;input in the late 1980's met all of these components, and still serves the ADA community quite well. There is NO NEED to cut deeply into the existing Centennial Park Bluff to construct excessive structures which will NOT meet any number of ADA issues not considered to date by the Winnetka Park District. these comments represent long discussion over the past year with a number of ADA users and	9/19/2023 1:34 AM

	professionals, inclusive of those who teach ADA access in schools of Architecture and are themselves impaired.	
64	Get out beaches done already. Cut politics out and do what is right for the community.	9/18/2023 11:18 PM
65	I find this question and the choices presented to be very confusing and unclear for such an important issue.	9/18/2023 8:57 PM
66	Green space should be prioritized and maintained. Not parking lots.	9/18/2023 8:47 PM
67	No further development no additional parking at all.	9/18/2023 8:36 PM
68	Please lower beach fees for residents. The beach pass amount is insane given our taxes.	9/18/2023 6:49 PM
69	Tower and Lloyd are good size beaches, I like the quaintness of Elder Beach. I don't think it needs such a grand plan.	9/18/2023 6:19 PM
70	Our beaches are a priority.	9/18/2023 4:34 PM
71	existing plan ruins the existing beach -- too many rock piles - horrible	9/18/2023 3:24 PM
72	Definitely a NO vote for option #2 above. (question #5)	9/18/2023 2:51 PM
73	Beaches despartley need more services that would be revenue drivers, most importantly consistent food & beverage options, private event space, etc.	9/18/2023 2:47 PM
74	I don't have access to the design concept and it's a bit hard to follow the Waterfront 2030 Master Plan, but you should not give any property to the person building the monstrosity south of the park. Parks should be maintained, protected, and developed.	9/18/2023 2:21 PM
75	At the very least, please reopen Elder Lane Beach so that it is usable, even if the amenities are bare bones or open centennial beach for swimming next summer if Elder is not open.	9/18/2023 1:22 PM
76	I stongly disagree with the proposed land swap and object to the \$3M donation (influence bribe). The lakefront plan is too elaborate and WAY too expensive. The WPD consistently overspends with complete disregard to taxpayer concerns. .	9/18/2023 12:05 PM
77	I applaud the efforts at trying to make this a more visible process now; however, this entire waterfront project is tainted by how the land swap/housing project was forced through during the first covid winter. I do not trust the WPD or the village to act in the best interests of the community and what residents want. It shouldn't be an us vs them government here of all places, but here we are.	9/18/2023 11:30 AM
78	Just finish the original plan. [REDACTED] is a complete disaster	9/18/2023 10:12 AM
79	It is criminal that we don't utilize our beach front more	9/18/2023 9:41 AM
80	I'd like to see more development and ways to use the lake. In particular, the street ends should be cleared and made available for public use like was done for Spruce.	9/18/2023 9:21 AM
81	I would like to add a path that can be used to walk between the beaches. Lake forest has a beautiful walking path to check out for ideas.	9/17/2023 11:25 PM
82	Stay within budget. Be fiscally prudent with taxpayer dollars. Do less. Simple, natural.	9/17/2023 9:24 PM
83	Cool it on the enormous money spend! No more	9/17/2023 9:10 PM
84	Expensive and I don't see the value of the current plan	9/17/2023 8:44 PM
85	Winnetka beaches are annoying as is.	9/17/2023 7:25 PM
86	Would like to see the WPD proceed with the unification of the beaches. There has been enough public comment regarding the plan - we need to move forward and give all residents access to this natural resource. I respect the WPD in their ability to not respond to the loudest voices and pursue the greatest good for majority of the people in this community.	9/17/2023 7:03 PM
87	Too many dollars are being spent.	9/17/2023 6:57 PM
88	Went to several meetings about the plan and Land swap [REDACTED] I say drop it. There will be enough problems with his construction to deal with. Don't give him any more land. Just take care of what we have.	9/17/2023 6:38 PM

89	The current plan is tainted due to the height of the proposed rock wall that will provide privacy for [REDACTED]. The plan might go against the Illinois Public Trust Doctrine and therefore will have to be amended.	9/17/2023 6:12 PM
90	The Park District's plan should be within our means financially. Keep the beaches/parks simple, natural and under-developed. NO NOT OVERBUILD. Do not even think about a restaurant! Keep sight lines open on the beach. Let residents see north and south on the lakefront. Let people swim and enjoy the sand. SIMPLE! Our taxes are exorbitant right now. Do not tax us even more. Do not overspend!	9/17/2023 4:53 PM
91	I'm disappointed that this question does not accurately describe the proposed improvements to Elder and Centennial Parks. More specifically, the does not address the intent to unify Elder and Centennial Parks, include an off-leash dog beach that meets Village and County code requirements, provide for a long-term solution to the stormwater discharge, complete bluff restoration, and provide public access to Centennial Beach.	9/17/2023 4:38 PM
92	I am in favor of the proposed land swap [REDACTED]	9/17/2023 2:52 PM
93	Don't change what works	9/17/2023 2:29 PM
94	There should be more access to the community to vote for what the WPD spends money on and how it is allocated. There should be check and balance between board and community; private parties should not be doing their own meeting without clear and evident and purposeful notification to residents	9/17/2023 2:25 PM
95	I am not a part of Winnetka Park District/only Library	9/17/2023 2:10 PM
96	I have serious concerns about the direction WPD is taking, and feel it has a hidden agenda that benefits Ishiba to the detriment of the entire community. The lakefront belongs to the public.	9/17/2023 1:49 PM
97	We do not agree with the outsize influence that the landowner to the south currently has over the beachfront at Elder Beaches. A gated dog park is only going to serve to keep people away from his property by making it difficult or impossible to walk the beach. We do not need a gated dog park--we have an awesome dog park now that works wonderfully. These two beaches are barely used as it is, why would we pour all this additional money into unnecessary developments? We need to preserve what we have and let the people, not an out of control park board, decide how our public lands are used and developed.	9/17/2023 1:45 PM
98	Our "low key" beach is fantastic	9/17/2023 12:44 PM
99	I do not believe the potential transaction between [REDACTED] and the WPD is any kind of acceptable solution to development plans.	9/17/2023 11:58 AM
100	We MUST maintain the dog beach!	9/17/2023 11:56 AM
101	The lakefront is a great asset. Let's use it more!	9/17/2023 11:43 AM
102	We need to mimick glencoe and wilmette by creating a better beach experience with more amenities like food and drink. Boat rentals and jet ski rentals	9/17/2023 11:43 AM
103	We don't need to combine the beaches, especially with the monstrosity of a house that [REDACTED] is creating.	9/17/2023 11:40 AM
104	Worst beaches in the area. Bring in some sand at Tower.	9/17/2023 11:09 AM
105	Winnetka beaches are in need of extreme updates. It's horrible that we have such a lake front but not proper beaches to enjoy it.	9/17/2023 10:59 AM
106	The plan is too expensive. Move the dog beach to the north. The fact you've designed the plan in conjunction with a private homeowner to his benefit [REDACTED] demonstrates a clear violation of public trust. Terminate the swap plan immediately (don't just say it's "dormant" ) while it's involved in litigation. Do not accept the \$3MM donation--it is clearly a "quid pro quo" arrangement. The WPD commissioners who have designed and pushed this entire deal should resign immediately.	9/17/2023 10:52 AM
107	We love living by lake in Winnetka and getting a glimpse on our walks and drives. However, despite our Winnetka residency, our family chooses to spend over \$1000 per year on Gillson beach passes and parking in order to use Wilmette's stunning, well thought out and convenient beachfront. To say it is far superior to anything we have in Winnetka is an understatement. It is	9/17/2023 10:36 AM

truly a shame that so much time has been wasted due to poor decision making and even poorer communication on behalf of the park district. My recommendation would be to a. fix anything that is critical, a hazard or in disrepair b. go back to ~~XXXX~~ and renegotiate to put the land swap back in play c. come back to the community with a comprehensive Centennial plan that more or less is identical to what Wilmette did at Gillson

108	I would like to see Elder open as soon as practical	9/17/2023 10:33 AM
109	just complete current plan, no need to explore restaurants, etc.	9/17/2023 9:17 AM
110	Beaches must remain public and dog beach intact	9/17/2023 8:49 AM
111	Better Food choices at the Lake Front	9/17/2023 8:28 AM
112	Big parks projects are great career enhancements for parks management. I do not trust the Park District's commitment to serving the citizens.	9/17/2023 6:35 AM
113	We need improvement to our beaches. The playground equipment at Tower is broken and falling apart.	9/17/2023 5:28 AM
114	Residents only	9/16/2023 9:29 PM
115	no boardwalk, restaurant or promenade PLEASE! this is not Glencoe or Lake Forest	9/16/2023 8:28 PM
116	Elder lane beach is a wonderful asset- I'd love to get it running	9/16/2023 6:23 PM
117	The current plan is good, it should be completed as such. The addition of a restaurant or a boardwalk would ruin the existing beachfront and create a tacky beachfront. I don't have concerns about the current plan other than the villages ability to finish it near on-schedule and on-budget.	9/16/2023 5:55 PM
118	I cannot view the current plan through the above link. I would like to see a dog beach maintained but would very much like to see a good lakeside restaurant. It is a terrible shame that we cannot have a decent dinner while enjoying the beauty of the lake, with so much opportunity to pursue this option.	9/16/2023 5:47 PM
119	I'd like to see beaches in their most natural state preserved.	9/16/2023 4:46 PM
120	the lakefront is a great asset and it doesn't all need to be passive recreation. Adding some improvements will make this beach a more attractive community asset	9/16/2023 4:14 PM
121	The entire community benefits from an engaging lakefront. It would be nice to have a few more amenities that make Winnetka's lakefront one of the best on Lake Michigan.	9/16/2023 4:04 PM
122	Too costly. Need pool & child care programs	9/16/2023 3:57 PM
123	I'd like someone to contrast the facilities of Glencoe versus Winnetka Anne the revenue and cost. Glencoe has more playgrounds, an actual city rec center (Takiff), public tennis courts with no fee (near beach, Shelton Park, Central School, Watts park) while Nielsen has a fee and hosts private lessons and new trier). Glencoe's beach is better. Watts Ice arena is more accessible than Nielsen arena. A frisbee golf course. Duke Park, Woodlawn, etc. Winnetka seemingly spends far more for far less.	9/16/2023 3:56 PM
124	Too much to spend on seasonal area, difficult to staff, need other programming like pickle ball, outdoor pool, free activities not charging for Easter egg hunt	9/16/2023 3:07 PM
125	Expense of the project is too high for taxpayers at this time	9/16/2023 2:48 PM
126	Elder Beach needs to be reopened asap. at a minimum with what it was before but with an updated beachhouse . The expansion as proposed is too much and not enough parking for the scale of the project.	9/16/2023 2:44 PM
127	My concerns aren't with the current plan as much as how the Park Board has behaved in the past many months. There is a hostility and condescension in speaking among board members, and the board has also acted somewhat arbitrarily and without transparency on deals it has (attempted) making with private residents.	9/16/2023 2:31 PM
128	Go to Referendum and engage a new set of technical consultants that have no prior affiliation with members of the WPD Board or their business associates. The current proposed beach plan is very flawed! The original dream was a united 1,000 foot beach. The current plan so divides the beach with unnecessary breakwaters (while keeping the Elder Pier) while stranding	9/16/2023 2:13 PM

170 feet of the southern-most portion of Centennial Beach and then providing [REDACTED] with an additional buffer with a Centennial Breakwater that is not needed and is located in the middle of the Beach. The unnecessary breakwaters will neither protect the bluffs or retain sand but appear to be done to appease the contiguous landowners. The WPD needs to scrap the plan, repair Elder and START OVER.

129	the current plan is to elaborate and too expensive. I didn't move my family here to have elaborate beach and park facilities. I moved here, in part, because of the simple, quiet, more natural beaches. Stop the idea of "The Swap" -I'd support ADDING to the beach by buying the house between, but do not swap. And if we have to, the beaches are fine as two separate ones--we've had them like that for a long time, they can say that way. The WPD has to start listening to the community.	9/16/2023 2:00 PM
130	The "beach" issues related to the mega-house/bluff destruction and village governance issues are most troubling	9/16/2023 1:54 PM
131	I think additional development should be considered but it should preserve parkland. No need for significant additional parking, enhanced lighting, a path or promenade could be done at the bluff top with little effort. See other parks in further north communities.	9/16/2023 1:31 PM
132	I do not think the design concept plan is appropriate. This entire process has been a debacle. The huge boulder walls out into the lake are horrible. The lack of transparency around the design and negotiations regarding the property swap were incredibly disappointing. The full cost of this plan has never been voted on by the Winnetka community - and yet the WPD board moved forward relentlessly and unchecked. The lack of accountability here for certain members' actions in complete disregard to bylaws and procedures is sobering. The community needs to vote on this plan again.	9/16/2023 1:11 PM
133	The current leader of the park board has shown himself to be corrupt. nothing should be done until Warren James is no longer part of the board	9/16/2023 1:10 PM
134	Wilmette and Glencoe have far better lakefront developments and frankly, Winnetka is behind the curve	9/16/2023 1:05 PM
135	The community should vote on spending such a large sum of money. I want Centennial to remain as it is and not let a billionaire pay for piles of stone that are ugly and are not environmentally sound choices.	9/16/2023 12:39 PM
136	would like to see the Village DO SOMETHING. Way too much time spent talking, debating, revising and doing it all over again	9/16/2023 12:26 PM
137	Restaurant would be a great addition.	9/16/2023 12:21 PM
138	I am opposed to the swap of park property. I also believe there are less expensive and faster ways to make Elder beach safe.	9/16/2023 12:04 PM
139	Too much money on a "facility" we don't need and already have at Tower/Lloyd. Spend \$\$ on new facilities like an outdoor pool, Pickleball, etc	9/16/2023 12:00 PM
140	A restaurant by the beach would be great!	9/16/2023 11:55 AM
141	I feel these questions regarding the lakefront are potentially misleading. I am hoping specific questions regarding a land swap and accepting of donations [REDACTED] (clear conflict of interest) are disclosed.	9/16/2023 11:53 AM
142	I love what Wilmette did with Gilson Park and Highland Park with Rosewood Beach.	9/16/2023 11:38 AM
143	I am not interested in using tax revenue to add restaurants etc. I agoainst swaping any property [REDACTED]. He has already ruined our beautiful lake front by taking over three huge properties. the village should never approved. The park district shoulf purchase the house, not [REDACTED] more property, and connect Elder and Cenntinial, simply for this and the next generations.	9/16/2023 9:58 AM
144	no restaurants	9/16/2023 9:48 AM
145	Need a marina and places to eat on the lake	9/16/2023 9:10 AM
146	I would also like to see some additional services such as the addition of kayaks and paddle boards for rent.	9/15/2023 5:44 PM

147	Better food selections would be nice.	9/15/2023 4:36 PM
148	If we claim to be in favor of diversity, inclusion and equity, all beaches should be accessible to non-residents and access should be free	9/15/2023 4:11 PM
149	Repairing and preserving the beaches should come before development.	9/15/2023 11:35 AM
150	link to design plan requires ID and PW. Seriously?	9/15/2023 11:31 AM
151	Would be huge benefit for all the families	9/15/2023 10:33 AM
152	The current board excluding 2 women, have acted corruptly. This public private partnership is a ruse and a joke. The single purpose of the proposal is to to continue working behind the people's back with side deals, etc.	9/15/2023 9:24 AM
153	Upgrades should go to referendum.	9/15/2023 9:22 AM
154	I am absolutely opposed to having a restaurant on Winnetka beaches.	9/15/2023 9:21 AM
155	There is room for improvement at Winnetka beaches	9/14/2023 7:58 PM
156	I wouldn't want to do any development which is funded by a private person who uses it as a negotiation (bribe) to break the rules for his personal beachfront property.	9/14/2023 4:32 PM
157	Would like all of our lakefront to remain 'forever open, clear and free'	9/14/2023 3:59 PM
158	the waterfront 2020 plan is outdated and based on flawed assumptions. It's also a poor, over designed plan. I absolutely do NOT want to spend the \$20MM++ this plan is going to cost. Back to the drawing board—we need simple, clean, safe natural beaches.	9/14/2023 2:51 PM
159	Chuck Dowding's presentation explains why the current proposal to Centennial Beach is overkill. Please stop doing unnecessary work	9/14/2023 1:37 PM
160	The beaches are in residential areas. I don't see the point in putting restaurants or promenades in the area.	9/14/2023 1:15 PM
161	I want to expand the current plan but I think it should be voted on through a referendum	9/14/2023 12:41 PM
162	The restaurant, boardwalk/promenade will add value to our community and I use the beach quite often so the plan makes sense to me!	9/14/2023 11:16 AM
163	I strongly oppose the plan that Mr Isbia has offered the Village including the 3M gift. The Park District has not been well run and managed for many years. They are now asking those that pay taxes and are proud of our PUBLIC PARKS AND FACILITIES to give up those advantages to become private because of SSSS. I suggest Mr. Isbia find open land far west of our lakefront to build 64,000 feet for his private home and playground. and the Park District. With this new offered gift of 3M, there are STILL no GUARANTEES to preserve Centennial Park at its present size. The Centennial Park was and IS PUBLIC park land and should remain so. The stupid landswap is a bad idea, based on poor	9/14/2023 10:05 AM
164	I am concerned about the status of the land swap [REDACTED] I feel the park district should not move forward with the deal if it means that he will put up privacy structures that will block views from Elder/Centennial Beach. Furthermore, he should not be allowed to install barriers that inhibits public access that is allowed by the "wet sand" rule. The park district should not make any agreement [REDACTED] that will affect the public right to views and permissible beach access. These decisions should be left to a public referendum. The park district should be more concerned with the public's rights and less concerned about the wishes of one land owner.	9/14/2023 8:58 AM
165	The beaches as of now seem to be undergoing a solid restoration. No need to make them fancy unless there free to all residents.	9/14/2023 7:44 AM
166	Repair and preserve, but make accessible.	9/13/2023 9:28 PM
167	Don't destroy the natural beauty of our Winnetka beaches by overbuilding unnecessarily!	9/13/2023 9:25 PM
168	I am firmly against the dog beach as its own entity. Just make beaches in town accessible before 9 am. The meetings held for public comment were not a dialogue or soliciting of feedback - I attended several- they were presenting plans and defending them.	9/13/2023 6:05 PM
169	Expand dog beach	9/13/2023 5:36 PM

170	The park distric's work at Lloyd has been phenomenal. A swimming beach of this quality, particularly with some amenities, would be a huge plus for the community.	9/13/2023 5:16 PM
171	We don't need one big park or beach at Elder/Centennial. We already have enough beaches for 4000 households. Fix Elder and keep Centennial for dogs. We already have one handicapped accessible beach at Tower. I favor low impact, fewer dollars spent on our parks. Protect the beaches and bluffs from the lake and let it go at that.	9/13/2023 4:04 PM
172	The lake front is our biggest asset as a community. We should make it as beautiful and useable as possible!	9/13/2023 3:19 PM
173	Wow what a bummer that the WPD is doing the bare minimum. We need a beautiful beach with amenities, and a boardwalk. Repairing existing is putting a bandaid on an open hemorrhage. It's not good enough and this community deserves more. Nothing is worth repairing down at that beach. We need to start over!	9/13/2023 3:02 PM
174	Need explanation for expensive breakwaters	9/13/2023 1:23 PM
175	I vehemently oppose additional development, including and especially a restaurant, more parking, more lighting, and a "promenade". Please understand some	9/13/2023 1:04 PM
176	Concern over public access to the waterfront given the private property on either side of the beaches and in the middle. Concern over a certain homeowner's insistence on 'privacy/security' barriers along the property lines that will obstruct access/asethetics/views, concerns over destruction of natural habitat, including bluffs and ravines.	9/13/2023 10:39 AM
177	No need to be beholden to Mr. Ischbia. Actually prefer keeping dog beach separate from swim beach. Not sure why dogs get access to one of our most prized possessions. Keep beaches safe, natural, OPEN to residents!	9/13/2023 8:38 AM
178	I like keeping the 'natural' appearance of the lakefront as much as possible, while making it safe for people to access.	9/13/2023 8:32 AM
179	full transparency about total cost and financing needs to be part of referendum	9/13/2023 8:19 AM
180	I want Centennial Park to stay as it is and for the public to e a Le to transit the beach.	9/12/2023 10:18 PM
181	Protecting the beaches AND residents from private encroachments and destruction of the "jewels in our crown"	9/12/2023 10:04 PM
182	Ada compliance first and foremost. Against any additional parking seems redundant and not at all necessary as it's closed 1/2 the year anyways and community members can bike and walk to the beach easily.	9/12/2023 10:01 PM
183	The beaches do not need the recommended level of repair. We do not need the beach enhancements suggested in the plan, as current beaches are understaffed and underutilized. Proposals for breakwaters at Centennial are unnecessary, violate Illinois public land trust doctrine, detract from public beach access and utility, and only serve the interests of 1, brand new wealthy resident	9/12/2023 10:01 PM
184	Also, please explore adding a community swimming pool.	9/12/2023 8:49 PM
185	My concern is the	9/12/2023 8:14 PM
186	The current plan is an excellent start. Let's stop talking about it and execute! Then once in motion, let's figure out how to take it from a good beach to a world class beach!	9/12/2023 6:16 PM
187	Besch season is short and we should maintain facilities there but not justifiable to do major improvements.	9/12/2023 6:08 PM
188	Further , there has been an increasing use of our beaches by non -residents who do not pay for the beaches.	9/12/2023 5:11 PM
189	Make Elder Beach available to the public like Tower please.	9/12/2023 3:33 PM
190	I also like the 2nd choice of additional development	9/12/2023 3:03 PM
191	A marina would do wonders for property values.	9/12/2023 2:38 PM
192	Would like to see upgrade work on Tower Beach (lake house upgrades, shoreline upgrades)	9/12/2023 2:37 PM
193	There should be NO beach swap under ANY conditions including a \$3 million dollar "donation".	9/12/2023 2:34 PM

194	The current plan is excessively costly and should be put to a referendum. The rock barriers block views of the lake, hinder access, creating potential hazards for swimmers. I do not like the tall rock walls at Lloyd because I can't see my family once they paddle outside of the cove. I do not want to see that plan repeated. The "donation" [REDACTED] as made to create a rock privacy wall from his property. I ask the Park Board to work in OUR best interests.	9/12/2023 2:31 PM
195	1. You are asking respondents to vote on options without ballpark price tags. District 36 survey fell into this same trap. 2. The rubble mounds are an eyesore and impact the natural beauty of the beach. They also take up space. 3. If Ishbea wants to donate \$3mm he should have just donated 261 Sheridan and we would have saved a lot in legal fees and community frustration.	9/12/2023 2:28 PM
196	Beaches are an important aspect of life in Winnetka. All beaches must become immediately accessible. Borrow money if you need to. I will happily pay tax for this cost. Why are we waiting?	9/12/2023 12:32 PM
197	major improvements are needed	9/12/2023 12:02 PM
198	All the beaches need improvement and facilities and restaurants to encourage more use and enjoyment.	9/12/2023 11:42 AM
199	Beaches are one of Winnetka's greatest assets and we should invest in those assests. The closure of Elder for 5+ years in particular is objectively an embarrassment to the community. We should open all beaches and make upgrades.	9/12/2023 11:11 AM
200	I think the waterfront is one of Winnetka's greatest assets and it would be great to increase the ways that residents can enjoy it!	9/12/2023 11:10 AM
201	But we must maintain a dog beach - this is critical to the community	9/12/2023 10:57 AM
202	Keep taxes lower	9/12/2023 10:40 AM
203	Taxes too high here	9/12/2023 10:28 AM
204	Lot of money for not so much resident usage	9/12/2023 10:20 AM
205	Stop the [REDACTED] Land swap for the current combination of Elder/Centennial	9/12/2023 9:46 AM
206	Beaches are under utilized currently. It is folly to spend more money to enhance the beaches, boiating, etc.	9/12/2023 8:56 AM
207	The plan has been developed on a flawed premise based on a small focus group from 2015 that is not supported by the public. The WPD needs a new survey and referendum to provide a plan that proves it is best for the taxpayers, lake, beaches and environment.	9/12/2023 8:35 AM
208	Review costs involved, how many fair and open, reasonable bids reviewed, actual needs vs. wants, why are there unprecedented donations involved?	9/11/2023 10:05 PM
209	If it allows, it would be great to see additional development of the beaches as well given time/financial capabilities	9/11/2023 9:16 PM
210	Safe beaches important, thanks!	9/11/2023 7:49 PM
211	Keep costs as low as possible. Any exorbitant cost should go to referendum. Keep the beaches natural and under-developed. We don't need things like a restaurant.	9/11/2023 6:47 PM
212	WPD should not be allowed to spend large amounts of money without some sort of approval or oversight by the Winnetka Board or a referendum for the citizens	9/11/2023 5:37 PM
213	I think the work can be done at this beach but should also be done at multiple beaches as well. Rather than a restaurant - food truck options would be more economically viable and easier to execute on a investment basis.	9/11/2023 4:14 PM
214	Less structure; more native plants; outreach from table top to shore; decide what part of the beach belongs to beach goers; a couple piers out into the water, and more.	9/11/2023 3:26 PM
215	You really can't be serious having restaurant, Boardwalk, or promenade parking enhanced. This is Winnetka not the Jersey shore.	9/11/2023 3:06 PM
216	The park district is doing a fantastic job and really enhancing Winnetka	9/11/2023 2:47 PM
217	is the land swap in or out? Rumors of harbor project? Please explain.	9/11/2023 2:05 PM

218	Let make what we have really nice and uable and we don't need to add additional capacity. I go to Tower often and it is under-used	9/11/2023 1:54 PM
219	This has been deeply disappointing. WPD has squandered all of its credibility with its performance during the past 18 months including zero transparency on the "land swap" until they were forced into it, terrible communications until they were forced to improve, mediocre legal representation unless they've been ignoring their lawyers, unprofessional performance by board and staff.	9/11/2023 1:52 PM
220	This has been deeply disappointing. WPD has squandered all of its credibility with its performance during the past 18 months including zero transparency on the "land swap" until they were forced into it, terrible communications until they were forced to improve, mediocre legal representation unless they've been ignoring their lawyers, unprofessional performance by board and staff.	9/11/2023 1:41 PM
221	This has achieved such a high level of visibility and generated such a heightened level of debate -- led, perhaps, by voices that drown out so many others -- that this merits a referendum of the community to inform next steps.	9/11/2023 1:09 PM
222	The North Shore is the best area in Chicagoland to live in. We absolutely need to capitalize our assets..and make them also generate revenue such as renting out the beach shelters for residents after normal beach hours.	9/11/2023 1:00 PM
223	Not very pleased with some of the bleach work already completed.	9/11/2023 12:46 PM
224	I read that [REDACTED] has offered \$3M to finish the plan to renovate the beaches. Having grown up in a neighboring town, I know how important beaches are to our community, especially safe ones. While the work that must be done should be, if there are room for enhancements to protect the lakeside infrastructure and potentially enhance it, I'd be all for it.	9/11/2023 12:20 PM
225	Strong sense that WPD has not been fully transparent nor responsive to community input. Community discussions must be real, not dog and pony shows to push WPD agenda. Referendum must clearly articulate plans. In the meantime, the work should be done to repair bluffs and tablelands.	9/11/2023 12:15 PM
226	Too much. Too expensive. Too much pandering [REDACTED]	9/11/2023 11:51 AM
227	We have Tower Rd and Maple St beaches. With fluctuating lake levels and the adjacent bluff I think it's foolish to spend \$ to create a third beach. Also don't want to use green space to accommodate the required parking that would be required	9/11/2023 11:19 AM
228	I'm not <sup>100</sup> on what the current plan is but we need to keep people safe and maintain the bluffs and park. Enhancing it would be even better!	9/11/2023 10:57 AM
229	Bar/Restaurant would be great!	9/11/2023 10:54 AM
230	I think the only beach that could accommodate expanded amenities is tower road	9/11/2023 10:30 AM
231	I would like BOTH one and two	9/11/2023 10:18 AM
232	It is important to me that the plan include a dog beach space	9/11/2023 9:51 AM
233	I have no problem with a snack bar at Elder Beach but prefer the beaches and parks above the beaches remain as natural as possible, avoiding commercialization of the bluffs with restaurants, board walks or promenades. Enhanced lighting would be o.k. as a safety feature.	9/11/2023 9:30 AM
234	I wholeheartedly endorse the Waterfront 2030 Master Plan and want the Board to stay in its lane and cease meddling in the Park District's matters.. Enough!!	9/11/2023 8:49 AM
235	I would also like to see the village replace the staircase at the public right of way at Spruce Street. Not a fan of removing access to the lake at the smaller public easements like Spruce and Cherry St.	9/11/2023 8:43 AM
236	When the sum of money exceeds an agreed upon ceiling, decisions should go to a referendum to engage the entire community, not just those with direct, vested interests.	9/11/2023 8:28 AM
237	Just get the beaches open asap. Then think about upgrades. the land swap and don't give away centennial!	9/11/2023 7:59 AM
238	The beach work is critical. It is Lake Michigan that makes the community different, every other	9/11/2023 7:43 AM

	positive (and there are many) stems from the value of having a lakefront location.	
239	Pool - beachside; no restaurant needed.	9/11/2023 7:13 AM
240	There is NO need for a restaurant and build out. Make the beach free for Winnetka residents. I'm sick and tired of paying for stupid infrastructure projects consultants recommended and then paying for use. Why not just a natural area with bathrooms. A benefit for residents.	9/11/2023 7:08 AM
241	Need clarity Re what happens to 261 Sheridan parcel before proceeding.	9/11/2023 6:52 AM
242	The land swap is very important.	9/10/2023 5:28 PM
243	More time and discussion is needed	9/10/2023 3:54 PM
244	I think making bathrooms and other necessary amenities for a community like ours should be done. I don't think it's necessary to add new elements like a restaurant. Rebuilding current beach structures to match the feel of our community would be welcome. Think lake forest when designing or rehabbing Park District buildings. Some buildings look shabby, not indicative of Winnetka.	9/10/2023 2:40 PM
245	We need a assiv mpa k	9/10/2023 1:57 PM
246	Route stormwater drainage to avoid tree routes at Elder beach	9/10/2023 1:20 PM
247	Create more options for waterfront access/usage beyond using the beach itself.	9/10/2023 12:36 PM
248	Our underdeveloped lakefront is an embarrassment relative to our neighboring communities..	9/10/2023 11:03 AM
249	I would like to see the beaches reopen ASAP. Down the road, I'd also be interested in exploring additional enhancements such as those listed in the second bullet, but those are just nice-to-haves.	9/9/2023 10:53 PM
250	Preserving teh beaches and bluffs is the most important issue to me. These/our lakefront access set Winnetka apart from so many other communities. We need to preserve and care for this important asset!	9/9/2023 8:57 PM
251	The wpd board is planning on spending future tax dollars on a plan that has not been vetted by the community. If thw wpd board wants to spend on lakefront enhancements they need to go to referendum to get the taxpayer's authorization.	9/9/2023 8:43 PM
252	Everything occurring at Elder/Centennial is outrageous	9/9/2023 7:47 PM
253	I do not support additional development in the lakefront.	9/9/2023 7:45 PM
254	This cannot and should not be funded by increase in property taxes.	9/9/2023 6:28 PM
255	Do not swap the land. Two beaches are just fine	9/9/2023 3:37 PM
256	Cost and design are big issues.	9/9/2023 3:20 PM
257	Keeling it simple is what keeps the area special. Adding commercial venues takes away the value/charm of the area.	9/9/2023 10:40 AM
258	Upgrades are welcome	9/9/2023 10:09 AM
259	Where did the mention of restaurants come from. Adding that is clearly intended to make ppl avoid this option and yet most would go for all the other options.	9/8/2023 8:51 PM
260	Opposed to the large breakwaters - unsightly and costly. Land swap [REDACTED] is beyond disappointing.	9/8/2023 8:40 PM
261	i miss the small public access area North of Walnut at end of Spruce. will steps be rebuilt?	9/8/2023 6:36 PM
262	The Winnetka beaches are a major selling point of the village and I think there is real potential in developing the beaches to their fullest use including restaurants (even if just seasonal) as well as a boardwalk/promenade.	9/8/2023 3:38 PM
263	Elder beach does not need an expensive revamp. It is a nice, small beach - and just needs a tune up. Let's not waste our dollars on a project that is clearly not needed.	9/8/2023 1:46 PM
264	The beauty of the north shore is the simplicity of our lake front. We do not need an more over building and must protect the ecosystem.	9/8/2023 12:09 PM

265	The lake and beaches are an underutilized resource. The property swap on Elder should go through and if the district were smart they could actually get some funds in the swap to help allay the costs of the improvements. I would think [REDACTED] would consider helping the fund the work as part of a swap.	9/8/2023 11:26 AM
266	No land swap [REDACTED] No expenditures beyond the \$10 million currently reserved unless approved in a referendum.	9/8/2023 10:42 AM
267	Our beachfront / lakefront amenities pale in comparison to communities like Lake Forest, Glencoe, Wilmette. And it seems like we have completely under funded one of the most unique and special aspects of living in Winnetka. I wish we could develop and operate a type of beach club on the water that would make using the lake with sailboats, and potentially other kind of boats more accessible. On a different topic I don't understand why our practice at facilities are also lacking in comparison to other towns. For example, I don't understand why we don't have an indoor or outdoor pool. There has been such an incredible interest in pickleball across the country, it seems like a natural thing for our Park District to develop, let's do it!	9/8/2023 10:16 AM
268	I remain very concerned re plans to transfer Village-owned beach land that, although desirable, would decrease visual and foot access along the beach.	9/8/2023 9:55 AM
269	I'm happy with the natural space (ie: no restaurants etc)	9/8/2023 9:41 AM
270	The Park District spent many years and had many meetings to develop the current master plan. The work identified was important then and is still important. The key point in your question is whether the park district should "explore additional development". Our taxing bodies must always be exploring new ideas. At this point we shouldn't commit to do them but we must also not rule them out. They should be considered and debated with community input.	9/8/2023 8:59 AM
271	Where are we on the land swap?	9/8/2023 7:57 AM
272	Plans are for facilities not how they are or could be used	9/7/2023 10:45 PM
273	We predominantly use tower beach, but I worry about the visual impact of the rocky 'piers' or breakwaters proposed. Not sure it's worth it especially in the third phase configuration. Don't want to lose the expansive feel of the lake to rocky islands full of seagull excrement. lake	9/7/2023 9:36 PM
274	What about the land swap? Is it still on? If so, we need to go to referendum. The park district should not sell or trade any green space to a private entity.	9/7/2023 9:01 PM
275	Too much money allocated to unifying beaches. They should open Elder with minimal repairs, leave Centennial a passive park, and make Lloyd/Tower ADA accessible. PD should consider other programming (Pickleball, fee based childcare, outdoor pool & more. Huge beach is a waste of money, difficult to staff and lacks measurable public approval. .	9/7/2023 8:27 PM
276	Be more open and transparent, no vanity projects like another gymnasium	9/7/2023 5:54 PM
277	Before improvements can be made upon the land, we need to assure the land still exists	9/7/2023 4:57 PM
278	Would like Winnetka to consider adding a public pool	9/7/2023 4:18 PM
279	The second option looked good until I saw the word "restaurant". Additional parking would not be needed if the beaches were reserved for Winnetka residents only.	9/7/2023 4:06 PM
280	Confused by the signals we are getting about the lakefront development	9/7/2023 2:12 PM
281	Cost, erosion, water quality in confined areas created by walls	9/7/2023 2:02 PM
282	Eliminate the land swap and keep the beaches as they are except for repair and maintenance, safety	9/7/2023 1:29 PM
283	I completely support the current plan and think it would be great to have more on the beachfront as long as it isn't harmful to the environment or quality of the beaches.	9/7/2023 12:19 PM
284	beaches too rocky ..please bring in new sand .especially for tower road. you can't even walk barefooted on it.	9/7/2023 11:37 AM
285	The Maple Beach beach house would be a perfect place for a restaurant.	9/7/2023 11:32 AM
286	I love the dog beach, use it regularly and want it to be maintained. I'm open to other improvements as well, but my priority is the dog beach.	9/7/2023 9:02 AM

287	I'd like to make sure they've explored not only infrastructure, but an expanse of the beach and it's uses. Not sure it needs a restaurant or boardwalk, but it could use an upgrade similar to Lake Forest	9/7/2023 8:47 AM
288	W/the exception of Root and Rapp, I no longer have faith in any of the Parks Commissioners. They must be replaced.	9/7/2023 7:40 AM
289	For a small community that has so many beaches our beaches, with limited exception, aren't user friendly or nice enough to use regularly. They are in need of significant repairs and upgrades. Current state is rather ridiculous	9/7/2023 6:54 AM
290	The beaches aren't crowded and I love the dog beach. Current plan is great.	9/6/2023 9:31 PM
291	Open Elder Lane Beach in 2024	9/6/2023 8:49 PM
292	Our beaches are one of our best assets. Tower road beach is not up to par with other local beaches and this could be a chance to create a truly world class beach & restaurant in winnetka. Keeping these beaches split and then just returning them to operational is silly, let's make something incredible out of them.	9/6/2023 8:26 PM
293	Winnetka is so behind the other towns on the north shore. Lake forest, Glencoe, Wilmette, winnetka should be leading the way, not always be 5-10 years behind	9/6/2023 4:44 PM
294	Improvements to Tower Road beach were excellent. Would like to see ongoing improvements / amenities at all beaches.	9/6/2023 4:23 PM
295	I believe the president of the WPD Board has acted inappropriately and because of his actions and the action of one other member everything should be put on pause	9/6/2023 3:01 PM
296	Discussions with the residents has not been transparent, additional information is needed to protect the public's interests and maintain the dog beach.	9/6/2023 2:26 PM
297	I can't believe we aren't moving forward with the land swap. The village should not have allowed this to happen. The small group protesting this IS NEVER EVEN AT THE BEACHES.	9/6/2023 2:19 PM
298	A restaurant on the water would be worth considering	9/6/2023 1:16 PM
299	LOTS of concerns about the Park District plans for Elder/Centennial: Cost (excessive), lack of transparency, unwillingness to seriously consider community input on alternative designs, etc.	9/6/2023 12:52 PM
300	The beachfront is a unique aspect of our village. We should be doing more to enhance that experience for residents (restaurants, boardwalk, marina etc)	9/6/2023 9:50 AM
301	Listen to what citizens having been saying and tge standing room only meetings for the last 2 years.	9/6/2023 8:28 AM
302	Don't stop the progress. Create something beautiful as quickly as [REDACTED] The worst case scenario is that he builds his disaster and the WPD does nothing with its unified parks. Anyone in favor of doing nothing with the unified parks should not be on the board.	9/6/2023 7:22 AM
303	Two issues: my understanding is that a small activist group of citizens persuaded the Village Council to withdraw its agreement to relocate the storm water discharge at Elder Beach, effectively preventing all rehabilitation of Elder Lane. Although I generally believe that the WPD was outmaneuvered by the property owner to the south, I object to the end-around to the Village Council and the Village's decision. Second issue: the stairs at the Spruce Street beach should never have been removed and should be replaced. (The ADA does not require access to every single beach.) The residents at the end of Spruce Street have been able to appropriate for essentially private use a public bluff and beach.	9/6/2023 5:25 AM
304	Providing a few drawings does provide for an open discussion and transparency. Are there any EIA reports, traffic studies, footfall counts done?	9/5/2023 11:05 PM
305	Please move on. So much wasted money and not investing in programs for the kids. Build a basketball court, a lacrosse wall for rebounding, open fields for playing that are monopolized by the park district renting out the space to make revenue. My kids have greatly missed the golf course and par 3. The WPD has provided very little for our family and we have been very disappointed with the WPD. Very little enhancement to the community of Winnetka is provided by the WPD. Stop trying to be Chicago or Schamburg.	9/5/2023 10:51 PM
306	would appreciate a larger stretch of beach/walking path and a lakefront restaurant would be	9/5/2023 9:57 PM

	amazing!	
307	I don't use the beach.	9/5/2023 9:33 PM
308	Elder and centennial beaches are such a huge asset and the most beautiful of the winnetka beaches. Please move forward with opening elder then expand into centennial and prioritize the additions such as the boardwalk and restaurant! Huge assets to the south end of winnetka	9/5/2023 9:17 PM
309	Chuck Dowding's proposal was compelling. I think development of the Elder/Centennial Beach should be MINIMAL.	9/5/2023 9:07 PM
310	I'm not interested in making our beaches fancy. The beaches are connection to nature	9/5/2023 6:48 PM
311	leave the lake shore as natural as possible	9/5/2023 4:33 PM
312	You didn't provide a option to: Complete the Master Plan as approved. The first choice implies something less than that, and the second implies much more than that. They should combine the beaches at Elder/Centennial and complete the swap	9/5/2023 4:00 PM
313	Completion of the first phase will require completion of all for a cost of over 20 million dollars. 1700 Winnetkans signed a petition against this project. The 2030 did not include land swap as an option. The proposed breakwaters are too large. The plan needs to go to referendum.	9/5/2023 3:14 PM
314	Park District has too much independence	9/5/2023 3:13 PM
315	I assume this means no property trade re 261 Sheridan ?	9/5/2023 2:01 PM
316	no need to "explore development..."	9/5/2023 1:53 PM
317	They can't spend 15 mil with majority of people against this plan for years	9/5/2023 1:16 PM
318	Open Elder Safely. This resource has been held hostage by the Park Board for 2 long.	9/5/2023 12:59 PM
319	Wait until [REDACTED] issues pass. Do a govt taking if necessary to secure the middle property, then revise the plan.	9/5/2023 12:53 PM
320	I would really like to see the WPD explore the idea of a restaurant and promenade. It would be a fantastic addition to the community that could be used year round.	9/5/2023 12:49 PM
321	I am very frustrated that Elder beach has been closed as long as it has been. The beach is a huge asset to the community and for it to be shuttered is embarrassing.	9/5/2023 12:24 PM
322	I strongly oppose the land swap to combine Centennial and Elder. Also, I object to relocating the dog run to Crow Island Woods or West Elm. Both properties are cherished verdant wooded parcels, and conversion of one of them to a dog park will deprive the residents of cherished natural space in our increasingly developed community.	9/5/2023 11:59 AM
323	Keep the dog beach. The existing Winnetka beaches are already understaffed.	9/5/2023 11:39 AM
324	Very troubled by the open-meetings violations.	9/5/2023 11:35 AM
325	The park distric's work at Lloyd has been phenomenal. A swimming beach of this quality, particularly with some amenities, would be a huge plus for the community.	9/5/2023 11:34 AM
326	Do the minimum and reopen elder beach!	9/5/2023 11:31 AM
327	Closed door sessions and a verbal lack of transparency have made me very uneasy about the due diligence, RFP process management and scope of work.	9/5/2023 11:30 AM
328	None	9/5/2023 11:28 AM
329	Make the plan as simple and least expensive as possible, with emphasis on keeping Elder Beach open for residents to enjoy that beach.	9/5/2023 11:27 AM
330	We need our beaches. Let's focus on them and safety before we explore a commercial aspect.and things to include	9/5/2023 11:14 AM
331	Continued consideration of property acquisition is ridiculous. Current plan causes loss of sightline of the City and North (just as it does at Lloyd if you are standing on the beach). A year round dog beach is a must! It appears the committee wants to create a beach that draws from outside of Winnetka. This changes the quality of life in the Village in a negative way	9/5/2023 11:09 AM

332	Put the land swap up for a public referendum. Like 20 vocal people in the community are preventing the merging of 2 parks that would create an amazing space. And screw any dog park. Are people too lazy to drive 8 mins south to Wilmette's? Again, like 10 local dogs take preference over the entire community for a swimming beach? Seriously?	9/5/2023 11:07 AM
333	get Elder beach open in a safe environment. It has been closed for 4 years.	9/5/2023 11:05 AM
334	However do not engage in that swap of land 	9/5/2023 10:55 AM
335	It is shameful that a small faction has been succesful in stalling improvments to the Elder/Centennial beaches.	9/5/2023 10:55 AM
336	This Plan was a cram down by the WPD without unanimous Board approval and without the public having the opportunity to provide alternative designs and comments. The cost to construct the entire plan is over \$20 million dollars. The public was not made aware of this cost until the WPD April Board Meeting this year and then the Board forced a vote the following month. No reputable coastal engineering firm has reviewed the plan. Allegations are that it provides amenities to special interests to the disadvantage of the public taxpayer. The plan will materially alter the site view of the Lake but the public has not been made aware. Despite repeated requests by commenting public to the WPD to produce a 3D virtual representation of the plan, the WPD has refused to cooperate. The plan includes placing a pipe for future use by the Village when/if they determine to re-route the Elder Lane stormwater pipe in an unnecessary northern breakwater, that as currently designed, will benefit the owner to the north with sand accretion but will do nothing to benefit Elder Lane Beach in sand retention or otherwise. In fact, Elder Lane Beach has been the Village's most contaminated beach and by further encapsulating the beach cove, the chance will be to have further contamination to the detriment of the health and safety of residents. The May WPD plan is already outdated because the Village has stated that they are not yet ready to review the Elder Lane Stormwater pipe relocation and that the Elder Lane Pier will stay in place. Elder Lane Beach has been closed for four years and held hostage to promote this very troubled beach plan. The original concept was to connect Elder/Centennial beaches with the acquisition by the WPD of the home in the middle between the two beaches. Three years later that transaction has not closed. The resulting plan is segmented, further bifurcated and produces less beach than what currently exists. The idea of stranding 170 feet of the southern most part of Centennial as a 'fenced dog beach' to provide the neighbor to the south with a double fence is very poor design. My recommendation is to repair the Elder Lane Beach pier, repair the gabian baskets at Elder Lane Beach, do drainage work to stop the flooding of the 2006 Beach house on its northwest corner and get Elder lane Beach open for the upcoming season while encouraging the WPD to go back to the drawing board, go out for bid for new consultants who are truly neutral and not affiliated with owners of contiguous properties or with members of the WPD Board.	9/5/2023 10:52 AM
337	No need for a restaurant	9/5/2023 10:50 AM
338	I do not agree with this plan	9/5/2023 10:46 AM
339	Just finish the beach already...sigh.	9/5/2023 10:44 AM
340	The current plan is still based on a dated survey that the WPD continues to promote as the 2030 master plan. The # of responses was low and not representative of the community. Also, the continued efforts by the WPD to swap the Centennial property to the advantage of a private owner over the interests of the larger community is repugnant and corrupt. The magnitude of the dollars being spent on the beach project should properly be submitted for referendum.	9/5/2023 10:39 AM
341	You allowed bluffs to be torn down, terrible	9/5/2023 10:37 AM
342	Lost some trust with this one	9/5/2023 10:32 AM
343	We are hopeful the work to repair and preserve the beaches can begin as soon as possible. Elder beach has been closed for years while Centennial remains accessible only via a separate pass. The future of these community assets has been studied and debated for several years with compromises made along the way that improved the plans for everyone.	9/5/2023 10:20 AM
344	The land swap should have been done long ago. You let a bully push you around when a simple declaratory judgment action would have resolved this issue.	9/5/2023 10:20 AM
345	The best beaches in us and abroad are clean, have real sand without rocks, stones etc and the ability to swim and walk the beach without obstructions on shore or in the water.	9/5/2023 10:17 AM
346	Repair pier and Fabian baskets NO LARGE BOULDERS in Lake or on sand.	9/5/2023 10:16 AM

347	Survey question dishonestly repeats WPD lies about the 2030 Masterplan which at no time contemplated destroying Centennial Park by gifting it to the 205 Sheridan project which has obliterated plus destabilized the lakefront bluff.	9/5/2023 10:07 AM
348	I would love to see Winnetka continue to improve its public spaces. I agree with the current work being done/planned and would like to see a restaurant/boardwalk, etc.	9/5/2023 10:07 AM
349	I suspect it's an impossible task with the violent tides of Lake Michigan but the rockiness of our beaches is notable compared to neighboring villages. I feel like it would be much more hospitable to children if it wasn't so difficult to walk on. And having a restaurant, space for food trucks more regularly or some other destination would make us far more inclined to spend time at our beaches.	9/5/2023 10:04 AM
350	The proposed plan is excessive. Simplified plans were proposed by community members but were never considered by the board in any meaningful manner.	9/5/2023 10:01 AM
351	The words restaurant and promo Ade might have unnecessarily alienated people how about an overlook or a place to get coffee? That would get slit more support.	9/5/2023 10:01 AM
352	The WPD doesn't seem to care what the community wants or needs.	9/5/2023 9:59 AM
353	The WPD is incompetent. Current leaders dont listen. They are embarrassing to watch. They dont have the money to even do the project. Do not swap precious Centennial land	9/5/2023 9:48 AM
354	Our community definitely needs better amenities at the beach!!!!	9/5/2023 9:48 AM
355	I don't think we need a restaurant in a village park.	9/5/2023 9:44 AM
356	The Waterfront 2030 Master Plan is outstanding. Please continue to take action per the plan	9/5/2023 8:47 AM
357	Considering you are trying to save the bluffs how did the current bluffs at centennial get destroyed??	9/5/2023 8:24 AM
358	These are biased questions!	9/5/2023 8:23 AM
359	requisite maintenance is expected, but not projects unsupported by the survey, platform or budget	9/5/2023 8:18 AM
360	there has been considerable time, effort and community input already. Now is the time to move forward. The current plans have been drastically changed from the original improvements from 2021.	9/5/2023 8:04 AM
361	I would strongly prefer a more natural plan that addresses safety issues in a minimal way and gets the beach open as soon as possible.	9/5/2023 7:24 AM
362	Public pool needed	9/4/2023 9:22 PM
363	We need a vibrant and useable beach for our community and property values. The current process and lack of progress is embarrassing and a waste of resources	9/4/2023 6:05 PM
364	I love the natural setting, views & beaches at Elder/Centennial. Please be work to protect the beautiful views, and the dog beach. Please don't overdevelop this lovely corner of our village.	9/4/2023 5:55 PM
365	Your description of WPD's Elder-Centennial Plan is misleading and wrong. WPD is trying to breach the public's trust by gifting invaluable parkland acquired to mark Winnetka's Centennial, to benefit a private individual who's destroyed the bluff. Get it right.	9/4/2023 5:40 PM
366	Beaches should be the center of activity for teens in the summer. Should have food options, more sports facilities, and improved access.	9/4/2023 5:18 PM
367	The current plan is too expensive. I would like a referendum on the use of \$24 million for the Elder-Centennial combined park.	9/4/2023 4:43 PM
368	Reopen Elder ASA0. Don't touch Centennial.	9/4/2023 4:27 PM
369	Do whatever is required to open Elder so it can be used next summer.	9/4/2023 3:53 PM

Q6 There are several ways municipalities fund large capital projects including increasing taxes, selling bonds, and applying for grants. One option other municipalities have explored is a “public-private partnership” in which municipalities work with individual investors or companies to underwrite major projects in exchange for revenues, naming rights, or other benefits. The A.C. Nielsen Tennis Center and Stepan Family Boat Launch are two such WPD projects. If the WPD were to have an interest in exploring this option to fund additional amenities on the beachfront beyond its present scope, would you be open to a public/private partnership?

ANSWER CHOICES	RESPONSES
I am open to the WPD exploring a public-private partnership as long as it can commit to total transparency regarding the individuals involved and current and potential conflicts of interest.	65.02% 1,227
I believe the WPD should work within its existing budget (including any additional tax dollars approved by the community through referendum) to fund further enhancements on the lakefront.	31.11% 587
I have no opinion.	3.87% 73

9	In light of the poorly handled land swap (starting as a pure, simple swap, but evolving into the most unfavorable and onerous terms for the park district, taxpayers and community overall) is precisely why public/private should not be considered. Further, the Park District cannot accept the \$3.0m donation offered by the landowner. What has occurred on the 3 lots is a travesty and should never have been allowed.	9/19/2023 9:10 PM
10	The parks should remain public. If there is a donor that comes forward, the board should evaluate the donor any avoid any quid pro quo's.	9/19/2023 9:09 PM
11	Naming options ok, not sure about sharing revenues	9/19/2023 8:25 PM
12	Don't take money [REDACTED]	9/19/2023 8:16 PM
13	Get the darn beach built for the love of GOD!	9/19/2023 7:46 PM
14	I would not support any such effort by the current park district board. I do not support anything that they are doing now, nor do I believe that they have the independence or ethical standards to conduct any business on behalf of the Park district or the residence of Winnetka. I also think that before any consideration is given to bringing in private money into the park district, there needs to be a re-examination of the checks and balances around the park district board as it appears that there is no adequate oversight, and no means of holding them accountable to the people and the institution	9/19/2023 7:44 PM
15	Get the job done as quickly as possible and if people want to put their name on something that benefits is all let them! Universities do this all the time	9/19/2023 7:18 PM

17	Don't take the \$3,000,000 [REDACTED]	9/19/2023 5:00 PM
18	having private influence over a tennis facility is one thing. Giving single people or families influence over something as permanent as a beach is terrible for the community. You will have wealthy individuals use lawyers and influence to gain control. Scale back projects instead of trying to make it perfect in exchange for a deal with the devil.	9/19/2023 4:57 PM
19	Our Park District and staff have been extraordinarily transparent. I've been most impressed, and also think it's a sensatoinal idea to explore public-private partnerships.	9/19/2023 4:49 PM
20	I believe Laurie Dann's family would like to name a pistol range in her honor	9/19/2023 3:28 PM
21	Private sector would help the district do a better job	9/19/2023 2:47 PM
22	Public private partnership should result in lower taxes - so I'm fine with it to the extent we see monies returned to the winnetka taxpayers.	9/19/2023 1:45 PM
23	I am open to this as long as the person doing the donating isn't asking for favors or is "above the rule". I would be so disappointed if anything is ever named after Justin Ishiba. That man and his money aren't the Winnetka Way.	9/19/2023 12:35 PM
24	I am very skeptical of the intentions of the WPD because of the rumors of a yacht club planned for the property between Elder and Centennial Park and the land across the Sheridan Rd. Owned by [REDACTED] Developmen.	9/19/2023 12:31 PM
25	I'd only support private investment if the agenda of the investment was not in conflict with the will of the community. It needs to be a neutral funding position that is NOT buying influence into the design or execution of the plan.	9/19/2023 12:20 PM
26	Normally I'd favor a public-private partnership however I have zero confidence that the current park board would execute such an agreement in a way that benefits the public more than the private party.	9/19/2023 11:29 AM
27	We heavily use AC Nielsen and that approach has worked well. If it raises additional funds and is transparent, I see no problem with a partnership focused on specific projects.	9/19/2023 11:21 AM

28	What is needed at the WPD is less infrastructure and less "improvements," not more. What is needed is, to the extent feasible, returning WPD land to its natural state to allow people to walk through and enjoy wooded areas and plains areas.	9/19/2023 10:46 AM
29	W Park District has demonstrated itself to be suspect of insincerity and fiscal dishonesty.	9/19/2023 10:27 AM
30	Winnetka has a long and unique tradition of private contributions to enrich the village, from green space to recreational assets. There is a clear precedent to giving. This giving is not just by individuals, but Users. Examples include Gullen pond (refrigerated ice), the ice rink, the paddle hut, improvements to the golf course, the Village Green, and many parks around town. The park district should always remain open to thoughtful gifts that are in keeping with public goals	9/19/2023 10:12 AM
31	There is a concerning lack of transparency with the current WPD board. I have no confidence in the possibility of a public/private partnership with this board.	9/19/2023 9:35 AM
32	As long as it is actually transparent.	9/19/2023 9:22 AM
33	Definitely 'NO' to option #1 above(question #6) there should be no naming rights on any public property within the Village of Winnetka.	9/19/2023 9:21 AM
34	We have to vote in a new board, the lack of transparency is appalling. Besides the 2 newest members, everyone else cannot see clear on the beach issues which consequently incurs a no confidence vote	9/19/2023 8:56 AM
35	A public private partnership seems like a great way for Winnetka to get fleeced by savvy operators. No thank you	9/19/2023 8:47 AM
36	Loving near the lake e	9/19/2023 8:13 AM
37	In consideration of the grave omission of following official Policy and Procedure operating in full open meetings with all data clear, available, as WAS done in the past projects, the Winnetka Park District should allow the public to go to referendum as a community to decide on any enhancements of the lakefront. In addition, The total lack of safety management on all 5 of the lakefront parks should take complete priority before building out unneeded structures. Less is more when it comes to excessive intake structures, and actual FULL staffing of trained personnel and management should take priority. rsonels	9/19/2023 1:34 AM

39	This question is very clearly worded with clear choices-Thank You!	9/18/2023 8:57 PM
40	A public/private partnership should definitely be explored.	9/18/2023 8:43 PM
41	Public-private partnerships are a cancer that disenfranchise regular tax payers at the expense of corporate interests. Under no circumstances should temporarily elected bureaucrats should not enter into partnerships with corporate interests.	9/18/2023 8:37 PM
42	No additional development of nature. Ruins everything.	9/18/2023 8:36 PM

44	no naming rights on our lakefront. mistake to set a precedent at lloyd	9/18/2023 3:24 PM
45	Definitely a NO vote for option #1 above(question #6)	9/18/2023 2:51 PM
46	I don't trust our WPD representatives to negotiate a fair deal with a private organization (see Chicago Skyway, Parking, etc). Further, I think it is appropriate to only fund this through existing or increased budget	9/18/2023 2:03 PM
47	The current WPD Board would likely again "give away the store" and are incapable of making responsible decisions.	9/18/2023 12:05 PM
48	Nielsen center is an example from decades ago. The Nielsen family lived on Sunset behind NT, and had a connection here a century ago. Connecting the dots on the question here you get to corporate naming rights. Winnetka does not need the "Pepsi Pavilion at Dwyer Park".	9/18/2023 11:30 AM
49	Do not give horrible people like  a way to get their name on a building or park.	9/17/2023 9:24 PM
50	Transparency please	9/17/2023 9:10 PM

51	I am grateful for the donation by [REDACTED] so the WPD can move forward with this plan. I believe the Park District has been transparent and the wording of this question leads me to question the impartiality of the caucus.	9/17/2023 7:03 PM
52	Stop spending so much. Winnetka is a small village.	9/17/2023 6:57 PM
53	Any partnership must be in the best interest of the Village residents and there can be no hidden agendas.	9/17/2023 6:12 PM
54	Stay within budget. Our taxes are sky high. This should be more than enough if Park District plans are reasonable and simple. Do not accept money from people [REDACTED] who are definitely going to want something in return!	9/17/2023 4:53 PM
55	I support public private partnerships to further the goals and objectives of the WPD as set forth in its strategic plan.	9/17/2023 4:38 PM
56	Only the budget should be explored. The community will come together and raise funds for things that benefit everyone; if some private party choses to donate, then great. But I am certain the residents can come together for the betterment of our community as a whole and raise funds that benefit all and not a single private party.	9/17/2023 2:25 PM
57	I am not a part of the Winnetka Park District/only Library	9/17/2023 2:10 PM
58	More of selling out to the billionaires. Stop this. The beachfront is public. Period, full stop.	9/17/2023 1:49 PM
59	WPD should not take the bribe money currently being offered by the landowner to the south of Elder/Centennial Beach.	9/17/2023 1:45 PM
60	Get rid of the people on the park board trying to shut out the citizenry and even some if their fellow board members.	9/17/2023 1:29 PM
61	The [REDACTED] WPD debacle is a poster child for "public-private Partnership" gone awry.	9/17/2023 11:58 AM
62	100%!! But nothing will work unless we get that house back, so you must start there.	9/17/2023 10:36 AM
63	This land swap with [REDACTED] smells rotten	9/17/2023 8:49 AM
64	WPD should Stop the Swap immediately	9/16/2023 7:54 PM
65	I would be open to a public-private partnership, but I do not fundamentally think significant commercial operation should be established on the lakeshore.	9/16/2023 5:55 PM
66	I am wary of tradeoffs given a structure that is partially paid for. In the examples above, those are multigenerational families with a deep commitment to our community,	9/16/2023 4:46 PM
67	A cost audit should be completed and salaries cut if necessary to free up funds.	9/16/2023 3:56 PM
68	As long as the shoreline is public access, how it is funded doesn't matter to me	9/16/2023 2:52 PM
69	The current offers of private entities offering funds for beach development are far too self-serving in their source. Generally, not to be trusted. The A.C. Nielsen support did not seem tied to personal interests, for instance.	9/16/2023 2:31 PM
70	The WPD has lost its focus which is to preserve and acquire open space, not sell and give it to others. The Land Swap demonstrates that public/private partnerships do not work and shows the dangers that these arrangements entail.	9/16/2023 2:13 PM
71	I have significant concerns about the recently announced \$3MM gift from a private residence--quid pro quo to get what he wants to benefit his property. Accepting this "gift" is unethical, inappropriate and may be illegal. Park District board--get your act together. This entire situation is embarrassing to our community.	9/16/2023 2:00 PM
72	As a retired individual, I prefer holding the line on most spending	9/16/2023 1:54 PM
73	I'm open - but it should be essentially no strings attached private participation. Cannot allow someone (i.e., land swap participants) to drive vision of beachfront and public resources.	9/16/2023 1:31 PM
74	I'd only be in support of partnerships if the plans/projects are approved by the community with full transparency, and the private investors aren't using the partnership to advance their personal agenda in a way that it's toxic, debilitating, or compromising the will of the community at large.	9/16/2023 1:18 PM

75	As evidenced by the debacle of the WPD negotiations around the Elder Beach swap, this type of exchange needs to be highly regulated and not something overseen by one village board. The process was abused during the Elder swap negotiations. The WPD chair completely undervalued Winnetka assets in pursuit of his preferred agenda. Unless significant oversight, checks and balances, and complete transparency can be made to control the integrity of the process, WPD should keep to its budget.	9/16/2023 1:11 PM
76	The fiasco with Elder/Centennial has proved that [REDACTED] is corrupt and the "donation" is nothing more than a bribe to silence the community's outrage ad the devastation on the lake front. Elder has been "closed" since before Covid -- that is absolutely ridiculous	9/16/2023 1:10 PM
77	There are many innovative business people who live in town who may have experiences or expertise beyond the scope of direct village employees. If they have ideas and/or are willing to invest their own capital (alongside village oversight), I see no harm here	9/16/2023 1:05 PM
78	Do not take money from the billionaire!	9/16/2023 12:39 PM
79	Project too expensive and large for seasonal use. Explore Pickleball and an outdoor pool	9/16/2023 12:10 PM
80	We don't need another large beach project. Build an outdoor pool	9/16/2023 12:05 PM
81	Would love a restaurant...even if it's something like the Fat Shallot at Gilson in Wilmette	9/16/2023 11:38 AM
82	No partnership [REDACTED]. A referendum to purchase the house between Elder and Cenntinel. It should have been done long ago.	9/16/2023 9:58 AM
83	Anyone who wants to help? DONATE!	9/15/2023 11:31 AM
84	Democracy? What a concept!	9/15/2023 9:24 AM
85	Winnetka should accept NO federal government grants because there all always strings attached and Winnetka will have to comply with the destructive woke agenda.	9/15/2023 9:21 AM
86	There are no perfect solutions, progress should be prioritized over perfection. Public private partnerships can increase the possibility of progress substantially.	9/15/2023 8:37 AM
87	The WPD continues to pursue expansive projects that are not supported by the majority of the community (e.g. a pool!) and this appears to be just another way to launch projects that are not in the best interest of the Village.	9/15/2023 8:24 AM
88	As I said in the last comment, if a private person wants naming rights for something from their donation, that would be fine as long as its very transparent that it isn't a tit for tat for their property to personally benefit from it.	9/14/2023 4:32 PM
89	I don't trust the current WPD board and adminstration to enter into any Public Private partnership after the entire unethical way they have handled the Orchard 2020 situation.	9/14/2023 2:51 PM
90	As a Winnetka Park District resident I understand that funding is critical for projects. I also know that the library already contributed to your desperate need for funds through purchasing property that was threatened by WPD to be turned into condos or a car wash that is right next to the library. You've already taken over \$300 from library tax dollars paid by us to pay for WPD projects and I do not believe that it is fair to ask for more since the way in which those monies were acquired was through a threat of selling the land to a developer who would potentially block the views from the library windows. What entity threatens a library district? WPD should continue to provide neighborhood green space such at the park library and work within its budget that now has an additional \$300k. No need to ask for more.	9/14/2023 10:16 AM
91	Open to naming rights. Against private companies generating money from public parks	9/13/2023 6:58 PM
92	WPD has too much tax revenue now. They don't need naming rights—especially an [REDACTED] beach would be terrible.	9/13/2023 4:04 PM
93	If the public-private partnership funding is more economical and transparent, that is a win win	9/13/2023 3:19 PM
94	As with the park being developed by the new rain storage at Willow and Hibbard, there is a tendency to OVER design. They wanted to level the forest and plant new trees. Citizens rightly stopped that.	9/13/2023 1:16 PM
95	Please don't over-developpe our quiet beachfront.	9/13/2023 1:04 PM
96	TOTAL transparency is essential. If this is not followed then I am against this option!	9/13/2023 9:36 AM

97	I am tired of the naming rights of spaces and excessive signage that has become pervasive in the community.	9/13/2023 8:38 AM
98	Little worried about "other benefits"	9/13/2023 8:31 AM
99	I have no faith in the current WPD board.	9/13/2023 8:19 AM
100	It's not just transparency, it's also having a Board that won't allow itself to be bullied or dictated to by private partners	9/12/2023 10:04 PM
101	No private profits from public projects. Do not socialize costs and privatize privileges and gains.	9/12/2023 10:01 PM
102	Given the quickly shifting plans for the lakefront, I have zero confidence in the WPD's ability to appropriately use funds and execute plans in the best interest of all Winnetka residents.	9/12/2023 10:01 PM
103	Open to public-private partnerships as long as community interest is priority over individual (private) interest	9/12/2023 9:46 PM
104	I do not have faith that the current Board will act in our best interest.	9/12/2023 2:31 PM
105	This is the Ishbea dilemma. He donates \$3mm and then we are beholden to deliver what he wants (large bolder break walls etc). NO STRINGS ATTACHED...not with this guy.	9/12/2023 2:28 PM
106	Please pursue private support for an aquatics center. It is a travesty that we don't have a community pool.	9/12/2023 12:46 PM
107	Borrow money, repair beaches	9/12/2023 12:32 PM
108	The WPD needs to live within its means. It is PUBLIC property, not public/private proerty.	9/12/2023 8:56 AM
109	Look into environmental grants	9/11/2023 10:05 PM
110	Keep in budget. Don't accept [REDACTED] - I am sure he wants something in return. NO PUBLIC-PRIVATE partnership! Work on rebuilding public trust. No more 'deals' that the public does not know about.	9/11/2023 6:47 PM
111	PD spending too much money on a seasonal project. Re-open Elder using minimal funds & leave Centennial as is	9/11/2023 6:27 PM
112	I would not mind the public private partnership idea, but the governance model of the WPD can not be trusted to act on behalf of Winnetka citizens	9/11/2023 5:37 PM
113	The PD should have public approval before spending millions of dollars on the lakefront. We don't need another huge beach. Just repair at Elder & dog beach at Centennial. Money should be spent on other programming (outdoor pool, pickleball, etc)	9/11/2023 4:27 PM
114	Why not??	9/11/2023 4:10 PM
115	Or naming rights only	9/11/2023 3:26 PM
116	Stop to Winnetka Park district leave our beaches alone	9/11/2023 3:06 PM
117	We never get anything done so let's not expand our goals and wish list	9/11/2023 1:54 PM
118	NO public-private partnerships. They have proved they can't be trusted. The \$3 million "gift" offered up is revolting given the circumstances on the lakefront. This board is incapable of committing to total transparency.	9/11/2023 1:52 PM
119	NO public-private partnerships. They have proved they can't be trusted	9/11/2023 1:41 PM
120	Would not be happy if [REDACTED] wanted [REDACTED] on anything	9/11/2023 12:46 PM
121	Have significant concerns about private donors pushing agendas (for example, Ishabia 3 million donation).	9/11/2023 12:15 PM
122	What? We can be bought for a mere \$3 million? Shame!	9/11/2023 11:51 AM
123	I prefer not spending exorbitant costs for excessive beautification whether tax dollars or private partnerships	9/11/2023 9:51 AM
124	Taxes are never the answer. That is the knee jerk response from the unskilled. Responsible	9/11/2023 7:43 AM

	economic growth is the only way to move forward and it takes talent to get it done. Protect individual rights and respect property owners.	
125	Must be transparent	9/11/2023 7:16 AM
126	STOP just STOP. There is no need for elaborate infrastructure. Look at Lake Forest's beaches. Top class - minimalist with lovely investment in native plants. It is a joy to go there.	9/11/2023 7:08 AM
127	The park district is rich - do not raise taxes. We don't need more spending.	9/11/2023 6:20 AM
128	Public/private partnerships are a terrible idea. I would prefer the village "just" raise taxes rather than sell assets and permanently reduce the community.	9/11/2023 1:46 AM
129	This Community is not for sale.	9/10/2023 2:17 PM

131	No new taxes!	9/9/2023 7:45 PM
132	I emphasize transparency, and ensuring that donations are not self-serving for the donor and their property.	9/9/2023 2:08 PM
133	The beachfront is already being decided by private individuals bringing private investor funds will really only benefit those individuals not the area as a whole.	9/9/2023 10:40 AM
134	Really. "commit to total transparency?" Who wrote this. So far this survey is very problematic. Was this written by someone who knows how to write an unbiased survey? If you want real information you cannot write a survey like this.	9/8/2023 8:51 PM
135	This should be limited and not open season to sell off pieces of the parks to folks who want their name in lights.	9/8/2023 8:40 PM
136	No new taxes	9/8/2023 5:24 PM
137	WPD should only answer to Winnetka residents and not third parties.	9/8/2023 12:09 PM
138	Our property taxes are exploding already. We don't need any more costs.	9/8/2023 11:49 AM
139	Naming rights would be okay, but no revenue share.	9/8/2023 10:42 AM
140	I think total transparency from the WPD is critical moving forward, since the public trust is the board is quite low right now.	9/8/2023 10:09 AM
141	scope of potential projects should be vetted by community	9/8/2023 9:40 AM
142	The option of creating PPP projects still could require the park district to work within their budget. However PPP provide leverage that enables taxing bodies to execute projects that are desired by the public but not within the budget of the taxing body (e.g. the tennis center). Simply closing off the use of PPP's is a blunt instrument that removes flexibility in meeting needs and desires of the public.	9/8/2023 8:59 AM
143	As long as we don't have a Chicago Parking meters going fully private debacle, public private partnership can be ok.	9/7/2023 9:36 PM

145	Too many bad private actors taking advantage and profiting. NO thanks.	9/7/2023 5:54 PM
146	I don't really care about this	9/7/2023 4:57 PM
147	Public private partnership is OK, but please, NO privatization	9/7/2023 4:06 PM
148	Naming rights and philanthropic involvement are terrific, profit ventures , except perhaps for restaurants should probably be avoided	9/7/2023 3:44 PM
149	I don't think total transparency is possible	9/7/2023 2:12 PM
150	Further enhancements are unnecessary and too costly	9/7/2023 1:29 PM
151	I believe naming rights create confusion and work against our sense of community.	9/7/2023 11:32 AM
152	Need to find a way to get things accomplished	9/7/2023 6:54 AM

153	Only to the extent that it is in exchange for naming rights only. I do not support if it is in exchange for revenue.	9/6/2023 8:17 PM
154	Transparency in the initial plan and any amendments is key as recent attempts to join Elder and Centennial have shown.	9/6/2023 4:23 PM
155	I believe the president of the WPD Board has acted inappropriately and because of his actions and the action of one other member everything should be put on pause	9/6/2023 3:01 PM
156	One MAJOR public-private partnership is already on the table. A local philanthropist has offered to [REDACTED] and donate it to the Park District, thus obviating the pending land swap agreement. [REDACTED]	9/6/2023 12:52 PM
157	naming rights are fine but shared revenues are not okay in my opinion	9/6/2023 9:24 AM
158	Not sure the current board can be trusted to serve the needs of the community	9/6/2023 8:28 AM
159	It would be insane to let the Park District in any way privatize any part of our beautiful public lands!	9/6/2023 7:41 AM
160	Exploration is the obvious choice. Decide after gathering information.	9/6/2023 7:22 AM
161	Transparency is a word that is often the most obfuscating. The key becomes how is the WPD and the Village able to balance the needs of the many with the wants of a few.	9/5/2023 11:05 PM
162	The WPD has wasted so many funds already the past three years. I think reducing the salaries of the WPD executives would be a progressive move the community could get behind.	9/5/2023 10:51 PM
163	I am very concerned about including for profit companies in the plan for our beaches	9/5/2023 6:48 PM
164	we do not need more development on the lake front	9/5/2023 4:33 PM

166	Don't over commercialize though !	9/5/2023 2:01 PM

173	The WPD has proven they operate under an inappropriate shroud of confidentiality and lack of transparency, seemingly to promote pet vanity projects with no proof of benefit to the community. Until such time that the WPD implements clear conflict of interest policies that they can prove they abide by, there is great concern over any projects that might include "individual" investors who may in fact have certain financial interests.	9/5/2023 10:39 AM

Q7 The Winnetka Park District owns 26 parks. It recently sold one of those ("Library Park") to the Winnetka Public Library. While the Park District does not currently have plans to sell additional real estate, we would be interested in your opinions regarding this practice. (Check all that apply)

1	I don't believe we should sell land. However, if you are talking about the land swap [REDACTED] [REDACTED] I do agree that that is a good deal for the village. It does not reduce parkland, but retains the same amount of parkland, and has the significant benefit of merging two parks into one. It has been a desire of the Park District for many years and we now have the opportunity to do it.	9/20/2023 3:56 PM
2	No sales whatsoever & of course explore acquisitions-possibly thru donated land.	9/20/2023 8:49 AM

3	Discretion but priority for parks / public spaces	9/20/2023 8:25 AM
4	I'm not in favor of selling of the parks as a general matter, but if there is a compelling reason to do so that preserves the overall set of park resources, the park district should do that.	9/20/2023 6:17 AM
5	Park District property should be preserved for the benefit of Winnetka residents.	9/19/2023 11:28 PM
6	Opposed to the land swap and [REDACTED]. Board should be fired for even considering.	9/19/2023 9:50 PM
7	On the whole, WPD should not be selling land. However, in the case of the Library Park (and several others), the park land is of no benefit to anyone - it is not parkland in the conventional sense. The Library may be able to make better use of it and keep it as a benefit to the community.	9/19/2023 9:10 PM
8	discretion about WHETHER to sell; special reason needed	9/19/2023 8:56 PM
9	I'm not sure how I feel. It's project / acquisition specific.	9/19/2023 8:42 PM
10	The park district should not give up any land without a high level of oversight and referendum by all the residents of Winnetka and the park district.	9/19/2023 7:44 PM
11	I don't believe that land should be given up without consideration for future acquisition. Let's not further erode our public spaces	9/19/2023 7:18 PM
12	I would hope that the WPD would treasure our green space and make holding on to it a top priority. Having said that, I am no knowledgeable about the subject and recognize there could be extenuating circumstances.	9/19/2023 6:19 PM
13	I would err on the side of never, but it should not be sold t	9/19/2023 6:09 PM
14	prefer not to private developers of homes. maybe businesses that would benefit the community.	9/19/2023 5:57 PM
15	Definitely NOT private developers. One Winnetka fiasco comes to mind.	9/19/2023 5:40 PM
16	The park board needs to inform the residents before any sale for the purpose of transparency. The common good of the village should always be the first priority!	9/19/2023 5:00 PM
17	use its discretion, but certainly put this up to a referendum.	9/19/2023 4:57 PM
18	All park land should be protected from sale, swap and development. How can this become a requirement, not just a policy that can change from year to year depending upon who is on the board?	9/19/2023 4:51 PM
19	We need a dog park. Not by the beach. Just a dog park like the one in Highland Park.	9/19/2023 2:44 PM
20	There should be more focus on restoring green space to the original nature of the land. It is essential that communities bring back the flora and fauna that was destroyed during development.	9/19/2023 2:21 PM
21	There should be more focus on restoring green space to the original nature of the land. It is essential that communities bring back the flora and fauna that was destroyed during development.	9/19/2023 2:05 PM
22	Directionally speaking, land in Winnetka is becoming more scarce and valuable, so preserving park space should be the priority over near term revenue.	9/19/2023 2:00 PM
23	Nobody seems to consider the taxpayer - if the Library Park was not needed by the park district why "sell it" to another taxing entity that burdens the taxpayers. Why not sell to a private party that will pay the taxes on it?	9/19/2023 1:45 PM
24	The WPD should be able to manage its real estate portfolio within a set of agreed principles (one of which might be not selling to private developers) and in a way that is reflective of a long term plan for the WPD to maximize benefits for all residents.	9/19/2023 11:21 AM
25	it makes no sense that the mission is to protect green space and then charge another taxing body	9/19/2023 11:03 AM
26	No land swaps. Period. No deals [REDACTED] or any other private party.	9/19/2023 10:46 AM

27	Library repurchased an odd sliver adjacent, as I recall.	9/19/2023 10:27 AM
28	The park district has always managed its assets extremely well and cost efficiently. At approximately \$.04-.05 for every tax dollar residents get great value and open, unrestricted enjoyment other than when a park or beach is closed. I have faith in our elected Park Board members and Staff that they use judgment in evaluating real estate assets. We elect these people every four years. If we don't like what they're doing, we can make our voices heard at Park board meetings or vote the bum(s) out. I am very opposed to micromanaging	9/19/2023 10:12 AM
29	Does the WPD have the legal authority to sell what it owns? The law suit by Shresheim claims it does not but claims a state approval is necessary. Does the legal authority of WPD to sell need clarification by the courts?	9/19/2023 9:16 AM
30	Need better clarity on options to purchase additional park/green space, or at least examples of prior opportunities	9/19/2023 9:06 AM
31	The WPD should not be selling any park property period and should only be trying their best to acquire. The sale of the Library park seemed to be done under false pretenses, there was no way that piece of land could be developed residentially or commercially and it seemed the WPD forced the library district into a sale.	9/19/2023 8:56 AM
32	Our green space is a refuge. We should not be dividing it. I trust the library to care for library Park, but I do not trust private enterprise.	9/19/2023 8:47 AM
33	Living in the lake is a huge selling point in this community.	9/19/2023 8:13 AM
34	This answer requires a hypothetical analysis. It's impossible to provide useful input without a more specific example. Question: was the library park sale considered a net positive - why or why not? What is an example of a future purchase? Is this a reference to the swap of the house near Elder? More background/detail on this, please.	9/19/2023 3:51 AM
35	Selling any green space is NOT in the best management of the Winnetka Park District and does not reflect the mission of having a solid base of passive parks for mental and physical well being of the community. Importantly, sales reduce the bottom line value of the Winnetka Park District from a financial perspective. It looks reflects quite negatively on the Winnetka Park Districts balance sheet.	9/19/2023 1:34 AM
36	Make a deal with the property between elder beach and centennial. It makes sense!	9/18/2023 11:18 PM
37	land is very precious. No more is available. Keep it.	9/18/2023 8:36 PM
38	WPD mandate is preserve open space - do not give or sell	9/18/2023 3:24 PM
39	I definitely feel that WPD does NOT have the authority to sell any real estate to any private developer or private party for any reason and or for any amount. its real estate to any private developers or private parties. to	9/18/2023 2:51 PM
40	If you are ever considering selling public private to a private entity, that should be voted on by the residents.	9/18/2023 2:21 PM
41	Do not swap our precious park at Centennial <span style="background-color: black; color: black;">XXXXXXXXXX</span> anyone else. Do not swap!! Leave that parkland alone!!	9/18/2023 1:57 PM
42	Selling land allows the WPD to work around existing budgets and circumvent public opinion. Several recent Boards have proven to be incompetent and untrustworthy. They never saw a conflict of interest they did not relish or a budget they did not want to (illegally) blow. nd should be prohibited unless the result is more, better green space. Again at least 2 recent Boards have proven completely incompetnet and untrustworthy	9/18/2023 12:05 PM
43	Acquire portions of Metra parking lots. Commuting is not making a comeback.	9/18/2023 11:30 AM
44	WPD "selling" Library Park to the library felt like taking advantage of another govt body just to get money to fund the beach project.	9/18/2023 10:55 AM
45	I believe and hope that WPD would use its best judgment and only sell what would benefit the community in the long run	9/18/2023 9:41 AM
46	The street ends should be cleared and made available for public use like was done for Spruce.	9/18/2023 9:21 AM
47	I don't think any spaces need to be sold especially to developers	9/17/2023 11:25 PM

48	Terrible to sell away green space, shame on you WPD.	9/17/2023 9:24 PM
49	What are you thinking of selling...?	9/17/2023 9:10 PM
50	This is an unfair question. Almost Bo winnetka residence have enough info to answer this question knowledgeable	9/17/2023 8:43 PM
51	Disgusting what happened with the Ishbie home land swap	9/17/2023 7:25 PM
52	Library park sale makes perfect sense to me so the Library can access the park for their programming.	9/17/2023 7:03 PM
53	The sign at Library Park is ugly and way to large. Maybe a small sign similar to other signs in Winnetka.	9/17/2023 6:57 PM
54	This is a terribly worded question. There are situations where I'd be open to them selling to private developers but not without a referendum or public involvement	9/17/2023 6:06 PM
55	I can not believe that Library Park was sold. Were residents made aware of this? How can this happen? I feel like again the Park District is not being transparent and going behind the taxpayers backs. It's terrible. The Park District should be ashamed of themselves.	9/17/2023 4:53 PM
56	Library Park was an unprogrammed open space immediately adjacent to the Winnetka/Northfield Public Library. With the sale of the property to the Winnetka/Northfield Library, it provides the W/N Public Library an opportunity to provide outdoor programming.	9/17/2023 4:38 PM
57	Discretion and transparent discussion of use before sale and use of funds post-sale	9/17/2023 2:39 PM
58	I am not a part of the Winnetka Park District/only Library	9/17/2023 2:10 PM
59	WPD seems far too interested in selling to individuals, to the detriment of the public. This must be stopped.	9/17/2023 1:49 PM
60	Again, the Parks board has lost my trust.	9/17/2023 1:29 PM
61	The fact this question is even being asks demonstrates the pool leadership in place at the WPD. Our parks and open space is so limited--it should not be sold (or transfer ownership in any way). The WPD should be adding to our green space.	9/17/2023 10:52 AM
62	The WPD needs to take steps to restore the broken relationship with the community before suggesting it have any discretionary powers when it comes to land use.	9/17/2023 10:36 AM
63	I am fine if real estate is sold to another winnetka entity such as the schools,	9/16/2023 4:46 PM
64	Every taxing body needs the ability to sell unneeded real estate. School districts, park districts etc sell land when they need to. Do not overly handcuff them. Look to what the law allows and don't further handcuff them because a particular decision is unpopular	9/16/2023 4:14 PM
65	Agree, but don't trust the PD quite as much as I used to!	9/16/2023 2:39 PM
66	I have no problem with the park district transferring ownership of the Crow Island first grade playground to District 36. This is not taking park/play space away from the community, but supporting a park-play space for our children. But in general, we should be acquiring more green space, not giving it up.	9/16/2023 2:31 PM
67	D36 voted on 9/12 to accept a gift from the WPD of over a quarter of an acres of Crow Island Woods Park land. Only a small portion of this gift is needed for construction of the new Crow Island Gym. It appears that members of the WPD Board have negotiated a quid pro quo from D36 to promote the troubled beach plan in return for this significant gift. D36 could have had access to the land without a purchase which would have safeguarded this now lost open space.	9/16/2023 2:13 PM
68	Green space should be preserved whenever possible - although sales may be appropriate at times I think transparency and oversight are paramount. Requiring voter approval of future sales would be appropriate.	9/16/2023 2:00 PM
69	This is a no-brainer question. The WPD is supposed to protect and preserve our park lands, not sell, swap or give them away. We pay enough in taxes to do what needs to be done in our village--you don't need to raise funds by selling off our very limited park spaces!	9/16/2023 2:00 PM
70	Winnetka is at risk of overbuilding if it sells its park land	9/16/2023 1:54 PM

71	Strong no to selling in any manner that decreases overall park benefits. Square footage may not necessarily need to match.	9/16/2023 1:31 PM
72	The community needs to make the final call not a board.	9/16/2023 1:11 PM
73	Again, the fiasco of Elder/Centennial beach and the proposed land swap are obviously something that WPD should never have done. Elder has been closed since covid -- denying the community use of community owned land.	9/16/2023 1:10 PM
74	Another huge beach project isn't necessary. Spend funds on building a pool & pickleball	9/16/2023 12:56 PM
75	However, land swaps [REDACTED] are ok by me.	9/16/2023 12:55 PM
76	Library didn't need this and apparently has too much money to spend	9/16/2023 12:54 PM
77	Ant property sales should be carefully reviewed by the community, not just at the "discretion" of the board.	9/16/2023 12:17 PM
78	What is reason for selling real estate?	9/16/2023 11:32 AM
79	But not to private developers	9/16/2023 10:14 AM
80	Would be best to never sell and lease to businesses	9/16/2023 9:10 AM
81	The overall amount of park space/green space in Winnetka should increase, not decrease.	9/15/2023 5:44 PM
82	The way the WPD approached the Library was super shady. And insinuating that they were going to sell to a private developer if the library didn't buy it goes against the spirit of the caucus system. I was incredibly disgusted.	9/15/2023 11:35 AM
83	Feel strongly about this. Should not sell at all really. With very few exceptions like library park sold to library	9/15/2023 9:48 AM
84	I operate with a house hold budget. Why can't the park district do it?	9/15/2023 9:24 AM
85	I would suspect most Winnetka residents are not aware of all of the real estate the WPD owns. There are many parks in Winnetka, some of which feel neglected. It makes sense to me to reduce the quantity of real estate to allow the WPD to focus its efforts. That could be done by selling various pieces, or by making an effort to acquire properties adjacent to current WPD real estate to make larger contiguous parks.	9/15/2023 8:37 AM
86	This isn't really my answer but you have the following option, which is my choice: "Any decisions by the WPD to sell or acquire property should be subject to a referendum." Let's try to avoid another [REDACTED] entanglement, It would also be worthwhile to have more oversight (yes, guess some rule in place now) of how residences "shore up" their property against potential damage from the lake needs to be more fully disclosed.	9/15/2023 8:24 AM
87	Absolutely NO land swap. The thought of giving up some of the best beach in Winnetka to one individual is absurd and contrary to the entire mission of the WPD.	9/14/2023 2:51 PM
88	Keep park land - even "underutilized" - green space is precious	9/14/2023 1:37 PM
89	The goal is green space so if they need to move/sell property to change the space that is fine as long as we do not decrease the green space in town.	9/14/2023 11:16 AM
90	There should have been a public special meeting called to tell residents exactly why it was essential for the library district to purchase the land. Being threatened is not ok and when that comes out and more people find out how that went down, it will show the communities the flaw in the way in which WPD does things.	9/14/2023 10:16 AM
91	We need more green space and parks, not less. Once public assets are sold, they are gone forever. The park district should never sell land to a private developer.	9/14/2023 8:58 AM
92	I would hope they use their discretion but I have no idea the standing of our maintenance costs of current space and I was selling it would benefit the community?	9/14/2023 7:44 AM
93	I'm not in favor of selling of the parks, but if there is a reason to do so that preserves the overall set of park resources, the park district should do that.	9/13/2023 5:16 PM
94	The idea of the Library having to buy that piece of land is horrible. The public already owned. Should have been a gift. WPD is just looking for more money for more elaborate parks. Lower impact, simpler parks would require less money.	9/13/2023 4:04 PM

95	We elected these commissioners to make these decisions wisely and at their discretion	9/13/2023 3:19 PM
96	It would be nice if the WPD could acquire more real estate for more recreation, such as basketball courts or skateboard park for teens. Teens have nowhere to go in this community.	9/13/2023 3:02 PM
97	I think the library park is an exception. It is more like a lawn.	9/13/2023 2:57 PM
98	The WPD should sell any land extremely rarely. It does NOT need more land. It does NOT need a second indoor skate rink either, for that matter	9/13/2023 1:16 PM
99	Please don't sell our lakefront to billionaires who want to build hotel-scale mega mansions.	9/13/2023 1:04 PM
100	Deceptive question. Sounds like there is too much park land when, in fact, some of these 'parks' are pockets of green space only - sorely needed among all of the residential/commercial development. We are fortunate to have the green space we do, especially along our coast. Once it is sold, it is gone, much like the Sheridan Road development that has eliminated a beautiful, distinctive bluff along our coast. Winnetka will, unfortunately, never get that back.	9/13/2023 10:39 AM
101	Land should be sold to local developers, whether private or public.	9/13/2023 8:32 AM
102	Why the need to privatize public spaces? China is getting in trouble right now from local governments selling land to real estate speculators to fund local government, it hasn't worked out well for them, very short sighted.	9/12/2023 10:01 PM
103	The parks provide breathing room and beautiful green space in our neighborhoods. None should be sold to developers. If any must be sold, sell to municipal entities who will retain use for public use.	9/12/2023 10:01 PM
104	Open to selling to enhance other spaces	9/12/2023 6:16 PM
105	Generally disfavor selling WPD land.	9/12/2023 3:27 PM
106	The citizens of Winnetka should have a say in this if land is to be sold	9/12/2023 3:14 PM
107	I believe the WPD should do the land swap with the Ischias, however in the future, I would prefer the WPD not to sell land to private developers/citizens.	9/12/2023 2:37 PM
108	Nor should WPD be allowed to swap anything without at least a referendum. It's not theirs to swap. All of the parks belongs to the village.	9/12/2023 2:34 PM
109	What is the mission of the park district? Is divesting public land consistent with that mission?	9/12/2023 2:28 PM
110	never sell our property though selling to library district is ok	9/12/2023 12:32 PM
111	No more selling WPD land to billionaires please!	9/12/2023 11:23 AM
112	Selection above should be qualified with "within reason". The WPD should be able to use some discretion about minor sales if there is good reason (economic or otherwise), but with an eye toward overall desire to keep our green space at least as plentiful and dispersed as we have it now.	9/12/2023 10:57 AM
113	I believe 26 parks is a lot, I would rather have less and really enhance the ones the community use.	9/12/2023 10:47 AM
114	proceeds also to be used for capital projects, not necessarily for additional park space.	9/12/2023 10:26 AM
115	Not a big fan of sales at all, but definitely not to developers!	9/12/2023 8:56 AM
116	The WPD held the library hostage by insinuating it would sell the park to a developer. The taxpayers owned that green space and it should have been given to the library not sold. We already paid for it once.	9/12/2023 8:35 AM
117	Winnetka park district needs more amenities , Northbrook and Glenview Facilities are simply better and more updated. Techny Priarie Fields in Northbrook has everything .....and the new Activity Center with workout facilities is beautiful	9/11/2023 8:49 PM
118	Do not sell WPD land! This is land for all of Winnetka!	9/11/2023 6:47 PM
119	Again...I dont trust WPD to make the right decisions. They should be governed by the Winnetka board and/or referendum for larger amounts of money	9/11/2023 5:37 PM

120	I don't think these answers reflect the full scope of options. I think any board needs to evaluate options, including selling property. I don't think those proceeds need to be used for only one thing. But, the decision to do so needs to contemplate short and long term needs and not be focused on just an immediate funding need. And the public should weigh in on the asset being disposed of.	9/11/2023 5:22 PM
121	If park not utilized or needed, evaluate a sale	9/11/2023 4:10 PM
122	AND - no swaps!	9/11/2023 1:52 PM
123	AND - no swaps.	9/11/2023 1:41 PM
124	If a major sale of park district is to be considered, then it should be openly discussed with the community.	9/11/2023 1:00 PM
125	Most municipalities are doing "open land Projects "saving our green space should be the Parks district number one goal.	9/11/2023 12:46 PM
126	I am concerned that deals like that with the library are simply moving money from one "family" budget to another, that is, the Village is all one. If the library had the extra money to buy a piece of seemingly unusable real estate, perhaps the library should be funded at a lower rate.	9/11/2023 12:15 PM
127	And I would like to hear the WHOLE story about the library park sale. What was said and why?	9/11/2023 11:51 AM
128	I would still like to see the WPD purchase the house between Elder and Centennial. This is a once in a lifetime opportunity to combine those properties.	9/11/2023 9:30 AM
129	In cases where there is a small parcel that is isolated and not well utilized, the PD should consider a sale. For example, the park on the west side of Sheridan Road (across from Maple Street beach) is useless. I'd like to see them sell that parcel and purchase the home between Elder and Centennial and connect the waterfront parcels	9/11/2023 9:29 AM
130	Should sell and use proceeds for public purposes	9/11/2023 9:17 AM
131	WPD should have taxpayer approval, through referendum to sell or acquire additional green space. The decision does not belong solely in the hands of WPD. This does not rule out the possibility of a sale such as the Library Park.	9/11/2023 8:28 AM
132	These are tricky answers. I'd like the constituents to have say in any property that exchanges hands. Currently it seems like those on the Board make all our decisions. Just remember, there can always be personal agenda that influence answers.	9/11/2023 8:18 AM
133	It is a zero sum game and we need to keep every inch of private property.	9/11/2023 7:43 AM
134	Transparency is the main thing here	9/11/2023 7:26 AM
135	It is crazy to get ve away land and have others get it free	9/10/2023 1:57 PM
136	The preservation of green space is the important issue-- beyond just the initial sale, but potential future sales.	9/9/2023 8:57 PM
137	And certainly don't give the Crow Island playground to the school district. When the wpd acquired nick Corwin park the school district charged them for it.	9/9/2023 8:43 PM
138	The Post Office space should be developed for commercial use, while maintaining some green/park space	9/9/2023 5:10 PM
139	Please do not sell to private developers.	9/9/2023 11:45 AM
140	Same keep the private sector separate	9/9/2023 10:40 AM
141	Consistent with my above answer, exchange of real estate should also be permitted in appropriate circumstances.	9/9/2023 9:44 AM
142	First. It is not one or the other, sell or acquire. Second, there is an elected board and a process for the park district in order to sell or purchase property.	9/8/2023 8:51 PM
143	All WPD land should be open to all residents, even if sold	9/8/2023 5:45 PM
144	No sales of park land	9/8/2023 5:44 PM
145	There are many "parks" that are not in use and if there is better use for the land, then the park	9/8/2023 5:08 PM

	district should explore that	
146	I can understand why the WPD would want to sell the Library Park to the library. But there is limited green space and it needs to be protected.	9/8/2023 3:38 PM
147	Green space is important and we should preserve these.	9/8/2023 1:46 PM
148	There is no check box for the WPD using its' discretion but the funds raised should be used intelligently with Village buy in.	9/8/2023 11:26 AM
149	We don't have an abundance of open, Parkland I can't imagine why we would consider selling any of it.	9/8/2023 10:16 AM
150	WE NEED TRANSPARENCY. AFTER THE "LAND SWAP" DEBACLE-TRUST WITH OUR COMMUNITY IS WEAK AT BEST	9/8/2023 10:03 AM
151	The sale of Library Park to the WPL was a common sense solution enabling one taxing body to transfer land to another taxing body that is better positioned to make effective use with it. This sale is rare but is a model that should be considered if other similar situations arise	9/8/2023 8:59 AM
152	(Clearer) I believe WPD land should not be sold for any reason.	9/8/2023 3:46 AM
153	The parks are not utilized	9/7/2023 10:45 PM
154	PARKLAND SHOULD NEVER BE SOLD TO DEVELOPERS. maybe ok to barter with neighboring homeowners, but if land is sold, more should be acquired.	9/7/2023 9:36 PM
155	Per mission statement PD should protect open spaces	9/7/2023 8:27 PM
156	All sales should be transparent. Well ahead of time.	9/7/2023 5:54 PM
157	Development of the post office space into a tall tower of condos , rentals and shops to revitalize and compliment the post office park , might necessitate selling or giving a long term lease to a developer.	9/7/2023 3:44 PM
158	The WPD should keep to its mission of preserving open space. Highest best use is the wrong approach. Open space is invaluable, especially in a dense area such as Winnetka	9/7/2023 1:29 PM
159	If the demolition of existing homes and construction of McMansions is any indication of what can be expected of private developers, they should be kept out of any future plans for park real estate.	9/7/2023 11:32 AM
160	I believe the president of the WPD Board has acted inappropriately and because of his actions and the action of one other member everything should be put on pause	9/6/2023 3:01 PM
161	Do NOT swap land with private citizens. Kill the  land swap agreement!!	9/6/2023 12:52 PM
162	I would like to see WPD rank all 26 parks & then share with the community. They could then decide which parks need to be eliminated so that they could spend more \$ on maintaining the remaining parks.	9/6/2023 9:54 AM
163	When parks have a land bank or land trust; it should only be leased. Land only gains in asset value and when provided for the public domain should remain as such.	9/5/2023 11:05 PM
164	I feel Glencoe has made a large push with its parks and beaches. I don't understand why some of our parks and lakefront areas look so tired and unkept	9/5/2023 10:33 PM
165	They shouldn't be able to sell lake front property unless it is in exchange for lake front property.	9/5/2023 10:00 PM
166	Overdevelopment of land is a huge issue. Keep green space a priority.	9/5/2023 9:07 PM
167	The WPD SHOULD NOT SELL NOR SWAP NOR TOUCH ANY PROPERTY WITHOUT A REFERENDUM AND PERMISSION FROM THE CITEZENS OF WINNETKA.	9/5/2023 8:43 PM
168	This question requires another option- bring potential land sale to a public vote or public notificaion/ input.	9/5/2023 7:00 PM
169	With the caveat that "discretion" means subject to community approval. While I believe WPD is best positioned initially to assess sales to private entities, it needs to be very transparent about any such sale.	9/5/2023 5:06 PM

170	If they no longer want to care for a property it should be given to another municipal organization within the village	9/5/2023 3:32 PM
171	Part of Winnetka's charm is its parks and green spaces	9/5/2023 3:31 PM
172	And no land swaps which would result in further destruction of trees and bluff	9/5/2023 2:16 PM
173	I would be very skeptical and cautious about working with private developers but not say never	9/5/2023 2:01 PM
174	They just gave away land in what appears to be a quid pro quo with district 36 land worth 1.2 million this is incorrect	9/5/2023 1:16 PM
175	The WPD mission statement talks about preserving green space at all costs. The Park Board has over promised Orchard 2020 and D36 without buy in from the community. Why do we have to protect our parks from the own Park District?	9/5/2023 12:59 PM
176	Any sale should require referendum- the parks belong to all of us	9/5/2023 12:05 PM
177	I'm not in favor of selling of the parks, but if there is a reason to do so that preserves the overall set of park resources, the park district should do that.	9/5/2023 11:34 AM
178	None	9/5/2023 11:28 AM
179	Public land should be kept in public domain!	9/5/2023 11:27 AM
180	We need to preserve our green space.	9/5/2023 11:14 AM
181	ONLY with public approval. WPD Boards have been irresponsible and have acted in personal interest. not Village interest. Their discretion is questionable and needs to be held in check by Village members	9/5/2023 11:09 AM
182	What is the point of having a park district if they have no control over anything?	9/5/2023 11:07 AM
183	The survey is incorrect. Currently the WPD plans to give 11,000 square feet of Crow Island Park to D36 for purposes of construction of the new gym at Crow Island Elementary. The WPD also plans to give 26,000 square feet of Crow Island Park to D36 on which the First Grade playground of the school occupies. There is no reason for the gift of the 26,000 square feet. Before the WPD sells, transfers, conveys any Park land it should put the issue to Referendum. The mission of the Park District is to conserve natural resources and to acquire, not sell, additional green space. When Edward Bennett produced the first Village Plan in 1921 the mantra of the planning commission and MR. Bennett was conservation of what remained of beautiful Winnetka. It is time for the WPD to recognize that it is not in the development business nor in the business of turning an entrepreneurial profit but in the business of serving the taxpayers of this Village.	9/5/2023 10:52 AM
184	The mission of the WPD is to enhance our green space for the enjoyment of our community. It makes no sense for the WPD to divest itself of any land to any party. Furthermore, the WPD commissioners have proven they are not to be trusted given recent plans to "gift" property at Crowe Island Woods to D36 Schools. How and why would the WPD gift land as opposed to receive fair cash value? There are clear laws about this.	9/5/2023 10:39 AM
185	Land could be sold when there is total transparency and resident input	9/5/2023 10:32 AM
186	I thought that a parcel of land that was part of Centennial Park was sold to a private buyer. I understand that another parcel was then sold to Centennial, but that should be disclosed above.	9/5/2023 10:26 AM
187	Since tax payers support the WPD, they should approve any sales, purchases.	9/5/2023 10:17 AM
188	The mandate for park district board is to protect open space and natural resources. Acquire if the opportunity exists. Do not give or sell.	9/5/2023 10:16 AM
189	The library park sale was dumb and certainly not in the best interest of the village, or consistent with the goal of the WPD. The library has proposed building on that land--NOT keeping it as open space. The WPD should be acquiring land, not selling, swapping, giving it away under any circumstances.	9/5/2023 10:08 AM
190	WPD is the worst park district in Illinois, part of a dishonest old-boy network designed to enrich insiders with clout.	9/5/2023 10:07 AM
191	I believe all options should be open and to buy/sell its real estate	9/5/2023 10:07 AM

192	I'd be comfortable with land swaps like the Elder/Centennial plan.	9/5/2023 10:04 AM
193	Open to this- but think it should be up to a vote for whom to sell to for what when a potential buyer is interested	9/5/2023 9:54 AM
194	Read the WPD mission statement. Green space should never be sold.	9/5/2023 9:48 AM
195	The land swap at elder is a terrible idea and should not proceed. Hoping the WPD can find its way out. The landowner will just continue to destroy the bluff and we need larger parks, so let's acquire the middle lot without a swap.	9/5/2023 8:52 AM
196	None of the above options accurately reflect the numerous potential scenarios. WPD should be allowed to sell land but it needs to make sense and align with its mission/vision and goals to the benefit of Winnetka residents	9/5/2023 8:25 AM
197	the parks are owned by the people, not the board. The people should decide their future.	9/5/2023 8:18 AM
198	Can also be other non profit entities with first right to repurchase if non profit sells.	9/5/2023 8:04 AM
199	Don't give away property!!	9/5/2023 7:24 AM
200	Build a public swimming pool. The library does not need this land.	9/4/2023 9:22 PM
201	What the heck is this all about. Also WPD is trying to give away Crow Island Woods acreage for free, what the heck.,	9/4/2023 5:40 PM
202	Winnetka doesn't need more mansions or commercial development space. The only private use that might be worth considering would be affordable housing to allow new families to live in Winnetka	9/4/2023 5:18 PM
203	The WPD's mission statement says that it should acquire land, not sell it or give it away. Currently, the WPD wants to give away a parcel of land at Crow Island to District 36.	9/4/2023 4:43 PM
204	I feel that many of the current facilities are not maintained to a sufficiently high level - eg all trees should be trimmed along lakefront parks so no views of the lake are obstructed. The number of parks should then be adjusted to reflect the amount of maintenance that the community wants to spend. level of maintenance	9/4/2023 3:53 PM

1	I recall the easter egg hunts and fall fest of years past which didn't require as much advance planning with registration	9/20/2023 5:08 PM
2	Dont charge for easter egg hunt-that practice is ridiculous.	9/20/2023 8:49 AM
3	I have no opinion as I don't participate	9/20/2023 8:35 AM
4	I wish there was a small fee per FAMILY- we have 6 kids, so just to go to a WPD event costs us SO much	9/19/2023 9:21 PM
5	The fall fest fireworks during Covid were great. This should be an annual event rather than iuly4, which every town has.	9/19/2023 9:16 PM
6	There should be some events for demographics other than families.	9/19/2023 8:18 PM
7	As a growing family of five, we have been very pleased with what programming that Winnetka Park District provides our family both annually and seasonally related.	9/19/2023 6:43 PM
8	I don't know much about this. Kudos to the Park District for planning these events.	9/19/2023 6:19 PM
9	I think the move to predominantly pay to play events during covid should cease. If you want to	9/19/2023 6:09 PM

	charge non-residents to attend local events than fine, but given we are the ones paying (increased) taxes on events that used to be "free", residents shouldn't be uncharged.	
10	More free events are always welcome.	9/19/2023 5:43 PM
11	The events aren't family-friendly, they are kid-friendly. More events for older kids and adults, please!	9/19/2023 5:04 PM
12	We feel so lucky to live here. An extraordinary number of events to help build community and recreation opportunities. Bravo!	9/19/2023 4:49 PM
13	Other communities don't charge the prices we do. I wonder the purpose.	9/19/2023 4:29 PM
14	Less not more	9/19/2023 3:28 PM
15	There is no reason that Winnetka can't put on the same types of events that neighboring park districts do. Mud run for the kids - easy. Gymnastics facility - not super easy, but would be utilized and appreciated by many.	9/19/2023 2:21 PM
16	I think the Park District needs to be more careful about not competing with programming from the Community House, which does a wonderful job without tax payer support.	9/19/2023 1:07 PM
17	I never been to any of their events are, so I have no opinion.	9/19/2023 12:31 PM
18	Our children are grown, so I have no opinion.	9/19/2023 11:29 AM
19	Honestly I don't have much of an opinion as we don't tend to participate in these events.	9/19/2023 11:21 AM

23	Food and drink for purchase is fine but otherwise WPD should be able to cover costs	9/19/2023 8:56 AM
24	Ice cream in parks, game nights in parks, food trucks. Just gather community w simple things	9/19/2023 8:54 AM
25	no opinion	9/19/2023 8:50 AM
26	Pay or play is NOT inclusive of those families, and there are a good number, who cannot afford to participate due to multiple children and and costs incurred to participate. Easter Egg hunt is an example. Return it to FREE and be happy to provide it.	9/19/2023 1:34 AM
27	I have not attended recently. My husband enjoyed the band at the beach recently. I believe there was no cost.	9/18/2023 10:32 PM
28	do not keep charging taxpaying citizens for traditional events ie easter egg hunt and jumpy houses and winter carnival for examples	9/18/2023 3:24 PM
29	I disagree that WPD should charge for an event. The entire community pays taxes and people should not be prevented from attending because of added costs. Either it is open and free to the entire community or do not do it.	9/18/2023 1:22 PM
30	The cost of these events should fall on the users and not on all taxpayers.	9/18/2023 12:05 PM
31	I would attend more events if the WPD didn't charge fees, especially for things like Fall Fest, which used to be free. I pay enough in taxes and it feels like all the \$\$ is going to the beach project versus actually serving the residents.	9/18/2023 10:55 AM
32	I don't have young children in the community any longer so I don't have a big opinion on this. I will let the families that live in the community comment.	9/18/2023 9:41 AM
33	The programming appears appropriate for the size of our Village.	9/17/2023 6:12 PM
34	I think it is quite absurd that residents already have to pay fees to use facilities we subsidize with our tax dollars. Charging us for access to tennis, beaches, etc. is ridiculous.	9/17/2023 5:16 PM
35	As long as these events are well attended	9/17/2023 4:54 PM
36	I think residents should pay a nominal fee for Park District events and only non-residents should be paying a more robust fee.	9/17/2023 4:53 PM

37	Recently events sold out; RESIDENTS should not have to buy tickets to the easter hunt; or fall fest for entry! il pay taxes and could not even take my kids to my own village events.	9/17/2023 2:25 PM
38	We are older.	9/17/2023 2:24 PM
39	Same	9/17/2023 2:10 PM
40	No opinion	9/17/2023 11:43 AM
41	there is a need for continued balance. Residents and taxing bodies overestimate the extent to which there is only wealth in the community	9/17/2023 10:59 AM
42	Elinat fees for things like Easter Egg hunt. I pay a fortune in taxes; I shouldn't have to pay for my kids to participate in an easter egg hunt or similar activities.	9/17/2023 10:52 AM
43	We pay high taxes. High fee events diminish the communal nature of the Park District. (Last summer when the Village Green Independence Day celebration included buying tix for bouncy house, lots of kids were turned away.)	9/17/2023 10:48 AM
44	I do not have young kids so it is hard to know, but a mix seems smart	9/16/2023 4:14 PM
45	I lean towards no-fee events, still quality events, though. While there are many that can afford anything in this community, no fee feels more inclusive.	9/16/2023 2:31 PM
46	Add a pool.	9/16/2023 2:26 PM
47	Get the Sailing Program back in action staffed with WPD personnel. Thanks for at least arranging this year's sailing program thought Sheridan Shores. With a \$5.2 million boat beach we need to have a focus on sailing and boating programs.	9/16/2023 2:13 PM
48	I no longer have young children. How about some adult themed events like a wine tasting in a park or a adult oriented social gathering?	9/16/2023 1:40 PM
49	Would love to see the addition of medium-sized offerings and site specific offerings. Senior walks. Lake swimming lanes and races in the summer. Family "iron-man" events. Sauna club. Movies on the beach. Animal competitions.	9/16/2023 1:11 PM
50	The warming house at Indian Hill has not been open for years during the winter -- previously this was a great gathering point for the community while taking advantage of skating	9/16/2023 1:10 PM
51	We need a public swimming pool - useful for all ages	9/16/2023 12:54 PM
52	No reason for WPD to incur expense for such purpose.	9/16/2023 11:32 AM
53	Open to additional small and larger scale events	9/16/2023 10:14 AM
54	How about Park District events for singles?	9/15/2023 9:35 PM
55	The golf course uses too much green space for a very specialized activity. I favor using the current golf course for other park and open space activities.	9/15/2023 5:44 PM
56	I have no opinion.	9/15/2023 3:36 PM
57	What events?	9/15/2023 9:24 AM
58	The Music Fest has gotten out-of-hand; too expensive, too intrusive, and restricts access to local businesses. More and more neighbors have complained about the Music Fest.	9/15/2023 8:24 AM
59	I don't attend them at present	9/14/2023 10:18 PM
60	The events have been off our radar as our child is now in college. We did participate in most when she was young, and think its a great offering since many residents with young children are new to the area, and its a nice way to create community.	9/14/2023 4:32 PM
61	No opinion	9/14/2023 11:14 AM
62	We pay taxes and should have access to WPD events so they should be free of charge. If someone from neighboring Glencoe wants to attend, then they should have to pay. So many Park Districts offer amazing fall and other events free of charge. There is no need to charge anything additional especially since taxes are already high and camps through WPD are outrageously expensive.	9/14/2023 10:16 AM

63	Really enjoyed fireworks in the fall (when the 4th's were rescheduled). With it getting dark earlier during that time of year, the turnout seem to be very high for families, especially those of young children.	9/14/2023 9:01 AM
64	The idea of charging for the Easter egg hunt is terrible— BAD decision.	9/13/2023 4:04 PM
65	The WPD has cut elements of the 4th of July, and kill it little by little. For decades American flags were doled out at the parade and the Village Green, do children could parade and eat their patriotic flags. The flags are gone. The classic mailed flyer for the holiday events, is gone. The very late start of events at the Village Green, left so many perplexed, they just left.	9/13/2023 1:16 PM
66	Seems like attendance is often from non-residents	9/13/2023 11:30 AM
67	Do not think they should charge if they have sponsorship	9/13/2023 8:19 AM
68	I a single senior in Northfield, so I don't much care what the WPD does about events	9/12/2023 10:04 PM
69	If the WPD lived within its means, they would not need to charge for events-which taxpayers are already funding.	9/12/2023 8:56 AM
70	The WPD should not be charging for events if the proceeds are used to cover other expenses the WPD cannot afford on its own budget	9/12/2023 8:35 AM
71	Events should be self-funded as much as possible.	9/11/2023 11:10 PM
72	I think charging money for fall fest / children's events is a joke given the taxes we pay. Really?	9/11/2023 8:49 PM
73	No opinion	9/11/2023 3:26 PM
74	We have everything here we don't need a large festivals that I believe we just taxpayers are paying some of that bill. We are tracking what is it 14,000 people the past week weekend of the festival use your head's world is not copacetic anymore would like to stay small, but of course, with your thoughts of putting in a restaurant or maybe a hotel it's more of what you're thinking so Winnetka Council should have the authority not the park district	9/11/2023 3:06 PM
75	no opinion	9/11/2023 2:21 PM
76	I should think we pay enough so the smaller kid-oriented events could be free.	9/11/2023 1:52 PM
77	I should think we pay enough so the smaller kid-oriented events could be free.	9/11/2023 1:41 PM
78	My children are now adults and I cannot answer this question objectively. However, I think "user fees" are appropriate so that additional tax burdens are not placed upon residents.	9/11/2023 1:00 PM
79	\$600/week for sailing camp! Is this true? We used to have our village Olympians teach sailing.	9/11/2023 11:51 AM

81	More live music please!	9/11/2023 10:54 AM
82	The fall fest was SO loud we had to leave after a few minutes. The same thing happened at another event at HW park last year. We want to be able to socialize at these events. Music is nice but you don't need an MC- please please consider getting rid of the MC and having quieter background music so people can talk and babies ears won't be damaged.	9/11/2023 9:52 AM
83	1-2 annual larger events would be nice esp if it's geared toward childless adult or older families as well. Like July 4th events expanded or an outside art fair or performance art fair.	9/11/2023 9:51 AM
84	Your fourth of July celebrations rock!	9/11/2023 9:30 AM

87	We are Nicole's and dimes when le u spend millions on lawyers	9/10/2023 1:57 PM
88	I believe that the WPD should not charge Winnetka residents for the 4th of July Fireworks show.	9/9/2023 9:22 PM
89	I think the WPD offers a nice variety of events throughout the year	9/9/2023 8:57 PM
90	I have no interest in park district events.	9/9/2023 8:43 PM

91	More integrated offerings with the schools districts/days off/ etc.	9/9/2023 4:19 PM
92	Non-residents should be charged more than residents	9/9/2023 2:08 PM
93	N/A	9/9/2023 10:40 AM
94	Should invite others/professionals to provide events on WPD property.	9/9/2023 9:47 AM
95	no opinion	9/8/2023 8:40 PM
96	I am too old to participate.	9/8/2023 6:36 PM
97	I would like to see the WPD balance their budget and provide services only within current tax base and means - the taxation is driving away many neighbors and people can't afford to live here	9/8/2023 5:24 PM
98	I have no opinion on this.	9/8/2023 3:46 AM
99	Curious about Emerge. Does it bring in revenue for Winnetka, or is it just a vanity event?	9/7/2023 10:32 PM
100	Need to have more accessible ADA compliant events.	9/7/2023 9:39 PM
101	We haven't been here long enough to really know or have strong opinion, we've enjoyed a few summer events so far (4th of July, live bands at Hubbard woods, end of summer library fest)!	9/7/2023 9:36 PM
102	I have no opinion on this.	9/7/2023 9:01 PM
103	Should not be charging for 4th & Easter activities	9/7/2023 8:27 PM
104	I think both are great	9/7/2023 4:57 PM
105	The WPD should consider all the events and programming from other entities before adding new events. And all events don't need to be Disneyland-esque	9/7/2023 1:29 PM
106	NA	9/7/2023 11:32 AM
107	Need to balance both for all residents to be able to select which they prefer.	9/7/2023 6:54 AM
108	These events are all great. It's a great mix but I think we could continue to do more higher cost events. Do more summer movie nights at Dwyer park please :)	9/6/2023 8:26 PM
109	Option 5: I am satisfied with the options but believe both additional simple low or no-cost events and additional large-scale events are worth exploring.	9/6/2023 8:17 PM
110	pre-COVID these events were free. I don't see any reason why everything has to have a fee. It only deters people from goinh	9/6/2023 4:44 PM
111	I have not attended the events as they are geared mostly to families with small children.	9/6/2023 4:23 PM
112	No opinion	9/6/2023 4:15 PM
113	Think I' satisfied but probably dont know enough to provide a good opinion	9/6/2023 2:52 PM
114	The Park District should not charge for these events. Quit wasting money on stuff we don't need. Prime example: millions spent on ugly, useless, dangerous stone breakwaters. No breakwaters at Elder Lane!!	9/6/2023 12:52 PM
115	Less large events, less fireworks. Smaller Music festival, our village of 15k residents doesn't need to have such a disruptive event.	9/5/2023 10:51 PM
116	No opinion	9/5/2023 4:45 PM
117	how about sponsoring an event for seniors even once?	9/5/2023 4:33 PM
118	until recently many of the family events like fallfest, 4th of July events ( races, rides, games et) were at no charge. I do not see why you would start charging now. I check with other nearby villages and they do not charge for these things. I think our tax dollars pay for this perk. I feel like the part district is operating for profit only. They events are the exact same as they have been for years so I do not see why we now need to charge a fee.	9/5/2023 4:02 PM
119	No opinion	9/5/2023 3:32 PM
120	Prefer no cost options as in pre-pandemic times	9/5/2023 3:31 PM

121	I do not agree with charging for family events...a recent development	9/5/2023 2:16 PM
122	I am open to both A and B	9/5/2023 2:01 PM
123	I am not engaged enough to know the right answer	9/5/2023 1:56 PM
124	My gosh they have spent millions over the last few years on lawyers and many plans but can;t affor the easter egg hunt?	9/5/2023 1:16 PM
125	indifferent	9/5/2023 12:53 PM
126	I have no opinion as my children are grown. But would love to see more adult family options	9/5/2023 11:30 AM
127	None	9/5/2023 11:28 AM
128	I'd like the option to choose both 8A) and 8B) above! Why does it need to be an either/or?	9/5/2023 11:27 AM
129	no opinion	9/5/2023 11:26 AM
130	no opinion	9/5/2023 11:02 AM
131	With the amount to tax dollars that have been squandered for over three years on a troubled beach plan, I would like to see the WPD produce family events at no or very little cost to residents.	9/5/2023 10:52 AM
132	Winnetka should NOT charge citizen taxpayers for Easter egg hunt, water carnival, or other family events. WINNETKA is about family and community. Park District is an amenity and need not always pinching for the almighty'buck'.	9/5/2023 10:16 AM
133	Engage local businesses and corporations to have naming rights	9/5/2023 10:10 AM
134	I am dissatisfied.	9/5/2023 10:07 AM
135	Open to options here. I've been happy with Winnetka's offerings thus far.	9/5/2023 10:07 AM
136	Love our park district!	9/5/2023 9:54 AM
137	I understand fees for pumpkins but NOT the egg hunt!!	9/5/2023 9:48 AM
138	some used to be free, like Father's Day. Better when there was no cost.	9/5/2023 8:18 AM
139	I would like more fun events like they have in Highwood	9/5/2023 8:11 AM
140	Im not sure the WPD has the staffing to handle additional large scale events. I think they do a wonderful job for the cost.	9/5/2023 8:04 AM
141	The WPD needs to step up it's offerings. Just look to Glencoe for creative and different offerings each year. It is always the same stuff at the WPD and please no more junk prizes for kids - wasteful.	9/5/2023 6:38 AM
142	WPD is the worst park district in Illinois.	9/4/2023 5:40 PM
143	Running races on the Green Bay trail monthly. Like the July 4th race	9/4/2023 5:35 PM
144	Please DO NOT charge for the Easter egg hunt.	9/4/2023 4:43 PM
145	These aren't mutually exclusive.	9/4/2023 4:27 PM

# Q9 Do you believe the WPD provides sufficient programming in the following areas:

1	I would love to see more adult programs. I currently partake in Glencoe Park District adult programs due to Winnetka lacking options.	9/20/2023 5:38 PM
2	add pickleball and wine tasting events for empty nesters	9/20/2023 9:03 AM
3	would like WPD to add outdoor pickleball	9/20/2023 8:27 AM
4	Additional family programming	9/20/2023 8:25 AM
5	Additional gentle exercise for seniors would be welcome. For example, warm up and walking. Also maybe the park district could sponsor aquatic exercise at the high school pools.	9/19/2023 11:28 PM
6	It would be nice to see mom and tot/baby groups during the weekdays when older kids are in school. Also I wish there was a gym open for basketball/indoor free for just resident families during the weekdays for preschoolers/toddlers when older kids are in school. Even something like Kidmotion!	9/19/2023 9:21 PM
7	Not enough options for family activities outside of work and school hours.	9/19/2023 8:26 PM
8	Empty nesters are completely ignored in this community	9/19/2023 8:18 PM
9	What about the age group 2-10? I don't think babies 1 and under need park district programming, but 2-10 year olds certainly do.	9/19/2023 8:16 PM
10	Though there are summer camps for tweens & teens, the cost is pretty steep for a weekly program. More one-off lower ticket priced events could be effective	9/19/2023 6:35 PM
11	High school kids should have a SAFE place to hang out on the beaches.	9/19/2023 6:02 PM
12	I'd love shops open later every Thursday nights in the summer to promote the community, commerce, etc. Maybe same night as HW park bands or do something in Dwyer Park with food trucks on Elm & shops open, ice cream, etc...	9/19/2023 5:25 PM
13	Why is Winnetka the only community without public pickleball courts? Take 2 outdoor courts from Nielsen and convert them to 6 PB courts!	9/19/2023 5:20 PM
14	I'd like more programming on out-of-door activiities.	9/19/2023 5:13 PM

23	The Winnetka Community House is unique to this community, and along with the Winnetka Public Library offers a wide selection of programming.	9/19/2023 1:34 AM
24	I am very happy with programming for children under 10 - from fall fest to Easter egg hunts to summer concerts and camping. I feel it's a perfect balance.	9/18/2023 11:29 PM
25	Please look into offering pickleball lessons and open courts. Thanks	9/18/2023 6:13 PM
26	Allow residents to use Tower Rd Beach Thur-Sun without buying a season pass	9/18/2023 3:26 PM
27	There is a gap in the 2 years to 6 years of age. Many working parents cannot take their children to programming during the weekday.	9/18/2023 1:22 PM
28	There should be NO programs for children 1 and under. Idiotic.	9/18/2023 12:05 PM
29	I don't use WPD programming any longer	9/18/2023 9:41 AM
30	More empty nester events. How about euchre tournaments?	9/18/2023 9:21 AM
31	Stay within budget. Charge only non-residents.	9/17/2023 9:24 PM
32	I am now empty nester and unaware of any village programs	9/17/2023 7:25 PM
33	Where is the 2- 9 programming question?	9/17/2023 7:03 PM
34	I have a 7 year old so none of these questions are specific to my family	9/17/2023 6:43 PM
35	The Winnetka Music Fest is a great event for WPD to continue to support.	9/17/2023 6:12 PM
36	I am not particularly interested in additional services because it will undoubtedly come with additional costs.	9/17/2023 5:16 PM
37	There are options for elementary K- 4 is good; 5-6 exists a little and so when options do arise it fills up fast; there is not highschool events that I am aware of.	9/17/2023 2:25 PM
38	Same	9/17/2023 2:10 PM
39	I've been very pleased with the programming. I would love to see a continued emphasis on needs of families with two working parents (like before care and after care at the WPD camps which was great).	9/17/2023 10:33 AM
40	Elementary school kids are the sweet spot.	9/17/2023 5:28 AM
41	The WPD appears not interested in providing programs for the 50+ set. Let's get more pickle ball courts (take some of that money from the troubled beach plan and get it done.)	9/16/2023 2:13 PM
42	There could be more offerings for organized sports/activities for young kids, particularly during evenings and weekends for working parents	9/16/2023 1:33 PM
43	Elder remains closed. This has been the case for several years. Until WPD can get their act together and reopen Elder they should stop all other activities.	9/16/2023 1:10 PM
44	Golfers and tennis players seem to benefit	9/16/2023 12:54 PM
45	Pickleball for seniors.	9/16/2023 12:39 PM
46	How about pop up restaurants on park property like at Centennial park?	9/16/2023 11:55 AM
47	1. Consider offering family memberships to the tennis club (would help promote interest for those who don't play a lot of tennis). 2. Eliminate the requirement for beach passes (they only benefit those who use the beach all the time).	9/15/2023 6:49 PM
48	I don't think there are programs for empty nesters but I may be mistaken	9/14/2023 10:18 PM
49	I'm not aware of any WPD events for high schoolers, and least my 23 NT grad and her friends didn't participate if there was anything. I'm also not aware of anything for empty nesters, now that I am one now	9/14/2023 4:32 PM
50	Senior programs	9/14/2023 3:09 PM
51	I'm happy with current programming, but I have no children in my life right now, so I have no	9/14/2023 1:21 PM

	idea.	
52	Would love to see pickle ball lessons for beginners	9/14/2023 11:14 AM
53	If offerings are made to empty nesters, I'm nit aware	9/14/2023 7:44 AM
54	The survey doesn't ahve kids 2-9? I would say kids 5-9 are where we could add the most.	9/13/2023 6:05 PM
55	I would love to see the WPD provide space and events for high schoolers ... open basketball time, social mixers, etc	9/13/2023 3:19 PM
56	I think there could be a greater variety for kids in general. There aren't enough options.	9/13/2023 3:02 PM
57	We need to continue to find ways to engage our teenagers in healthy, safe, .nurturing activities	9/13/2023 10:39 AM
58	Opportunity to add Pickle Ball	9/13/2023 9:37 AM
59	I have heard that there is not enough room in programs for children so I would like to see them expanded so there is room for the children who want to attend. You did not ask about young children and it seems to me they are the ones that need more programs.	9/12/2023 6:53 PM
60	Why didn't you ask about kids 1-10? That is where I believe WPD excels.	9/12/2023 2:28 PM
61	I don't know anything about WPD programming.	9/12/2023 12:46 PM
62	not aware of any programming for anyone	9/12/2023 12:32 PM
63	need pickleball courts	9/12/2023 12:02 PM
64	What about 18-49?	9/12/2023 9:19 AM
65	There is no pickleball and the tennis is always sold out	9/12/2023 8:35 AM
66	More arts / science / fun kids activities are needed.	9/11/2023 8:49 PM
67	Again I dont trust WPD with our money. They need to be checked thru an improved governance program	9/11/2023 5:37 PM
68	I have comments regarding AC Nielsen that I would like captured somewhere on this survey. I'm not sure this is the appropriate place - but here I go. AC Nielsen is a community asset that used to have a wonderful reputation with supportive and friendly staff, excited pros and childcare opportunities for every resident to take advantage of. Since Covid, the entire experience at the AC Nielsen center has changed. Pros aren't happy (you can feel it), childcare has closed, classes are impossible to get into and staff is not being paid adequately. Revenue is up year over year, but that is not trickling down to employees and not trickling down to community satisfaction. We are so lucky to have this center and it is a complete shame how different it is from 4 years ago. Many community members are leaving for one reason or another and it is a shame since all of our taxes to go support it. We should all feel great with the experience - members, staff and otherwise.	9/11/2023 2:27 PM
69	More "meet your community members" events would be appreciated as we empty nesters no longer have children in school. It is very difficult to make new friends as homes have changed ownership.	9/11/2023 1:00 PM
70	The indoor courts at Nielsen are not adequate considering the demand. Hopefully the golf course chooses replaces the carts with Club Car electric carts. Higher fees would be justified.	9/11/2023 11:34 AM
71	I love the tennis, yoga, and sculpt offerings.	9/11/2023 11:33 AM
72	Don't really know as we are new to the Village	9/11/2023 10:28 AM
73	I am absolutely puzzled on what park district program would be geared to 1 or under. Seems we forgot about those between 1 and 10.	9/11/2023 9:39 AM
74	The WPD has been known on several occasions to not show up for some events (like teen egg hunt). At least complete the events that are committed.	9/11/2023 7:13 AM
75	What about programming for people that are over 18 but under 50? this question seems flawed.	9/10/2023 7:49 PM
76	Need better programming & child care options like school day off programs. The Glencoe PD is excellent at this and Winnetka is far behind expectations.	9/10/2023 12:36 PM

77	Please consider an indoor year round swimming pool.	9/10/2023 10:13 AM
78	There is nothing for high schoolers to do in the community, and that is why they so often get into trouble.	9/10/2023 7:49 AM
79	All of my children are under 5. Limited age appropriate programming for children <2. Not sure about programming for HS kids.	9/9/2023 4:04 PM
80	I'm not aware of anything specifically for high schoolers	9/9/2023 2:08 PM
81	Why are you asking about children under 1 yo, yet you do not ask about children 2-9? What is up with this survey. Do you want information?	9/8/2023 8:51 PM
82	i don't know - i don't take advantage of the park district's programs except for tennis	9/8/2023 6:17 PM
83	WPD needs new leadership	9/8/2023 5:44 PM
84	It would be nice if there were specific events for individuals that are 50+. More "empty nester" programming may keep more 50 plus people from moving out of the community.	9/8/2023 3:38 PM
85	Parks are not only for Nannie's on phones with infants in buggies	9/7/2023 10:45 PM
86	Kids 1-9 no	9/7/2023 8:27 PM
87	I'm not aware of programs for empty-nesters. Perhaps that's my fault.	9/7/2023 4:06 PM
88	25-45 age group needs attention	9/7/2023 9:53 AM
89	This question should include an option for children between the ages of 1-10. The answer would be yes to that question.	9/6/2023 8:17 PM
90	I would like to see more community/family events such as a food and wine festival.	9/6/2023 9:50 AM
91	Should be inter mutual recreational sports. Not all outsourced.	9/6/2023 8:53 AM
92	I no longer have kids at home, so can't speak to those specifics	9/6/2023 8:01 AM
93	I would love to have more weekend class options for 3 and 4yo's (especially kids yoga or parent + kids yoga)	9/5/2023 9:57 PM
94	you could do more for children 3 - 9	9/5/2023 9:02 PM
95	What programming?	9/5/2023 8:43 PM
96	except the library re: empty nesters. They have activities	9/5/2023 3:39 PM
97	Ask the families	9/5/2023 2:01 PM
98	Need pickleball courts and a pool instead of a Disney like park	9/5/2023 1:16 PM
99	I think a lot of the family activities are geared toward families with very young children and not so much toward families with tweens and teens.	9/5/2023 12:49 PM
100	None	9/5/2023 11:28 AM
101	Would love to see the WPD spend more on programming and less on Elder Beach. Pickleball is a GREAT activity for ALL ages, and can be offered at minimal cost!	9/5/2023 11:27 AM
102	It was as a result of community comments that the WPD re-instituted its sailing program. I would like to see more attention devoted to sailing and rowing so that we can return to produce Winnetka sailers as teachers for future generations. Stop the focus on unnecessary development of capital projects and get back to providing recreation and teaching camps for our youth. Unlike surrounding park districts, the WPD does nothing for Senior Citizens and appears to have little to no interest in even exploring the issue.	9/5/2023 10:52 AM
103	Adults 20-50 need programming, too	9/5/2023 10:50 AM
104	WHy has the WPD not offered programns such as pickle ball and why have programs such as sailing (for youths) been cancelled?	9/5/2023 10:39 AM
105	WPD is wasting its funds on unneeded projects while ignoring public interest in pickleball, and not serving those who enjoyed the annual ATP tennis tournament.	9/5/2023 10:07 AM

106	the park district refuses to support pickleball and there are really no non-tennis or golf programs for older adults	9/5/2023 9:59 AM
107	Tweens need more activities- the Little's are fine but middle school kids need better activities	9/5/2023 9:48 AM
108	Never thought much about WPD 50+ programming. Worth considering.	9/5/2023 8:47 AM
109	Add more early evening tennis for working adults. Add pickel courts (might want to look to Glencoe and their use of the ice rink to pickel courts - plays very well!)	9/5/2023 8:25 AM
110	I feel most of the events are catered to kids and families and not empty nesters.	9/5/2023 8:11 AM
111	Senior programming is lacking.	9/5/2023 7:24 AM
112	Build a community swimming pool	9/4/2023 9:22 PM
113	Create more spaces like the god beach that naturally allow all of these groups to mingle with each other. So much other programming is age specific.	9/4/2023 5:55 PM
114	WPD serves its majority and not the public. It's a secretive and cliquish old boys network vestige.	9/4/2023 5:40 PM
115	Community House programming tends to be way better	9/4/2023 4:27 PM

### Q13 The Library District covers residents of Winnetka, Northfield and other stakeholders (e.g., Kenilworth residents). What should the Winnetka-Northfield Library District be to your community?

Answered: 1,787 Skipped: 368

ANSWER CHOICES	RESPONSES	
A library that provides basic services without significant cost to taxpayers.	19.08%	341
A library offering services similar to our North Shore peers.	38.44%	687
A library offering services that are best-in-class for our tax base.	38.05%	680
No opinion.	4.42%	79

1	The public Library is a key foundational piece of our democracy. Support for it should never wane.	9/20/2023 8:51 AM
2	I LOVE the Studio - i forgot what it is called. Keep that going. Work on marketing it more to elementary school parents if it isn't used much -they will be feeders to the future.	9/20/2023 8:33 AM
3	While I believe we've gone round and round on this issue of what should the library be in this new world, I believe it's possible that in addition to offering TRADITIONAL library services somewhere between basic and similar to North Shore peers, the Winnetka Northfield libraries should determine whether there is a case to be made for reimagining the remit of the library in a digital age. What that means today is not only different than what it meant five years ago, but different than what it meant even months ago before the introduction of large language model (LLM) AI like ChatGPT. This new wave of information access and parsing fundamentally changes the way human beings interact with information and technology. I don't presume to have all the answers in this regard, but what is emerging is that our future adult citizens will need new skills which include such skills as 'prompt engineering' (that is, how to properly	9/19/2023 8:24 PM

linguistically query AI in order to get useful answers) and validation and auditing skills to make sure that the information coming back from the AI is properly tested for validity. These two skills are also inextricably linked to one another. We need to embrace this New World and give our young people and adults the tools they need to understand, cope, and thrive, using the new capabilities of AI. To what extent that need can be satisfied by a reimagined local library is, of course, subject to debate, but it's a debate that is worthy of having. I am equally interested to have the library, examine the ethical issues surrounding AI, and be at least aware, if not participate in the formation of 'AI constitutions' (by that I mean the set of rules by which the AI algorithms are bounded) that need to be embedded into new large language models to ensure that the output of such models is in keeping with the best interests of humanity, including human rights. One way to do this could be for the library to be the central forum for such discussions. It could bring in speakers and luminaries to debate these issues, and to illuminate the community in the process. In my view this is what best in class leading is all about and there's no reason why Winnetka can't be at the forefront. We should also as a part of this mission, have a more direct line to silicon valley — it's Enterprises, and thought leaders — because make no mistake, that is where the action is...and to help our community be informed and relevant, the library could be a bridge. Let's not forget there's a library at its core was to be a central point for obtaining, housing and disseminating information. It was also to be the place where (while respecting human dignity) free-speech and opinion could be heard, understood, and debated. It just so happened that in our day that was largely done through words printed on pieces of paper, and found between other heavier pieces of paper that contained this information, i.e print media. That day has passed. If we continue to protect only the medium on which the information was printed, rather than going back to the goal of libraries in the first place, we risk irrelevance much as steamships, which happened to be the means of transportation in its day, became irrelevant when transportation took a different and technologically advanced form. If we determine that 'the train has left the station' (excuse the additional transportation metaphor) on these things called libraries and that the library in our small community cannot be remade to address the monumental changes in technology, then, perhaps our physical assets, and our goals should be reimagined and re-purposed to address what may be a more modest, but still very important element regarding information and human discourse. That is, perhaps our assets and the programming around it can be re-crafted in such a way as to support human collaboration in a world that is increasingly detached. The only other alternative, I see is to continue to support largely an exhibition of physical books, which have their place, but are going to become increasingly an historical artifact somewhat like a museum.

6	I love our library.	9/19/2023 5:47 PM
7	I love that the library offers classes & allows you to use machines for etching, cutting, 3D printing, etc! A great resource for adults and our kids!	9/19/2023 5:32 PM
8	library budget is already considerable. Make due with what is already allocated.	9/19/2023 5:01 PM
9	The library is very nice except the entry is noisy. Staff and patron conversations can be heard throughout the first floor. My children enjoy it. Programming is adequate	9/19/2023 4:55 PM
10	Very content with our Winnetka-Northfield Library system.	9/19/2023 4:53 PM
11	Love the study rooms and cool stem boxes!!!	9/19/2023 2:27 PM

14	The Library District is out of control. Wasteful and ill-conceived capital projects have routinely been approved without any substantive discussion whatsoever. Library Director Dombrowski should be dismissed immediately, and the Library Board -- which is even worse than previous boards -- should be entirely replaced. In addition, senior library staff who have acted as enablers to Director Dombrowski's wasteful projects should all be dismissed for cause.	9/19/2023 11:02 AM
15	Winnetka used to have a best-in-class special collection. Ddestroyed by foolish Trustees who promoted bad management.	9/19/2023 10:43 AM

17	I don't know what "best-in-class" is but would be interested to hear	9/19/2023 9:32 AM
18	The library is a gem and should continue to offer occasional free use of expensive items to residents. Not everyone is a millionaire in Winnetka.	9/19/2023 8:56 AM
19	Materials available for check-out for members of the community without divisive, politically-themed events	9/18/2023 8:44 PM
20	Nothing further needs to be added that would need more money.	9/18/2023 8:41 PM
21	STAY OUT OF POLITICS AND TAKING SIDES ON POLITICALLY CHARGED ISSUES. PRESENT BOTH LIBERAL AND CONSERVATIVE SPEAKERS OR LIBERTARIAN. TO DATE, LIBRARY LEANS TOTALLY LEFT, THOUGH AS A TAX-FUNDED ENTITY IS INAPPROPRIATE.	9/18/2023 3:35 PM
22	I use for e-access only now. Continue to offer/grow this service.	9/18/2023 2:06 PM
23	Wilmette's library is a great example of a dynamic system for the community.	9/18/2023 1:26 PM
24	A library that is closed. Anyone here can read online, subscribe to a magazine or buy a paperback.	9/18/2023 12:10 PM
25	Be fiscally responsible. Close Northfield. Stick with loaning out books only.	9/17/2023 9:26 PM
26	Stay within budget! The library seems to be expanding services which I have to assume is costing money. Why does the library need to loan out movie cameras? VIDEO GAMES? NO! Seems ridiculous, especially since I guarantee that these are coming back missing/broken. Why do we need places for kids to play and people to work? Just stick with books!	9/17/2023 5:02 PM
27	This should be done without the build up of funds or wasteful spending	9/17/2023 3:23 PM
28	Evanston, Glenview, Glencoe, Lake Forest offer more programs	9/17/2023 7:04 AM
29	I don't stay at the library for any amount of time anymore since the renovation because it is too loud	9/16/2023 4:33 PM
30	Peer group is baseline. Danger in trying to match peers b/c if one peer suffers cuts, then others can justify same.	9/16/2023 1:36 PM
31	I'm a frequent user of the library, particularly for kids' books and DVDs. I'm always pleased with the curated selections they make for a particular theme, keeping new releases in stock, and the activities and care the staff creates for kids. My main suggestion, if any, find ways to increase the number of books and DVDs available. I've had several instances of trying to put something on hold only to find it's not in the catalogue at all.	9/16/2023 1:34 PM
32	The budget for the library is very high. I know of very few who take part in any programs	9/16/2023 1:10 PM
33	It's basic - we like the Studio and their staff - but other library staff seem bored	9/16/2023 1:03 PM
34	I love the Winnetka library - the building and services!	9/16/2023 1:00 PM
35	I guess in parts of Indian hill you can't use any libraries	9/16/2023 9:11 AM
36	As long as property taxes don't go up.	9/15/2023 9:36 PM
37	The library should offer a variety of services. It also needs to provide the community an accounting of what happened to the genealogy materials a previous director dispatched.	9/15/2023 5:46 PM
38	Does an excellent job now. Lose the "best-in-class" jargon.	9/15/2023 11:40 AM
39	Keep the focus on promoting literacy and culture via books, audiobooks and resources	9/14/2023 1:40 PM
40	The library in Northfield needs expansion in order to offer the highest quality of resources to all Winnetka and Northfield patrons.	9/14/2023 10:21 AM
41	Our libraries are great!	9/13/2023 9:32 PM
42	The Glenview library blew me away and put Winnetka to shame. We could do so much more.	9/13/2023 6:10 PM
43	I am very happy with the library.	9/13/2023 4:10 PM

44	Unclear wuestion	9/13/2023 2:42 PM
45	We want the Best library.	9/12/2023 10:04 PM
46	Our library is an embarrassment . It is by far the worst library on the North Shore . Glenview , Northbrook and Wilmette have larger libraries that actually bring people in . Our 1960s style makes terrible use of space , always seems cramped and is used almost exclusively by toddlers and the elderly .	9/12/2023 5:21 PM
47	This is not an arms race; do not do something because our "peers" are doing it. Meet our community's needs and do it in a financially responsible way understanding that we are already paying for D36 referendum	9/12/2023 2:31 PM
48	And at no additional cost to tax payers without A referendum.	9/12/2023 1:29 PM
49	I was curious to read about ADHD and was shocked to realize how few books were in our library on this subject -- despite its importance to families in our community -- and how dated the materials are.	9/12/2023 12:54 PM
50	libraries are important	9/12/2023 12:35 PM
51	The Winnetka library is tiny. The children programming is always fills up so quickly and you can't get in so it's very frustrating. Can you please add a second floor. Glenview and Northbrook libraries are much superior and their tax base is much less.	9/11/2023 8:55 PM
52	Libraries should have basic services. Books to borrow. Don't need to lend out STEAM kits and Library of Things which I am sure patrons lose or destroy.	9/11/2023 6:56 PM
53	Not sure what this question is getting at. Do not want additional taxation. Work within the budget to provide best-in-class services.	9/11/2023 12:55 PM
54	What are the other libraries offering???	9/11/2023 12:54 PM
55	Thank you for partially re-stocking travel guides. Not everything works on my ipad.	9/11/2023 11:57 AM
56	Traditional libraries are antiquated. And it appears the local library district is searching for a purpose and use of their facilities.	9/11/2023 9:35 AM
57	Our library is embarrassing when you look at all the other libraries in our area. Frankly, I prefer the Glencoe or Highland Park libraries to ours as there is cozy seating for those who want to read. I think more would use the Winnetka Library if it wasn't so institutional looking and feeling.	9/11/2023 8:24 AM
58	Repurpose it. The internet has removed the purpose.	9/11/2023 7:49 AM
59	it is ridiculous that taxpayers pay for the library to be a community center as opposed to a traditional library with books and resource materials. It has become a full-employment operation for library staff who otherwise would be let go due to digital books and media.	9/9/2023 9:58 AM
60	I saw a non-resident take about 10 videos and check them out. I doubt they were returned.	9/9/2023 6:51 AM
61	One that is committed to being a library for all ages and all forms of media and literature. Not a place where books have been removed so Nanny's have a place to hang out with each other. My children stopped using the library to a large extent because they don't have books much. They have to wait for several days for books to come in from other libraries. Kind of ruins the experience.	9/8/2023 8:51 PM
62	Library costs for amount of service are out of control and need to be managed - we are tired of seeing so many staff standing around and hearing of the place closing early, etc; basic service and reduce your cost base	9/8/2023 5:28 PM
63	Physical libraries are becoming outdated and would should not spend on them.	9/8/2023 1:46 PM
64	"best-in-class" needs to be balanced with taxpayer cost	9/8/2023 9:45 AM
65	Need to have more inclusive programming, ie for families that have special needs members (including children)	9/7/2023 9:46 PM
66	Love the maker space.type offerings like the 3d printer! Wish there were sewing machines	9/7/2023 9:42 PM
67	Not sure what the peers are, but we should at least keep pace.	9/7/2023 9:05 PM

68	Expanded services for young readers and writers. Expanded services for high school kids. Perhaps a mentoring program in finance , science , math and other subjects. We are blessed with a highly educated population who given the opportunity I believe would rise up to participate.	9/7/2023 3:55 PM
69	NA	9/7/2023 11:42 AM
70	For the amount of taxes we pay relative to communities around us the facilities and services should be much better	9/7/2023 6:58 AM
71	I think the library does a great job serving all of Winnetka. Please offer more in person talks	9/6/2023 8:32 AM
72	It would be nice if you specified what services our North shore peers provide, because I am unfamiliar with those services.	9/6/2023 8:06 AM
73	I think the heart of a library is promoting literacy, so funds that support books, audiobooks, and periodicals are paramount. The studio is something I am less interested in.	9/5/2023 9:13 PM
74	We have a fabulous, well funded library. I'd like to see that continue	9/5/2023 8:46 PM
75	Glencoe Library is a good example.	9/5/2023 4:48 PM
76	please focus on maximizing books and stop culling the collection of older volumes	9/5/2023 4:39 PM
77	Libraries are important centers and resources for learning and need to be supported.	9/5/2023 3:19 PM
78	Maybe C, not less than B	9/5/2023 2:01 PM
79	I am very concerned that the current library director and board are just looking at ways to spend money, just to bring the reserves down. They should return reserves to the taxpayers. There have been too many bad decisions made recently--the expensive "strategic plan," the poor open-lobby concept at Winnetka that is noisy, etc. Stop spending funds for no benefit.	9/5/2023 1:44 PM
80	Seriously "best in class for our tax base"?	9/5/2023 1:11 PM
81	The role of the library is not always clear in 2022. It should be primarily a collection of resources, and not much more.	9/5/2023 12:17 PM
82	We share resources with neighboring communities so should invest in simple overlaps for children & unique offerings for adults (like the Studio)	9/5/2023 12:12 PM
83	With the advent of technology in the past 20 years, I think there is a need to re-evaluate how and why a library operates.	9/5/2023 11:12 AM
84	I think the Library does an excellent job.	9/5/2023 10:57 AM
85	I think library should stick to books and movies Crafts belong elsewhere	9/5/2023 9:51 AM
86	Just the way it is right now	9/5/2023 8:25 AM
87	Very oddly written question and answers, each a variation of "good" - not sure how to interpret this or what is being measured.	9/5/2023 8:04 AM
88	It needs to evolve as the needs change	9/4/2023 9:26 PM
89	Keep out the right wing MAGA book burners.	9/4/2023 5:42 PM

4	I would love a space to work for a few hours to get out of the home office sometimes. I would also love networking opportunities and musical or play performances, especially by the local schools (I often want to see the plays and concerts put on, but either don't hear about them [and I'm sure New Trier does great stuff!]) and I assume most if it is for the parents and I don't want to take their seats.	9/20/2023 8:49 AM
5	More comfortable reading spaces in children's area, larger children's library, more story times (they are always sold out), look at Glencoe library for ideas they have a great children's section and programming.	9/20/2023 5:09 AM
6	Amazing place for kids	9/19/2023 8:50 PM

15	Please return the Library to a place where there are quiet and comfortable places to sit and read books and magazines. This is not now possible at either branch of the Library.	9/19/2023 11:02 AM
16	I like the idea of having a place where I can work alongside one or more school-aged children doing homework. Not sure what that would look like but maybe a concept to explore? I.e. mom	9/19/2023 10:59 AM

30	More books . . . .	9/17/2023 6:43 PM
31	The rooms are always used and we would love more of them!	9/17/2023 6:02 PM
32	Library does not need to be a "third space". This is insane. The people in this neighborhood can rent a space to work or go to a coffee house. Do not spend taxpayer dollars on anything having to do with a "third space". I can not believe that you are asking these questions and stating in #18 that "many" residents are working at home. This is not factual.	9/17/2023 5:02 PM
33	Who needs a classic "library" these days? No one. You have to update to the needs of the 21st century	9/17/2023 3:30 PM
34	I wish there were more private "comfy" spaces for tweens and teens; discussions for them; meet up for a grade; Example; 5th grade only craft day; a pokemon card pick up game; "newest computing tips; or things that interest them: to give them independence where they connect with peers in a positive welcome and learning environment.	9/17/2023 2:47 PM
35	This isn't something that the library should be looking at as it's a waste for the community. There are better use of space and dollars.	9/17/2023 11:02 AM
36	The Library should actively work with Winnetka Community House for seminar space and offerings	9/17/2023 10:55 AM
37	I love the idea of the library taking a position more traditionally in the vein of the park district. Perhaps we would have more success!!	9/17/2023 10:48 AM

Q18 Post-pandemic, many of our residents have permanently transitioned to working from home, at least part time. While some have retrofitted their homes, and others sought co-working space, Winnetka-Northfield has attempted to fill this need by upgrading its technology and allocating more space to provide an environment conducive to off-site working. Which best describes your present work situation?

1	I don't have an opinion as I don't use it for this at this time, though I would assume the work spaces would be in a minimal noise area and phone calls would be encouraged to leave the space.	9/20/2023 8:49 AM

7	The Winnetka library is too noisy with staff at and around desk.	9/19/2023 5:18 PM
8	I am surprised at times by the contrast of workers in the youth area of the library. Some our lovely, Tom, Rebecca, Amber, Amelia and Anna. Others can be quite rude to children and care givers. One often reads and doesn't look up from her book when kiddos ask her a question. I am surprised she would be hired to work in a children's section as it is clear she does not find joy with working with them.	9/19/2023 4:34 PM
9	more ability to reserve	9/19/2023 4:29 PM
10	What a slanted, disingenuous question Shouldn't the question be "SHOULD the library explore enhancements to it's workspace?"You don't even give an option for not being satisfied that the present workspace is too big.	9/19/2023 3:34 PM
11	I like libraries as quiet spaces. With the redesign of the lobby Winnetka has lost that and have noticed any loud talking reverberates in the entire space.	9/19/2023 3:16 PM
12	Please return the Library to a place where there are quiet and comfortable places to sit and read books and magazines. This is not now possible at either branch of the Library.	9/19/2023 11:02 AM

18	The tax payer funded library cannot substitute for going to work or working from home. Let people go to work in person or cobble together a home office in their homes. This is ridiculous.	9/18/2023 8:41 PM
19	Allow study rooms to be reserved in advanced.	9/18/2023 8:42 AM
20	The meeting rooms should able to be reserved in advanced. But only for a certain amount of time. Not all day.	9/18/2023 8:15 AM
21	So not spend taxpayer dollars on third space.	9/17/2023 9:26 PM
22	Do not enhance workspace. People can go to a coffee shop or work from their home. This is ridiculous. The library should not even be thinking of providing work space for people to work remotely! JUST LET PEOPLE BORROW BOOKS! Do not use taxpayer money for this!	9/17/2023 5:02 PM
23	more places for small groups areas that allow a small group to gather and talk; especially access for teens.	9/17/2023 2:47 PM

25	Early morning hours may be helpful occasionally for our family	9/17/2023 10:37 AM
26	I think the idea to have additional study space for students is an excellent idea. The idea of the library providing space for work should not be supported by resident tax dollars; to me, that is and should be a commercial enterprise.	9/16/2023 2:53 PM
27	Do not invest resources into enhancing work space. The need for this is decreasing.	9/16/2023 1:42 PM
28	I believe the need for this will decrease. please do not invest resources this way.	9/16/2023 1:33 PM

22	Consider more multi use space - something for outdoor reading, programming. Potentially construcion if the services the library would offer makes sense for an addition. Wilmette improved the library and it is used for maby purposes	9/19/2023 12:35 PM
23	I liked the musical program space idea	9/19/2023 11:25 AM
24	I need more information, or maybe pay closer attention, oops! I think the decision is really up to the Library staff and board, especially regarding a possible addition to the facility.	9/19/2023 11:00 AM
25	I'd suggest doing a dedicated survey separately if you don't get a good portion of respondents to this one. It should serve the taxpayers. Worth noting, however, that it needs to be protected/insulated from the busy traffic of Green Bay Road.	9/19/2023 10:59 AM
26	with this addition, create a real reading room, maybe with a fireplace and cozy spots for book chats or just multiple comfortable chairs to read, etc.	9/19/2023 10:45 AM

28	I would ask that staff and the board hire an expert third-party to conduct community open forums. The Lakota Group does a great job at this. A popular vote is very hard to execute transformation.	9/19/2023 10:19 AM
29	Options 1,2,3, and 5	9/19/2023 9:29 AM
30	Keep as green space unless the addition can provide meeting space for "work from away".	9/19/2023 9:13 AM
31	Please keep it green space for now. We have enough flooding. We don't need more non-native honey bees- if you want bees, make a garden of native plants.	9/19/2023 8:56 AM

32	The library needs better bike racks. They are most appropriate on Linden where there are now benches. I have never seen anyone sit on those benches, whereas they were always crowded in the past when they were bike racks. The new racks are hard to access, especially for children and adults with bike trailers.	9/19/2023 8:49 AM

47	Seating was just provided outside library. It is rarely used.	9/17/2023 7:06 PM
48	Keep the park as it is, green space. No one is going to want to be outside here next to busy Green Bay Road. Do not spend taxpayer dollars to do anything with this space except cut the grass.	9/17/2023 5:02 PM
49	If more space is needed...	9/17/2023 4:57 PM
50	I am pleased the Library acquired the property from the Park District as the Library is best able to program the small area bounded by the Library and Green Bay Road. 60	The new large white sign is hideous and an eye sore.	9/16/2023 2:29 PM
61	Library does NOT need an addition. Per the WPD questions, do NOT eliminate park space. Keep it open land. (plus, don't spend the money. Stop looking for ways to spend the reserves that never should have accumulated-give them back to the community.)	9/16/2023 2:04 PM

62	Winnetka desperately needs a community garden space. Great location for it.	9/16/2023 1:15 PM

64	Sell it back - current outdoor space not used. Sign that was just put up is wasteful.	9/16/2023 1:03 PM
65	I have no specific answer however I like the idea of garden/beehive/nature but think an addition could be used in a good way - more rooms for people to gather/work in etc. ideas could be explored for sure	9/16/2023 12:30 PM
66	It would be great if the space is enclosed with an attractive gate or the like and used for outdoor activities and events.	9/16/2023 11:42 AM

82	I also think it should be used for programming and a fence should be put up so children can't run into greenbay road. Also, tall evergreen trees to shelter it from the traffic.	9/13/2023 3:07 PM
83	The space has mature trees, so I'm not sure a community garden would thrive....Shady reading benches might be better.	9/13/2023 1:10 PM

109	An addition that would include more workspace. There is no other co/working space in Winnetka.	9/11/2023 8:04 AM
110	Parking!	9/11/2023 5:57 AM
111	Actually, I think it'd be best used for programs that might be held outdoors in nice weather. Not sure if this actually applies to the park, per se, but I'd love to see programs currently held in the indoor meeting room in Winnetka, moved outdoors, to the patio, provided there are enough chairs that are easy to move.	9/11/2023 1:14 AM

It would be a betrayal of the public interest to develop this park

Q21 The Village just finished Phase 5 of its Downtown Master Plan Streetscape Plan to provide a more business-friendly environment, improve pedestrian access and safety, enable outdoor dining, and control traffic in the Elm Street business districts. The next phase would be to do the same thing in the Hubbard Woods and Indian Hill business districts to create a cohesive shopping experience throughout Winnetka. However, the State of Illinois owns the portion of Green Bay Road, including sidewalks, that runs through Winnetka and both business districts and apart from routine maintenance of the road and sidewalks, no renovation can be done until the Village takes ownership. The process is called “jurisdictional transfer,” and we’re the only North Shore community that has not done this with its portion of the Road. While this would enable the Village to continue to implement the Downtown Master Plan, taxpayers would incur costs for maintenance (for which we are now being reimbursed) and upgrading the road which would potentially disrupt business activity in those areas during the process. The Comprehensive Plan ranks this “high priority.” The Village is asking for your input before it proceeds. Balancing its potential benefits against its expected disruption, how likely are you to support the Village proceeding with a jurisdictional transfer in order to continue to implement the Downtown Master Plan?

Q22 The first goal of Winnetka’s Comprehensive Plan is to “encourage renovation of existing homes and construction of new homes to be contextually consistent with existing single-family housing in its neighborhood.”Chapter 17.30 of the Village code sets the ratio of lot size to the size of the structure that can be built on it, including the lakefront, at 38% (see the Village’s GFA calculator). Residents are allowed to combine contiguous lots by applying for a “Plat of Consolidation, enabling construction that can be two or more times larger than the rest of the homes in its neighborhood.According to the Comp Plan, from 2000 to 2019 the Village issued a higher number of demolition permits than new building permits, indicating this may be happening.What is your opinion on this issue?

10	In my view, the current zoning laws are entirely inadequate to protect us from edge cases by developers and individuals with money who come in and exploit said, zoning laws. Our zoning laws are no longer appropriately aligned with a set of principles against which they should be measured. Plans like the 2020 plan or the 2040 plan have no real teeth with respect to the principles they espouse. In my view, specific, detailed zoning rules are to be made in order to further the goals and principles of our community. On the contrary, our zoning rules, as inadequate as they are having taken as law, with no measure against the principles that they were meant to promote and protect. As a result, savvy developers and owners have taken our zoning laws and the gaps in those zoning laws, and use them to stretch to the edge of possible building in order to achieve something, they personally desire. In the past we didn't have zoning laws for certain things because no one ever thought to do them, and no one ever thought any reasonable person would try to do them. But the definition of what is "reasonable" has changed and has become more self-centered and less community centered, and it's consideration. For some, this is unfortunate and it's too bad that self interest is not today adequately tempered by an owners thoughts as to what is reasonable for their neighbors and their community. As a result, we need to revamp, and we need to close the loopholes. We also need to rebalance the rights of the individual property owner to do what they would like to do with the property, as against the rights of neighbors and the community... and the inconvenience and diminution of value, whether during construction or overall, as a result of the exercise of the owners prerogative. Construction is disruptive by its nature, but their a reasonable bounds to which owners should be held. Beyond those bounds owners should only be allowed to tread with special dispensation, and with reasonable compensation to both Neighbors and the community at large. Today the building envelope of time authorized by the village is a joke. Owners get an initial 15 months, followed by another nine months with a payment of an insufficient fee, which is a fraction of the initial fee. If they go beyond the 24	9/19/2023 9:49 PM

month mark, they are allowed to do so with a payment of another inadequate fee. The fee does nothing to compensate the surrounding neighbors for three years or more of construction disruption, which includes unsightly equipment noise from 7 AM to 7 PM, drainage issues, road infringement and damage, dirt and debris, and a host of violations of even those laws on the books, which are not enforced by the village staff. There is also a lack of transparency that borders on secrecy. When new construction is about to begin neighbors within the required number of feet, the construction or notified by letter that has been applied for, and will commence without some action to the contrary. Neighboring homeowners are not allowed to review the construction file without a FOIA request. The letter does not say how long the applied for construction will take so the neighboring homeowners have no idea what is being built or how long their lives will be disrupted. And even if they did go to the village, they would see that the permit had been granted initially for 15 months, even though in the file there are construction documents, and timelines reviewed by the village staff which state clearly that the construction will take multiples of that time. That makes the initial granting of a 15 month. A farce when the plans on their face say that it's going to take 36 months or 42 months... And that often doesn't include demolition where the demolition is special. It also doesn't include landscaping, which means that properties that are denuded and become construction zones could be that way for well longer than even the extended timeline for building. This is not being transparent. In fact, it's being opaque, and where information is revealed the information is incomplete and misleading to the surrounding neighbors and the village at large. Of course, the most glaring example of this is the [REDACTED] which are going to take years to develop and play the numbers with views of industrial office, building cranes, and Sully the Sheridan Road drive causing inconvenience for residence and anyone passing through. Any set of zoning laws that allow a individual property owner to put that kind of cost an inconvenience on the neighbors and the community without compensation, and without a formidable pre-review as to whether it can occur at all, is clearly inadequate to protect us all. We have always been rather libertarian in allowing uses of private property. There is nothing wrong with this per se. Individual property owners typically cry, that they should be able to get the full value of the property which can only be achieved with very limited rules. The problem is we fail to apply a lens that says that any value that a cruise to one's private property which comes at the expense of the surrounding properties, or the properties and people of the community, as a whole, is not justified.

11	There isn't a single good answer. Many of the larger lots in the Village have been divided over the years. Some consolidations are just reversing those splits. Some lots are larger than others, even within neighborhoods. There are many unintended consequences to limiting the lots size, the construction size and "contextually consistent" restrictions. For example, on a block with all old single-story homes, could anyone buy and tear down a home to build a two-story home? While it is likely that no one is happy about the consolation on Sheridan with the 3 lots, finding a way to prevent something similar from happening again needs to be balanced with not severely restricting reasonable use of properties. There were so many failures that allowed that to occur from the COVID impact on the agencies that govern the waterfront, to the Village allowing all of the trees to be removed, to the length of time for the construction, to the use of trailers with occupancy to protect the site.	9/19/2023 9:30 PM
12	I am extremely concerned about the quality and style of new houses being constructed. Many are not consistent with the look of neighbors (and some seem much larger and out of place) and the quality of construction is lacking. It's such a shame so see lovely homes demolished and the look of the neighborhood not honored with new construction. Please set some standards and don't let developers building spec homes off so easily! Many long time residents who renovate their homes seem to have more difficulty getting their projects approved by the village than the developers -- that is wrong. And existing homeowners tend to maintain the look and feel of the village when renovating.	9/19/2023 8:52 PM
13	[REDACTED] Shame on the Village.	9/19/2023 8:20 PM
14	How is [REDACTED] and One Winnetka isn't?!	9/19/2023 7:59 PM
15	The amount of teardowns is OBSCENE. I hate how the new builds all look (they're tragic) and the fact taht the village is allowing all these tear downs and soulless white boxes to be put up in its place is abhorrent. If I wanted to live in a soulless suburb, I would. Winnetka is known for its charm and old homes and trees--please preserve that.	9/19/2023 7:50 PM
16	Save old homes!	9/19/2023 7:14 PM
17	I checked the 38% box, but I am actually open to different answers here. I wish I better understood the issue and its nuances - it certainly is important. I would hope that the Village	9/19/2023 7:08 PM

would not allow structures way too big for the lot. Having said that, I do think that individuals have some rights to build homes bigger than neighbors - especially on the lakefront where the property is pretty private and does not impact others. (Ultimately, you can't legislate taste, much as we might like to do so.)

18	The village should make it more tax friendly for the homeowner to renovate the current home versus as it is now where it is cheaper to tear down the old are home and build new	9/19/2023 7:03 PM
19	I would like to see stricter adherence to upgrading homes. The demolition of homes and theticky-tacky new builds is becoming all together too common and our village is starting to look less charming as a whole. I am LESS concerned with a larger home that is architecturally unique and in keeping with the style of Winnetka homes than the repetitive builder basic homes that go up. Additionally there are 2 homes in the tree streets in flood plain zones that are TOWERING over the rest of the neighbourhood. It's disappointing to see this happening.	9/19/2023 6:40 PM
20	The village should encourage restoration over demolition whenever possible and find ways to curb overbuilding	9/19/2023 6:30 PM
21	Does Village have a sunshine law? If so, it needs to be more restrictive.	9/19/2023 5:31 PM
22	The fact that the Village Trustees allowed the demolition, consolidation of multiple lots on our lakefront to allow someone else to build a 68,000 square foot house is the most egregious action that has ever happened in this village. And on top of that allowing the bluff to be destroyed in the process is beyond belief. For a village that moves slow beyond the pale to approve new, large scale construction in the village (i.e. the Lincoln/Elm property that has set empty for more tha ten years, and the development of the post office property that was probably discussed over 15 years ago— [REDACTED] This construction is a blight on our village and lakefront!!!	9/19/2023 5:06 PM
23	We moved here because this is a quaint village. It is disappointing to see some of the huge houses out of scale with the neighborhood being built by developers, pricing young buyers out of the market.	9/19/2023 5:06 PM
24	Consider height restrictions and "sunshine shadow" restrictions that consider adjacent properties' daylight limits.	9/19/2023 4:58 PM
25	[REDACTED] speaks poorly for all involved	9/19/2023 4:01 PM
26	Again, why is this question so poorly written? Obviously the Village needs to clearly define "contextually consistet" with tangible terms, otherwise the same thing will keep happening - those who can afford it can do whatever they want, and get away with anything. Those of us in "regular" homes get our kids tree swings taken down from parkways, and have to take down residential planter boxes if they are deemed unfit by the Village. Only the very rich can get away with building what they want, because of dumb wording and codes that exist like these.	9/19/2023 2:55 PM
27	Please fix the typo above - "consolidation"	9/19/2023 1:59 PM
28	This is a very complex issue and I wonder if the answers offered above really capture the nuance behind respondent's answers.	9/19/2023 1:46 PM
29	Unfortunately, this question has come too late to have prevented the current construction fiasco on Sheridan Road.	9/19/2023 1:43 PM

35	Two times larger than the rest of the homes in a neighborhood seems excessive. What about 50% larger on a double lot? I think the village should also prioritizing preserving green space--	9/19/2023 11:09 AM

	this makes for nicer neighborhoods and presumably is better for stormwater, flooding, etc.	
36	Village character is important. Our neighborhoods should be contextually consistent. I think the village should further explore clarifying. As I say that I am very concerned, the village is stepping in new areas that are private interests.	9/19/2023 10:44 AM
37	Reduce the ratio as needed to limit to the scale of the neighborhood	9/19/2023 10:29 AM
38	An extra ratio (%) should be given to homeowners you are renovating an older home instead of a total demolition. It is more costly to renovate vs. building new and homeowners who are willing to incur additional costs by renovating should be given some extra credit for doing so without of course encroaching on neighbors' properties.. Perhaps in the range of 5-10% extra home to lot ratio. Older homes add character to neighborhoods and contributes to the overall charm of north shore suburbs.	9/19/2023 10:11 AM
39	I do not want to live in a billionaire town. I want a community with character, diversity, and environmental stewardship. When we allow massive scale development on residential homes, we risk losing all of those things.	9/19/2023 9:39 AM
40	We need more homes, not fewer. Large homes are often owned by transient executives that leave. It does not improve Winnetka's vibrant community.	9/19/2023 9:10 AM
41	Too many of the older homes are poorly maintained nor up to the standards of todays living. The 38% rule is arbitrary and seems to have no basis in reality.	9/19/2023 8:58 AM
42	we need more affordable housing	9/19/2023 8:55 AM
43	Cinsider Sliding scale of % structure-to-lot size ratio - consolidated lots should result in a smaller %	9/19/2023 8:49 AM
44	It seems to me that some areas of Winnetka, like the tree streets, allow for homes to built that are way too large for their lots. But when we went to add on a minor amount of square footage (<5%) on our home, which sits on an acre and has way more lawn than home, we were denied. The inconsistency across the Village is mind-boggling.	9/19/2023 8:37 AM
45	I am astonished that the village is unable to provide data on how many lots have been consolidated.	9/19/2023 8:31 AM
46	require greater space between houses like 20 feet from lot line	9/18/2023 11:46 PM
47	Consolidating multiple properties as the Isbias are doing does not seem good in the long term. Who will buy that gigantic property when they move on to something different or downsize? It will be torn down and subdivided again. Not good.	9/18/2023 10:55 PM
48	Lots of ugly homes are being built with no thought to the historic charm of the village. This should be rectified before Winnetka is as ugly and disjointed looking as other townships who lacked the foresight to address this problem proactively	9/18/2023 9:04 PM
49	Lots of ugly houses being built that ruin the beauty of the neighborhood. Beautiful older homes are tom down, instead of renovated and expanded. There should be a historic preservation rule so that the fabric of the village isn't gone and it's too late.	9/18/2023 8:56 PM
50	Stop allowing copy/paste structures by the same builders	9/18/2023 8:35 PM
51	The statement about the 38% is misleading. 38% is the FAR for up to lot areas of 9075 square feet. You should have added for any lot area over 9075 square feet the ratio of lot size to the size of the structure is much lower i.e. 20%.	9/18/2023 6:37 PM
52	If a person combines two lots, why not still hold them to the 38% across both. That seems reasonable. Separately, why is 38% the number. Is that the right number? Is it equitable or parity to peer neighborhoods in the north shore or an antiquated Winnetka rule. This question seems biased and skewed without providing adequate information to answer.	9/18/2023 6:34 PM

56	I think it's ok to have different size lots within a neighborhood. I also think it's ok to consolidate multiple lots- I'd rather our community have homes that have plenty of land than packing big houses onto small lots just so they fit into the neighborhood.	9/18/2023 3:39 PM
57	The village should stop trying to micromanage residents and leave the guidelines alone. People should be allowed to do what they want with the property they own so long as it does not harm those around them.	9/18/2023 1:46 PM
58	High Priority: Lakefront/bluff regulations are sorely needed; we are the only north shore village without them. That resulted in the horrific destruction of hundreds of trees and green space and massive bulldozing of the bluffs by an irresponsible new resident. Shameful that this was allowed! Limit the size and scale of houses and incentive homeowner renovation while discouraging spec builders that consistently do not hold the village's best interests first.	9/18/2023 12:25 PM
59	The pandemic has brought a significant wealth transfer to Winnetka. Sheridan Road homes are already a sandbox to build anything. That trend is appearing across Winnetka changing the landscape. You need to get out ahead of this.	9/18/2023 12:07 PM

69	The latge houses are getting out of hand. Who will buy when the owners want to sell?	9/17/2023 7:16 PM
70	I don't think there is support for older homes, the updates, like lead intake water mains is left to the owners, permits take a lot of time are complicated and costly, a new house is down and contractors have a relationship and know how with the village that make it easier for them than any resident.	9/17/2023 5:38 PM
71	Do not let monstrosities  happen. The Village should be ashamed of itself with allowing this to be approved. Keep the charm of the Village.	9/17/2023 5:13 PM
72	No idea what you are asking here...Village should allow more development, more density, especially in CBD and definitely NOT restrict to being consistent with what's here now.	9/17/2023 3:41 PM
73	Oversized houses are ruining Winnetka. It's always been a beautiful Village. New buyers that don't appreciate that should be told there are limits.	9/17/2023 2:45 PM

76	The monstrosity on the lakefront that is currently being built should never be allowed to happen again. Also, the new practice of building the largest home possible on lots so that homes take up most of the lot and have tiny yards is, in our opinion, the wrong way to go. We need to	9/17/2023 2:02 PM

84	The village should not have permitted ██████████ to acquire and consolidate three plots (and potentially a fourth) and construct a house at the scale that he is doing. This house will be a horrendous white elephant for the village in 15-20 years.	9/16/2023 6:05 PM
85	Keep lots small but allow bigger homes and thus more density. That's how you get to know your neighbors. Even shrink lot sizes. Hubbard Woods is ideal - there's a reason the rest of the town comes here for Halloween.	9/16/2023 4:19 PM
86	Original neighborhood lots in Winnetka and Hubbard Woods should be consolidated only in rare and exceptional circumstances. Not as important for Sheridan, the private drives in old unincorporated areas (north of pine for example). It is important to maintain the neighborhood feel. it also promotes affordability for a more diverse community of people who want to live here. Too much consolidation of lots, excessively large housing, and destruction of old housing stock is detrimental. This is not Barrington.	9/16/2023 4:19 PM
87	Back to jurisdictional transfer. If "street scape" in HW would narrow roads too much (Lincoln!) or make turning so difficult (Elm and Chestnut!), leave Green Bay to the state.	9/16/2023 3:15 PM
88	Really, people? The horse is out of the barn on this one. We have many very large homes in Winnetka, including the new one going up on Hibbard Road south of Tower. People should generally be able to build their dream home, as it were, but with some consideration of the neighborhood and context. But allowing the decimation of the bluffs on the 200 Sheridan Road area is pretty unconscionable. Why ever did the permits get awarded for that?	9/16/2023 2:56 PM
89	height restrictions are probably the most important thing to consider. density on the lot not as important in the overall scale	9/16/2023 2:56 PM
90	How in the world have we allowed some of the huge and destructive construction projects to be built? These are NOT what the charm and feel of Winnetka is all about. We moved here because of the variety of housing and neighborhood feel. I don't want to live next to a house 3 times the size of its neighbors, houses that take 2-3 years to build. While no question here about lakefront development, add preservation of lakefront, along with managing the size of development to the list.	9/16/2023 2:25 PM
91	Limiting the size of residential buildings helps maintain property values in the aggregate	9/16/2023 2:09 PM
92	Renovating a home in Winnetka is far more cumbersome and frustrating than tearing down. Just doing a walking tour of new homes built in our zone, shows why. Limitations placed on renovations don't apply to new homes -or if they do, have a much easier path to variance approval. Having 2 separate avenues of approval has completely imbalanced this system in favor of new construction. But this isn't new information. It's been going on 19 years. Residents seeking variances for renovations are treated harshly by the variance board. Not so new construction. Again - this has been noted repeatedly in yearly surveys. And yet, nothing changes. Will this years' results be any different?	9/16/2023 1:40 PM
93	Need example other than Ishiba	9/16/2023 1:16 PM
94	The village has consistently stuck its nose in places it does not belong. Cripe and Dahlman have completely stalled any development in the town because of issues they have with the	9/16/2023 1:15 PM

design of Winnetka One. Cripe did not like the "French" style of the original design. He has no business determining correct style. Look to Europe where they have very modern style structures next to buildings hundreds of years old. The result is that downtown Winnetka looks like a ghost town

95	Design guidelines - so many UGLY houses	9/16/2023 1:07 PM
96	It is outrageous that the billionaire has destroyed the bluff and is able to build his compound - this should never have happened and restrictions should be in place to prevent it from happening again.	9/16/2023 12:58 PM

103	More conferences with aesthetic or hoise than size	9/15/2023 6:37 PM
104	Fewer, larger houses does not increase the vitality of the Village.	9/15/2023 6:32 PM
105	The "Plat of Consolidation" should be eliminated. It encourages the construction of mega-mansions and makes housing in the village even more unaffordable. Neither outcome is desirable.	9/15/2023 5:54 PM
106	I feel very strongly about this issue. Winnetka is a beautiful town because of the way it looks. We shouldn't change this	9/15/2023 5:42 PM
107	The village should maintain consistency. 38% is very black and white, the other selections are far more gray. Making the criteria gray will create a situation where every project will require review or negotiation. That could become an incredibly frustrating experience for both the village and the homeowner.	9/15/2023 8:55 AM
108	I think the village should allow someone to purchase the lot next to them time to add more yard and/or a pool. I don't think they should be allowed to build a giant house on 2 pieces of land especially in the neighborhoods with smaller homes	9/15/2023 8:20 AM
109	We need affordable housing. Developers should not be allowed to buy houses and tear them down	9/14/2023 5:46 PM
110	I think buying 3 parcels of land to build a monstrosity should not happen again.	9/14/2023 5:36 PM
111	The village absolutely must change its zoning code to prevent the large, out-of-scale homes that are currently being built like the Isbia property and the property on Hibbard road between Pine and Westmoor. It is appalling that the village has not monitored this kind of development and more quickly realized the zoning code needs to be changed. This should be a very high priority. Similarly, get lakefront regulations in place ASAP.	9/14/2023 3:10 PM
112	I woudl liek to see the Village incentivize renovation rather than tear downs. Winneta is starting to look like a subdivison with the exact same farmhouse modern template home cropping up everywhere.	9/14/2023 1:49 PM
113	Building bigger homes on these small lots will loose the charm of our community and create a domino affect. Who wants to be in the little dwarfed house that will eventually get knocked down.	9/14/2023 8:03 AM
114	Don't over-regulate.	9/13/2023 7:59 PM
115	I don't want to be limiting folks ability to build that they want to or the size they want. I don't like villages being the arbiter of taste, though I personally hate the larger builds, particularly the Heritage homes. I think the issue is the ban of building coachhouses. People have parents, adult children, nannies, au pairs, or renters they should be able to house.	9/13/2023 6:29 PM

116	The village needs more density and affordable housing!	9/13/2023 5:43 PM
117	Properties near the shopping areas should be rezoned to allow multi family buildings when they come up for sale. Bigger lots should not be allowed.	9/13/2023 4:28 PM
118	Putting 2 lots together and building a larger house in a block full of smaller homes is a LOT different than someone tearing down multiple lots just to build an absurdly large home on the lake. When is too much too much?	9/13/2023 4:25 PM
119	Probably too little too late, since the Village has permitted the massive "single/family home", along with excavation of the Sandy cliff south of Elder Lane. Now more of these eyesores will be "contextually consistent"...	9/13/2023 1:37 PM
120	These big houses on little lots, are ridiculous	9/13/2023 1:36 PM
121	The size and scope of new construction is ridiculous. I know Winnetka likes to give power to the property owner, but it is ruining the the beauty of the community. I am from out East where there was strict lot coverage rules and residents worked within such and the community has maintained its character 250 years running. There should also be one lot-one house rule like in Kenilworth. Consolidating lots and then allowing such large structures is a hassle during the building and is not what Winnetka is looking for. Those that need new construction compounds can go elsewhere. The community is best served with the variety of size and style home options. Visitors often compliment Winnetka on its variety of home styles that have longstanding root in the community with beautiful maintenance and mature landscaping. The latest trend of tearing down every last tree on the lot and building the bulkiest and biggest home is really starting to scar the neighborhood beauty. Please stop it now.	9/13/2023 9:04 AM
122	In any combined contiguous lots, the % that can be built should decrease, and be limited so homes can be larger but not egregiously so relative to the neighborhood.	9/12/2023 10:23 PM
123	More controls needed so fewer homes like the 68,000 SF home on Sheridan can be built. This changes the face of the street and neighborhood and it will feel like an office building was planted amidst an elegant, beautiful setting. I feel sorry for the neighbors.	9/12/2023 9:59 PM
124	New buildings tend to dwarf their neighbors and are not consistent with the look and feel of the adjacent lots.	9/12/2023 8:57 PM
125	Free Market economics is best	9/12/2023 7:45 PM
126	Actually would prefer if the Village increased the ration of structure-to-lot a bit more.	9/12/2023 2:56 PM
127	Less government oversight over citizen's use of land.	9/12/2023 2:41 PM
128	If a builder builds a house larger than 38% instead of fining him they should be REQUIRED to tear it down and start over. Now they just add the fine to the price.	9/12/2023 2:04 PM
129	I think sometimes the village tries to dictate "taste". That is not their job.	9/12/2023 1:07 PM
130	The village is too restrictive in what kinds of building can occur in general	9/12/2023 11:06 AM
131	What is happening on Sheridan Road (most notably) and in other neighborhoods is unacceptable and is having a significant negative effect on our community. It should not be allowed.	9/12/2023 9:36 AM
132	Allowing 4 lots to be consolidated on Sheridan Road has created an enormous burden on the community and has placed one property totally out of scale with the rest of the Village. Same with the house on Hibbard road.	9/12/2023 8:47 AM

139	It's too late to have the neighborhoods be in keeping with each other consistent for instants Tower Road by Sheridan. The north side of the street is extremely contemporary. The southside diagonally across the street reminds me of a Cape Cod business. Sorry I don't see any consistency here but stop stop any more ideas about Centennial and elder beach we should keep the house not give any more away	9/11/2023 3:53 PM
140	You should institute a sliding scale: the larger the lot, the smaller the ratio. You can do this to avoid bad surprises like we will see on the lake.	9/11/2023 2:52 PM
141	Tear downs are sadly the "norm" and it is getting to feel like out neighboring towns in the western suburbs. The lakefront issue aside (that is a way bigger issue), I am incredibly disappointed with the number of farmhouses that have been built in the last three years. Our town is being stripped of character with all of these demos. Let's restore the beauty in our older homes.	9/11/2023 2:27 PM
142	Too often we have seen homes being built too large for the property. If the neighbor gets torn down next, only a sliver of land exists between the two new homes. And so on. Another large problem is the Village giving approval for homes looking too much alike. I believe the Village is beautiful due to its uniqueness, and we should be more respectful of that.	9/11/2023 1:55 PM
143	Look what has been or is being built. That should answer the qu.	9/11/2023 1:29 PM
144	And there should be a maximum size. 50,000+ sft is not a house, it is a commercial building, no matter lot size.	9/11/2023 12:10 PM
145	I am opposed to combining lots in order to build bigger houses.	9/11/2023 11:44 AM
146	If you want buy multiple plats of adjoining properties, you can build as big a house as you like.	9/11/2023 11:09 AM
147	The current codes are not enough. Builders consistently design homes that max out the code and have NO thoughtful placement or design that considers adjacent properties. Speed and profit rule new construction and the neighborhood is suffering for it. Soon winnetka will be more about McMansions and downed heritage trees than history if you are not more thoughtful about how these codes are written. Money should not be the driving force for the village. Protecting this magnificent area should. Credits should be given to renovating older homes.	9/11/2023 10:31 AM
148	701 Hibbard rd & Sheridan rd 3 lot sites truly should have been limited in construction size	9/11/2023 10:11 AM
149	I think the important thing is keeping any construction limited to 38% of the lot so we maintain greenspace. If they buy 3 lots but have to keep the house less than 38% of the lot, that is o.k. I hate seeing old houses torn down but the tree streets transitioned from small bungalos to bigger homes and I do think that was a net positive for the town.	9/11/2023 10:03 AM
150	Free market system- let buyers buy and build to current regs	9/11/2023 9:39 AM
151	Some lots were subdivided many years ago (not just East of Sheridan Road). Some consolidation may be reversing that consolation. However, the consolidation of the multiple lots, the destruction of the bluff and the massive home to be built there should not be allowed to be repeated.	9/11/2023 9:16 AM
152	There is nothing wrong with people wanting to invest more in a neighborhood. Let them do it.	9/11/2023 9:03 AM
153	typos: Consildation, rennovation	9/11/2023 9:03 AM
154	Stop trying to control land owners. Setbacks are key but stop trying to save dilapidated structures in the name of "historic significance ". Houses get old and need to be replaced. Let the market decide what has value and what needs to be replaced. Get the control freaks out of community governance.	9/11/2023 8:24 AM
155	We probably need to allow for more housing density to help with housing crisis - changes should be made to allow for multi family developments not to facilitate more mcMansions.	9/11/2023 6:32 AM
156	The practice of house sizes taking over entire lots should absolutely be avoided	9/11/2023 1:53 AM
157	I think the new homes being constructed on Hibbard Road and on Sheridan Road, that are MUCH larger than any single family home ever needs to be, should be prohibited. These are NOT to scale for the neighborhood, and are certainly not limited in construction size. The Sheridan Road house is using construction equipment and a company used to construct large skyscrapers downtown!	9/11/2023 1:29 AM

158	It has been heartbreaking to see the changes in our neighborhoods throughout the village. Massive, tasteless, overbuilt houses have changed the character of "The Beautiful Land", our Winnetka.	9/10/2023 11:03 PM
159	It's about time. And you need to hold builders accountable for digging too deep and causing drainage and flooding in neighbors. Winnetka is a community with character. Winnetka needs more standards as it relates to architecture, demolition, allowing builders to destroy homes that never went on market, etc. feels like winnetka makes it easier for builders than for its own residents who want to add additions. There should also be significant tax breaks for those who take on the project of restoring an old home.	9/10/2023 4:18 PM
160	What happened at 206 should never happen again the construction, destruction and destruction interruption for only one man is crazy	9/10/2023 2:11 PM
161	The new builds are too big. Stop allowing these disgusting "modern farmhouses." They are ruining Winnetka!	9/10/2023 11:21 AM
162	The village should incentivize homeowners to renovate old homes through tax breaks and increase long taxes on new builds. Additionally, the village should be more specific with the contextually consistent so Winnetka doesn't end up looking like a subdivision of cookie cutter homes. Please ban all modern farmhouse construction. The beauty of Winnetka is all the different styles of homes and how each one is unique. Too many developers are coming in and bulldozing old homes and building versions of the same house. I do not want Winnetka to become a subdivision. Also by allowed these developers to tear down some of these homes and build huge expensive homes we are further eliminating more affordable homes in our area	9/10/2023 7:51 AM
163	The Village should continue to allow for the construction of larger homes when lots are combined and the structure complies with the 38% ratio.	9/9/2023 5:36 PM
164	Private residents should be able to acquire contiguous lots and built as much sq footage as they want up to the 38% threshold.	9/9/2023 4:23 PM
165	My fear is that when an owner of a mega-mansion, like the one being developed on the lakefront, eventually leaves the community (for whatever reason, relocation, death, etc.) who will assume the responsibility of this type of home? How many people have the funds to purchase- let alone maintain it over the years? It will be a "White Elephant" and a monument to someone else's exhibitionism or hubris. Let's be a little more forward thinking and responsible for the community in the future.	9/9/2023 12:19 PM
166	Large home by Centennial is ridiculous, should have never been approved, as you stated above "does not fit scale of neighborhood"	9/9/2023 10:54 AM
167	The [REDACTED] construction project is a perfect example of why these rules need to be amended.	9/8/2023 9:10 PM
168	I would need more information on this. How is it proposed to measure the "scale" of the neighborhood? What is the neighborhood? Are Fuller Ave houses in the same neighborhood as the lakefront properties across the street? This could be a useful question, but not helpful as written. I know you are trying to just get a temp on ppl's concern about the big houses, but I cannot answer this question because it's not specific enough. Should a house that is the size of a stadium be nestled right next to 1500-2000 sq ft houses it should not.	9/8/2023 8:54 PM

171	It is important not to over build. Given the climate stress on our environment, we need to be cautious about leaving enough non-built spaces for water to settle entries to be planted.	9/8/2023 12:26 PM
172	The Village should deny construction permits for unusually large scale projects that would cause excessive disruption to neighbors or traffic flow. [REDACTED]	9/8/2023 11:01 AM
173	It is essential to have limits on development to maintain the unique character of our Village.	9/8/2023 10:14 AM
174	The village code never envisioned the massive scale of houses that are being built in some locations in the village. Though rare these houses end up dominating a neighborhood. The Council should consider changes zoning to prevent abuse of our rules in creating homes exceeding >12,000 sq ft	9/8/2023 9:21 AM
175	Too many McMansions	9/7/2023 10:58 PM

176	No two lots. Do not like. These houses look too big for the neighborhood and lack the charm of a neighborhood with houses with comparable scale.	9/7/2023 10:49 PM
177	I think it's ok to have a mix of lot sizes, smaller lots should not be penalized, but larger lots maybe should not get any of the 'bonuses' in far code. Maybe limit to 2.5 stories to keep the neighborhood feel.	9/7/2023 10:32 PM
178	No more giant houses . Consolidation of lots should still limit home size to the earlier occupant.	9/7/2023 4:09 PM
179	My opinion is that we should not have these insanely large houses built on double or triple lots and that we should stop allowing people to demolish old homes. I am not exactly sure which answer this falls under of the options, though!	9/7/2023 12:58 PM
180	This 38% ordinance has obviously not been enforced considering the size of residential structures recently built.	9/7/2023 12:03 PM
181	laissez-faire	9/6/2023 9:55 PM
182	The Village should be more conservative with issuing demolition permits.	9/6/2023 8:29 PM
183	It is shocking to me that permits were obtained for the monstrosity being built on Sheridan Road, combining multiple lots to allow creation of an outsized structure. That this was allowable / allowed means that there is a clear problem that needs fixing, whether that is the Code, its enforcement, or some other variable.	9/6/2023 5:06 PM
184	I think the village is very "subjective" as seen by the years of denials for Winnetka One and the resulting plight of the downtown area as a result of denial to proceed with the project because of silly comments like "the design is French style in nature and our village is English style in nature". Also, What happened to the 2020 plan?	9/6/2023 3:16 PM
185	Not clear what this is really asking about? Do not favor infringing on owner rights	9/6/2023 1:40 PM
186	How in the  Shame,	9/6/2023 1:01 PM
187	The Village should further clarify the meaning of contextually CONSISTENT (not contextually significant).	9/6/2023 12:06 PM
188	The Village should be more flexible to allow updating existing family homes so scrape and new builds are not the only means of enhancing the viability of the housing stock.	9/6/2023 8:04 AM
189	This is a loaded question. Zoning should encourage density and not disparity	9/5/2023 11:32 PM
190	The range of beautiful homes, all different shapes and sizes is what makes Winnetka in high demand. These estates have all turned out extremely well. Trust your residents to enrich the area.	9/5/2023 10:28 PM
191	The Village should not limit lot size.	9/5/2023 8:28 PM
192	Let them build	9/5/2023 7:15 PM
193	I don't think the village should do anything to restrict new home construction.	9/5/2023 6:13 PM
194	I hope it's ok to combine two opinions.	9/5/2023 5:21 PM
195	The market should decide what goes where, within reasonable limits.	9/5/2023 4:14 PM
196	The 205 Sheridan Rd project is a poster child of what is coming. These constructions are so large that only the mega rich can afford them. It's somewhat like large box sores in shopping centers.	9/5/2023 4:08 PM
197	The amount of extra large lots (residence) and construction is disruptive to the community	9/5/2023 3:40 PM

199	Complicated	9/5/2023 2:17 PM
200	The Village absolutely has to update zoning to minimize the size of construction projects and ensure they are in keeping with the surrounding neighborhood. The compound being built on Hibbard Road between Pine and Westmoor is an unsightly monstrosity. It dwarfs the other	9/5/2023 1:44 PM

homes in the neighborhood and should never have been allowed to be built. The [REDACTED]  
 [REDACTED] Major lot consolidation should not be allowed that is out of keeping with the related neighborhood. This should be a high priority for the village.

205	Enough with the mega-mansions. Who needs them. Other than the owner, who benefits. .	9/5/2023 11:35 AM

210	The village is becoming heavier in its use of regulation. Use a light touch.	9/5/2023 11:05 AM
211	Given what was approved for [REDACTED] the Village needs to review its standards. The construction on that site is not remotely anything that could be characterized as "residential" in definition or character. It is known as an eyesore up and down the North Shore. Its one thing to be open to evolving architecture and styles. It is another to totally ruin the character of the community. The Plat of Consolidation should never have been approved without first reviewing the building plans. Building a 68,000 square foot structure on Sheridan with access roads, parking lots, removal of bluffs is a commercial hotel structure. It will ultimately prove injurious to overall community property values. There is a reason why Winnetka is the only village along the North Shore where such a structure could be built as a result of inadequate ordinances.	9/5/2023 11:02 AM

224	I am concerned that "further clarify" means hire consultants and we spend way too much money on consultants	9/4/2023 6:06 PM

225	Winnetka's appearance is jarring and tacky, with hideous oversized residential projects overtaking its historically more understated quality, e.g., huge hideous 68000 SF project on Sheridan and awful, cheap-looking oversized houses on Tower.	9/4/2023 5:51 PM
226	We don't want whole blocks or the waterfront monopolized by a few giant private lots.	9/4/2023 5:30 PM
227	Orchard 2020 should never have been allowed to build a mansion at 205 Sheridan. They removed the bluff, and ecological disaster, and are building the largest and most expensive house in Illinois.	9/4/2023 4:59 PM
228	Lots of nuance here. I'm not sure GFA is the best measure to be using here. And some of the rules around calculating lot size aren't particularly fair.	9/4/2023 4:40 PM

**Q23 The Comprehensive Plan also recommends the Village “consider creating a document that provides guidance for the scale and form of new single-family residential construction envisioned in Winnetka’s various neighborhoods.” Such a document exists for commercial space but not for residential properties. Would you be in favor of the creation of such a document to guide residential construction?**

14	I am open to such a document - but not necessarily in favor of it.	9/19/2023 7:08 PM
15	Made comments in #22 relative to this. The new build home at Cherry & Hibbard is an eye-sore that doesn't fit in with the neighbourhood at all. Never mind seeing the exact same home on Ash, Cherry, and Pine. This is not in keeping with the architectural integrity of our village.	9/19/2023 6:40 PM
16	To preserve the character of our village, we need to find ways encourage overbuilding that's out of scale with the surrounding property	9/19/2023 6:30 PM

18	Guidance on scale, but not on form	9/19/2023 5:49 PM
19	"Guidance" is a slippery slope to regulation and larger gov't.	9/19/2023 5:42 PM
20	No 68,000 square foot houses. Based on what was approved on Sheridan Road, would the village allow someone to tear down five houses on a tree street for example and build a house ridiculously out of character for the neighborhood? I hope not but has a precedent already been set?	9/19/2023 5:06 PM
21	I would support this. I would like to see some design guidelines incorporated also.	9/19/2023 5:06 PM
22	I believe in free market economics. If someone buys a property, he/she should have wide discretion as to the "look" and for of new single-family homes. Our government should get out of the way.	9/19/2023 5:03 PM
23	Can it be enforced?	9/19/2023 4:58 PM
24	No more heritage or new guard	9/19/2023 4:56 PM
25	YES. I bought an old home and am concerned that new construction is taking away from the character of Winnetka.	9/19/2023 3:45 PM
26	While it is difficult to define what is too big a house for Winnetka, the current house being built on Sheridan Road on three combined lots is incompatible with my notion of what we want in Winnetka.	9/19/2023 1:46 PM
27	The absurd size and scale of construction on [REDACTED] should never have been approved.	9/19/2023 12:04 PM

31	need more info	9/19/2023 10:35 AM
32	Absolutely. Thoughtful guidelines exist in many adjacent and similar towns. We can encourage responsible and tasteful building, while attracting people who want to be a PART of our community, not just build massive fortresses while taking away our lake views, our quiet feel and our sense of community.	9/19/2023 9:39 AM
33	Look at Sheridan south of Centennial —Ugh!!	9/19/2023 9:27 AM
34	Stop building huge homes	9/19/2023 9:10 AM
35	It's really hard to tell people what they build on their land in a somewhat subjective way.	9/19/2023 9:01 AM
36	I like the diversity of residential construction in Winnetka. Although current flexibility means we might have some odd homes, it also means some interesting modern homes might be constructed.	9/19/2023 8:52 AM
37	oversized homes, especially on the tree streets, are out of character in the neighborhood.	9/19/2023 8:31 AM

39	No more white, modern farmhouses. Keep old, diverse architecture!	9/18/2023 10:59 PM

41	the same builders come in and build spec homes that look all the same	9/18/2023 10:14 PM
42	Winnetka's charm, and therefore much of its property value, lies in its diverse historical housing stock and village feel, not the McMansions that are more common and can be found in most any other suburban towns in the Chicago area	9/18/2023 9:18 PM
43	Keep the historic look even if it's new construction.	9/18/2023 8:56 PM
44	Assuming this would promote the continued diversity of home styles and eliminate cookie cutters	9/18/2023 8:35 PM
45	Who gets to write these rules? Seems like we are trying to big brother out town. What do comp neighborhoods do? Can we look at Lake Forest, Highland Park and Glencoe and include this information as part of the question. Whoever wrote these questions is carrying a bias and that is evident.	9/18/2023 6:34 PM
46	No more cookie cutter houses. They will be out of style in 5 years.	9/18/2023 4:50 PM
47	Unless compliance is required, I see little value in providing guidance.	9/18/2023 4:44 PM
48	WHY? THE VILLAGE ADMIN HAS ALL THE RULES AND RESTRICTIONS NOW AT ITS DISPOSAL AND DISSEMINATES TO RESIDENTS.	9/18/2023 3:47 PM

52	As long as we could determine what guide truly means	9/18/2023 2:14 PM
53	The government needs to let people do what they want with the property they own as long as it does not harm others around them. It is not the role of the government to enforce arbitrary guidelines because it's what a group of people in charge prefer.	9/18/2023 1:46 PM
54	scale is important but we do not need to manage the design	9/18/2023 1:35 PM
55	While this is a slippery slope of trusting the government to form these requirements, it may be better to have this at the village level than watching these absurdities being built around the community with no control on their footprint.	9/18/2023 12:07 PM
56	Guidance not rules!	9/18/2023 8:50 AM
57	Guidelines needed like Lake Forest to make sure architecture fits in with the style of the town; avoid disgusting, non-architectural builder homes	9/17/2023 9:25 PM
58	Yes - there should be some restrictions; house all looking the same with no yard is sad; gentrified houses, that replace the tear downs. that replace character and feel of the village.	9/17/2023 5:38 PM
59	People should keep the Village charming and understated. The Village should not allow things like the  debacle to happen again - someone should be held responsible for allowing him to continue with construction.	9/17/2023 5:13 PM
60	There are many significant issues to be addressed by the Village. Delving into aesthetic guidelines for single family homes will undoubtedly result in lengthy and contentious hearings. The Village should focus on more pressing matters.	9/17/2023 4:58 PM
61	Again...need much higher living density in CBD to help support local businesses and vitality of village center	9/17/2023 3:41 PM
62	Save our Village	9/17/2023 2:45 PM
63	It is an added burden on property owners. It is amazing how diverse the village residential architecture actually is without such a review. I have dealt with many adjacent res review boards and they are terrible. Generally they appear to put the boards personal design thoughts onto a property owner.	9/17/2023 2:38 PM
64	We have such a unique mix of housing styles and ages of buildings, it makes the character of	9/17/2023 2:02 PM

our town so charming. We have been distressed to see so many hideous "trendy" types of construction that already stick out like sore thumbs in our neighborhoods--the stark white modern farmhouses and horrible angular black and white or all brown "modern" structures. The town is in danger of losing the charm and character that make it so visually attractive. We need to put some parameters around acceptable finishes for new builds that encourage timeless materials like brick and stone over vertical siding and metal roofing.

65	Too late	9/17/2023 1:27 PM
66	The new construction over the past 5 years is changing the look and feel of many winnetka streets. Yet the village makes it very difficult to renovate old homes. We should have guidance that allows renovation of the old and new construction that maintains the historic charm of this community. Perhaps we can look to Lake Forest for guidance.	9/17/2023 12:40 PM
67	Many regulations constrain sensual additions/configurations while allowing "conforming" specs that compromise a renovation or build. Particularly because the Village is notoriously difficult to deal with.	9/17/2023 11:23 AM
68	Why waste time on a document. It'll take years and then be debated about once in place. Take action rather than talking about taking action.	9/17/2023 11:10 AM
69	Make this enforceable. Spec developers aren't going to pay attention to this.	9/17/2023 11:08 AM
70	I worry that such plan would give the village too much power over areas of design where they should not interfere. It is not the governments place to tell landowners what they can build on their lot (except for engineering and issues that affect neighbors)	9/17/2023 9:50 AM
71	I am OK with a guide as long as it doesn't become more red tape that limits development.	9/16/2023 11:06 PM
72	Many new houses built in the community are generic spec houses designed for no particular site, which reduces the character and history of our community. Some design guidelines should ensure the quality of new construction in our community, while still encouraging creativity, and ideally rehab over demolition.	9/16/2023 10:26 PM
73	I would like it to include variety in the styles of homes and NOT allowing multiple specs home in close proximity to each other that all very similar. This is Winnetka and not the land of subdivisions with prefab homes. Those homes tend to time-stamped as the years go on.	9/16/2023 9:47 PM
74	No more compounds or modified cookie cutter farmhouses	9/16/2023 6:14 PM
75	Please curb all the new "Modern Farmhouses" popping up. They are destroying the feel of the neighborhoods.	9/16/2023 4:19 PM
76	Almost too little too late, but better get it done anyway.	9/16/2023 2:56 PM
77	It is important to regulate size but not style of homes	9/16/2023 2:25 PM
78	We do not need another hoop to jump through in order for people to build homes in Winnetka! This is a personal decision, and the Village should stay out of it! Some limits on scale are appropriate, but not form or design.	9/16/2023 2:00 PM
79	yes as to scale -- form is a little trickier. No reason why everyhome has to look like colonial or modern farmhouse at opposite ends of the spectrem. Size regulation is great, but regulating "taste" is much trickier. We do not have homogenous housing stock on which to base the "form" question. Further effort should be made to allowing more affordable housing scenarios (back yard residence) / preconstructed homes / smaller minimum size etc...r	9/16/2023 1:47 PM
80	Why have any plan when Winnetka does not stick to previous plans? What happened to Winnetka 2020??? I see "Major Renovations" take place and overhead electric services are not buried as in the 2020 plan. There is no consistency	9/16/2023 1:15 PM
81	ASSUMING that it is meaningful - not a huge project that will consume too much time and money	9/16/2023 12:36 PM
82	We need some small homes and affordable housing.	9/16/2023 12:18 PM
83	The Village should not dictate the style of home a private landowner can build	9/16/2023 12:04 PM
84	Guidance without enforcement is meaningless.	9/15/2023 6:32 PM
85	I favor anything that will limit tear-downs and limit the construction of mega-mansions. The	9/15/2023 5:54 PM

	village also needs to set some actual rules to limit tear-downs and preserve more historic homes.	
86	Broad standards but not a "condo association" document	9/15/2023 12:02 PM
87	One of my favorite things about Winnetka is the diversity of the style of homes. That diversity should be encouraged. Cookie cutter homes should be avoided, not encouraged.	9/15/2023 8:55 AM
88	see above reply	9/14/2023 5:36 PM
89	Stop the black and white houses	9/14/2023 3:14 PM
90	Excellent idea. High Priority.	9/14/2023 3:10 PM
91	I think the biggest problem is the same farmhouse modern home being cut and paste on teardown. Regardless of whether this complies, the shame is in tearing down perfectly beautiful historic homes to create a standardized generic luxury look. It's really sad.	9/14/2023 1:49 PM
92	The Comprehensive Plan show NOT provide guidance for single family homes. We have a Landmark Preservation Ordinance which should be used to provide information relating to scale and form of new residences.e family residences.	9/14/2023 10:25 AM
93	I don't trust the conservative aesthetics of the village. We don't need old, white guys deciding what is appropriate for what a new home looks like. Stifles innovation. If you're only talking about the scale of a building, I'm ok with that since the movement will always be towards larger and larger homes, further creating a community that only has one type of resident, uber wealthy.	9/14/2023 8:57 AM
94	Can't tell people what style to build. We are not all the same. I already hate how many homes look the same here. I have lived here for 56 years and no two houses ever looked the same. Now the same architects rebuilds the same plan over and over again.	9/14/2023 8:03 AM
95	No opinion	9/13/2023 9:37 PM
96	Sure but would anybody use it?	9/13/2023 7:57 PM
97	if we're not stopping Isbea, we're now going to tell others what to do? meh.	9/13/2023 6:29 PM
98	Only if it allows for and encourages affordable housing	9/13/2023 5:43 PM
99	Only if the guidance is for smaller homes and multi family near the shopping areas. We need more young families and places for retired people not bigger homes.	9/13/2023 4:28 PM
100	Don't govern design, it changes with time	9/13/2023 3:22 PM
101	Have a look at the 1100 block of Ash Street, where a new construction now dwarfs all the other houses. How did this happen?	9/13/2023 1:37 PM
102	Regarding more municipal ripping up and redecorating the commercial areas, we need a serious break. Every summer for 3-4 years this has gone on. There seems ZERO urgency to finish each project. The village has exhausted any good will. I don't trust them to do more. They just cut back parking for minor decorative changes. Enough	9/13/2023 1:36 PM
103	Winnetka has an important historical significance... let's keep it looking that way- not the latest suburb where homeowner are flexing with building the latest trendy home style with little longevity appeal.	9/13/2023 9:04 AM
104	A priority should be made on retaining the character of Winnetka neighborhoods.	9/12/2023 10:23 PM
105	More controls are needed that will cover the monstrosity that is being built	9/12/2023 9:59 PM
106	Free Market economics is best	9/12/2023 7:45 PM
107	Sure.	9/12/2023 1:05 PM
108	one already exists	9/12/2023 11:32 AM
109	This might make sense for a specific historic district, but not generally. Winnetka should allow for architectural expression as a default.	9/12/2023 11:07 AM
110	People should be able to build what they want on their property. Winnetka benefits from the various types of homes and features we have across our community.	9/12/2023 10:39 AM

111	My feeling having been a resident in Winnetka since 1984 is that Winnetka zoning for new construction is guided by the increased revenue the Village will receive from higher property taxes, fees, permits, and penalty fees from removing trees that go along with building three story homes in confined spaces.	9/11/2023 11:52 PM
112	I like that there are different types of houses in town.	9/11/2023 7:05 PM
113	not sure	9/11/2023 2:40 PM
114	Yes!!! There absolutely needs to be guidelines on acceptable housing styles so very similar houses aren't built very close to each other. There needs to be Provisions in place that take the identity of the neighborhood into account and preserve the look of Winnetka's beautiful homes. We do not want Winnetka to look like a new neighborhood full of track homes that were all built at the same time. The modern farmhouses popping up everywhere look so stark, trendy and out of place in such such an old and established neighborhood.	9/11/2023 1:58 PM
115	Ultimately the home owner has a right to build what they want (within reason!) but homes being built by the same builders look too much alike. We need to limit the amount of copy-cat new builds while encouraging more individual investment.	9/11/2023 1:55 PM
116	not sure. Nor fair to dictate the kind of home someone builds yet would like new construction to fit the neighborhood generally.	9/11/2023 1:15 PM
117	unless the conclusions are mandatory I can't imagine it will make a difference	9/11/2023 11:11 AM
118	See my above comment. I don't need or desire the village or people in the village to dictate to me what I would like my house to look like.	9/11/2023 11:09 AM
119	1,000x yes. The debacle of the Isham 3-property demolition is a significant loss to the community and it is terribly unfortunate no one did anything to stop it.	9/11/2023 10:31 AM
120	Our town has houses of many different architectural styles. The minute you start regulating "window size" and "architectural style", you limit our diversity. I am in favor of requiring quality building materials, building setbacks, trees and open spaces.	9/11/2023 10:03 AM
121	If I see another another black and white contemporary farmhouse built in this town I'm going to lose my mind.	9/11/2023 9:51 AM
122	I would like the community to review non single family as a form of affordable housing for teachers, police and service works who want to live in the community	9/11/2023 9:41 AM
123	Get out of the way- less mandates	9/11/2023 9:39 AM
124	Only if this guidance is not made mandatory.	9/11/2023 9:16 AM
125	Issues of private property ownership whether single family or multi (condo); different standard for commercial space (apartment rental). entities? nd business, commercial	9/11/2023 9:03 AM
126	Winnetka has been way too lenient in allowing huge homes to be built on tiny lots, with the removal of large trees to make room for it. The home next to ours nearly takes up the whole lot, and they removed many trees to allow for this. When we asked the village about it, they said they granted it because the builder promised he'd reimburse them with seedlings, which I've never seen (though maybe they were planted elsewhere). We have a beautiful suburb and must keep it that way. Thank you!	9/11/2023 8:44 AM
127	Let the market control this! Not some temporary majority within our elected officials.	9/11/2023 8:24 AM
128	But what's the point of it's not enforceable. This ship has sailed. Thanks to a lack of vision Winnetka is becoming another Oakbrook	9/11/2023 7:15 AM
129	50k+ sq foot compounds ruin the character of the village. With all the strict permitting for everything else (eg to remove even 1 tree), it's a failure of permitting that this got through. Who knows what happens when the billionaires move on.	9/11/2023 7:08 AM
130	We can't dictate how people build - and for the most part we don't have any issues. It's a solution in search of a problem. New construction is vital to the renewal of the village.	9/11/2023 6:32 AM
131	Too much government	9/11/2023 6:31 AM
132	I'm nervous such a document would result in all new homes looking the same	9/11/2023 1:53 AM

133	I don't think this is necessary, if the steps I've indicated are taken in question 22.	9/11/2023 1:29 AM
134	Hardware men's clothing	9/10/2023 2:11 PM
135	Only if it is guidance & not enforced. Also presuming this isn't super expensive to do.	9/10/2023 12:52 PM
136	Creation of such a document for residential properties would add an additional layer of complexity to a process that is already RIDICULOUS. Further, when I drive around Winnetka, my concern is not that I see too many houses that "don't fit into the general aesthetic."	9/9/2023 5:36 PM
137	It depends on what "scale and form" includes. For example, I would support limiting SFH height but no restricting design style or materials.	9/9/2023 4:23 PM
138	This would be very helpful!	9/9/2023 12:19 PM
139	With options recognizing the economics of the community continue to be higher the some surrounding areas and the ability to build larger homes should reflect that.	9/9/2023 11:32 AM
140	I built a house here and a guide would be useful, but it should not be too strict or overwhelming. Basic guidelines.	9/9/2023 7:29 AM
141	Please include reviewing the amount of paved space permitted in front yards. There are multiple homes in our neighborhood that have paved off-street parking in their front yards.	9/8/2023 9:10 PM
142	I don't like a lot of houses in Winnetka. Other ppl do. Should my taste supersede theirs?	9/8/2023 8:54 PM
143	its about time	9/8/2023 6:24 PM
144	There are already too many regulations and permitting requirements that limit the ability of homeowners to use their property.	9/8/2023 5:56 PM
145	It is very, very hard and costly to build here - while some of the red tape is useful, much of it is so far out of bounds that we are blocking anyone making less than \$500,000-\$1,000,000 annually from even considering living here - is this what you intended?	9/8/2023 5:36 PM
146	Some of the modern new construction does not fit the character of the village	9/8/2023 5:26 PM
147	No more modern farm houses. New construction homes are too large for lot sizes.	9/8/2023 4:38 PM
148	But should be suggestive rather than mandatory.	9/8/2023 3:55 PM
149	Yes and limit the amount of property one person can own on the lake frint	9/8/2023 3:18 PM
150	We need to not be over impressed by wealth in granting exceptions.	9/8/2023 12:26 PM
151	I would love to see limits on developers building homes that are virtually identical in multiple locations around the village if this is possible.	9/8/2023 11:20 AM
152	can't decide without reviewing the document.	9/8/2023 9:55 AM
153	need more info before can give an opinion	9/8/2023 3:58 AM
154	Let people build what they want within guidelines of zoning code	9/7/2023 10:32 PM
155	long overdue	9/7/2023 9:12 PM
156	Adds too much bureaucracy and red tape	9/7/2023 8:58 PM
157	Very much so. Unfortunately, many of the village's old homes have already been demolished and replaced with stone monstrosities that will not age well. But it's better late than never.	9/7/2023 8:11 PM
158	too much work and expense to maintain it	9/7/2023 7:10 PM
159	Absolutely needed, and any waivers should be very rare.	9/7/2023 12:03 PM
160	I think some variety in architecture is interesting and appropriate, but would like to avoid potential monstrosities.	9/7/2023 9:19 AM
161	Scale yes, form no. I would not be in favor of stifling creativity and adjudicating whether a home has the "right" style, but size / scale is something different and should be limited.	9/6/2023 5:06 PM
162	Not sure. Dont know enough about the issues involved.	9/6/2023 3:20 PM
163	The village trustees have made inappropriate comments on "style". They have no business	9/6/2023 3:16 PM

	dictating what they consider good style. This is evident by the repeated quashing of Winnetka One resulting in an abandoned downtown	
164	... so long as the document provides guidance rather than mandates.	9/6/2023 12:06 PM
165	IT HAS ALREADY BEEN DONE CHECK VILLAGE HALL	9/6/2023 10:44 AM
166	I'm in favor of a general percentage ratio, but I feel it's overreach to micromanage what people can build	9/6/2023 8:22 AM
167	But I'm unclear what the purpose of this "document" is for. Is it binding? Aspirational? What happens if a homeowner deviates from the prescribed "form"?	9/6/2023 8:04 AM
168	I have no problem regulating size, but I don't want the Village to regulate taste.	9/6/2023 5:37 AM
169	We need to stop the black and white repetition of houses on a block a DRC needs to be formed that declines monotony of color, material and form. Unless we wished to be called Levittown in a few years. The council needs to start paying very close attention and walk the neighborhoods	9/5/2023 11:32 PM
170	Would people really follow it? Seems like a waste of time and money	9/5/2023 9:49 PM
171	Would need a better understanding of the term 'guidance' in this proposal	9/5/2023 7:39 PM
172	I don't think the village has the experience or knowledge to provide any guidance.	9/5/2023 6:13 PM
173	If it's just guidance, what's the purpose?	9/5/2023 5:21 PM
174	Unless we want additional giant homes across three lots	9/5/2023 5:19 PM
175	Applying such a document to residential would pit neighbors against neighbors, create guardians of good taste (who probably aren't qualified) and create alot of friction. What a mess.	9/5/2023 4:14 PM
176	There already exists a document written many years ago about general neighborhoods.	9/5/2023 4:08 PM
177	too much new construction has increased traffic / decreased greenspace and harms the integrity of the village	9/5/2023 3:40 PM
178	Winnetka has a history of many different architectural styles and vernaculars. It would be unwise and oppressive to limit property owners to particular styles or vernaculars going forward.	9/5/2023 2:30 PM
179	The village needs to use all means to provide guidance and restrictions to preserve and enhance the character of our housing stock. It should also consider some design guidelines-- i.e. not have two nearly identical Bird-type homes next to each other, or 2 white modern farmhouse style next to each other, etc. etc.	9/5/2023 1:44 PM
180	I don't think we can really provide guidance for architectural details, etc. The guidance should come form a place of scale and lot size and perhaps tax incentives for geo thermal heating, solar, and permeable driveways. So in essence, I am suggesting guidelines that are more along the lines of environmentally responsible building rather than aesthetics.	9/5/2023 1:35 PM
181	██████████ is a travesty.	9/5/2023 11:45 AM
182	People own their land. They should be able to build what they want. Variety enhances the Village, it does not detract	9/5/2023 11:32 AM
183	I do not like the village issues being taken over and reworked by a small, vocal minority. Do 5 residents on Fuller Lane run Winnetka now?	9/5/2023 11:29 AM
184	The house next door to was just built. It's ridiculously oversized for the east Winnetka location. Shouldn't happen.	9/5/2023 11:22 AM
185	-see ██████ lot	9/5/2023 11:12 AM
186	The Village is inconsistent with their building rules. Some people are given such a hard time while Heritage is allowed to build one ugly house after another.	9/5/2023 11:04 AM
187	Some existing new construction is damaging to our community	9/5/2023 10:58 AM
188	Just fix the beach.	9/5/2023 10:55 AM

189	Asap	9/5/2023 10:49 AM
190	Make appropriate rules and enforce them	9/5/2023 10:48 AM
191	Somehow restrict the number of companies building and owning single family homes	9/5/2023 10:43 AM
192	I have no idea because I don't know which builders and greedy real estate agents have influence.	9/5/2023 10:14 AM
193	A new house was built right behind our house that us a giant black box- with no screening- this should not happen to anyone again. It does it fit.	9/5/2023 10:04 AM
194	I like the freedom to choose and think that one of the beautiful things in our neighborhood is that people can build and have the houses that suit their style	9/5/2023 10:04 AM
195	This is also trying to regulate taste. Come on.	9/5/2023 9:58 AM
196	Ownership rights.	9/5/2023 8:41 AM
197	Stop the proliferation of developer cookie-cutter houses	9/5/2023 7:24 AM
198	But the goal should be more nuanced than encourage it look-alike homes.... And should specifically prevent developers from putting up nearly indential houses on the same block.	9/4/2023 6:36 PM
199	I have no idea. The Village seems to grant any residential permit any fly by night developer wants, while making it an ordeal to put up a Rubbermaid storage shed. Complete hypocrisy.	9/4/2023 5:51 PM
200	Aesthetics is up to homeowner. Lot size and other factors can be regulated by village	9/4/2023 5:30 PM

8	Hardware store, Trader Joe's,	9/19/2023 11:28 PM
9	Shopping, specialty food stores	9/19/2023 11:15 PM
10	3 tarts bakery in Northfield, clothing stores (more reasonably priced than what is in Winnetka), grocery stores, Target/big boxes stores, various restaurants in Wilmette, Hofherr butcher in Northfield	9/19/2023 10:39 PM
11	Restaurants, kids clothing,	9/19/2023 10:28 PM
12	Butcher, seafood market, Mariano's, gym, bars	9/19/2023 10:22 PM
13	Big box, hardware stores. Full-service, grocery stores. Some more "industrial "businesses like auto repair and auto buying that I would not want to see in Winnetka. Clothing stores that are somewhere in between high-end, expensive bespoke, boutique and lower end stores like Kohl's and target... I think such stores that are a little bit in the middle space could exist.	9/19/2023 9:49 PM
14	Restaurants	9/19/2023 8:54 PM
15	Grocery store	9/19/2023 7:59 PM

26	Restaurants	9/19/2023 5:40 PM
27	Clothing, shoe, hardware and sports equipment	9/19/2023 5:34 PM
28	Starbucks with a drive thru, Mariano's and Target	9/19/2023 5:27 PM

29	I shop in Winnetka whenever I can.	9/19/2023 5:06 PM
30	Jewel at Plaza del Lago/Wilmette; Lambrecht's Jewelers in Wilmette; Waterway Car Wash in Northbrook; CVS in Plaza del Lago/Wilmette; Walgreens in Wilmette (Green Bay Road).	9/19/2023 5:03 PM
31	Dry cleaner, gas station	9/19/2023 4:58 PM
32	Movies, gym, golf, boating, bagel shop, sports bar.	9/19/2023 4:00 PM
33	Theater, music, restaurants	9/19/2023 3:35 PM
34	Larger grocery stores	9/19/2023 3:07 PM
35	Why did we need to do away with all of the non-chain places that I used to love frequenting? I now drive or ride by bike to Wilmette to use the small, organic bakery. And I hate that we have put small family business out to be replaced with commercial chains. Small hardware or convenience store - need to leave town for. Kids clothing, need to drive and leave town for. The only ice cream store we have left in Winnetka is awful, and they are so rude to kids.	9/19/2023 2:55 PM
36	Children's clothes and haircuts	9/19/2023 2:54 PM
37	Fast casual restaurants	9/19/2023 2:50 PM
38	Barber shop, stationery/office supply store, hardware store	9/19/2023 1:46 PM
39	Craft stores, target, Clothing and shoe stores.	9/19/2023 1:13 PM
40	Hardware store, bakery, home goods	9/19/2023 12:59 PM
41	Office Depot, Paper Source, Wilmette Hardware, Bed Bath & Beyond (before it sadly closed)	9/19/2023 12:04 PM
42	Adults and Childrens Clothing Stores, Grocery Store, Lunch Spots	9/19/2023 11:28 AM
43	Veterinarian, pediatrician, dentists, Hewn Bakery in Evanston, Target in Glenview, Dick's in Northbrook	9/19/2023 11:09 AM
44	Household needs, office supplies	9/19/2023 10:53 AM

420	Restaurants and coffee shops. The One Winnetka development area is an embarrassment and has been a ghetto for a decade. We need multi-family housing desperately. Get this done and shut down those that fight every project just to fight. Wilmette understands this and has become a more attractive place to live which should be quite shocking because Winnetka is far superior.	9/11/2023 8:24 AM

1063	Hometown, Spirit Elephant, The Grand, Starbuck's, The Book Stall	9/5/2023 12:05 PM
1064	Clothing, gas, specialty food, restaurants. I believe we should stop hindering businesses and bring more in.	9/5/2023 11:56 AM
1065	Please make Hubbard Woods like Lake Forest. Update the trains station, add Chalet floral. Bring in major retailers like Marine Layer, Lululemon, etc. Serena and Lily is a great start but we need more. Why are there vacant storefront like the shoe repair and plumber? T hi e need to be filled. There should be requirements for flagship storefronts like the sushi restaurant which looks awful to the eye. Why is nothing at building that says Hubbard Woods Design District? Prime real estate for a donut shop, wine bar, deli, bodega. Please give us more!	9/5/2023 11:52 AM

#	OTHER (PLEASE SPECIFY)	DATE
1	Toy store!	9/22/2023 9:38 PM
2	More places to hang out at that are kid friendly too. A place like Double Clutch brewery (Evanston) would be great	9/21/2023 6:18 AM
3	Please address the blight of East Elm street across from the train station. The block and 1/2 of closed storefronts have been an embarrassing eyesore for years. Whatever is preventing developers from creating something productive and pleasing should be addressed ASAP please.	9/20/2023 10:12 PM

4	Movie theater? Hardware store?	9/20/2023 3:12 PM
5	Children's clothing	9/20/2023 1:30 PM
6	Apothecary would be fun for gifts and a store that focus on a cozy home (wreaths, dried flowers, potpourri, essential oils/waxes/incense for aroma, candles)	9/20/2023 8:56 AM
7	Toy stores; children clothing; casual eatery	9/20/2023 8:35 AM
8	Toy store	9/20/2023 7:51 AM
9	J Crew, lululemon, Donuts, kids clothing store, frozen yogurt, better toy store/children's gift shop	9/20/2023 5:30 AM
10	More restaurants; craft store; kids clothes	9/19/2023 11:54 PM
11	Variety/sewing/notions	9/19/2023 11:45 PM
12	Children's Clothing Store, Cosmetics Store	9/19/2023 11:29 PM
13	Faherty, Vouri, Lululemon, Summer House Santa Monica, HomeSlice	9/19/2023 10:41 PM
14	Hardware,	9/19/2023 10:25 PM
15	Definitely pubs or wine bars	9/19/2023 10:16 PM
16	Sit down pizza, old school ice cream diner, brunch spot	9/19/2023 10:06 PM
17	Bring back the hot dog stand	9/19/2023 10:03 PM
18	All of the above!! Winnetka is far behind other north shore communities	9/19/2023 10:00 PM
19	Anthropologie, a new children's store (current one is so cluttered and hours are odd), sweet green or something similar	9/19/2023 9:55 PM
20	Would be great to add another casual spot, similar to Fred's. Jimoto, 501 Local, Tocco, and Pomeroy are great but pricey.	9/19/2023 9:52 PM
21	children's clothing and toys, shoes, men's clothing, specialty foods	9/19/2023 9:30 PM
22	I would like social gathering places to be the emphasis	9/19/2023 9:25 PM
23	High end coffee, healthy food options.	9/19/2023 9:15 PM
24	Another restaurant	9/19/2023 9:06 PM
25	Movie theater	9/19/2023 9:03 PM
26	There are far too many empty retail locations in downtown Winnetka, largely due to the poor management of Hoffmann charging exorbitant rates while offering extremely poor management benefits to the business owners!	9/19/2023 8:44 PM
27	None of these sound appealing	9/19/2023 8:39 PM
28	Children's clothing shop	9/19/2023 8:34 PM
29	Kids shoes and clothing	9/19/2023 8:08 PM
30	Please, just one bar in town would be amazing.	9/19/2023 7:50 PM
31	healthy grocery store, vegetarian restaurant	9/19/2023 7:48 PM
32	A better Walgreens it's the worst I've ever been to in my life. As our community gets older and has more prescriptions, it's a necessity to improve speed and service. ability to even park there	9/19/2023 7:31 PM
33	In addition to Evereve, a more moderately priced store such as Anthropologie or Williams-Sonoma would be nice.	9/19/2023 7:07 PM
34	Home/garden/gifts	9/19/2023 6:35 PM
35	Hardware store	9/19/2023 6:30 PM
36	Foodstuffs type/ prepared food store	9/19/2023 6:29 PM

37	grocery, clothing for kids/teens, restaurants (mediteranean, indian, or kid friendly), dog daycare	9/19/2023 6:18 PM
38	Organic, Local, Sustainable bakery like Hewn or other eatery with organic, local focus	9/19/2023 6:00 PM
39	Ice cream shop, specialty foods	9/19/2023 5:59 PM
40	We need to develop the businesses that are not occupied and permit interesting and new experiences like a rooftop bar thats indoor/outdoor. We need something like a le colonial (different), we need a hometown but with a more robust menu/alcohol and evening hours, sweet mandy b's, donut shop,	9/19/2023 5:47 PM
41	Spa!!!! Restaurant with children's activities	9/19/2023 5:34 PM
42	diner. may be tough based on price points tho'. I would LOVE a butcher shop. Also, I note that JC licht in glencoe carries hware stuff. It would be great to have a hardware store, but again, get the economics	9/19/2023 5:14 PM
43	Toy Store, gas station	9/19/2023 4:58 PM
44	Kids store	9/19/2023 4:56 PM
45	Restaurants,	9/19/2023 3:48 PM
46	none	9/19/2023 3:46 PM
47	We need restaurants of any kind!	9/19/2023 3:45 PM
48	Bulk co-op style market. Like we briefly had in Hubbard woods. Creative florist. We miss Kaleidoscope	9/19/2023 3:36 PM
49	pizza by the slice	9/19/2023 3:13 PM
50	kids clothing, cafe for teens to hang out at, convenience store/small hardware items, gift shop	9/19/2023 2:55 PM
51	But the Pub should be high-end.	9/19/2023 2:54 PM
52	Fast Casual restaurants like Buck Russell's in Wilmette or Panera. Easy weeknight dinner for working families with sports.	9/19/2023 2:50 PM
53	Restaurant	9/19/2023 2:29 PM
54	A lot of the recent additions are slightly off - Lincoln Avenue bakery is ok, but doesn't have the go to cookies, cupcakes etc.	9/19/2023 2:07 PM
55	Any of those listed in #24 above.	9/19/2023 1:46 PM
56	All sporting goods—not just golf	9/19/2023 1:13 PM
57	Hardware store	9/19/2023 12:59 PM
58	More restaurants - we need enough that we can get foot traffic and people will come because they know they will find availability and have options. We need this on both sides of Elm as well as other districts	9/19/2023 12:53 PM
59	NO MORE NAIL SALONS OR ART GALLERIES PLEASE!	9/19/2023 12:49 PM
60	All of the above look appealing ....big question is where or not these businesses can be profitable given high rent etc in winnetka	9/19/2023 12:38 PM
61	Fewer real estate storefronts. They don't need highly visible locations.	9/19/2023 12:35 PM
62	Fishmonger and restaurant.	9/19/2023 12:22 PM
63	More restaurants of all varieties. Wilmette has done a great job on this and we are still lacking.	9/19/2023 11:44 AM
64	Children's Clothing, Casual Dinner Spot for Families	9/19/2023 11:28 AM
65	I'd love to see more affordable, healthy, quick food options.	9/19/2023 11:09 AM
66	Children's clothing - mid priced like the gap	9/19/2023 10:19 AM
67	hardware	9/19/2023 9:58 AM
68	I wish Winnetka One would be developed as a smaller Deer Path Inn. Bring new shoppers to	9/19/2023 9:27 AM

	area. Have a great bar in it for locals.	
69	Competitively priced grocery. Lakeside is now highway robbery. The Grand is just petty theft. It's cheaper to order delivery from outside the village than shop there.	9/19/2023 9:10 AM
70	Brew Pub!!!!	9/19/2023 9:02 AM
71	Reasonable priced women's clothing	9/19/2023 8:47 AM
72	Restaurants	9/19/2023 8:37 AM
73	A Hotel - large enough for a bride to have a wedding. Retail shops along the bottom, hotel rooms up top. Put it downtown where the old kid motion and connies pharmacy were located.	9/19/2023 7:38 AM
74	Brewery, gastro pub	9/18/2023 11:54 PM
75	restaurants, we want King Long back!	9/18/2023 11:46 PM
76	Kid friendly restaurants	9/18/2023 10:57 PM
77	More restaurants, Hardware stores	9/18/2023 9:06 PM
78	Frozen yogurt pizzeria	9/18/2023 9:04 PM
79	Tailor	9/18/2023 8:56 PM
80	Wine or cocktail bar and health club/gym	9/18/2023 8:35 PM
81	hardware, landscape items	9/18/2023 7:38 PM
82	Unique gift shops	9/18/2023 7:19 PM
83	More Restaurants	9/18/2023 6:52 PM
84	Sandwich shop, salad shops, children's clothing and shoes, ice cream, home accessories, let's be open to any of it.	9/18/2023 6:34 PM
85	gym	9/18/2023 4:50 PM
86	We desperately need a traditional American deli that appeals to all ages and incomes	9/18/2023 3:03 PM
87	Electronics (although not many chains exist anymore)	9/18/2023 12:07 PM
88	Kids clothing store	9/18/2023 11:47 AM
89	Anything that gets people to stay and also visit winnetka	9/18/2023 10:35 AM
90	more food & beverage options	9/18/2023 10:25 AM
91	Dunkin' Donuts	9/18/2023 9:33 AM
92	Thai, Trader Joes should go into the old Walgreens spot--but that is Glencoe, right?	9/18/2023 6:49 AM
93	A wonderful bakery would be fantastic. I haven't been impressed with Lincoln Ave Bakery and the concept. We need a nice kids clothing and shoe store!	9/17/2023 11:45 PM
94	We have enough	9/17/2023 9:29 PM
95	What every business choose. Market forces should determine.	9/17/2023 9:00 PM
96	Restaurants	9/17/2023 8:44 PM
97	Would like to see more casual nightlife opportunities such as a brew pub	9/17/2023 7:21 PM
98	Hardware	9/17/2023 7:03 PM
99	sustainable gardening, or recycling help; beer garden; indoor/outdoor seasonal shopping; craft stores, massage perhaps.	9/17/2023 5:38 PM
100	Prepared foods (e.g., Foodstuffs, Convito)	9/17/2023 4:44 PM
101	Hardware store	9/17/2023 3:50 PM
102	Restaurants/Cafes	9/17/2023 3:09 PM

103	Restaurants, cafe	9/17/2023 3:08 PM
104	Gap, womens normal price clothing, casual restaurants	9/17/2023 2:45 PM
105	Uses should be organically attracted to winnetka. I support Removing the overlay district will	9/17/2023 2:38 PM
106	A traditional bakery with GOOD bread and bakery items	9/17/2023 1:27 PM
107	Chic Filet! Need more quick sandwich/deli/quick meal options vs. a long dining experience. Also, more affordable/not high end clothing stores. Evereve was a great addition!	9/17/2023 1:16 PM
108	Brew Pub in Hubbard Woods would be my dream	9/17/2023 12:50 PM
109	Canlan Sports Facility, Willow Park in wheeling facilities and IJJI Health Performance Institute	9/17/2023 11:20 AM
110	need businesses that draw people in a similar way the Glencoe, Glenview, Wilmette and other North Shore communities have done. We continue to fall behind because of lack of action	9/17/2023 11:10 AM
111	Restaurants, coffee, fitness,	9/17/2023 10:04 AM
112	Won't the market dictate what businesses can survive in town?	9/17/2023 9:50 AM
113	Specialty grocery, quick service healthy foods	9/17/2023 9:41 AM
114	Pub! But in the European style that is a place to gather	9/17/2023 9:22 AM
115	Restaurants with healthy salads for take out or eating in especially for lunch	9/17/2023 8:22 AM
116	Lululemon,	9/17/2023 7:16 AM
117	French Patisserie	9/17/2023 6:22 AM
118	We have a deli at both Lakeside and the Grand	9/16/2023 10:18 PM
119	Left Coast Food and Juice	9/16/2023 9:47 PM
120	hardware	9/16/2023 8:35 PM
121	Tea Shop	9/16/2023 7:34 PM
122	Lakefront restaurant	9/16/2023 6:26 PM
123	Hubbard Woods issue is Green Bay road is a disaster of traffic. There's too many cars and not enough biking and walking. Traffic should be shunted to Sheridan road, NOT green bay where pedestrians and kids are rampant.	9/16/2023 4:19 PM
124	Diner!	9/16/2023 3:32 PM
125	See above	9/16/2023 3:27 PM
126	Car wash	9/16/2023 3:11 PM
127	Hard ware :)	9/16/2023 3:10 PM
128	Hardware	9/16/2023 3:06 PM
129	hardware store	9/16/2023 2:56 PM
130	Scaled down Furniture/home goods like Potterybarn similar to Serena and Lilly	9/16/2023 2:48 PM
131	More restaurants please including fast casual.	9/16/2023 2:34 PM
132	Keep up good work adding restaurants. Cut back on nail salons!	9/16/2023 2:25 PM
133	Pizza parlor, gift store, roller rink	9/16/2023 2:24 PM
134	Children's clothing/gifts	9/16/2023 2:23 PM
135	Any would be awesome!	9/16/2023 2:00 PM
136	hardware store - garden and gift (both in HW)	9/16/2023 1:47 PM

145	Children's clothing, gift shop, bakery, hardware store	9/16/2023 11:50 AM
146	Lakeside has a great deli, fish counter etc. A deli would crush that part of their business which gets many residents in the door there. We've had shoe stores, stationery stores, men's clothing before and didn't work. We loved TL Fritts but with Green Bay cycles doing bikes and one stop Trev shop (student run shop for extended learning) in Glencoe doing Kw uniforms, every country club having a pro shop—not sure it would work either	9/16/2023 11:49 AM

156	Don't see how ny of those businesses could survive here unless they can establish wide appeal to the well heeled.	9/15/2023 12:02 PM
157	Really miss variety store. Stationary store miss edwards florist	9/15/2023 10:44 AM
158	Hardware store	9/15/2023 9:37 AM
159	A quick place to get lunch would be wonderful. Along the lines of Chipotle or Potbelly's.	9/15/2023 8:55 AM
160	Although we have a new bakery on Lincoln, it's offerings of "scones, biscuits, and cookies," does not a bakery make (IMAO LOL - trying for some levity). I really miss not having a Bennison's or Tag's style bakery. And why can't we buy a good loaf of bread (okay, artisanal bread) in this Village? Now that Cafe Fleurette is gone we don't have a bread shop; Grand does not offer what I consider authentic artisanal bread.	9/15/2023 8:54 AM
161	Candy store/ children store	9/14/2023 5:46 PM
162	More restaurants! That list above is so weird.	9/14/2023 5:01 PM
163	Need a real, very good, traditional bakery. the Lincoln Avenue Bakery isn't very good nor adequate.	9/14/2023 3:10 PM
164	Need good replacement for Ellens leaving Elm	9/14/2023 2:20 PM
165	I think the young families would love a Brew Pub. It's the place to go on a Saturday or Sunday afternoon with the kids.	9/14/2023 1:40 PM
166	affordable clothing stores, the current ones are not accessible	9/14/2023 11:27 AM
167	Vegan/vegetarian restaurant. Smaller food places generally.	9/14/2023 8:57 AM

191	Charles Variety Store was very popular; Winnetka needs more stores that have moderately priced merchandise	9/12/2023 11:52 AM
192	We could use an additional kids toy/sports store option for older kids birthday presents.	9/12/2023 11:47 AM
193	Floral shop;	9/12/2023 11:36 AM
194	Brew pub with GOOD FOOD (similar to the original Gaslight in Lincoln Park on Racine & Montana), healthy casual restaurant like Left Coast	9/12/2023 11:23 AM
195	Hardware store	9/12/2023 11:07 AM
196	Any restaurant type	9/12/2023 10:40 AM
197	I don't see another place to comment, so I will add here. The fact that the one winnetka project continues to stall is embarrassing. Neighborhood downtowns to our north, south, and west are increasingly dynamic, and yet our Elm/Lincoln street corridor sits there massively underutilized and depressing. I know this has been the subject of litigation and various iterations, but we're missing the boat and Wilmette is eating our lunch.	9/12/2023 10:39 AM
198	More mid level women's clothing (like Evereve and not as conservative as McLaughlin, trendier but not outrageously expensive clothing), hardware, quality prepared food (like Foodstuffs)	9/12/2023 9:33 AM
199	We already have a bakery and the Grand has a good bakery and deli/butcher shop. TL Fritts and the kids shoe store went out of business.	9/12/2023 8:47 AM
200	The return of Cafe Fleurette!	9/12/2023 7:56 AM

211	food for sure. I love our food resources -- groceries and restaurants -- but maybe we could use a couple of more.	9/11/2023 2:52 PM
212	Children's clothing store	9/11/2023 2:34 PM
213	winnetka needs a sports bar desperately	9/11/2023 2:27 PM
214	also, gas station and hardware store	9/11/2023 2:13 PM
215	I would like to see a consolidation of businesses as we have too many districts and do not get critical mass on a regular basis	9/11/2023 2:07 PM
216	Kids clothing, gifting (Ellen's on elm),	9/11/2023 1:58 PM
217	We could use a bakery/soup sandwich shop like Three Tarts that is so busy one can't find an empty seat! A bakery on its own won't do well as people here are more careful with what they eat. Also, men HATE to shop but they need clothes! My husband would shop at a nice clothing store such as the one in Lake Forest. This community is very athletic and would support a store like a smaller, local "Dick's" that also sold New Trier and other kids' athletic wear. I used to shop at TL Fritts years ago when my kids were young.	9/11/2023 1:55 PM
218	hardware store, love the Grand & Lakeside but hate the prices.. shop elsewhere for a lot of my groceries,	9/11/2023 1:15 PM
219	Sushi, Winebars, A 'nicer' dive bar, a brewery would satisfy this,	9/11/2023 1:06 PM
220	Artisan bread bakery	9/11/2023 11:56 AM
221	None. That should have been an option.	9/11/2023 11:50 AM

240	Hardware store	9/11/2023 7:15 AM
241	Children's clothing, more moderate priced women's clothing like evereve.	9/11/2023 6:40 AM
242	Need a shoe store!! Also - a community grand bar - elegant, inside of a hotel!! NEED A BOUTIQUE HOTEL.	9/11/2023 6:32 AM
243	Children's clothing; toy store,	9/11/2023 6:32 AM
244	Gym	9/11/2023 6:23 AM
245	*** Love's Frozen Yogurt. We NEED a 'healthy' alternative to Grater's!!!! Also, if at all possible, we need more affordable stores to shop at. Clearly, this is directly related to the rent we charge. I go elsewhere to shop, largely because things here are overpriced.	9/11/2023 1:29 AM
246	Brew pub/sports bar please! It's crazy Fred's Garage is the closest thing this town has to a sports bar or brewery where you can go for a drink or catch a game.	9/10/2023 5:44 PM
247	Poke/ Sushi Buriitto, Massage Spa, Homewares, chocolate store, bubble tea,	9/10/2023 4:53 PM
248	More restaurants. Lunch break at brunch, Mexican restaurant with multiple concepts inside, need a blue mercury / skin care concept. Day spa. Casual good food compatible to city vs outdated food that is stored in a freezer.	9/10/2023 4:18 PM
249	Casual restaurants where teens/tweens can gather	9/10/2023 1:53 PM
250	Bring back L&A Stationers - but in a smaller location!	9/10/2023 12:59 PM
251	#1 priority is by far a casual family friendly bar/restaurant in Hubbard Woods.	9/10/2023 12:52 PM
252	Casual Burger or pizza place	9/10/2023 12:45 PM
253	We need at least one gas station!	9/10/2023 10:39 AM
254	Hardware	9/10/2023 9:21 AM
255	Kids shoes and kids clothing store	9/10/2023 7:51 AM

259	Pharmacy, hardware	9/9/2023 6:33 PM
260	men's hair stylist	9/9/2023 4:35 PM
261	There's no good places to get a drink and meal without children that isn't expensive. Love Pomeroy and Tocco but if I want a good burger and beer my only options are Freds and Honeycomb.....which I'd rather not go to without children.	9/9/2023 4:23 PM
262	ice cream shop, variety of restaurants, family friendly restaurants	9/9/2023 4:04 PM
263	Reasonably priced family clothing like lad and lassie used to be in Wilmette	9/9/2023 2:37 PM
264	Allergy friendly dining options	9/9/2023 2:35 PM
265	Winnetka needs sometime to bring people together casually	9/9/2023 1:28 PM
266	A bread bakery would be wonderful. Perhaps a toy store.	9/9/2023 12:19 PM
267	Would focus on stores that don't duplicate big box stores and/or available via e-commerce.	9/9/2023 11:32 AM
268	fast foos chain restaurants, ie Chipotle, Jimmy Johns	9/9/2023 8:00 AM
269	Fish monger, green grocer, more restaurants	9/8/2023 8:54 PM

270	We need revitalized presence of stores in the downtown area	9/8/2023 5:37 PM
271	See comments above in question 24	9/8/2023 5:28 PM
272	Wine bars, family friendly restaurants	9/8/2023 4:38 PM
273	more restaurants	9/8/2023 4:18 PM
274	electronics store, hardware store, small appliance repair store, arts and crafts store	9/8/2023 3:58 PM
275	Fish store	9/8/2023 3:33 PM
276	used bookstore	9/8/2023 3:04 PM
277	more ethnic food-centered restaurants (Thai, Vietnamese, etc.)	9/8/2023 2:53 PM

282	Health club, pool	9/8/2023 11:22 AM
283	More restaurants	9/8/2023 10:49 AM
284	Frozen yogurt, toy store food	9/8/2023 9:55 AM
285	i find it hard to believe we "need" so many spa/salons	9/8/2023 9:55 AM
286	Any of the businesses listed in Q25 would be additive to the village. However, our zoning rules already enable these. We can continue to promote the value of our village to businesses in these categories but we need to let market forces dictate whether they actually come.	9/8/2023 9:21 AM
287	Like we used to have!	9/8/2023 8:07 AM
288	Hardware Store	9/8/2023 8:05 AM
289	Hardware store,	9/7/2023 10:58 PM
290	Hubbard woods has too many vacancies!	9/7/2023 10:32 PM
291	Sporting goods - we miss TL Fritz	9/7/2023 9:12 PM
292	Local public golf courses and country clubs already offer plenty of sporting good options. We need places that build community, like a great local deli or brew pup.	9/7/2023 8:58 PM
293	Specialty foods similar to Foodstuffs or Convito Italiano	9/7/2023 8:11 PM
294	Ups	9/7/2023 7:57 PM
295	Casual reasonably priced burger joint	9/7/2023 7:53 PM
296	Winnetka used to have all of the above (Fell's, L&A, Vose Bootery . . . )!!	9/7/2023 6:16 PM
297	Antiques and design	9/7/2023 4:09 PM

301	Children's clothing store	9/7/2023 12:03 PM
302	Hardware art supply -a reuse store like the one in Evanston - Trader Joe's	9/7/2023 10:42 AM
303	Florist, garden, specialty gourmet food, hardware	9/7/2023 10:25 AM
304	Order at the counter restaurants. Demolish the post office and put in a beer garden or parsons chicken from the city. A nice cheese shop would also be awesome.	9/6/2023 8:38 PM
305	Only interested if these are not plain-vanilla, suburban shops	9/6/2023 4:30 PM

306	Unique food offering. Pomeroy is great. Small Cheval is moving to Wilmette. Honey Butter Fried Chicken is going to Glencoe. Something unique and focused on a specific cuisine would be great. If there were another deli/butcher, I'd check it out but lakeside is decent.	9/6/2023 3:20 PM
307	Hardware store	9/6/2023 2:44 PM
308	Wine Bar/Wine Shop (I recall residents Alyssa Rapp and Hal Morris have a great plan for one they have yet to launch))	9/6/2023 2:05 PM
309	restaurants	9/6/2023 1:40 PM
310	Outdoor and sports store (e.g. REI)	9/6/2023 1:40 PM
311	No more nail salons, please.	9/6/2023 1:01 PM
312	Stationery/Gifts/Home/Clothing/Accessories/Toys.Games at a reasonable price point	9/6/2023 11:19 AM
313	Kids clothing	9/6/2023 10:36 AM
314	Winnetka needs a pub or upscale cocktail bar badly (see Deerpath Inn Lake Forest)	9/6/2023 9:57 AM
315	Boutique hotel and restaurant like The Hoxton, Chicago	9/6/2023 8:04 AM
316	We need more restaurants and bars.	9/6/2023 5:37 AM
317	More mom and pop outfits that could benefit from a lesser tax on them; but provide a richer cultural experience	9/5/2023 11:32 PM
318	variety store (some place to buy items that I may purchase from a "big box" store or amazon); sourdough bakery like Hewn; excited for Tala coffee coming soon!	9/5/2023 10:20 PM
319	Salad shop	9/5/2023 9:49 PM
320	let it occur organically	9/5/2023 8:28 PM
321	Fast casual such as sweetgreen, chipotle, etc	9/5/2023 5:48 PM
322	Another fast casual restaurant option that is conducive for families or grabbing quick drink/bite.	9/5/2023 5:29 PM
323	Upscale convenience store like FoxTrot	9/5/2023 5:26 PM
324	We have stores with larger selections of some of these categories within a 15 minute drive. And we already have good bakeries, delis and butcher shops.	9/5/2023 5:21 PM
325	Foodstuffs!!	9/5/2023 5:19 PM
326	HARDWARE STORE	9/5/2023 4:43 PM

331	Diverse restaurant options (e.g. ethnic), some fast food options, decent sized supermarket, gym.	9/5/2023 2:16 PM
332	Would like to see a good, high quality traditional bakery. The new Lincoln Avenue Bakery isn't very good.	9/5/2023 1:44 PM
333	I would love a space to bring kids to play! Or a play to drop off young kids (similar to Northshore Playgroup in Glencoe,	9/5/2023 1:40 PM
334	chocolatier, gourmet donut shop.	9/5/2023 1:04 PM
335	Diner/breakfast place in Hubbard woods	9/5/2023 1:02 PM
336	Children's clothing store	9/5/2023 12:40 PM
337	Dinner places	9/5/2023 12:31 PM
338	This is an odd list, as a) people rarely use stationary, b) shoes are moving quickly to all	9/5/2023 12:26 PM

	DTC/Online. Social places better for neighborhood than places that sell stuff (Amazon and others have won that game)	
339	hardware store	9/5/2023 12:10 PM
340	Cinema	9/5/2023 11:46 AM
341	We also need to consider some chains such as Blue Mercury (cosmetics) and Sur La Table/Williams Sonoma (home goods)	9/5/2023 11:42 AM
342	Hardware store	9/5/2023 11:40 AM
343	Restaurants and another small grocery	9/5/2023 11:38 AM
344	gas station	9/5/2023 11:35 AM
345	Gifts shops	9/5/2023 11:32 AM
346	I think that any high end national chains like Serena and Lily are good additions to our community and can afford the rents	9/5/2023 11:19 AM
347	Hardware	9/5/2023 11:09 AM
348	A good bakery - NOT brought in by Hoffman.	9/5/2023 11:04 AM
349	Anything, just get the building up and running across from Hometown.	9/5/2023 10:55 AM
350	Movie theater	9/5/2023 10:54 AM
351	We need more causal dining that keeps it simple.	9/5/2023 10:53 AM

356	Lots of clothing already exists, but just casual fast dining for families	9/5/2023 10:33 AM
357	NO more high-end, expensive clothing shops.	9/5/2023 10:30 AM
358	small scale music venue	9/5/2023 10:20 AM
359	hardware store	9/5/2023 10:09 AM
360	please stop al the fast food stores Lincoln avenue is beginning to smell like a souk	9/5/2023 10:08 AM
361	More cafes and restaurants make our village better	9/5/2023 10:04 AM
362	Kids clothing stores!! I'd love to see a sandwich grab and go- like Pret or Hannah's Pretzel sandwiches	9/5/2023 10:04 AM
363	As long as the 60093 price gouge is avoided	9/5/2023 10:02 AM
364	Ice Cream shops!	9/5/2023 9:59 AM

**Q26 The Indian Hill business district (South of Winnetka Avenue to the Kenilworth border) is seeing some welcome additions. What other kinds of retail businesses and services do you think might enhance the district considering its lack of walkability when compared to the Elm Street and Hubbard Woods districts? (Choose all that apply.)**

112	We have too much "business district" in a town the size of Winnetka. Too many businesses selling the same things (florist, wine) won't make it. The one certain thing to do well, if run well, is another restaurant type place. I would love a new hardware store, but we have them in Northfield, Wilmette, and have paint stores on top of that. Evanston has a nice plant store that is very busy! That might be a good idea so we don't have to drive to Lowe's to buy new ones when needed.	9/11/2023 1:55 PM

182	This may not be the appropriate section, and I'm not sure whose jurisdiction it is, but the space currently occupied by the Indian Hill Metra station parking lot is severely mis-utilized. I have almost never seen cars parked there, I take the Metra regularly and almost no one uses that station on the few trains that stop there. Especially with the development across the street, this would be a wonderful opportunity for a high-end plaza with shops and restaurants. Otherwise what is the point of having three business districts, where Indian Hill is just a 7-11, coffee shop, bank and some professional offices? Seems like a waste.	9/5/2023 10:16 AM

1	Lots of multi generational families around here. Would be nice to have an option for older folks. We can all coexist peacefully	9/21/2023 6:18 AM
2	Variety of affordability in a condo/apt building. Not a single senior facility	9/19/2023 11:45 PM
3	I'd love to see a building that accommodated both. So when you need assisted living you can move to the area in the bldg that can support you.	9/19/2023 10:25 PM
4	Either one sounds good	9/19/2023 10:03 PM
5	What are these properties that the village owns that could be used for this purpose. The very statement is a premise that should be examined. I don't know where these are and I'm not sure I would agree that they should be available or would be available for this type of development. In my view, there are some properties in Northfield that would be very suitable for this purpose without a lot of disruption to Winnetka/Northfield some are already available for this purpose such as the apartments near new trier west. I think we should focus there because it's close enough to winnetka and there is more reasonably priced land and properties available. I also think they were properties along Skokie Boulevard that could be made available for the construction of assisted and/or senior living. We don't need to come up the works in the central and East elements of winnetka for this purpose. And I'm saying that as someone who may soon require these types of facilities.	9/19/2023 9:49 PM
6	Do not waste taxpayer dollars on senior housing	9/19/2023 8:20 PM
7	I'm supportive of having this alternative fire people, and think it would be appreciated, but I don't believe the village should be funding or managing it	9/19/2023 8:10 PM
8	Living facilities decrease life spans. All options should be explored prior. That said seniors who want to be near family and home should have the opportunity within the village	9/19/2023 7:31 PM

9	Wish I knew more about this - I am not against the idea, I just don't feel adequately informed.	9/19/2023 7:08 PM
10	I don't feel qualified to answer this need, but given our community is full of families that stay/return to raise their own families, and the aging of boomers.. it seems like we should be doing more to keep these families together as residents in our community.	9/19/2023 6:40 PM
11	Such as The Mather in Evanston or Vi in Glenview	9/19/2023 5:55 PM
12	This is a crying need in Winnetka. Thank you very much for considering and offering this opportunity for input.	9/19/2023 5:03 PM
13	Allow construction of Auxiliary Dwelling Units of residential lots	9/19/2023 4:08 PM
14	There should be no burden on taxpayers	9/19/2023 12:38 PM
15	This would open up houses for young families to move into.	9/19/2023 12:04 PM
16	Follow on model of Packard redevelopment at Hubbard Woods. (Assisted living needs considerable license professionals.)	9/19/2023 11:13 AM
17	So many of our peers and those older have to leave the community for housing. We don't need our larger homes but we want to stay in Winnetka.	9/19/2023 10:53 AM
18	Honestly, I would like to see when I could pursue multi family to enable choice. Why do we have to call it a specific group? Let's promote better choice, by definition, more affordable from a tax perspective. We are a bedroom family community, and we will always attract people who seek that socialization.	9/19/2023 10:44 AM
19	We will all get old and need accommodations. Smaller home, someone to mainline the basics etc	9/18/2023 11:31 PM
20	Would Senior Housing be cost competitive with nearby options?	9/18/2023 10:35 PM
21	Not in favor of government housing for anyone. Seniors can live wherever they want to. There is a wide range of condo and townhome pricing. If you need senior living, you can find it nearby.	9/18/2023 8:56 PM
22	VILLAGE SHOULD NOT BE IN THE BUSINESS OF DEVELOPING HOUSING--- LET THIS TO THE PROFESSIONAL PRIVATE DEVELOPERS!	9/18/2023 3:47 PM
23	NONE	9/18/2023 12:25 PM
24	Need a "Maybe" option to Q 29	9/18/2023 6:49 AM
25	What about this for the Winnetka One site? Luxury Condos would be a great fit here not rentals.	9/17/2023 11:45 PM
26	We do not need senior housing.	9/17/2023 9:29 PM
27	None	9/17/2023 9:00 PM
28	I think a facility that allows people to age in place - independent living, assisted living and supportive living.	9/17/2023 8:30 PM
29	It wd be nice to be able to stay in the community at that stage but i don't think is worth it to the community	9/17/2023 7:44 PM
30	I would prioritize empty nester housing and more affordable housing over senior living facilities	9/17/2023 7:21 PM
31	There is winnetka Mews, etc. is there really no other options for seniors?	9/17/2023 5:38 PM
32	NONE!	9/17/2023 5:13 PM
33	The Village of Winnetka needs more empty nester housing, not just dedicated "senior" housing. Many of our long-term residents are compelled to leave the community because of the lack of housing diversity in our community. Question #29, describing the senior housing as a "facility," implies an institutional building for seniors. The Village should review its zoning map and identify parcels or areas that are well suited to allow developers to provide "age-restricted" (meaning 55+) or "age-targeted" housing that is better suited for empty nesters, not just senior living facilities.	9/17/2023 4:58 PM
34	Where are the properties (post office site)?	9/17/2023 1:27 PM

35	Do not want any section 8	9/16/2023 7:18 PM
36	People move here for life and it is important to take care of them. The older generation has lots to contribute and we should not push them out.	9/16/2023 4:19 PM
37	The issue here is having more affordable housing for all age groups.	9/16/2023 3:10 PM
38	but need to be priced for people on fixed incomes. Make it possible for people to afford staying in their long term community.	9/16/2023 1:55 PM
39	Both - IL is more important probably. BUT - we are going to run into affordability issues. It should be provided with nice, but moderate furnishings etc...	9/16/2023 1:47 PM
40	Tiered living facilities - from independent to assisted.	9/16/2023 1:40 PM
41	CCRC community thru end of life	9/16/2023 1:02 PM
42	I think a graduated program from Independent to Assisted living is the most succesful	9/16/2023 1:00 PM
43	A large home could be senior or part time living for people who have second homes. A nice bed and breakfast would be great	9/16/2023 12:18 PM
44	Proximity to grocery and pharmacy are key -- minimize need for car/van.	9/15/2023 6:32 PM
45	A combination facility would be the most flexible and widely-used option.	9/15/2023 5:54 PM
46	Let's face it. winnetka is not interested in the seniors who need such assistance. Well off seniors already have housing.	9/15/2023 12:02 PM
47	Reasonably priced independent living residences.	9/15/2023 8:54 AM
48	They would need to be very expensive, so the market would be small	9/14/2023 5:36 PM
49	Affordable Housing for seniors and others	9/14/2023 5:01 PM
50	Placed in the Hubbard Woods or Elm Street district, this could be very beneficial to seniors.	9/14/2023 1:40 PM
51	all the above!	9/13/2023 9:56 PM
52	I don't want limited housing- we do need condos and apartments and other affordable options, but not to limit them to seniors.	9/13/2023 6:29 PM
53	I have many friends who want to downsize but stay in town. That Northfield project at Winnetka and Hibbard Road is something we need more of. Off Gage Street in Hubbard Woods seems like a possible spot. North of Sacred Heart School and south of Phototronics	9/13/2023 1:36 PM
54	Free Market economics is best	9/12/2023 7:45 PM
55	smaller, empty-nester houses	9/12/2023 4:40 PM
56	Let the market dictate what's needed!	9/12/2023 10:47 AM
57	The code should be changed to allow for apartments above garages.	9/12/2023 10:47 AM
58	Something where you could transition would be great.	9/12/2023 9:31 AM
59	Neither!	9/11/2023 7:05 PM
60	Neither	9/11/2023 3:53 PM
61	Young families want in, older folks want to downsize but stay in town. This is a win-win and should not be difficult. I strongly prefer condos to apartments. We need more development such as what has been in downtown Lake Forest in recent years--close to town, train, and in the community people spent their lives living. More and more people are becoming part-time residents due to Illinois taxes--they are a great group to purchase smaller homes in the area so they can downsize yet be near their families during the nice weather.	9/11/2023 1:55 PM
62	Doesn't have to be designated senior... but just kind of housing for seniors or singles, young and old alike would find suitable.	9/11/2023 1:15 PM
63	Larger 3 bed Condos and first floor primary suite homes/townhomes.	9/11/2023 11:09 AM
64	There is plenty of senior housing in nearby locations, Evanston and Northbrook for example	9/11/2023 11:09 AM

65	And not located at the center of a business area	9/11/2023 10:31 AM
66	None	9/11/2023 9:39 AM
67	Neither. Just multi-family apartments and condos so that longtime residents who don't want to live in a large house can stay in the neighborhood near their families. No subsidized housing please! Don't "age-restrict" them either. Let the market drive it.	9/11/2023 8:24 AM
68	Crazy that our seniors have to move - just even their kids are moving back to enjoy their kids grandparents!	9/11/2023 8:12 AM
69	something that spans independent to assisted - but beautiful and not rancid	9/11/2023 6:32 AM
70	Pet friendly, services within building for hair cuts, salon, doctors and dentists	9/10/2023 5:33 PM
71	And a hotel	9/10/2023 2:11 PM
72	NA	9/9/2023 4:31 PM
73	Senior day center	9/9/2023 10:49 AM
74	I am 100% in favor of senior living, but not provided by the village. That makes 0 sense. The Village should not be in the business of "providing" at all. It should only be in the business of investigating and approving or rejecting builders and operators who are interested in providing senior housing in Winnetka	9/8/2023 8:54 PM
75	low income priority to residents	9/8/2023 7:09 PM
76	Single family condo	9/8/2023 5:36 PM
77	Small homes	9/8/2023 10:49 AM
78	anything that provides options and opportunities for us as we age	9/8/2023 10:33 AM
79	Memory care	9/8/2023 10:11 AM
80	No opinion	9/8/2023 9:55 AM
81	Ccrc - find a company to work with to get one for Winnetka. Long overdue!	9/8/2023 8:07 AM
82	It should be the full continuum of care	9/8/2023 8:05 AM
83	Assisted living facilities will involve an influx of a transient workforce, which will not be beneficial to our community	9/7/2023 8:58 PM
84	I checked both boxes because it's a good idea but I'm skeptical this could be done in an affordable manner.	9/7/2023 4:53 PM
85	A tower at all he post office location , with a combination of rentals for local teachers and seniors, with high end condos with multimillion dollar views could be very successful in my opinion.	9/7/2023 4:09 PM
86	Any First Floor master suites homes with small yards-like Hibbard Gardens	9/7/2023 1:12 PM
87	I dont know enough to provide a valid opinion	9/6/2023 3:20 PM
88	This is the worst idea across the entire survey. Why is it the Village's responsibility to do this? Why discriminate against other non-Senior residents with specific purpose use of Village assets? Seems like a good lawsuit. The fact that no one else does this should be clue...	9/6/2023 1:40 PM
89	Or just have more condo and smaller homes to downsize into	9/6/2023 10:40 AM
90	What we need is smaller nice spaces for families who want to downsize or have other homes but want a base in Winnetka	9/6/2023 8:38 AM
91	" Turtles to the sea" keep our seniors in our neighborhood; cherish and respect them	9/5/2023 11:32 PM
92	Graduated care facilities. Post office site is ideal. We have enough open parks between Dwyer Park and the Village Green and Hubbard Woods Park	9/5/2023 8:22 PM
93	Both Independent and Assisted Living	9/5/2023 5:21 PM
94	You really need both to do this effectively	9/5/2023 5:19 PM

95	The Village should not "provide" such housing, it should allow for it. It can (and should) allow broader residential development options downtown, including townhomes and flats. The path to better retail is by increasing the number of residents in your downtown.	9/5/2023 4:14 PM
96	Homes for adults with mental disabilities	9/5/2023 3:59 PM
97	dont micro manage	9/5/2023 2:59 PM
98	Add such services a-la-carte to existing and or new properties	9/5/2023 1:08 PM
99	There isn't the land required for appopriate assisted living	9/5/2023 12:26 PM
100	Memory Care.	9/5/2023 12:05 PM
101	Why restrict housing to age??	9/5/2023 11:52 AM
102	Currently there is a feeding frenzy when first floor primary bedroom homes come on the market - homes go for over list price with multiple offers because Winnetkans want to downsize but stay in town!	9/5/2023 11:42 AM
103	Are you sure there are none? Wilmette has Sunrise Assisted Living, There are a slew of smaller condos, esp along Green Bay that are affordable and perfect for seniors, though not "Official"	9/5/2023 11:29 AM
104	CCRC (not for profit)	9/5/2023 11:15 AM
105	What property does the Village owned that could be used for such a purpose?	9/5/2023 11:06 AM
106	This will be viewed as another attempt to create "affordable housing". That failed last time it was on a referendum.	9/5/2023 11:05 AM
107	If Assisted, the buildings should not be branded.	9/5/2023 11:04 AM
108	No need	9/5/2023 10:58 AM
109	would have to be a decent company that owned with some class not just anything	9/5/2023 10:08 AM
110	Long time Winnetka residents are aging and often we have to leave the village, which has become our home, in need of other facilities. In addition, newer and more condos/apartments are needed for those of us who are empty nesters but want to remain in the village.	9/5/2023 9:42 AM
111	With a 55+ age restrictions to allow empty nesters, maybe.	9/4/2023 6:36 PM

1	Not currently relevant to me, but i know there are many nearby options in neighboring towns	9/20/2023 5:21 PM
2	There are assisted living arrangements nearby in Northbrook. We don't have enough open land to accommodate this type of structure.	9/20/2023 8:43 AM
3	If it has a variety of pricing/sizes	9/19/2023 11:45 PM
4	Why can't we just have apartments/condos mor like the mews? Do we have to specify independent and assisted living?	9/19/2023 10:28 PM
5	I thought the area where Fells was was supposed to be this.	9/19/2023 10:25 PM
6	We don't have any relatives that could use this now, but potentially as they age	9/19/2023 10:03 PM
7	Again, we can get such developers, but it shouldn't be east of Hibbard Road... It should be west of Hibbard Road to the south or north field or west and north of the expressway.	9/19/2023 9:49 PM
8	I don't have a need for it but if others do, I think it's great	9/19/2023 9:25 PM
9	No strong opinion	9/19/2023 8:50 PM
10	The only gap that need o be filled are quality condos, not cheap apartment that have been approved in the space formally known as 'One Winnetka'.	9/19/2023 8:44 PM
11	Yes if there is appetite for it from the senior community	9/19/2023 8:34 PM
12	Do not spend taxpayer dollars on senior housing.	9/19/2023 8:20 PM
13	It's possible I would take advantage of it at some point in the future ... I don't know	9/19/2023 7:08 PM
14	More moderately priced housing options overall would be better for the Village and may help encourage diversity.	9/19/2023 7:07 PM

15	I think the 1 Winnetka area would be ideal for this, with services on the 1st floor. PT, Hair Salon, Mini-mart and such	9/19/2023 5:58 PM
16	yes, too bad that moronic office building was put in on south willow near the freeway. that would have been a perfect place.	9/19/2023 5:14 PM
17	No opinion	9/19/2023 5:14 PM
18	We should be able to provide some affordable housing in the village.	9/19/2023 5:06 PM
19	So many other priorities!	9/19/2023 5:06 PM
20	Start with your friends. That would be novel.	9/19/2023 3:50 PM
21	depends on what else we need; at the moment I think there are other priorities like the One Winnetka project??? (across from Hometown... that NEEDS focus)	9/19/2023 3:13 PM
22	Should be empty nester options for townhome and condos- get foot traffic to downtown areas	9/19/2023 12:53 PM
23	Maybe	9/19/2023 12:38 PM
24	Need to do a survey to be sure that the demand is there.	9/19/2023 12:04 PM
25	We need more varied housing to facilitate downsizing, whether it is for seniors, divorced/widowed individuals, empty nesters or whatever group. It is critical to have more varied sizes and price points. However, I don't think it needs to be a senior-living facility or age-restricted. We just need more choices for people and we should allow developers to build one or more properties that meet this need, fully recognizing it will be more dense than other areas of the village. That is OK!	9/19/2023 11:44 AM
26	The Village of Winnetka should pursue developers of quality multi family housing that provides more choice. This will enhance the vitality of our central business district and our community.	9/19/2023 10:44 AM
27	the answer to 29 is "not yet" but we might in the future, or look to bring aging parents here at some point.	9/19/2023 9:42 AM
28	If this kind of "opportunity" is economically viable, developers will come without pursuit.	9/19/2023 9:37 AM
29	Not any of the One Winnetka developers. Let's not have more permanently vacant properties in the name of "development"	9/19/2023 9:10 AM
30	You had this with One Winnetka and killed it.	9/19/2023 8:58 AM
31	29 - "Maybe"	9/19/2023 8:57 AM
32	More 3-4 bedroom smaller starter homes needed. If you could provide options for seniors to downsize, more houses could open up or be a focus for builders	9/19/2023 8:25 AM
33	The Fell building space - One Winnetka - should be developed as a priority.	9/19/2023 4:09 AM
34	We would consider this but it would depend on tax burden, etc on those that live in senior living.	9/18/2023 10:55 PM
35	Only if reputable and reliable.	9/18/2023 10:35 PM
36	This whole survey is rife with pursuing opportunities with business interests. We do not want high rise developments or subsidized housing of any kind. The lack thereof is a reason people move here. Wake up!	9/18/2023 9:04 PM
37	Its hard to know if we would take advantage of this at our age and situation; I would have answered "maybe"	9/18/2023 7:42 PM
38	If there's an expressed interest, I believe it warrants exploring.	9/18/2023 6:35 PM
39	Depends on the economics and need	9/18/2023 6:34 PM
40	We moved from Highland Park, where the city actively developed for senior and multi-family dwelling housing, and the city changed for the worse.	9/18/2023 4:50 PM
41	Is there a demand?	9/18/2023 10:24 AM
42	I would love to see moderately sized housing for empty nesters, many of whom have a second residence in warmer climates. Single floor living.	9/18/2023 9:29 AM

43	I do think we need to put a luxury condo building in. How about the Winnetka One Site? Maybe it could be for older couples when they want to downsize? I would definitely buy a place there when I want to downsize in 20 years	9/17/2023 11:45 PM
44	Do not need senior housing. Do not spend taxpayer dollars on senior housing.	9/17/2023 9:29 PM
45	We need 'empty nester/ apartments" near the downtown area to increase downtown foot traffic for our businesses. The downtown area is optimal due to its access to food, retail and public transport. "One Winnetka" is a start but its high rents will prohibit many from accessing. We are seeing too many of our 50+ year old citizens moving to neighboring communities due to the lack of availability of housing when they decide to downsize.	9/17/2023 7:21 PM
46	I am saying no at this time, My family lives out of state, but if I had to move a parent close by, I suppose it would change my answer.	9/17/2023 5:38 PM
47	Winnetka does not need senior housing. Do not pursue this!	9/17/2023 5:13 PM
48	we are not ready yet, but maybe some day	9/17/2023 5:06 PM
49	The Village of Winnetka is well known for being very difficult to get anything done. The former Fell's site and the Post Office have been stagnant for more than 16 years, in part due to the inability of the Village to shepherd a plan through the process. While the recently approved plan for "One Winnetka" is a good start, there are many other sites that could be re-developed to better suit the needs of the community and help sustain the retail base. Both Glencoe and Wilmette appear to be far more receptive to the needs of the community, creating vibrant downtowns with a mix of housing, restaurant and retail establishments.	9/17/2023 4:58 PM
50	The Village primary focus in terms of development should be the properties in the SE corner of Elm and Lincoln.	9/17/2023 4:44 PM
51	again, higher density population needed in village center.	9/17/2023 3:41 PM
52	Most elderly live in their homes for many years and possibly zero to minimal mortgages. Moving into new facility reduces ability to age in place and must deal with how's etc	9/17/2023 2:38 PM
53	Unable to answer without specs—would only be interested in either spacious apartment living (not restricted by age) or full-scale retirement assisted living with amenities.	9/17/2023 11:23 AM
54	I'm not sure you have to actively pursue it. I think if the village owns a developable lot, the developers will come to you. You can RFP the site to multiple entities and then decide who has the best plan that will also be successful	9/17/2023 9:50 AM
55	Yes, but not a top priority	9/17/2023 6:22 AM
56	It would depend on the percentage of residents wanting the proposed housing facility.	9/17/2023 6:22 AM
57	I'm not in an age demographic where this feels important to me yet, but it would be nice for seniors with family nearby to live very close to their adult children.	9/16/2023 9:47 PM
58	Consider also that almost every ranch house has been torn down and sold to developers who max out the lot with ugly and cheap housing. More development restrictions would limit this	9/16/2023 7:18 PM
59	needs more study location should not be prime downtown real estate	9/16/2023 7:16 PM
60	depends on location	9/16/2023 7:00 PM
61	I'm not at the age to need such facility now. But eventually.	9/16/2023 6:33 PM
62	Other housing is good also. I just hate to say an entire undeveloped area that could have taxpayers who will help the Elm street business district to thrive.	9/16/2023 6:26 PM
63	First I heard of this. Interesting option	9/16/2023 4:39 PM
64	Major lack of quality housing in the 1,800-2,500 sq ft one floor living in Winnetka if attempting to downsize. Need quality IL housing	9/16/2023 3:34 PM
65	It should be researched	9/16/2023 3:18 PM
66	Answered #30 because too many unknowns. Where? Part of the post office space I assume. Tough to answer with all the unknowns.	9/16/2023 3:15 PM

67	It is sad to see the continual migration of long-term residents who leave the Village because they are at an age where they need to down-size.	9/16/2023 3:10 PM
68	too many things to consider here - not sure	9/16/2023 2:48 PM
69	Your question assume this "housing gap" is a given. We need ranches, townhouses, good sized condos for people to downsize to--don't need assisted living!!!	9/16/2023 2:25 PM
70	There are many Winnetka residents who would like to stay, but prefer to downsize or need some amount of help in order to live independently	9/16/2023 2:00 PM
71	again, with an eye towards affordability within this age bracket, without minimizing quality of living and community appeal.	9/16/2023 1:55 PM
72	This is all caveated on location and what "asset" would be given up. Encouraging this type of development at private own sites might be better approach.	9/16/2023 1:47 PM
73	Community needs to give direction as to location first.	9/16/2023 1:40 PM
74	The village should in no way determine the "design". The village has shown itself completely incapable of encouraging progress -- witness Winnetka One	9/16/2023 1:15 PM
75	CCRC professionals like Presbyterian Homes, Covenant Living etc	9/16/2023 1:02 PM
76	We feel it is a needed resource. A high end facility would be most in line w/ the community. Many people would utilize it.	9/16/2023 1:00 PM
77	Depends	9/16/2023 12:57 PM
78	So sad that One Winnetka did not get done.	9/16/2023 12:22 PM
79	Creative developers. Please not large chains that look nice but have low staff numbers. Would love to see Skokie school used this way or post office or fell property.	9/16/2023 12:18 PM
80	This is not the "job" of the Village. If a developer purchases land and builds it, fine, but the Village need not provide housing.	9/16/2023 11:38 AM
81	My answer to the above two questions is "maybe." Why wasn't this option listed?	9/15/2023 9:55 PM
82	I feel strongly that we should not pursue developers.	9/15/2023 5:42 PM
83	Affordable housing for seniors is important.	9/15/2023 3:52 PM
84	Define the "gap."	9/15/2023 12:02 PM
85	It should explore the independent living option, not sure if that means "actively pursue".	9/15/2023 8:54 AM
86	I'd rather see affordable housing prioritized	9/14/2023 5:01 PM
87	No need for assisted living or senior housing. Need housing that seniors/downsizers may want to live in, but not dedicated senior housing!	9/14/2023 3:10 PM
88	I am neutral on this one	9/14/2023 1:49 PM
89	All seeking independent living need to leave our town, it would benefit the community to have people stay here instead of going to the Mather, the Vee, or going to Lake Forest.	9/14/2023 11:27 AM
90	If there is an overwhelming majority of interest, I would say yes. There are many empty-nesters fleeing to the city out of their big homes, because there is no option here in town.	9/14/2023 8:03 AM
91	ut keep it affordable in keeping wih other northshore facilities	9/13/2023 9:56 PM
92	again, we need apartments and condos. Huge need for condos.	9/13/2023 6:29 PM
93	Only if it's broader and goes beyond just senior housing	9/13/2023 5:43 PM
94	Apartments or condos near the shopping areas would be best.	9/13/2023 4:28 PM
95	This is a young family community. The taxes are high because of the school. Pursuing this housing gap is cost prohibited.	9/13/2023 3:22 PM
96	I don't really see the proportional benefit to the community at large. This seems like a very small sub-sect of people. Has there been a study of how many Winnetkans raise their families	9/13/2023 3:19 PM

	in Winnetka and remain in Winnetka as seniors? Or want to? This seems like a generational issue that is changing. Most adults I know do not intend to live in Winnetka long-term after retirement and it has little to do with the lack of housing.	
97	Yes but I don't think they need to jump to age restricted apartments. More single story, smaller houses for empty nesters is what Winnetka is lacking.	9/13/2023 1:57 PM
98	Green Bay Road Should be zoned up to allow more multi unit buildings	9/13/2023 1:36 PM
99	There really are a large number of adequate and varied options in this category in surrounding communities. Having had a parent reside in two (independent and assisted living), I do not feel that the community needs to be in Winnetka per se but in the "area."	9/13/2023 9:04 AM
100	Why not if the village currently owns property that could be utilized in this way?	9/12/2023 10:22 PM
101	There is a lack of transitional and older age housing in Winnetka for older adults.	9/12/2023 8:57 PM
102	Free Market economics is best	9/12/2023 7:45 PM
103	There are many senior living facilities in this general area. Would one in or near Winnetka be competitive?	9/12/2023 7:06 PM
104	Don't need it now but it might be useful in the future.	9/12/2023 7:03 PM
105	At reasonable prices	9/12/2023 5:37 PM
106	Caveat to Qu 29: ultimately may decide not to move into the independent living apt if Winnetka ended up building one.	9/12/2023 2:56 PM
107	I have old parents that live in Winnetka and these are discussions we are having.	9/12/2023 2:41 PM
108	As a former Wilmette resident, this was a powerful voting bloc that prevented progress within Wilmette and one of the reasons we moved. Any project that would require a tax levy was blocked by fixed income pensioners.	9/12/2023 11:07 AM
109	The village shouldn't provide housing but should enable developers to do so if they choose	9/12/2023 11:06 AM
110	Let the market dictate what's needed!	9/12/2023 10:47 AM
111	only if affordable	9/12/2023 10:31 AM
112	actively pursue developers who can build a building that's consistent with the lovely homes in Winnetka--NOT anything like the huge building on Green Bay Road in Winnetka (the Optima)	9/12/2023 10:23 AM
113	Land is too expensive in Winnetka for any developer to make a profit building low cost housing developments	9/11/2023 11:52 PM
114	Most retirees / elderly here seem to be leaving Illinois for estate tax reasons and tax reasons and warmer climates.	9/11/2023 9:04 PM
115	There are plenty of these types of housing in nearby communities. Do not pursue this.	9/11/2023 7:05 PM
116	No, no no no	9/11/2023 3:53 PM
117	I might use it. It's definitely a hole in the market offerings.	9/11/2023 2:52 PM
118	Worth researching depending on results from the survey	9/11/2023 2:34 PM
119	I wn to age here and my choices are limited. I don't want to go somewher that's not my hometown (like Wilmette and Northbrook)	9/11/2023 2:13 PM
120	We built a home including an elevator so we do not have to fear multiple levels should this become a concern in the future.	9/11/2023 1:55 PM
121	Sr. housing in Winnetka is Oak Hill, or then Plaza del Lago. All prohibit dogs. Everyone in Winnetka has a dog. Make sure they are pet friendly.	9/11/2023 12:10 PM
122	No one in my household is in need of a senior facility but I think it is important to offer such a thing in such an aging community	9/11/2023 11:55 AM
123	of course, pricing can be an issue for seniors so only 'luxury' should be avoided as these people can stay in their current homes	9/11/2023 10:49 AM

124	Indifferent	9/11/2023 10:29 AM
125	My 92 yr old mom in multi storied Winnetka townhome would move there & enjoy the commeraderie of other seniors	9/11/2023 10:11 AM
126	Most of my aging friends would like to see UPSCALE larger sized apartment availability. As they downsize and want to stay in the community, they don't want a 1-2 bedroom apartment. They have been disappointed that the new one Winnetka doesn't have large units	9/11/2023 10:03 AM
127	All forms of housing diversity is desired. You don't want a community of only white, middle aged families with children. You want a variety of individuals.	9/11/2023 9:41 AM
128	Pursue all development, not just senior housing and it should not be restricted to low income or be subsidized by the village	9/11/2023 9:39 AM
129	Not sure	9/11/2023 9:13 AM
130	The Village should get Winnetka One completed before taking on any other project. Winnetka One has been an eye sore for MANY years.	9/11/2023 9:11 AM
131	Surrounding communities have nearby options.	9/11/2023 9:03 AM
132	There are nice condos that people can consider, and we are thinking about that. I am not sure Senior Housing would fit in Winnetka. I could be wrong. I am not dead against it.	9/11/2023 8:44 AM
133	But don't put restrictions on them. The market is always smarter than an elected official!	9/11/2023 8:24 AM
134	Costs are too high. The wilmette venture into this has been a failure	9/11/2023 7:53 AM
135	I would prioritize a BOUTIQUE HOTEL before senior living - a hotel with a big bar and a pool that could be used by the community - put it in the post office space	9/11/2023 6:32 AM
136	My Dad would be interested and looking for senior housing with outdoor patio or balcony	9/10/2023 5:33 PM
137	The priority of the village needs to rid itself of the eyesore of one winnetka. Spend the money. Make it a green space until something happens. It's embarrassing this point.	9/10/2023 4:18 PM
138	I have little exposure to the real demand.	9/10/2023 12:52 PM
139	Only if there is conviction that such a development can provide an economic return.	9/9/2023 6:33 PM
140	NA	9/9/2023 4:31 PM
141	If developers aren't building senior living here it's bc there is a higher and better use for the land.	9/9/2023 4:23 PM
142	No one can afford to live here after our kids have finished school, so I don't see this as a priority	9/9/2023 1:28 PM
143	For our older generations and our parents retirement even part time isn't easy given lack of housing for those who want to downsize.	9/9/2023 11:32 AM
144	In 5 years, but not urgent in 2023	9/9/2023 10:49 AM
145	ok if developers have interest but not at expense to the village	9/8/2023 9:10 PM
146	The housing should be affordable on a scale applicable to seniors and not people who can still earn good incomes. Seniors provide priceless assets to our community, first and foremost reminding people to think about others' needs—a value in diminishing supply in our village.	9/8/2023 7:15 PM
147	Not sure - we are in year 8 or so if still trying to figure out one winnetka - so we have very low confidence in the village on such matters	9/8/2023 5:36 PM
148	There are numerous options nearby.	9/8/2023 3:55 PM
149	It would be nice if there were other housing options in Winnetka if a retiree sells their home other than moving out of Winnetka.	9/8/2023 3:48 PM
150	No opinion	9/8/2023 9:55 AM
151	Absolutely! So many seniors have left the village!	9/8/2023 8:05 AM
152	Will potential developers need to be pursued?	9/8/2023 3:58 AM

153	See Wilmette and Highland Park	9/7/2023 10:58 PM
154	Developers are the worst	9/7/2023 10:32 PM
155	Winnetka is perfect for seniors: public transportation, walkable, safe, parks, churches	9/7/2023 9:36 PM
156	We need to enable our residents to age here - for themselves and their grandkids, etc. Plus, we're losing too many committed, knowledgeable residents.	9/7/2023 9:12 PM
157	Winnetka should focus on families of all ages and a place for kids to thrive	9/7/2023 7:12 PM
158	Absolutely. People have been asking for this for years!	9/7/2023 6:16 PM
159	Again, given Land prices in Winnetka, I'm skeptical this could be done affordably. I'd love to be wrong.	9/7/2023 4:53 PM
160	Taking advantage of such a facility would depend on its price and location in town.	9/7/2023 1:47 PM
161	This age group spends so much on restaurants and entertaining and these residents "anchor" our community	9/7/2023 1:12 PM
162	Not sure	9/7/2023 1:01 PM
163	I don't have a strong opinion either way.	9/7/2023 12:58 PM
164	free market	9/7/2023 9:41 AM
165	I wouldn't use it now, but could imagine it for my parents in the future.	9/7/2023 9:19 AM
166	It's worth exploring.	9/6/2023 8:29 PM
167	There are many options in Wilmette that is still nearby	9/6/2023 6:02 PM
168	I dont know	9/6/2023 3:20 PM
169	The village is not capable of handling such an endeavor as seen by Winnetka One and the Elder/Centennial Beach fiasco	9/6/2023 3:17 PM
170	Again, worst idea in the survey. This should be a private initiative if there is any interest. Sounds like boondoggle and handout.	9/6/2023 1:40 PM
171	Would give a quality option to the many of us who are facing caring for our aging parents	9/6/2023 11:19 AM
172	Or have developers create condo and smaller homes for downsizing moves	9/6/2023 10:40 AM
173	Need to await outcome of Winnetka one development. Can this space be used for seniors	9/6/2023 10:36 AM
174	We can't even get One Winnetka developed into something interesting. We should focus on getting that developed before pursuing other ideas.	9/6/2023 8:22 AM
175	I think there are other, competing housing gaps like high-end apartments or townhomes to increase density of the community.	9/6/2023 8:04 AM
176	The village needs to survey seniors or potential seniors and first understand their needs. Otherwise you may land up with a One Winnetka situation again	9/5/2023 11:32 PM
177	Where would staffing come from?	9/5/2023 9:13 PM
178	Village should stay out the "development" business.	9/5/2023 8:28 PM
179	It was so difficult for my mom to find a good place for my grandfather, who is a winnetka resident.	9/5/2023 8:07 PM
180	Sounds great, but the Village lacks the space for a comprehensive Senior facility. Plenty of fine alternatives elsewhere.	9/5/2023 7:49 PM
181	Re #29; not at this time	9/5/2023 7:39 PM
182	See increasing demand for this as the community ages	9/5/2023 6:47 PM
183	Taking advantage of this type of housing depends on a lot of variables. This is a tough one to address without more specifics.	9/5/2023 5:21 PM
184	I am not sure	9/5/2023 5:19 PM

185	only if survey results and further polling indicate that there is a desire and need.	9/5/2023 5:19 PM
186	On village owned property, possibly, but the market must decide this, not politicians.	9/5/2023 4:14 PM
187	While we're going to go to Boston to be near our daughters, others may wish to stay here.	9/5/2023 4:08 PM
188	housing for adults with mental disabilities	9/5/2023 3:59 PM
189	Question 29: Yes, but not now, perhaps in the future	9/5/2023 3:58 PM
190	One Winnetka and Post Office Property: so many years and no development	9/5/2023 2:59 PM
191	Not sure	9/5/2023 2:23 PM
192	I think this is a good idea if there is actually a need for it.	9/5/2023 1:40 PM
193	Responsible developers who understand the community aesthetically and culturally. Elder care is a booming market and there are a ton of interesting opportunities if done thoughtfully.	9/5/2023 1:35 PM
194	At no cost to village though.	9/5/2023 1:08 PM
195	Take the handcuffs off and let the market allow this to happen.	9/5/2023 12:34 PM
196	Unsure	9/5/2023 12:10 PM
197	It's a shame when residents who have lived her for 50 years have to move to other suburbs when they want to stay in town! We need to fix this!	9/5/2023 12:05 PM
198	Apartments are appropriate, but why restrict them to age?	9/5/2023 11:52 AM
199	I would eventually take advantage, but not for the next 10-15 years.	9/5/2023 11:45 AM
200	But PLEASE be aware of aesthetics!! This is a beautiful village and a new, large facility should blend in!	9/5/2023 11:42 AM
201	Not sure if I would use it. That would depend on the circumstances at the time.	9/5/2023 11:35 AM
202	Not sure if important as long as Senior housing available in adjacent communities	9/5/2023 11:24 AM
203	not for profit only	9/5/2023 11:15 AM
204	It is extremely sad to see long-term residents of Winnetka reluctantly leave the Village because of the lack of down-sized, affordable Senior housing.	9/5/2023 11:09 AM
205	Only if the development is first class	9/5/2023 10:56 AM
206	Should at the very least get some ideas and numbe	9/5/2023 10:49 AM
207	The village should grow a spine when dealing with outside developers and take control of projects	9/5/2023 10:48 AM
208	I've seen many seniors purchase condos in the village that seem to fit this need.	9/5/2023 10:19 AM
209	I have no idea how the Village would screen the developers to make sure they're not fraudsters and rip-off artists. The only acceptable developers would be not-for-profits as Illinois has a history of terrible abuse in this area.	9/5/2023 10:14 AM
210	we might take advantage would depend how well done and quality of services	9/5/2023 10:08 AM
211	Condos and apartments are very much needed- for aging family but also divorced/single parents, snowbirds who want to keep a connection to Winnetka. It makes perfect sense.	9/5/2023 10:04 AM
212	Let the market work without interference and restrictions.	9/5/2023 9:58 AM
213	the only people who could afford to live there would not need it. The community does not need it	9/5/2023 8:43 AM
214	Very sensitive to the location being near existing commercial areas	9/5/2023 7:24 AM
215	If this is going to happen, the village should drive it.	9/4/2023 6:36 PM
216	NO	9/4/2023 6:06 PM
217	Non-profits only, not Illinois's notoriously corrupt, scandal-plagued senior living for-profit	9/4/2023 5:51 PM

	operators.	
218	I would be more willing to support if the village could show how such a development will open up existing housing stock for new young families / middle income folks	9/4/2023 5:30 PM

### Q31 How aggressively should the Village pursue creating a Sustainability & Climate Action Plan? (Check one)

Answered: 1,643 Skipped: 512

ANSWER CHOICES	RESPONSES
Immediately. Make it a priority.	34.63% 569
Watchful waiting. Adopt sustainable practices as they become more mainstream and cost-effective, but continue to upgrade as needed.	46.01% 756
No plan needed. Continue to a la carte sustainable policies and procedures on an as-needed basis.	19.35% 318

1	would love to see composting service	9/20/2023 5:21 PM
2	There are tons of opportunity to retrofit lighting, etc for more sustainable solutions across all public properties - projects that would pay for themselves in a matter of years with energy savings	9/19/2023 8:34 PM
3	was completely unaware of the SolSmart program.. this should be talked about more.	9/19/2023 6:40 PM
4	Avoid this at all costs. There is no climate crisis.	9/19/2023 6:35 PM
5	We live in a time when it is critical for local governments to lead by example by implementing green practices and programs. Communities such as Winnetka that have more affluence and education than most have a special obligation to future generation to set such an example.	9/19/2023 6:30 PM
6	Communities with resources such as ours must demonstrate leadership.	9/19/2023 5:55 PM
7	Give me a break. People in winnetka have 20K sq ft houses that they air condition and a NEST thermostat is going to fix that? Our school buses are empty as everyone drives their kid to school, but we need <del>XXXXXXXXXX</del> go green policy so everyone can feel good about themselves. COMPLETE WASTE OF MONEY AND TIME	9/19/2023 5:14 PM
8	This is the crisis of our lifetimes. Please- we should pursue as soon as possible.	9/19/2023 5:03 PM
9	Start with having all contractors for village services use electric tools. This is very much needed in the lawn care area	9/19/2023 3:50 PM

10	In conjunction with schools and preschools teaching about the environmental costs of our choices and lifestyle. Conservation should be a value the community and schools promotes	9/19/2023 3:36 PM
11	We have the worst lake runoff out of any North Shore community - why are we not immediately putting protocols in place to reduce landscape chemicals and pollutants? If the Village doesn't make any restrictions, we are going to see people choosing other greener communities over ours, because people are waking up to the fact that having kids grow up in pesticide ridden towns where everyone has a landscape company that sprays toxic chemicals, leads to long term health and developmental problems. This doesn't take cost or very much effort to implement, we just need the Village to care. Keeping the same people with the same mindsets on all of these boards doesn't help with changing the status-quo.	9/19/2023 2:55 PM
12	The most important Climate Action you can take is to bury the power lines. We have see more and more incidents of power lines being knocked down in bad storms - this is a serious safety and environmental hazard. Smart communities throughout the U.S. are burying power lines as both a safety and resilience act.	9/19/2023 1:59 PM
13	This is SO important. Appreciate the local household kitchen waste depositories you have placed around the village. Also- KEEP ADDING TREES! The treescape of Winnetka is part of it's charm and what makes it such a wonderful place to walk/live.	9/19/2023 10:53 AM
14	We are very supportive of a green transition where it makes sense, there is economic benefit.	9/19/2023 10:44 AM
15	We should be leading here. Start single use plastic bag bans, start composting at the curb for every home, start requiring all restaurants to use compostable take out containers, start turning off the village lights at 11pm, start community gardens, stop using WPD leaf blowers and pesticides on public parks, stop letting billionaires cut down acres of trees.	9/19/2023 9:39 AM
16	This should be independent of the power plant, we should absolutely keep the power plant, make green upgrades where appropriate/possible, the US electrical grid is not adequate and having our own for emergency use and back up power to IMEA is critical	9/19/2023 9:16 AM
17	So many green initiatives are naked money grabs by green washed purveyors of "good vibes" instead of impactful products. Let's not buy expensive good vibes.	9/19/2023 9:10 AM
18	The current CO2 level in the atmosphere is .04%, if you go below .02% plant life starts to die. Please do research before diving into climate change plans.	9/19/2023 7:38 AM
19	The thermostat program was "late for life." We're last to everything. We should actively be pursuing solar incentives.	9/18/2023 11:00 PM
20	The climate religion is a wealth transfer scam designed to force people to buy things they do not need. Every prediction by the climate alarmists in my lifetime have been wildly inaccurate. If you are delusional enough to assume you can alter the planet, you are a fanatic.	9/18/2023 9:04 PM
21	Do not need more government interference and pushing green energy. Residents are all well informed and can go green as they can afford to do so and it makes financial sense.	9/18/2023 8:56 PM
22	adopting a plan is different than adopting or mandating practices. Work on a plan.	9/18/2023 7:42 PM
23	Keep government out of this; it is wasteful and not very good at anything.	9/18/2023 12:25 PM
24	Go green is a personal choice, not a village mandate	9/18/2023 12:07 PM
25	Do not spend taxpayer dollars on Green.	9/17/2023 9:29 PM
26	Do not spend taxpayer money on being "Green".	9/17/2023 5:13 PM
27	Village should not provide subsidies for "go green" projects	9/17/2023 1:27 PM
28	Climate Change is a Hoax - do not spend money on this.	9/17/2023 1:16 PM
29	Do it, but not at increased costs. We already pay the "Winnetka" premium for everything today so it should be viable to do with current pricing.	9/17/2023 11:10 AM
30	The schools should do more to encourage bussing/walking/biking.	9/17/2023 10:46 AM
31	Very disappointed by the level of demolition and waste in the community. It's hard for families with children to educate about recycling when entire houses are destroyed and hauled off all around us. Why does a relatively affluent community not mandate building deconstruction? The fast pace at which the character of our community is disappearing and the gluttonous	9/16/2023 10:26 PM

	waste on display all around us with monthly demolitions is making us consider moving elsewhere.	
32	lower priority issue	9/16/2023 7:18 PM
33	Because of their affluence, Winnetka residents have the highest carbon footprints.	9/16/2023 2:53 PM
34	Winnetka cannot change the climate. Should not be a priority.	9/16/2023 2:41 PM
35	So many other priorities that will make a meaningful impact in Winnetka.	9/16/2023 2:25 PM
36	prioritize it while maintaining fiscal responsibility.	9/16/2023 1:55 PM
37	Be a community in front of this issue. A leader. It's not about going green anymore. It's about protecting valuable assets - our green space, our shorelines and water rights and water quality, our airspace, and our land.	9/16/2023 1:40 PM
38	Not a priority	9/16/2023 1:39 PM
39	Curbside composting and encouraging solar energy is incredibly important!!!	9/16/2023 12:18 PM
40	Waste of money. People can take their own initiatives.	9/16/2023 11:38 AM
41	It's an uphill slog. The proliferation of anti-sustainable practices (home/yard lighting) is not likely to be influenced by plans and recommendations. The Village's electrical system removes the potential financial lever of ComEd rebates. Enforcement through building code, incentives through fees (400-amp residential service should be extraordinarily expensive due to its impact on timing of upgrades to broader power distribution infrastructure).	9/15/2023 6:32 PM
42	The village needs to move much more quickly and comprehensively toward sustainability. Steps should include: planting native trees in parkways and adding a variety of native plants in green spaces; promoting and moving to solar energy for homes and businesses; promoting bikes, e-bikes and mass transit for moving around the village; composting and recycling at home and at local businesses; information and practical assistance offered to residents and business owners transitioning to more sustainable and energy-efficient practices.	9/15/2023 5:54 PM
43	In ones sense we should be aggressive, but that would probably lead to further limiting families who can afford to live here.	9/15/2023 12:02 PM
44	We need more bike lanes. Our students should be able and encouraged to bike to school	9/14/2023 5:46 PM
45	Why aren't composting and solar panels incentivized by the Village?	9/14/2023 1:49 PM
46	let's ban leaf blowers! and gas lawn mowers. The noise is bad, and it's terrible for the environment.	9/13/2023 6:29 PM
47	I think Winnetka needs to find middle ground between watchful waiting and immediacy, but since that wasn't an option, I choose immediacy.	9/13/2023 3:19 PM
48	We are a small community without any major businesses or industry. Our carbon impact is incredibly small, any use of resources here would be virtue signaling beyond any real impact	9/12/2023 10:23 PM
49	We should be a leader in making plans for our changing climate and mitigating the villages contribution to climate change.	9/12/2023 8:57 PM
50	Forget about the Sustainability & Climate Action Plan	9/12/2023 7:45 PM
51	Nothing in more urgent to attract the next generation of residents	9/12/2023 4:40 PM
52	The building department needs extensive training in new environmentally friendly technologies for permit/inspection processes	9/12/2023 10:31 AM
53	Waste of resources	9/12/2023 10:28 AM
54	The earth is burning.	9/12/2023 9:27 AM
55	Plans that involve increases in Winnetka cost of living will not fly	9/11/2023 11:52 PM
56	Encourage development of more nuclear power	9/11/2023 8:11 PM
57	Do not spend taxpayers money on this.	9/11/2023 7:05 PM
58	Do not want higher taxes. Do what can be done as budget allows.	9/11/2023 1:15 PM

59	promote all electric appliances. Why anyone buys an expensive gas range instead of induction totally escapes me.	9/11/2023 12:10 PM
60	I think I am actually between immediately and watchful waiting. Do the simple things that are available now and encourage being more green. Com Ed makes it attractive for houses to go solar by giving rebates for selling back electricity. Winnetka sells at a commercial rate but buys back at a discount discouraging this. This should be reconsidered. I like the idea of encouraging solar but there will need to be restrictions on what that looks like in terms of building design reviews. Preferably panels are not on the front of houses. New technology is coming that allows for wrapping panels around tree trunks - again, limit this to backyards??	9/11/2023 10:03 AM
61	The climate will continue to change regardless of what we do. It has before and will do it again. This is a political issue, not a scientific issue. Stop whistling my money on ignorant activists that have a political agenda.	9/11/2023 8:24 AM
62	Don't waste money in green energy/climate schemes. Any proposals need full disclosure for consultants. Village board and entities are accountable to the village citizens and specific local environmental issues, not abstract "saving the planet". We have neither the expertise, means, nor scale for this. No green energy boondoggles.	9/11/2023 7:08 AM
63	nothing matters if we lose our world	9/11/2023 6:32 AM
64	Priority one winnetka development. Get rid of it until there is a plan.	9/10/2023 4:18 PM
65	Not your area	9/10/2023 2:28 PM
66	it's past time; also need a sustainability coordinator to lead and facilitate	9/10/2023 12:59 PM
67	Given the climate reality seems insane to kick the can	9/10/2023 12:45 PM
68	Composting pick-up needs to be happening!	9/10/2023 11:21 AM
69	It is disgusting that we are 100% coal for our electricity until 2035.	9/10/2023 11:12 AM
70	This would be a true waste of my tax dollars, we have much high priorities.	9/9/2023 5:36 PM
71	gas leaf blower rules are too lax -- we are behind neighboring communities in reducing their usage	9/8/2023 9:10 PM
72	One does it have to be Greta Thunberg or "woke" to figure out humanity is in a precarious position. Climate change is evident right here in Winnetka.	9/8/2023 7:15 PM
73	This will only raise costs. It's already too expensive to live in IL.	9/8/2023 11:55 AM
74	Don't waste my money.	9/8/2023 11:40 AM
75	life cycle cost should drive replacement/upgrades	9/8/2023 9:55 AM
76	Is there anything more important than climate action? I don't think so.	9/7/2023 4:53 PM
77	Climate Action PLans are not needed and can be easily misused for political goals	9/7/2023 2:31 PM
78	Especially prioritize solar and single family scale wind power please	9/7/2023 1:12 PM
79	Hire people in depts to review building plans, sensible procedures and rationalize permit process, inspection	9/7/2023 10:25 AM
80	This question is too vague on what a plan might entail to vote one way or the other.	9/6/2023 5:06 PM
81	Since homeowners quickly respond to changes property taxes, providing tax abatement for installation of solar could dramatically increase adoption. The question of how and where to replace the revenue would have to be answered but should not stop consideration of this idea.	9/6/2023 8:04 AM
82	The best thing the Village can do for the environment is protect and maintain the tree canopy. Solar, wind and electric cars are bad ideas.	9/6/2023 5:37 AM
83	These terms should not be bantered around for soundbites. There are many actions that go into being truly sustainable; including building codes, materials, parking lots design, light pollution that seems to be increasing; and most importantly the energy footprint of each household	9/5/2023 11:32 PM
84	The village needs a compost program. These bins should not be placed near or outside	9/5/2023 11:00 PM

	schools. The compost bins attract vermin, are an eyesore on communities and lower property value.	
85	I thought that Winnetka was pursuing installing smart electrical meters. What happened to that plan.	9/5/2023 4:08 PM
86	Our local utility is really failing to provide any incentive or encouragement at all towards distributed renewable generation. No net metering, no efficiency incentives, no solar install rebate, plus we have to put up with a giant gas fired plant on our best beach. Crazy. We'd be better off on ComEd.	9/5/2023 2:16 PM
87	Upgrade bit by bit sustainably, financially responsibly	9/5/2023 1:08 PM
88	The Village has signed the GRC2 compact, which already provides a plan/framework for further policies.	9/5/2023 1:00 PM
89	Focus on services/buildings in the Village. Make it easy for homeowners to go green.	9/5/2023 12:26 PM
90	Somewhere between A) and B) above	9/5/2023 11:52 AM
91	No plan is needed. This is another example of local government overreach and pandering to people who want to "feel good" about these types of policies with no real understanding of the larger issue of climate change.	9/5/2023 11:05 AM
92	Our community is too privileged and too educated to ignore Global Warming. Composting should be happening alongside Garbage pickup. Additionally our stores need to stop selling plastic water bottles.	9/5/2023 11:04 AM
93	We should be a leader in this space	9/5/2023 10:43 AM
94	Please make a ban on polystyrene food containers and single use drinking straws.	9/5/2023 10:30 AM
95	time that credits were given for permeable surfaces and solar panels	9/5/2023 10:08 AM
96	The Village should play no role in this political ideology.	9/5/2023 9:59 AM
97	this is really not a policy function of municipal government. aesthetically it would be a disaster	9/5/2023 8:43 AM
98	The EFC has been working diligently on this plan for two years	9/5/2023 8:23 AM
99	Get a better consultant than Lakota, he's compromised by lack of need to bid competitively and think outside the box.	9/4/2023 5:51 PM
100	Move as fast as possible given constraints with IMEA, etc. it shouldn't be more expensive if we site resources right.	9/4/2023 5:30 PM
101	Ban drinking straws! And polystyrene food containers!	9/4/2023 2:26 PM

1	Would love guidance on how to improve, happy to go out of our way to do so but a little lost at what steps are meaningful and how to implement.	9/20/2023 8:56 AM
2	It would be nice if composting was easier in town.	9/19/2023 11:47 PM
3	This is best accomplished through code-driven change not left up to the individual household. SEE: LEED certified... no one asks for it anymore because code requires the equivalent.	9/19/2023 10:24 PM
4	many aspects, not all	9/19/2023 9:30 PM
5	Make composting easy for residents -- we compost at our house and it greatly reduces what goes in the garbage can each week.	9/19/2023 8:52 PM
6	Do not spend taxpayer dollars on Green initiatives	9/19/2023 8:20 PM
7	The community needs to make it convenient and provide suitable, better alternatives	9/19/2023 7:31 PM
8	I'm a work in progress - I care about this, but don't know a lot about it. I try to recycle everything I can. Thank you to the Village for styrofoam recycling.	9/19/2023 7:08 PM

9	I am a cancer survivor so try to reduce the toxic load in our home whenever possible.	9/19/2023 6:00 PM
10	What a loaded question. What do you mean by green? At NEST thermostat for a 20K sq ft home that you need to cool? Please	9/19/2023 5:14 PM
11	Would like composting.	9/19/2023 5:06 PM
12	We began cmoposting last year and find it greatly reduces our trash output— more than we expected. Thank you for providing the composting collection containers at Washburne School	9/19/2023 5:03 PM
13	increase composting drop off locations!	9/19/2023 3:13 PM
14	why does this question matter, the Village green practices should not be in relation to how green each household feels they are	9/19/2023 2:55 PM
15	We are committed recyclers but our home is older and therefore less energy efficient	9/19/2023 12:38 PM
16	Greenwise Lawn service is excellent. All electric equipment. They even used rakes instead of blowers! Think of the improved air quality and noise levels if everyone used such a service!	9/19/2023 12:04 PM
17	Amazing how foolish and impractical ... sadly ignorant	9/19/2023 11:13 AM
18	We currently compost using the Village of Winnetka web site; this has been a very useful addition to our household. We currently use the Greeley School compost containers.	9/19/2023 10:11 AM
19	I have not owned a car for years. Winnetka makes it possible.	9/19/2023 9:10 AM
20	Love the composting bins!	9/19/2023 8:52 AM
21	There needs to be a spot on this survey for additional comments. The Caucus needs to represent ALL members of the community not just the ones that think like Caucus leadership. As a member of the caucus it has become increasingly clear that the caucus loves diversity except for diversity of thought. As a reminder 33% of Winnetka voters did not vote for a single caucus endorsed candidate in the last school board election, but Caucus leadership did not think it relevant to include a question regarding this extreme outlier? It is outrageous that the Caucus is willfully ignoring one-third of its voters.	9/19/2023 7:38 AM
22	The Composting bins added at schools has been a great addition.	9/18/2023 10:35 PM
23	The compost option at the schools is terrific	9/18/2023 9:18 PM
24	Thank you for adding composting to the train station. We just need some sort of buckets to transport compost in	9/18/2023 9:04 PM
25	I compost and recycle. I will not eat the bugs or live in the pod.	9/18/2023 9:04 PM
26	We compost, we save energy, we don't water our grass, we engage in many green ideas, but reject the government spending taxpayer dollars to promote this and not evaluate if it makes sense.	9/18/2023 8:56 PM
27	electric vehicles, walking, reusable bags. Still need to compost	9/18/2023 7:42 PM
28	Why do I see lights on in Skokie School in the evening when no one is there? The custodial staff surely cannot be cleaning all the classrooms at the same time. Let's start with turning off lights that aren't needed. We do that at home. Why can't that simply thing done in the schools or even on the athletic field which I have also seen lit up when no one is playing.	9/18/2023 6:37 PM
29	Composting thru the Village of Winnetka was an outstanding addition, as is electronic recycling at the Village Yard on Willow Rd.	9/18/2023 3:45 PM
30	village has already impaired property rights enough for now	9/18/2023 10:25 AM
31	We would like the Village to be example and leader on these efforts.	9/17/2023 8:30 PM
32	Its not easy. I know there is drop offs, but it should be easier, even if business were required to only use paper or biodegradable bags: Most importantly - school do not reinforce it, so it feels impossible as a parent to keep up and be the odd one out with my kids.	9/17/2023 5:38 PM
33	Do not spend taxpayer money on being "Green".	9/17/2023 5:13 PM
34	Lets get some community solar in this place! NO BRAINER!!!	9/17/2023 3:41 PM

35	green appliances are less effective and cost more. Don't touch my gas stove!	9/17/2023 1:27 PM
36	conservative use of utilities. Low house temps, out side ventilation instead of A/C. Recycle rigorously. Leave only necessary lights on. Why are the Hibbard road tennis and playfield lights on when not in use? Walk the walk about energy savings rather than virtue signaling ! use?d	9/17/2023 1:03 PM
37	working for a clean environment is fine - man made climate change is a scam	9/16/2023 3:41 PM
38	I responded honestly to this question instead of virtue-signaling. I do recycle and appreciate the service.	9/16/2023 3:10 PM
39	We drive one car and it is fully electric. Smart thermostats, etc. We "could" add composting.	9/16/2023 2:56 PM
40	Winnetka needs more and various recycling options	9/16/2023 2:53 PM
41	Only when they make economic sense	9/16/2023 1:39 PM
42	This is an area, we would like to improve on for ourselves and our home	9/16/2023 1:00 PM
43	We all need to make this easy for the good of our communities and planet. I thought we outlawed gas powered lawn equipment. It seems to be everywhere still is anybody monitoring that?	9/16/2023 12:18 PM
44	This "question" yields only a virtue signal and groupthink value judgment. One can be responsible with resources without being labelled so conveniently.	9/16/2023 11:38 AM
45	We like to ride bikes as much as possible	9/16/2023 9:14 AM
46	This is a priority.	9/15/2023 5:54 PM
47	but should never be mandated. we should be free to choose.	9/14/2023 9:15 PM
48	Our yard is 100% pesticide free organic, and we compost all food leftovers	9/14/2023 5:36 PM
49	We pay for composting, our own EV charger (though Winnetka has done a nice job of installing them-fast chargers would be good). What about options for solar in Winnetka?	9/14/2023 5:01 PM
50	Sadly, while I support green initiatives, I'm not sure it matters at this point, because all the CO 2 we have already put up there is never going to dissipate. It's there forever now, a greenhouse warming the oceans and melting the ice. Maybe better to look into adapting to wildfires, floods and hurricanes?	9/13/2023 1:37 PM
51	I would like to add solar on my roof but several prospects sat the village is impossible to deal with	9/13/2023 1:36 PM
52	Truthfully, if it was mandated or if we received a tax benefit I would be more inclined to seek out more sustainable options. I believe in sustainability and "green" solutions - I just need to be educated and motivated (financially or forcefully!) to do so	9/13/2023 9:59 AM
53	I would like to see more composting efforts from local restaurants	9/13/2023 8:40 AM
54	We recycle, compost, and are going to install solar panels on our roof. Our house is newer so it is quite efficient thermally.	9/12/2023 9:59 PM
55	climate issues are being used to give governments unreasonable power to control us	9/12/2023 3:38 PM
56	We are very pleased with the composting drop-off locations around Winnetka. Thank you	9/12/2023 2:45 PM
57	Green alternatives are usually expensive. But we use LED lighting at our house. Homeowners should look at capital payback (payback usually is not achieved)	9/12/2023 12:44 PM
58	What is "green"? Is it all these idiots driving electric cars? Where do you think the materials for batteries come from—it's is far from clean. And how do you recycle any of it? You can't. Trees absorb carbon just fine. Don't do any more virtue signaling. Be smart	9/12/2023 10:47 AM
59	Most of the activities are easy to implement once residents are educated and encouraged/supported initially.	9/11/2023 10:28 PM
60	Put power lines underground! More and intense storms will cause serious electricity outages!	9/11/2023 8:11 PM
61	Educate citizens about choices, i.e. EV, heat pumps, Hydrogen and solar power, etc.	9/11/2023 5:59 PM
62	Go slowly on green initiatives	9/11/2023 4:41 PM

63	education on induction cooktops helped.	9/11/2023 12:10 PM
64	Where does our "recycling" go? It feels like a sham because there is virtually no guidance on what is acceptable in the bins and no violation fees on breaking these important guidelines. We should invest in greatly reducing our trash footprint even if it requires residents to work harder at monitoring their trash recycling.	9/11/2023 10:31 AM
65	I want to commend you on encouraging composting and giving away reusable mesh bags at the farmer's markets. Do more to inform residents about things they can easily do. In terms of the question below about taxing to develop renewable energy, consider a foundation to allow those passionate about this to make gifts while keeping rates low for those who can't afford much of a rate hike	9/11/2023 10:03 AM
66	You are inconsistent with your missions. This should pertain more to the beaches not the village or private residences	9/11/2023 9:39 AM
67	Hang laundered clothes on line (no dryer). Compost to enrich soil. Grow asparagus, lettuce, beans, beets, kale, tomatoes, etc.	9/11/2023 9:03 AM
68	Don't waste our money on political propaganda. Let the market drive this.	9/11/2023 8:24 AM
69	Winnetka is very behind	9/10/2023 4:18 PM
70	We're bad at it. Partially driven by initial cost.	9/9/2023 4:23 PM
71	I did not like the supplied answers. We try our best.	9/9/2023 2:37 PM
72	We have recycled with great care among other things, but it appears that recycling collected in Winnetka does not always go to recycling centers, but rather is deposited in regular garbage.	9/8/2023 8:54 PM
73	"Green" is way over done and most greenies are hypocritical living lavishly while asking others to cut back	9/8/2023 11:30 AM
74	We have solar panels. Maybe that's going "out of our way".	9/8/2023 3:58 AM
75	We can, and should do more.	9/7/2023 4:53 PM
76	Current village policies make it impossible to use solar water heaters-the best alternative-because of very strict controls on trees on private property. You can't operate a solar water heater with trees growing in front of it and the Village WILL NOT compromise on this. Very sad.	9/7/2023 2:31 PM
77	Our town is at high risk for continued flooding despite all excellent remediations.	9/7/2023 1:12 PM
78	As we make repairs or replacements, we go green.	9/7/2023 12:03 PM
79	Question is too broad for me to answer.	9/7/2023 11:39 AM
80	We pay for compost pick up	9/7/2023 10:04 AM
81	I do not understand what you mean by "green alternatives." We recycle and mulch. Solar panels and electric cars are bad for the environment.	9/6/2023 5:37 AM
82	We keep our carbon footprint to a minimum and we don't banter terms about "how sustainable" we are.	9/5/2023 11:32 PM
83	A good way to go green is eliminating air travel. Good luck on that.	9/5/2023 9:13 PM
84	Live lean and green. Consciously not taxing our earth.	9/5/2023 8:28 PM
85	Have considered solar panels	9/5/2023 7:39 PM
86	Village could provide better recycling options for households. And, increase awareness of how to manage recycling from home to ensure better compliance and output.	9/5/2023 5:29 PM
87	I WALK WHENEVER POSSIBLE. OTHERS SHOULD TRY IT	9/5/2023 4:43 PM
88	Winnetka will have to deal with the 2035 CEJA deadline and IMEA. Installing smart meters is good idea and was under consideration in the budget.. What happened to it?	9/5/2023 4:08 PM
89	We intend to do more as they become more feasible	9/5/2023 2:17 PM

90	Being green is the least of our concerns. Taxes and cost of living outweigh green initiatives. That being said, we are for resource conservation where applicable. Solar is stupid in the midwest, and not sure the residents would be too happy with windmills on the lake or golf course...	9/5/2023 11:29 AM
91	Part of the problem is the lack of sustainable technology to implement effective green alternatives. Before looking at promoting a green energy producing source and increasing electric rates, study what happened to Breham, Texas when they went all-in on green energy alternatives. We are not yet at a place with generating technology (other than reconsidering nuclear) to make this drastic switch.	9/5/2023 11:09 AM
92	None of your business	9/5/2023 11:05 AM
93	We use Wastenot for composting, we do not drink from plastic bottles, we own an electric car.	9/5/2023 11:04 AM
94	LED bulbs, minimize electricity use when can and recycle.	9/5/2023 10:53 AM
95	We implement them if they are economic and make common sense	9/5/2023 9:58 AM
96	We love the compost collection you have put in place. Please consider other ideas for green recycling that we can all use.	9/5/2023 9:42 AM
97	Encourage solar. Enhance residential fee structure.	9/5/2023 8:56 AM
98	we dont waste water, burn leaves and use recycling and like to have a lot of plants around	9/5/2023 8:43 AM

Q33 The Village of Winnetka purchases the majority of our electricity through IMEA rather than generating it at our power plant. IMEA maintains a portfolio of energy-generating sources and the Village is actively working with them to seek sustainable alternatives to replace coal, which is scheduled to be eliminated by 2035. While the initial investment in alternative power can be costly, costs can be offset by tax credits and Federal and State loan programs. Would you pay a premium on your existing electricity rate to support the development of renewable electrical energy, and if so, how much?

1	Make it a hub for downtown Winnetka. There is demand for it!	9/21/2023 6:18 AM
2	swimming pool	9/20/2023 2:13 PM
3	open space, limited building	9/20/2023 12:58 PM
4	Why another entertainment venue? We have that at Hubbard Woods.	9/20/2023 9:06 AM
5	This seems duplicative to what we have at Hubbard Woods. Would much prefer redeveloping	9/20/2023 8:43 AM

half of it for high end townhomes to bring in revenue to the village (and could include underground parking) and the second half should include restaurants with nice outdoor space. There were plans with this concept 18 years ago. A much better use of space!

6	This seems out of scale to the neighborhood	9/20/2023 6:29 AM
7	Would really love a community pool ...!	9/19/2023 11:29 PM
8	Community pool, boutique hotel with rooftop dining	9/19/2023 10:41 PM
9	Just please don't make it look so modern- needs to fit into the beauty of our traditional community	9/19/2023 10:06 PM
10	don't spend any money	9/19/2023 10:01 PM
11	I didn't check the box on food because I don't think we need to compete with the restaurants on retail experiences but I do believe that housing the farmers market and providing good high-quality produce is important. I really don't think we need boutique retail in the space. That should be provided for along with space for restaurants in the existing infrastructure outside this new development.	9/19/2023 9:49 PM
12	Tiered seating and entertainment are only useful for part of the year. That does not make sense. Further, the noise from that would disrupt a large part of the village. Wallace Bowl faces the lake and does not disrupt the community.	9/19/2023 9:30 PM
13	The plan is not appropriate for a business district.	9/19/2023 9:26 PM
14	no opinion	9/19/2023 9:18 PM
15	Love seeing neighbors getting together outdoors -- such a win!	9/19/2023 8:52 PM
16	Please expand Dwyer park play area for kids.	9/19/2023 8:34 PM
17	Children's activities!	9/19/2023 8:27 PM
18	Keep simple, green space, under developed. Be fiscally responsible.	9/19/2023 8:20 PM
19	Should include more residential density - even 20-40 units would enhance vibrancy of downtown and offer alternative housing typologies	9/19/2023 8:07 PM
20	I dislike that the current plans focus is too heavy on the stage and hardscape. I don't want to loose the playground. We already have HW for concerts in the park. It feels like this is being built to accommodate Winnetka Music Fest once a year. I would have preferred the pool plan.	9/19/2023 6:40 PM
21	Wherever possible, this development should demonstrate the village's commitment to the environment and sustainable practices. The more green space and the less hardscape, the better.	9/19/2023 6:30 PM
22	Make sure there are bathrooms available!	9/19/2023 5:58 PM
23	Not sure. Winnetka has plenty of these spaces already, so this should be closely considered....the village absolutely needs more parking spaces	9/19/2023 5:49 PM
24	I think many of those are great ideas for the space	9/19/2023 5:34 PM
25	sounds great, but if our compass is One Winnetka, I have ZERO faith that this will get done anytime soon. My advise. Just raze the building and put in trees and flowers. then worry about a band shell, gastro pub, and tai chi.	9/19/2023 5:14 PM
26	Again, what market will support, can't dictate this	9/19/2023 5:13 PM
27	Does this mean no housing is being considered for the site. If so, this would be a significant loss of tax revenue.	9/19/2023 5:06 PM
28	Design this for Winnetka residents--should be a quaint, welcoming gathering place for Winnetka residents. Don't want to bring crime to the area with events that would attract many outside the area.	9/19/2023 5:06 PM
29	gardens	9/19/2023 3:50 PM
30	This is taking way too long. We filled out surveys on this over a decade ago	9/19/2023 3:48 PM

31	we still need to ensure there is parking!!	9/19/2023 3:13 PM
32	we have other resources i e Chicago Botanic Garden and Village Green	9/19/2023 2:40 PM
33	You need to be mindful of who this is being built for? It needs to primarily be for the benefit of taxpaying residents.	9/19/2023 1:59 PM
34	Community Garden and Green Space	9/19/2023 1:49 PM
35	Need bathrooms!!!	9/19/2023 12:53 PM
36	Hubbard Woods Park is set up for concerts and movies. Priority for this new park should be everyday use rather than special events. Tiered seating would go unused most days of the year.	9/19/2023 12:04 PM
37	I think this project desperately needs anchor businesses and should not merely be a community space/stage/kiosk. Inviting restaurants and shops to take part of it would be a major upgrade to the offerings in town and create a more vibrant community.	9/19/2023 11:44 AM
38	None. Space for these are already available elsewhere if best use is made of existing space.	9/19/2023 11:26 AM
39	The Plan is basically a good one, but I very much fear that all the "community input" will turn it into an over-built fiasco as people lobby for their pet projects. None of the items listed above should be included except space for relaxation and non-organized events. Keep development at the site absolutely as simple and low-key as possible. No tiered seating needed. No built-in sound systems for concerts, etc.	9/19/2023 11:25 AM
40	What about Winnetka East Side parking lot drive through? Thus entire block having forman Horace Mann Winnyeka Public School become park district and EV charging.	9/19/2023 11:13 AM
41	Honestly, this is such a bad idea from the start. We need housing choice and parking spaces in the central business district. We are supportive of the plan developed in 2005 to 2007 led by a blue ribbon group of residents from all walks of life for a mixed use repurposing of the post office site. Work with the Park District to properly integrate Dwyer Park. A central business district should enhance housing and park cars for gathering and shopping and generating sales tax revenue	9/19/2023 10:44 AM
42	How would POffice concert space differ from the gazebo at H Woods?	9/19/2023 10:24 AM
43	parking	9/19/2023 10:07 AM
44	Do not move the Post Office. Historic and convenient. I use it every day. We do not need more "Green Space"	9/19/2023 9:58 AM
45	Reach out to Writer's Theatre	9/19/2023 9:52 AM
46	Parking! We have no parking in this town for apartment residents. Not everyone has a three car garage nearby. Also, please consider the sanctity of people's homes in apartments when planning a concert venue. It's be a lot nicer if it were a park.	9/19/2023 9:10 AM
47	Parking!!! DO NOT TAKE AWAY PARKING. You already took away too much street parking. Bad bad bad.	9/19/2023 9:02 AM
48	This "high priority" project is about 20 years in the making and represents one of the greatest instances of government non-feasance on record - largely during Mr. Rintz's tenure	9/19/2023 8:57 AM
49	The space should be used for the "highest and best use," whether that is retail, parking, senior housing, open space, or a health and fitness center. All options should be on the table for the long-term health and vibrancy of the community. I'm not sure a pedestrian mall is the "best" use.	9/19/2023 8:52 AM
50	Independant Living Facility; retail at street level	9/19/2023 8:49 AM
51	We don't need more green space down town. Much of what is described can be done at Dwyer or Village Green. Bring more retail or affordable housing for seniors.	9/19/2023 8:47 AM
52	Impt: please do NOT impact parking. Parking is required to support our longtime and beloved retailers. We are making WN a very difficult place to do business.	9/19/2023 4:09 AM
53	How about you corporatists preserve the village as is rather than trying to turn it into a utopian playground for affluent white liberals?	9/18/2023 9:04 PM

54	Green space	9/18/2023 8:56 PM
55	We already have the Community House, and I heard a plan for One Winnetka that includes central space for many of the above activities. Development of the post office site as indicated above would be repetitious, undermining Community House and, conceivably, the One Winnetka project. Let the post office site become green space.	9/18/2023 7:11 PM
56	Why are we moving the post office. This would only make sense if we could also keep the post office in this central location. Having a community post office in such a central location is a perk for residents.	9/18/2023 6:34 PM
57	I would encourage an indoor space as our weather is terrible from mid-October through May!	9/18/2023 5:40 PM
58	with our weather - seems indoor space would be an amenity	9/18/2023 3:42 PM
59	Ensure that whatever is planned for here would be in use more often than not. Building a big infrastructure that is rarely used seems like a big miss. A central space like Northfield has at Clarkson Park is attractive and is constantly in use. We should consider something along these lines.	9/18/2023 1:46 PM
60	Green park space is ideal - NO structures, buildings and certainly not another music venue that will go unused 355 days per year.	9/18/2023 12:25 PM
61	None of these options sound like Winnetka. Rintz seems to have his own vision here. Could we first fix Fells/One Winnetka and the beaches before starting another fiasco?	9/18/2023 12:07 PM
62	All of these options can be hosted in Hubbard Woods park. This would be an ideal space to develop 4-6 empty nest condos. Keeping long time residents in the village while adding a bit to our tax base. We already have significant parks, many of which could host additional events	9/18/2023 9:29 AM
63	No underground parking!! Restaurants not more retail. Family friendly. We need a pizza restaurant!!!	9/18/2023 8:35 AM
64	2 sided stage sounds big....need to understand that better	9/18/2023 6:49 AM
65	This is not a good plan. We want something for residents such as the farmers market, holiday market. We do not want music concerts and plays etc. This is a park that should continue to be for residents and not to draw crowds from surrounding suburbs. My hometown in Detroit did this (which once was a similar town to Winnetka) and I can tell you that our small town is now packed with non residents and current residents can't even enjoy the town as much due to the crowds (some disorderly). This is a neighborhood space at the end of the day that is used heavily by residents such as my family and our 3 small kids. We love seeing other friends and residents mostly as we spend time at the park.	9/17/2023 11:45 PM
66	No choices taken as not supportive of proposed plan	9/17/2023 10:01 PM
67	A parking garage should not be the heart of downtown. We do not need more apartments or empty storefronts. They should go on elm over by Lincoln in the old building b the train station east of Green Bay, not in the heart of downtown .	9/17/2023 9:35 PM
68	Keep simple, underdeveloped and green.	9/17/2023 9:29 PM
69	Something we don't already have in the village! The first one seems duplicative go Hubbard woods; how about a pool	9/17/2023 9:25 PM
70	I am supporter of the previous post office plan presented 10+ years ago. We have a band shell in Hubbard Woods. This seems duplicative and doesn't address the need for more affordable housing.	9/17/2023 7:21 PM
71	We have stage and music in HW. Add green space maybe community garden and more parking.	9/17/2023 7:16 PM
72	we already have movie and art at HW, there should be different option.	9/17/2023 5:38 PM
73	KEEP IT SIMPLE. Do not overbuild or overplan. Make a green space and let kids run around in it. We do not need all of these things you list in the question. No one is going to use it!	9/17/2023 5:13 PM
74	We need the parking	9/17/2023 3:46 PM
75	And a load of housing there too. NO PARKING...mate village center pedestrian.	9/17/2023 3:41 PM

76	Don't like it at all	9/17/2023 2:45 PM
77	Let's not create a Disney theme park!	9/17/2023 1:03 PM
78	The post office is in a great location and shouldn't be moved	9/17/2023 12:50 PM
79	we need a brew pub and a wine bar.	9/17/2023 12:06 PM
80	Rather see attractive Georgetown style 2 story town houses.	9/17/2023 11:26 AM
81	We have many outdoor spaces in the village. All these activities sound fine but how do we support existing and needed commerce downtown? These things gather people for special events or relaxation—not to support businesses. At least the retail post office brings people to downtown	9/17/2023 11:23 AM
82	Whatever it is move forward, but instead the community knows this will end up being another "OneWinnetka" where the land will be unused for decades and be an embarrassment because nothing gets done.	9/17/2023 11:10 AM
83	Emphasis on open flexible space. Keep green space. No music--too much noise in this residential area. Use Hubbard Woods park which is surrounded by retail and the train tracks more for music. Use the beach. Use Skokie playfield. Don't build a permanent stage that will be expensive and minimally used in this small space.	9/17/2023 11:08 AM
84	Multi use facility that is attractive; offers indoor space for youth sports, dining, coffe,	9/17/2023 7:16 AM
85	Plant trees and flowers	9/17/2023 6:59 AM
86	Art and cultural exhibits without movie nights	9/17/2023 6:22 AM
87	Some of these activities seem to duplicate what is already at Hubbard Woods- if public events are present, they should be what doesn't already exist in the village	9/16/2023 10:26 PM
88	I think all of the ideas are great!	9/16/2023 9:47 PM
89	need a small hotel there, not more green space; we have plenty of that already	9/16/2023 8:35 PM
90	Green space is priority	9/16/2023 7:18 PM
91	green space	9/16/2023 7:16 PM
92	We don't need a stage that would sit empty for most of the year, nor do we need additional parking. Residents have shown increased appetite for restaurants and this could be expanded in this space.	9/16/2023 6:05 PM
93	If you are going to do it, you gotta do it right. Downtown Winnetka is a mess with no centralized gravity - it straddles the train tracks and has dead end roads etc. Nothing like Lake Forest's Market Square the Post office area should be parking light, pushing parking other places. Bike paths should be made to help get people there WITHOUT their SUVs.	9/16/2023 4:19 PM
94	Need toilets in Dwyer Park for the kids. Build independent living units on part of it. Create green space	9/16/2023 3:34 PM
95	The village should consider adding a public pool	9/16/2023 3:18 PM
96	Not a fan of yet another outdoor venue in a Village where outdoor activities are limited to at most four months a year. Edward Bennett's original plan envisioned a community auditorium at this location where you could offer many of the suggestions noted above ALL YEAR LONG!	9/16/2023 3:10 PM
97	Use the site for independent senior living instead	9/16/2023 2:53 PM
98	We have all this already	9/16/2023 2:48 PM
99	We need to fix the moldy, hideous eye sore of the One Winnetka.	9/16/2023 2:33 PM
100	Winnetka residents/ Keep it simple. There is no space for all that is envisioned in this plan.Who/how is going to pay or all this entertainment? Temporary things like a holiday market, farmers market, art exhibition are ok. The music stage looks like too much.	9/16/2023 2:25 PM
101	I think they should consider a small boutique hotel ala the deer path inn in lake forest	9/16/2023 2:01 PM
102	This should be an enclosed space so that it is usable year round, not just during warmer	9/16/2023 2:00 PM

	months. I would like to see an entertainment venue like a theater of some kind.	
103	I believe creating green space and holding off on extensive development at this point is wise. Funds in the Buiness District Revitalization could be used elsewhere at this time (such as for the Green Bay Rd. costs mentioned earlier). Right not, less is more. Keep it flexible green space for plans in the future.	9/16/2023 1:55 PM
104	The post office site may be best served by another vision of development. The above items would all make sense at hubbard woods park	9/16/2023 1:47 PM
105	Indoor court facilities for basketball, volleyball, rock climbing, track and workout. Winnetka lacks indoor facilities for the community. School facilities are not available most of the time for this kind of usage. It would be a perfect location and complementary to the outdoor park. It would be used all the time.	9/16/2023 1:40 PM
106	Build a swimming pool in this space - public health club included	9/16/2023 1:16 PM
107	If the village proceeds, the village should sell the property to a developer and stay out of the "design"	9/16/2023 1:15 PM
108	I use the post office all the time	9/16/2023 1:00 PM
109	just DO SOMETHING - this has been discussed and debated FOR YEARS!	9/16/2023 12:36 PM
110	PARKING! We need parking. The West and East Elm shopping areas are parked to the gills, and if we want people to consider these areas a destination, they need to be able to park without a hassle.	9/16/2023 11:38 AM
111	We have 2 downtowns so tough to have everything duplicate but also strange to have "health and wellness in 1 location and "Art/music" in the other?	9/16/2023 9:50 AM
112	Thrilled to hear about the stage and music programs! Not thrilled about creating more parking.	9/15/2023 9:55 PM
113	Lessen the emphasis on parking and increase the emphasis on alternative modes of transport including bikes, electric bikes and possibly shuttles. There is plenty of existing space for boutique retail. Don't put any on this site.	9/15/2023 5:54 PM
114	Restaurant area such as Wilmette.	9/15/2023 3:52 PM
115	Can this site be considered for either senior housing (described) above or townhomes/condos?	9/15/2023 12:36 PM
116	Important to NOT negatively impact local businesses.	9/15/2023 12:02 PM
117	Instead of bringing more chaos to Winnetka maybe the space should be turned into a small botanical garden and not an entertainment center. An entertainment venue would attract more riff raff into the village which has demonstrably increased in recent years.	9/15/2023 9:37 AM
118	We are not Highland Park. We are not Evanston. We have limited space and must do all we can to preserve the serene green spaces that we have while limiting noise and traffic pollution. Preserving the green space, limiting it's offerings, will also allow us to avoid the cost of additional parking.	9/15/2023 8:54 AM
119	We do not need any of this. I am concerned about parking. A parking structure would be an eyesore.	9/15/2023 8:20 AM
120	Hubbard Woods park does most of what's listed, so no need to duplicate	9/14/2023 5:36 PM
121	Quiet activities	9/14/2023 3:14 PM
122	Please keep this primarily open, flexible space. No need for another music venue.--we have several of those already. art exhibits OK, but no outdoor movies.	9/14/2023 3:10 PM
123	All of the above.	9/14/2023 1:40 PM
124	Splash pad	9/14/2023 12:13 PM
125	Hubbard Woods Park is already used for summer music and movies. The new space could be used for other things. Winnetka needs more food choices. Something nice, but not too expensive. Should be family friendly. This new space should focus on family activities.	9/14/2023 9:25 AM
126	NO MORE PARKING!! for pete's sake, people can walk or bike. Use the space for public space and parks, etc. NO MORE PARKING	9/13/2023 6:29 PM

127	Farmers market works ok where it is now.	9/13/2023 4:28 PM
128	PARKING! You are killing the businesses with this plan, because you are taking away more parking than adding.	9/13/2023 4:25 PM
129	What about a space for teens?	9/13/2023 3:19 PM
130	MORE PARKING	9/13/2023 3:02 PM
131	Please don't disturb the mature trees in Dwyer Oak.	9/13/2023 1:37 PM
132	Less is more! We don't need more retail/business/residential space, especially with a new development at some point in East Elm. We need 'hang out' space similar to Hubbard Woods Park but perhaps with an ice rink in the winter that was unfortunately lost when the WPD built-out, and lost, that beautiful open space.	9/13/2023 10:57 AM
133	I would assume the Farmer's Market would remain in its existing location	9/13/2023 9:59 AM
134	I would primarily be concerned about panhandlers in the area, no matter what is done	9/13/2023 8:40 AM
135	The more in-town resources that promote community, socialization, enjoyment within walking/biking access, the better	9/12/2023 10:23 PM
136	Rotating offerings (music, movies, holiday happenings, etc) at different neighbor parks will help keep the entire community engaged	9/12/2023 10:22 PM
137	I always thought that would be a good location for small apartments too but like this idea as well	9/12/2023 9:59 PM
138	We do not need another entertainment space. One already exists in Hubbard Woods. The current location for the farmer's market by the train station in perfect. We need more business and restaurant space. Or we need an indoor gym/swimming pool/basketball courts/rec center/meeting room space similar to the Takiff Center in Glencoe. And we need more parking downtown.	9/12/2023 9:05 PM
139	Basketball or pickle ball courts	9/12/2023 7:59 PM
140	What about "just" green space	9/12/2023 7:48 PM
141	The village should sell the property to the highest bidder	9/12/2023 7:45 PM
142	Residential apartments and condos	9/12/2023 1:07 PM
143	We already have Hubbard Woods park for music in the park	9/12/2023 11:41 AM
144	Senior Housing. We have underutilized green space and parks - think Village Green	9/12/2023 11:20 AM
145	Are you all crazy? A stage for live music and traffic and commotion? No thank you. Do not ruin our nice little village.	9/12/2023 10:47 AM
146	do not raise taxes	9/12/2023 10:42 AM
147	Not sure, as many of these activities already take place at Hubbard Woods Park, would like to understand the need/desire for a second location for similar activities in Winnetka.	9/12/2023 9:33 AM
148	We have a lack of venues in Winnetka that you can reasonable rent for school class parent parties, etc.	9/12/2023 9:01 AM
149	It is public land so should only be used for activities all residents can enjoy	9/12/2023 8:47 AM
150	Please please do this! The post office is an eyesore.	9/12/2023 7:56 AM
151	Keep it basic and GREEN!	9/11/2023 7:05 PM
152	Winnetka is way behind the eightball for new sports, such as pickleball, etc.	9/11/2023 5:59 PM
153	No large scale food truck venues. Some temporary foo OK	9/11/2023 4:41 PM
154	We need to develop the space. We don't need a stage... waste!!!	9/11/2023 2:56 PM
155	All of these are good. Farmers Market can move over from Train Station. Many of the others interfere with existing programs at Hubbard Woods. Proceed with caution. Maybe we can support events in both places.	9/11/2023 2:52 PM

156	I am concerned about neighborhood noise with concerts. There's been a tlak of a bandshell (not an option here - must be a done deal?) and am concerned that it is built with enough sound-proofing not to bother the neighbors (many of whom have children).	9/11/2023 2:13 PM
157	There is SO much talent in the North Shore community. There are also SO many talented young people. Rather than TicToc, let's provide a space and schedule so people can show what they can do!!! Let's make this development a REASON TO VISIT WINNETKA by others!!! Businesses thrive when they have customers so we need to bring people into town!	9/11/2023 1:55 PM
158	Consideration should be given to creating a space that is four-season, so some pavilions with heating during the winter .... and abundant restrooms all year round.	9/11/2023 1:31 PM
159	We have parks and the community house for stage performances.	9/11/2023 1:29 PM
160	This space should be developed for housing with some retail. Seriously, its not a large space and many of the above will draw too much in addition to what is already in. the downtown area. Not sure how successful current retail businesses are do we really want more. Some of the above already take place at he Community House, Park District and Hubbard Woods Area.	9/11/2023 1:15 PM
161	A beer garden	9/11/2023 12:32 PM
162	Condos for downsizers	9/11/2023 11:09 AM
163	We have lots of parks and open space in Winnetka. Creating a new park when we lack business tax base is a bad bad idea. We have something like this at Merrill Street and also something like that in Northfield, both seem to be rarely used	9/11/2023 11:09 AM
164	This would be a good location for senior housing	9/11/2023 10:49 AM
165	anything allowing an occassional sale of alcohol will bring more people (ie- wilmette)	9/11/2023 10:49 AM
166	The only way this should happen is if there is a heavy duty schedule assembled to keep it vibrant and used. Winnetka does not need to spend a lot of money on another sleepy over beautification project that has little actual benefit to resident. It's self indulgent and further grows the classist gap.	9/11/2023 10:31 AM
167	I don't understand why we are developing post office land in this way. Why aren't we using the Village green for summer music series, yoga, tai chi, art exhibitions, etc.? Why aren't we developing this space as part commercial/part residential along Chestnut and then expanding greenspace and park in Dwyer?	9/11/2023 10:03 AM
168	Affordable housing with a park	9/11/2023 9:41 AM
169	For the past 30 years this has been discussed and ideas submitted. Why is this still in the idea stage??	9/11/2023 9:39 AM
170	It is difficult to select without additional information - possible renderings, costs and better definition. The train station parking lot is a great location for the farmer's market. We don't need another one, but a holiday market, food trucks etc brings something new. Art and Cultural exhibitions happen in Hubbard Woods Park and movie nights in the parks, so again, not something new. Entertainment would be new and bring more people to Winnetka, but you would want other businesses such as restaurants, gastropubs to extend the visit and bring in tax revenues.	9/11/2023 9:16 AM
171	I think priority should be completing Winnetka One before taking one another project.	9/11/2023 9:11 AM
172	Poor use of valuable space. We already have Dwyer and the Centennial Park.	9/11/2023 9:03 AM
173	How are members chosen to be on these Task Forces? It needs to be nonpartisan, meaning not friends/relatives of those in office. I'd be interested, for example.	9/11/2023 8:44 AM
174	Green space. Parks and playgrounds.	9/11/2023 8:24 AM
175	But not to go back to the mixed use concept that was nixed years ago!	9/11/2023 8:12 AM
176	I strongly disagree with the current plan. It feels like an attempt to create a space similar to what was constructed in Hubbard Woods, which sits idle for the vast majority of time, and is used by a minority of residents. I would encourage the village to rethink the plan altogether - present something that would be of use by a broader percentage of the population.	9/11/2023 7:45 AM

177	All of that can be done at Dwyer park. this land should be developed to raise additional tax dollars.	9/11/2023 6:40 AM
178	WE NEED A BOUTIQUE HOTEL. As families downsize, there is no place for offspring to stay. Further the community could use a great bar - centrally located - and an outdoor pool club. The hotel could also run classes and have a great spa. PLEASE MAKE THIS A PRIORITY!!! USE THIS SPACE TO KEEP THE VILLAGE ALIVE.	9/11/2023 6:32 AM
179	Ice skating in winter	9/11/2023 6:31 AM
180	I think this is a terrible plan. The village has plenty of gathering space already. Use the village green.	9/10/2023 5:40 PM
181	Priority needs to be one winnetka.	9/10/2023 4:18 PM
182	Don't overdevelop this make it like market square no hokey signs or stores and n public land.	9/10/2023 2:11 PM
183	I'd also like to see this space support the tweens/teens who have no real places to go in town - and as a result, congregate around Starbucks and the Laundry	9/10/2023 1:53 PM
184	Housing is far more important - this is not a good use of resources (not needed and no more retail required as well)	9/10/2023 1:18 PM
185	th items not checked are the ones I think we are good on for now; the ones I checked are the ones we are lacking for now	9/10/2023 12:59 PM
186	Entertainment options should be at no cost to residents. Performances by local school groups would be very welcome.	9/10/2023 10:39 AM
187	The train station parking lot works very well for the farmers market- no need to move this in my opinion	9/9/2023 9:16 PM
188	As proposed, the project is a very inefficient use of space. We could continue Chestnut Court, and have businesses line it, with apartments/condoa on the second floor.	9/9/2023 7:22 PM
189	It is important for the U.S. Post Office to remain in town. It is a major draw for people to visit the village and local businesses benefit.	9/9/2023 6:33 PM
190	I do not support the Village President's plan to repurpose the Post Office to green space	9/9/2023 5:36 PM
191	We need to be careful to balance parking needs for the new space.	9/9/2023 4:31 PM
192	Make sure there is a playground and restrooms	9/9/2023 4:23 PM
193	We do not need another stage!!!	9/9/2023 3:47 PM
194	I haven't seen the plans so far, but sounds like it is all outside space? Seems curious in a climate where many people aren't outside much for 6 months of the year. Doesn't seem large enough for an outdoor ice rink, like Watts in Glencoe, which could drive usage in the winter. I don't see people using outdoor space like suggested above for much of the year. Regarding parking (since you didn't give room to write anything on Q36, it is unfortunate that the streetscape project resulted in the loss of parking spots (at least that's what multiple retailers told me). The streetscape project also resulted in strange narrowings of the roads at intersections, which are dangerous when busses and large SUVs are turning, etc. Please don't replicate this design in the coming streetscape projects.	9/9/2023 9:25 AM
195	senior housing, duh!	9/9/2023 6:56 AM
196	stage concept seems duplicative of Hubbard Woods - ok to festivals, events, exhibits, but stage seems overkill and would be used infrequently	9/8/2023 9:10 PM
197	Why is this question being asked. There is already a plan for the post office property and it is not the foregoing. Thanks for serving as President but we don't need legacy projects that will generate little revenue for the village. Mixed commercial and retail is absolutely what should go in this space and what has been planned forever. Move on.	9/8/2023 8:54 PM
198	I am concerned about the potential noise and traffic from a performance space	9/8/2023 8:30 PM
199	Exactly where is this mysterious new post office going to be? If it must be moved, why not consider adding a senior apartment building there so that senior can walk to grocery shops and public transportation? While families with children are of tremendous importance to the village,	9/8/2023 7:15 PM

there are already extensive resources for entertainment and boutique retail. It's be grand if we could allow seniors to stay in the town they raised their families in. Again: worried about the hyper-focus on children in Winnetka to the exclusion of others. This over-focus on children results in highly anxious kids: children do better in communities that offer a more realistic mix of ages.

200	Dog friendly since huge number of dogs in community, expanded children's play space, take out non-alcoholic beverages.	9/8/2023 5:28 PM
201	Invest in Chestnut Court rather than create additional space that won't be utilized. Encourage restaurants to open around Chestnut Court	9/8/2023 4:38 PM
202	Consider townhouses for part of the property.	9/8/2023 3:55 PM
203	Depends on new PO location.	9/8/2023 3:04 PM
204	Don't we already have a space like this in Hubbard Woods? Would this replace that?	9/8/2023 1:48 PM
205	No more retailers, food providers, food trucks. Support the local businesses. Village President should work with the business owners. It shouldn't be a dictatorship or his legacy.	9/8/2023 1:31 PM
206	Property should be used for park and residential condominiums.	9/8/2023 11:01 AM
207	All! So excited about this.	9/8/2023 10:34 AM
208	For me, the most important objective for the Post-Office site should be open space that forms a visually attractive central place for the Village. Clear sight lines to the Village Hall should be established, and parking should be placed below ground.	9/8/2023 10:14 AM
209	ideal location for brewpub adjacent to larger park; underground parking	9/8/2023 9:55 AM

1	Not as academically rigorous as I would like	9/21/2023 6:20 AM
2	need to start giving grades in 5th grade and teach kids how to prepare for and take tests while in middle school	9/20/2023 8:47 AM
3	The district is doing a wonderful job with social and emotional learning. It's really amazing to see, in general, how nice the kids are to each other. I really do not understand the political objections to this. The district also does a great job with kids who need additional or special instruction. We've been beneficiaries of, for example, the district's help with learning to read. That said, from the perspective of a parent with two kids in D36, the district is doing a dismal job of engaging higher performing students notwithstanding its recent commitments to providing differentiated instruction to these kids. At least anecdotally, the result seems to be that D36's kids are markedly less engaged academically and in academic extracurriculars than	9/20/2023 6:57 AM

kids at other schools and this pattern seems likely to continue into New Trier if something is not done about it. If there is data on the relative performance of our kids at Kew Trier, it seems important to know about it (per question 44), although it would likely reside at District 203, not D36, and they may not wish to fuel an arms race between the feeder schools by releasing it. But that issue aside, we already know from that data that is available that D36 is not positioning our students well. Washburn, for example, has – bar far – the worst ELA and math scores of any of the New Trier feeder schools. For 7th grade, only 16% of students exceed expectations, versus 20 to 25% at each of the other feeder schools. Worse, D36 students' performance then deteriorates as they progress through D36 – falling to 8.6% exceeding expectations for 8th graders in math, versus 14 to 37% percent for the other schools. In English, the share of students exceeding expectations is less than half of the next lowest ranking feeder school – 5% versus 10 to 37% for the other schools. It's not hard to see why this is so. While the district's webpage asserts that a "differentiated" curriculum "is a best practice that is expected to be in every classroom, in every district, available to every student," D36 offers essentially no differentiated instruction, in any subject or for any grade, with the exception of 7th and 8th grade math. Compounded by the lack of any well-resourced academic extracurriculars, the district's failure to provide any sort of differentiated, honors, gifted, or advanced classes or extracurricular activities unsurprisingly results in disengaged, bored students. The repeated strong responses to questions like No. 44 in prior surveys indicates a widespread understanding and concern about the lack of rigor in the D36 curriculum, and the underperformance of our students, but it does not seem that we're making any progress in addressing this issue. I would strongly encourage the Caucus to add questions to its survey regarding the substantive state of the D36 curriculum. Asking questions about progressive education is fine but there is nothing progressive about teaching students that school is boring. Nor does progressive education preclude rigorous instruction. If anything, our schools should be leading the way within New Trier in providing a strong curriculum, tailored as appropriate to the needs and abilities of the students, with extracurriculars that would challenge our students and give them reason to find fun and a competitive interest in school. The next Caucus survey should ask for parents' satisfaction with the quality and rigor of the curriculum. It should also ask questions about why families leave D36 and attempt to quantify how many families within D36 feel compelled to pay for outside instruction to supplement what D36 provides in the classroom. Many, many parents within D36 are sending their kids to Mathnasium or similar supplemental programs because the district is not providing a satisfactory program of instruction. Collectively, we're spending tens of thousands of dollars (maybe hundreds of thousands) and committing hundreds of hours of our kids' lives to making up for instruction that the district should be providing. And, even with many kids in the district getting supplemental instruction outside of what D36 provides, the district's scores in core subjects remain far below where they should be given the district's resources. It seems that many parents have these concerns and at least some have brought them to the attention of the district administration, but there does not seem to be any concern about the situation or desire to respond to it. The Caucus should definitely seek to obtain and promote the distribution of data regarding the quality of D36 instruction and the performance of our students. To the extent the data show deficiencies, the Caucus also needs to start supporting candidates that are committed to addressing those deficiencies.

4	I think letter grades should be considered earlier than. 7th grade	9/20/2023 5:24 AM
5	Reading program is terrible. My child was not brought up as a student of concern until conferences.	9/19/2023 11:06 PM
6	4 kids through D36, 2/3 of kid-years below average experiences.	9/19/2023 10:09 PM
7	Love crow island!	9/19/2023 10:08 PM
8	My children are in their 30s so my experience is dated. While I'm not as close to the school situation as I once was, I fear that there is been low value for the incremental dollars invested. When I look at the spend per pupil, and I look at the results of the schools, they do not keep pace. That's all I'm in a position to say right now.	9/19/2023 9:59 PM
9	It is not 1950. "Progressive Education" is now inadequate.	9/19/2023 9:36 PM
10	Would like to see more instruction for kids who might be ahead in subjects like math and english	9/19/2023 9:13 PM
11	I think the progressive education approach is interesting and has many benefits. Some teachers are better than others. My children were amongst the first to use iPads at school and I honestly believe that iPad usage should be limited during school. I also think phones should	9/19/2023 9:03 PM

not be allowed in school. Take it back to the basics, as much as possible. Obviously, students will need to work online, with computers, etc. but try to scale back. Kids have too much screen time and may feel more attached to others and their work offline. Look at all of the Silicon Valley parents whose kids go to traditional schools and are not allowed to have social media accounts and phones.

19	I toured the school with the full intent of enrolling my children at Crow Island. I was given a tour and then told they were given a training by Lurie's so now they don't say boys and girls and pre-pubescent children are transitioning socially. This made us change our decision.	9/19/2023 6:07 PM
20	Winnetka fails to satisfy despite having the exceptional advantage of very small classrooms, money and resources. It seems every other north shore school district is doing better.	9/19/2023 5:54 PM
21	Academics are not as strong as they need to be and are increasingly dated	9/19/2023 5:36 PM
22	way too much social engineering. I remain utterly offended at the progressive agenda, particularly as related to many of the books of sexualized content in our schools. I am responsible for the morals and values of my children. The schools core objective needs to re-focus on teaching - language, math, science, history, etc.	9/19/2023 5:23 PM
23	Seriously, you can't figure out how to have multiple choice for question 37? We are only allowed to have one age bracket of kids in school? Gives me concern that our current School Board can't write effective survey questions with sensible answers.	9/19/2023 3:02 PM
24	I do not appreciate the school trying to indoctrinate our kids with liberal agendas. School should be a place for them to get educated. The values are up to us.	9/19/2023 2:59 PM

30	Some teachers were good, some were bad, most were just OK.	9/19/2023 11:29 AM
31	Our children are adults. However, the Winnetka School philosophy of whole child teaching and experiential education was critical to their successful education. Please do not let go of progressive education for 'cookie cutter' programs and test scores that do not reflect the entire educational process.	9/19/2023 10:59 AM
32	I went to Crow Island and Greeley in the 1950's !	9/19/2023 10:54 AM
33	Please survey Crow Island parents about the principal	9/19/2023 9:43 AM
34	Neutral/dissatisfied - level of instruction is okay, it is the chaos of the administration and lack of continuity across the board. D36 would learn a lot by observing NTHS administration.	9/19/2023 9:21 AM
35	2 children matriculated through D36.	9/19/2023 9:05 AM

36	Kids are now college juniors.	9/19/2023 8:55 AM
37	The lack of formal instruction in Winnetka is alarming. Grammar has been forgotten in our curriculum. Writing and mechanics and structure have been ignored in a quest for students to "find their voice." That's great, but kids also need to know how to write. The same can be said for math, which is not being taught well either. The difference between D36 and our private school is wild. My children almost had to repeat a year when they made the switch, and they were bright kids in Winnetka.	9/19/2023 8:43 AM
38	D36 needs to revisit is SEL curriculum. There is a huge gap with true mental health support.	9/19/2023 8:22 AM

40	love our schools	9/18/2023 9:18 PM
41	My kids are grown, and the Winnetka School system fostered their creativity. They truly benefitted from the experiential learning it provided.	9/18/2023 9:11 PM
42	Winnetka has sadly become less truly progressive, and more concerned about test scores and parent opinions. Teachers are not heard or respected. Twenty years ago my children got a great education. Now, teachers are not honored so students suffer.	9/18/2023 7:27 PM
43	You can't actually check all above. Have you all proofed this survey before issuing it?	9/18/2023 6:40 PM
44	NOT CHALLENGING, TOO LOOSEY GOOSEY. AWFUL FOR KIDS WITH LEARNING DISABILITIES. LACKING A GROWTH MINDSET ESPECIALLY REGARDS LD KIDS---DO NOT THINK OUT OF THE BOX TO DEVELOP THIS KIDS. MY 8TH GRADER WAS ALLOWED TO FAIL MATH AND BE PROMOTED TO FRESHMAN YEAR!! NO SUMMER SCHOOL REQUIRED! EGREGIOUS DISREGARD. WOULD SEND MY KIDS TO PRIVATE SCHOOLS INCLUDING HS IF I HAD TO DO IT ALL OVER. LUKEWARM, WATERED DOWN EDUCATION. SCIENCE IN JR HIGH WAS VIRTUALLY NON-EXISTANT. PATHETIC.	9/18/2023 3:54 PM
45	The schools are absolutely amazing. Our public school experience was way better than private school in the area.	9/18/2023 2:46 PM
46	Would like to see reading instruction improve and be a priority earlier. If a kid wants to learn to read, it should be an option and parents should not have to hire an outside tutor.	9/18/2023 2:16 PM
47	Not consistent quality of teaching staff and curriculum.	9/18/2023 8:55 AM
48	I do not love that the 3 elementary schools are not more similar. This is a small town and there shouldn't be such different vibes at the schools making it more attractive to be at certain ones.	9/17/2023 11:50 PM

51	Never used public schools	9/17/2023 7:48 PM
52	I feel there is a lot of grouping of kids, and kids can be placed in a "track" that is not actually suited to them or the abilities and needs and you are stuck. I did not realize I should have private tutored my kids in elementary so they would be places higher in middle school.	9/17/2023 6:39 PM
53	The schools are not progressive and the special Ed support provided is non-existent. Unfortunately D36 school administrators, teachers and most parents want to pretend our school system is a fancy private institution, and you are cast-off if your child doesn't fit into their neat little definition of what a perfect student should be. Additionally, the quality of teaching is relatively poor - the teachers are not qualified to work in different ways with different learners. Lastly, bullying is persistent but administrators aren't willing to confront any parents to hold them accountable.	9/17/2023 5:35 PM
54	Hard to know how well D36 prepares students for NT and beyond. Lack of data shared?	9/17/2023 5:25 PM
55	Winnetka 36 is wonderful for most kids, and admirable for the facilities it has for special needs kids, but had no support structure for highly gifted kids, which forced us (and other parents we know) to put our kids in private schools	9/17/2023 5:11 PM
56	But my youngest child graduated from Washbourne in 2002	9/17/2023 4:51 PM
57	MUST upgrade D36....it's what supports property values (why does no one get this???)	9/17/2023 3:45 PM

58	D36 has poor results compared to peers, and especially given the cultural advantages that students arrive at school with. Some weak teachers given tenure despite parental concerns. Undemanding curricula and teachers letting students coach in 5-8.	9/17/2023 1:51 PM
59	Always thought lack of spelling and proper grammar were problems	9/17/2023 1:32 PM

62	Its very disappointing we can not access Elder Lane Beach, but dogs can go swimming	9/17/2023 10:51 AM
63	I think the education and quality of teachers dropped over the last 15 years. The New Trier system should be ranking high in all categories and it is not. The instructions on an individual basis with our children was highly variable	9/17/2023 9:25 AM

65	Daughter was bullied in middle school, and teachers looked the other way	9/17/2023 8:29 AM

67	We are pleased with the current direction of the school facilities. We did not think the schools should be consolidated into a mega school and we are happy with the sensible improvements to our historic neighborhood schools.	9/16/2023 10:32 PM
68	Very hit or miss depending on teachers. k-4 not nearly enough focus on fundamentals of reading, writing, math. A lot of "faith" in how things come together by the end of washburne. As someone raised here, the standards now are too low and not rigorous.	9/16/2023 7:35 PM
69	My child graduated from NTHS in 2023	9/16/2023 3:03 PM
70	Our four children all attended Winnetka Public Schools throughout K-8. It was generally amazing.	9/16/2023 3:03 PM
71	The Lucy Calkes curriculum utilized by D36 has failed so many kids. No ownership or accountability for that. The highly touted and pushed Data Science/ Mathematical Mindset based math teaching has shown to be equally flawed. How much money has been spent by D36 on related conferences, training, coursework, etc.? Where would D36 be without private, outside supports given to students by concerned parents? Curriculum in middle school varies widely from one teacher to the next. Progressive education has become so focused on the "likeability" factor of instruction. The fundamental "muscle building" aspect of learning has become secondary to the kids "liking" what they are studying. So flawed and proven so by numerous studies.	9/16/2023 2:43 PM
72	Just started in K in D36 so hard to rate since so new	9/16/2023 2:30 PM
73	Reading curriculum should have been fixed years ago.	9/16/2023 2:07 PM
74	Some teachers are great, others not so much. I feel that school administration does not listen to or track concerns/complaints regarding teachers/administration. Witness the firing of Hugebeck and Miller at Greeley	9/16/2023 1:19 PM
75	I have children at all three levels of the school district. It did not let me check them all	9/16/2023 1:05 PM
76	have kids in 4,6 and 8th grade D36 - would not let me select	9/16/2023 12:53 PM
77	Satisfied with Crow Island and Washburne. New Trier positive for one child and not the other child.	9/16/2023 12:28 PM
78	Teaching staff are really not top tier, emotional support/wellness not top tier, leadership at schools lacking, appalled by lack of resources and find it to be a district full of bullying children and adults. It's unacceptable.	9/16/2023 12:25 PM
79	Don't lose progressive education!	9/16/2023 12:18 PM
80	As a grandparent, children in grades k-4 very satisfied	9/16/2023 10:33 AM
81	Declined consistently over the decade our children attended. Financial transparency has declined -- D36 stopped providing clear info on the expansion of non-classroom administrators.	9/15/2023 6:39 PM

82	You need to survey the Crow Island parents about their experience with the principal.	9/15/2023 12:59 PM
83	I went to schools here as did our children	9/15/2023 10:50 AM
84	My 3 sons' education in WPS was outstanding.	9/14/2023 10:28 PM
85	My children attended in the 1980s and 1990s.	9/14/2023 1:51 PM
86	The teachers and staff are amazing. Administration not so much.	9/14/2023 1:16 PM
87	We need to focus on the latest research in learning. Many of the school's progressive ways of learning are outdated.	9/14/2023 9:44 AM
88	I feel the schools could do more with enhanced math support.	9/14/2023 9:32 AM
89	THE schools are not using up to date curriculum or literacy curriculum. There is no agreed upon definition of progressive education so it's used by everyone in any way they want. There must be better data coming from our schools. We need Pre-K.	9/13/2023 6:35 PM
90	There was a big discrepancy among teachers. If you had a bad teacher is was a totally different experience than a peer with a good teacher	9/13/2023 3:28 PM
91	Residents also attend Avoca D37	9/13/2023 3:04 PM
92	Phonics and reading instruction is terrible. No transparency or data, and parents are kept in the dark for low performing teachers until it's too late.	9/13/2023 2:41 PM
93	Quality of teacher made the difference	9/13/2023 1:52 PM
94	Unfortunately, bullying was a big issue with a 'code of silence' among the students. There are discrepancies/inconsistencies among the curriculum and we personally experienced our child being a stellar writer in English classes through Washburne, only to get to NTHS and told that she couldn't write! Also, Dist.36 students didn't compare academically with other school districts coming together in high school and trying to find comparison of test scores of Dist. 36 students to neighboring districts is nearly impossible.	9/13/2023 11:07 AM
95	NOTE: both of my children attend D36 - one in 5th, the other in 8th - the survey wouldn't let me check both boxes so I put "other" for my 5th grader - but she's at Skokie.	9/13/2023 10:06 AM
96	Our children have thrived.	9/12/2023 10:29 PM
97	Need more focus on reading, writing and math	9/12/2023 8:49 PM
98	we use sears school	9/12/2023 12:48 PM
99	Early dismissal one day per week is not helpful to parents	9/12/2023 11:11 AM
100	The D36 schools need to provide a more robust, challenging learning experience. K-2 is a joke. Start sharing our students results compared to other feeder schools on Map tests and by school in Winnetka in an email from Dr. Tess	9/12/2023 11:10 AM
101	Progressive education is failing our children. Time to get serious about learning. Way too soft.	9/12/2023 10:51 AM
102	Hubbard Woods is an amazing school.	9/12/2023 10:49 AM
103	Too many administrators thus taxes too high	9/12/2023 10:45 AM
104	Although we are satisfied, would like to see constant assessment of the value of Winnetka's approach against other similarly funded and situated districts to be sure that Winnetka remains best in class for new families -- having said this, social and emotional learning, civics, and other holistic approaches need to stay in the forefront.	9/12/2023 9:36 AM
105	Question 37 did not allow me to select multiple in d36. We have k-4 and 5-7	9/12/2023 9:35 AM
106	The experince depends on the teacher , its not equal .	9/12/2023 9:22 AM
107	Poor math education compared to other neighborhood schools requiring private tutoring- unfair to the children!	9/11/2023 10:45 PM
108	School just started - so. Can't comment yet	9/11/2023 9:08 PM
109	Kids are grown and doing well thanks to Crow Island and New Trier	9/11/2023 8:18 PM

110	Hubbard Woods Elementary could use some upgrades, but they seem to be underway.	9/11/2023 4:19 PM
111	We moved here for the Progressive schools	9/11/2023 4:11 PM
112	There is a significant learning loss post covid that needs to be addressed.	9/11/2023 4:06 PM
113	Crow Island - great. Skokie -terrible Washburne- ok	9/11/2023 11:10 AM
114	Don't think our 3 kids were prepared for NT as well as other villages	9/11/2023 10:38 AM
115	D36 staff truly care and are committed to our children. The reading curriculum is based on a model that has been found to be inappropriate and for which all NYC public schools recently dropped and moved to a new curriculum. Reading has been a major source of problems for a number of families I am familiar with in the area at the early elementary level. The reading program should be re-considered and a new curriculum applied. The progressive focus is laudable and should be maintained, but students who struggle with reading should be identified early and interventions offered. We can both be progressive and make sure our children are reading.	9/11/2023 10:30 AM
116	Very little incentive to reach full potential on all 4 children- rather too much focus on SE and less on the four major subjects. Bring back civics studies earlier if you want decent human beings to develop.	9/11/2023 9:48 AM
117	Tremendous inconsistencies in the schools quality of teaching, leadership and more.	9/11/2023 9:23 AM
118	I was very happy with the educational experiences of my 2021 and 2023 high school graduates when they were in D36. For my 2026 grad (now at NT) I was very unsatisfied with the Skokie and Washburne school experiences as the quality of instruction had fallen significantly from that of my older children.	9/11/2023 8:54 AM
119	We moved to Winnetka because of the schools. We had been in Deerfield, and the schools were crowded and did not have good teaching strategies. We visited all the north shore schools and Winnetka had the best. Their teaching of science, math and writing was fabulous. When Winnetka children went to NT, they out-performed students from the other schools. I attributed that to our wonderful schools. In all fairness, it was awhile ago and things could have changed since then.	9/11/2023 8:51 AM
120	Control costs here. Stop trying to one-up other local school districts. We pay much more than we need to pay and it is multiples of the state averages. Collude with other local districts to eliminate teacher union leverage. Focus on the kids, not the teachers. Focus on STEM, not race and gender issues.	9/11/2023 8:32 AM
121	But I didn't realize it until my kids were in college!	9/11/2023 8:24 AM
122	Need air conditioning in our schools. Crow and Skokie need A/C. This is an embarrassment for our district. We should make all the old people that vote this down routinely cook in there for 8 hours in August of each year.	9/11/2023 8:19 AM
123	I wish I knew more about progressive education and lack of rigor before moving to Winnetka. It's not so great and lacks rigor. Most families hire tutors to make up for deficits, which for the amount we spend on taxes should be a scandal.	9/11/2023 7:12 AM
124	Think it's unconscionable that kids for whom academics come easy are allowed to sit and be bored all day, year after year, because we don't believe in "tracking."	9/11/2023 6:37 AM
125	We expected more from the schools here	9/11/2023 12:43 AM
126	We have the not inexperienced superintendents of all feeder schools and also on top district in state. Our deplorable academic scores from nt erb, isbe and maps show we are one of the lowest performers of feeder schools, middle of road for state schools and not even on the board nationally. Nt is aware that our students do not come to high school prepared. a	9/10/2023 4:36 PM
127	Greeley was excellent. Skokie was terrible education. Washburn was better than Skokie but still sub-par. Problem with Skokie was quality of teaching & approach to subject needs to be higher level. Same with Washburn. Washburn's foreign language teaching is awful. My kids are in 4 levels at NT and say most kids in high level classes at NT are from Wilmette Junior High. Wilmette kids are much better prepared even though Winnetka will not face it and up the level of teaching/subject matter. Education can be elevated while also keeping social and emotional learning. Social & Emotional learning in Winnetka is good but it cannot be sole focus & replace academics.	9/10/2023 3:11 PM

128	Wilmette is better	9/10/2023 2:38 PM
129	Survey won't let me check k-4 and 5-7 but I had two kids in D36 schools	9/10/2023 12:49 PM
130	I continue to be frustrated that we cannot afford air conditioning in our schools.	9/10/2023 11:14 AM
131	Our youngest daughter moved to Skokie halfway through her 6th grade year. The level of academics was poor, and the environment toxic. This didn't change much when she moved to Washburne. All in all moving her to D36 schools was one of the worst decisions we've made.	9/10/2023 8:08 AM
132	Below standards academics,	9/9/2023 6:04 PM
133	I love our schools. The resources and educator are amazing.	9/9/2023 4:35 PM
134	Frankly, the decisions that D36 has been making within the last few years has been unsatisfactory. From student services to adjusting for a "no backpack" rule to overall care and concerns, it has not been great; and if our student would have had additional years in the district, I would have looked elsewhere.	9/9/2023 1:34 PM
135	We moved to the community for Progressive Education. I think we should be even MORE progressive.	9/9/2023 12:32 PM
136	Homework needs to pick up in intensity to get ready for rigors of Washburne/NT	9/9/2023 10:53 AM
137	Teachers were a mixed bag and so was the administration of Skokie school	9/9/2023 7:33 AM
138	My main concern is the lack of opportunity for advanced learning. Our district is behind other schools feeding into NT with respect to math. I appreciate the attention to SEL and want that to continue, but the district critically needs to work on an acceleration and differentiation program. I am also concerned with the extreme lack of diversity in our schools. My children and many neighbors' and friends' children complain of boredom. They aren't being challenged, especially in math.	9/8/2023 8:44 PM
139	Winnetka children have trouble developing and practicing empathy.	9/8/2023 7:21 PM
140	new trier high school, fabulous	9/8/2023 7:14 PM
141	(1) it will not allow clicking grade 5 and grade 7 in D36. (2) while the district does an amazing job helping kids who need help (special ed, learning disorders, etc) there has been a PAUCITY of programs for kids more advanced. Almost no accelerated, honors, gifted, etc. My kids don't want MORE work on top of their classmates, they want to be challenged. In school and extracurricular. They are smart kids who do fine but they are BORED we need to seek this outside the district which seems absolutely ridiculous considering this is supposed to be the best school district. We are falling behind our neighbors.	9/8/2023 6:23 PM
142	D36 strong K-6, Washburne is subpar	9/8/2023 6:20 PM
143	Not enough resources were directed to children who were motivated to go faster; teachers made everyone wait for the slower kids in the class. There were so many resources directed to the bottom half, but the top half was told they had to "just live with it". IMPORTANT: Why are results of the New Trier Placement Test available to residents? When my Winnetka kids got to NTHS, they were behind the kids from Wilmette, despite being at the top of their D36 classes.	9/8/2023 6:06 PM
144	The district does a good job with mainstream kids - but has no programs in place for a accelerated kids. If acceleration is offered, it often really disrupts the student's regular day - therefore discourages most from seeking out acceleration. This is a detriment to our kids	9/8/2023 5:28 PM
145	My experience is many years old.	9/8/2023 4:08 PM
146	Consistently scoring at the bottom of New Trier feeder schools	9/8/2023 3:24 PM
147	Terrific schools. Definitely drives housing values here.	9/8/2023 1:50 PM
148	We don't consider D36 as challenging enough for our child. We'd like to use the schools, but feel unable at this point until they improve.	9/8/2023 11:58 AM
149	excellent staff/children's opportunities	9/8/2023 10:16 AM
150	Kids too young, first will start k next year 24-2025	9/7/2023 10:36 PM
151	D36 does not effectively seek solutions to educate non-neurotypical students.	9/7/2023 10:13 PM

152	Generally great teachers and involved community. Administration is floundering and lots of bad decisions at the middle school level, especially Skokie	9/7/2023 7:21 PM
153	There is no accountability or transparency re: academics at D36. It is a horror of expense and egos hiding behind what a poorly executed model of experiential learning while others have leapfrogged with better experiences, more adherence to evidence based learning and best practices and lower expense ratios. We watch our grandchildren's experiences and are glad to support private and other options.	9/7/2023 7:17 PM
154	we have soft kids and soft parents - winnetka kids al have fallen behind in ethics and intelligence	9/7/2023 6:19 PM
155	None	9/7/2023 5:16 PM
156	Needed more help with students with learning disabilities. Needed more help to challenge highly gifted children. In particular the New Trier math program was way to small to serve our gifted kids. We need have more access to accelerated programs for those who want them	9/7/2023 4:16 PM
157	Elementary great... we chose private for high school	9/6/2023 8:21 PM
158	Not enough attention to average students.	9/6/2023 2:42 PM
159	No children in k-8	9/6/2023 11:10 AM
160	Waste of money on air conditioning. Too much money to be spent on crow island. Additional fees, expensive lunches, etc excessive for taxes paid.	9/6/2023 9:14 AM
161	I have no children in the school system, yet looking at the D 36 statistics on Illinois Report Cards, they are highly unsatisfactory for a community of this education and income level.	9/6/2023 8:33 AM
162	Child just started Kindergarten at the Hubbard Woods School	9/6/2023 8:14 AM
163	Children should always come first and I believed they were passed over in the last few years by board and teacher politics	9/5/2023 11:49 PM
164	The schools need to stop supporting WPD without cost and WPD summer programs should be held outside of D36 property. In addition the schools need to vastly improve the cosmetic appearance they present to the neighborhood. D36 needs to remember that they border residents on all sides and need to work on not only the "front" but all sides.	9/5/2023 11:05 PM
165	Teachers and staff have been top notch, the facilities need an upgrade — mostly security and air conditioning which should be completed next year	9/5/2023 9:32 PM
166	Just started kindergarten for our oldest	9/5/2023 5:26 PM
167	Good Job on Covid	9/5/2023 4:14 PM
168	Dramatic inequities across the experience at Washburne and Skokie.	9/5/2023 2:51 PM
169	Poorly partially implemented currently. Needs development	9/5/2023 1:19 PM
170	no children currently in Winnetka Public Schools	9/5/2023 11:59 AM
171	Retired. No children in school.	9/5/2023 11:48 AM
172	Our children graduated to NT. Would have liked to have seen additional resources for high-aptitude children. The fact that 7-8 does not have 2 levels of English classes is bad...	9/5/2023 11:34 AM
173	My only complaint is that a portion of Winnetka was redistricted from Crow Island to Greeley and while the school has been fantastic, nothing has been done to provide a safe path for young children to ride their bikes to school. The "ramp" at the Willow tunnel is impossible for them to navigate and there is not path to get across Green Bay road with the aid of a crossing guard.	9/5/2023 11:14 AM
174	Inconsistent team experience. Lack luster teachers. Outdated curriculum. Not a national search for a superintendent	9/5/2023 11:10 AM
175	Can't believe there is not AC or a cafeteria at the school	9/5/2023 10:53 AM
176	Skokie continues its reputation as being a very hard transition. Children should stay at their first schools k-5.	9/5/2023 10:26 AM

177	The lack of data at our schools limits our ability to surface underlying issues with our students and muddies the picture.	9/5/2023 10:22 AM
178	While our academic performance continues to be a negative outlier relative to our surrounding communities, our D36 school board is more interested in advancing harmful political ideologies like bizarre "woke" agendas and covid insanity, the latter of which they finally lost in court in humiliating fashion after being warned for 18 months by multiple attorneys that their covid policies were illegal. The Caucus plays too large a role in board makeup, which in these instances resulted in counterproductive/harmful groupthink that reflected the views of Caucus leadership. In the most recent D36 board vote, 1/3 of the ballots cast did not include a single vote for any Caucus endorsed candidate and 40% included a vote for the independent candidate. This hard data conclusively proves the failure of the Caucus's school board slating process to produce a board that reflects the views and wishes of the community.	9/5/2023 10:09 AM
179	Love our teachers- wish crow Island facility was upgraded with air conditioner and cafeteria sooner- want locked vestibule for entering all grade schools and want them upgraded with all gun protection features. I'd also like a permanent police officer in the front of all schools	9/5/2023 10:07 AM
180	Continue to promote the whole child approach/progressive education attributes to the school system. Hire quality staff and administrators. The educational system is key to this towns high viability.	9/5/2023 9:46 AM
181	my kids who are adults now, went there and the schools were great then. I am pretty sure they still are.	9/5/2023 8:49 AM
182	N/a	9/4/2023 6:42 PM
183	Just starting kindergarten this week. So far so good	9/4/2023 5:35 PM
184	Love the teachers.	9/4/2023 11:14 AM

### Q39 How would you rate your understanding of the Progressive Education approach to instruction in Winnetka?

#	COMMENT	DATE
1	eliminate all woke instruction programs	9/19/2023 10:05 PM
2	My children benefited from this approach. My children attended Crow Island, and Washburne which, in combination has been, perhaps the most liberal. By large my children excelled in this environment, and I would like to see it continue. Several of my children who received no letter grades until they got to Washburne achieved at very high levels at some of the most competitive universities of higher education. They were also well rounded in sports and the arts, while receiving high technical marks in technical subjects. I have no fear of the liberal education as prescribed by Carleton Washburne. That's said, any education, including a liberal education, is only as good as it is managed by a highly competent administration, and delivered at a very human level by highly competent and motivated teachers. Like everything else, the devil is in the details. A program for show is nothing.	9/19/2023 9:59 PM
3	Progressive education has been hijacked by radical leftists in many communities. I would not want to see that happen in Winnetka, but the addition of CRT, gender ideology and Queer Theory in the sex ed curriculum is disturbing. I realize the state mandated inclusion if sex ed is taught.	9/19/2023 7:00 PM

4	Unsure, despite having lived here for 8 years, children attending the public schools, and many attempts to understand how Winnetka defines progressive education	9/19/2023 5:54 PM
5	there is an approach, and definition but interpretation can vary	9/19/2023 3:19 PM
6	My two sons went to Crowell AEllen 30 years ago and their educational experience was exceptional	9/19/2023 12:40 PM
7	This check box is not working. Won't let my selection stand. I tried to check 'very familiar', and in fact experienced first handdt	9/19/2023 1:49 AM
8	Not a big fan. Not everyone is wonderful and grades are important.	9/18/2023 12:32 PM
9	I understand it, but please stop saying that D36 is progressive. It is not progressive- it is traditional - and claiming otherwise is fraudulent.	9/17/2023 5:35 PM
10	Anyone who does not research the schools before moving here should not be able to complain about the school model.	9/17/2023 5:25 PM
11	n/a	9/17/2023 1:19 PM
12	it's fine, but needs to come with more rigor for standard education. our kids are falling behind	9/17/2023 11:15 AM
13	I wrote my Master's Thesis at the University of Chicago on Carleton Washburne and Progressive Education. I'd say my understanding is pretty high.	9/16/2023 3:03 PM
14	I went to the Winnetka schools as a child. Huge believer in this model	9/16/2023 12:24 PM
15	Was familiar with the approach years before moving here. Attended elementary school elsewhere years ago where Progressive Education was use.	9/15/2023 6:39 PM
16	I understand it yet do not believe it is used correctly anymore in our school system.	9/14/2023 11:30 AM
17	We can stay true to this way of learning only if the latest research in learning can be adopted	9/14/2023 9:44 AM
18	Very high, yet it is still vague. This is bc the definition is unclear, and academic goals and applicable data is not clear.	9/13/2023 6:35 PM
19	All the information I have gathered about progressive education has been an exercise in self-study. The district does a very poor job in explaining what progressive education is and what it looks like in practice. This creates misunderstandings and a lack of confidence in the philosophy. The district should be explaining and demonstrating what progressive education is all about and how it can be successful at every opportunity. It should be a tab on the website, there should be links with videos showing it in action, it should be discussed and explained in new family tours, orientation, parent-teacher conferences, etc. I would say the majority of this community of parents with D36 students would not be able to even explain what progressive education is if asked. To me, that's a failure on the district's part.	9/13/2023 3:27 PM
20	It is my opinion that because of Winnetka's commitment to Progressive Learning, our district survived Covid MUCH BETTER than the national average of school systems. By prioritizing in-person learning (to accommodate and satisfy SEL), our children fared MUCH better than most. I applaud D36!!	9/13/2023 10:06 AM
21	Nobody has presented a consistent definition of "progressive education", seems like a vague talking point	9/12/2023 11:11 AM
22	Not worth the additional taxes	9/12/2023 10:45 AM
23	Would like to see more hands-on learning including life skills	9/11/2023 8:18 PM
24	My 3 kids went through them with great success. Dont change the goals	9/11/2023 6:06 PM
25	My children left this school system the '90's and there have been many changes I'm unaware of many new changes	9/11/2023 4:00 PM
26	I am very familiar with progressive education. I think D36 has lost its way and is now no longer implementing either traditional or progressive education well by trying to do both.	9/11/2023 8:54 AM
27	Mia-guided and is destroying our children's ability to compete on a global scale.	9/11/2023 8:32 AM
28	But you're not really doing progressive education - what you offer is "lazy" version of it. Go see difference between Francis Parker experience and Winnetka. It's night and day.	9/11/2023 6:35 AM

29	It is amazing	9/10/2023 2:14 PM
30	I went to Crow. My father went to HW.	9/10/2023 11:25 AM
31	I am an educator myself and this form of education is ideal with the right framework	9/9/2023 1:34 PM
32	Everyone in the community has to do a better job of elucidating what progressive education looks like in the mandatory common core curriculum.	9/9/2023 9:29 AM
33	don't like what I am hearing about it	9/9/2023 7:00 AM
34	no school aged children at home	9/8/2023 9:14 PM
35	I think the school district does a good job explaining the progressive approach.	9/8/2023 8:44 PM
36	Progressive education today has become totally radicalized. It's insane	9/8/2023 11:34 AM
37	get rid of it - China and India are whipping us	9/7/2023 6:19 PM
38	Greeley never did a good job of explaining to parents what a progressive education is and why it's important to our community	9/6/2023 6:22 PM
39	Everything sounds great above but the word progressive is ambiguous and I've heard (only heard) some of the content introduce in the classroom at all ages isn't indicative of the real world and takes progressive to a whole new unnecessary level	9/6/2023 3:30 PM
40	Was familiar when kids went through. If similar, was excellent.	9/5/2023 4:14 PM
41	I am familiar but it is not implemented properly. Many teachers use the decentralized "loosey goosey" structure to take their foot off the gas and create a nine year snooze.	9/5/2023 11:10 AM

1	I do like the philosophy and love our schools, but do worry my children may be falling behind academically	9/20/2023 5:24 PM
2	We must protect our philosophy of Progressive Education.	9/20/2023 4:10 PM
3	The only thing lacking is having a special math program. Hard for kids to catch up in New Trier Math for 8th grade.	9/20/2023 2:17 PM
4	Don't like no grades through 6th grade. Need better visibility to real time performance	9/20/2023 12:32 PM
5	I have a high opinion of progressive as a general matter but not as currently implemented in Winnetka. Experiential learning and whole child development are great ideas but in many respects - academic extracurriculars and differentiated learnings - we're not doing these things as well as pier schools, whether they are progressive or not.	9/20/2023 6:57 AM
6	Under par academically, does does build resilient persons.	9/19/2023 10:09 PM
7	It is poorly executed in Winnetka	9/19/2023 9:33 PM
8	I encourage Testing/Competition	9/19/2023 8:53 PM

9	Unfinished renovation - everyone was misled about it	9/19/2023 8:04 PM
10	Like the idea but thinks it puts them behind when they get to high school	9/19/2023 7:50 PM
11	As the last public progressive district in the country, this is something I AM FIERCELY protective of. Teaching to tests is not my priority. If someone can prove to me that my children are harmed by attending D36 vs other schools once in New Trier, then I am happy to have a conversation. I feel like a lot of people moved to our community without understanding the school system and I don't appreciate their desire to overhaul. There are countless very educated successful members of our community who return to this district with their own families for a reason. Tests are not the be all end all. If people are unhappy with the schools they are welcome to send their kids to a private school or move for a teach to test environment.	9/19/2023 6:52 PM
12	Too light on core academics	9/19/2023 5:36 PM
13	Gone way too far. Our local school is not alone in this, but our administrators and teacher believe that they own our childrens best interest, not the parents. The response to COVID also demonstrated how TEACHERS well-being was prioritized over students. Its laughable that I get concerned emails from NTHS about absenteeism. This was totally created by being told that zoom calls were suitable alternatives for inclass teaching for the better part of two school years	9/19/2023 5:23 PM
14	It is the best form of education—dealing with the whole child. My family's experience in the mid eighties and nineties was excellent. I'm not sure the same progressive philosophy exists today.	9/19/2023 5:06 PM
15	Progressive education did not translate well to remote learning during COVID and our younger kids suffered, especially in reading	9/19/2023 3:19 PM
16	This question should instead be "Do you feel that the schools are following Progressive Education?" That would make more sense than to ask people who don't even know what it is, if they have a positive or negative opinion of it.	9/19/2023 3:02 PM
17	Not enough options for kids that are more advanced. Does not prepare kids for executive functioning needed for junior high and then high school. Kids that are above average get bored and dont learn how to stretch themselves	9/19/2023 1:06 PM
18	There is a mental health crisis with youth today. An emphasis on whole-child and social-emotional learning is critical	9/19/2023 12:09 PM
19	I had a child that skipped a grade, and was very well served in D36, but ran out of curriculum and was not accommodated by New Trier. Other than that, it was a great experience.	9/19/2023 9:44 AM
20	I have been living here for 24 years and have had 4 sons educated in D36. I am very pleased with how Progressive Edu has allowed them to think critically, work hard and enjoy a wide variety of academic and cultural experiences.	9/19/2023 9:07 AM
21	Wary and distrustful of the educational establishment. Would need more information	9/19/2023 9:04 AM
22	In concept, it's good. Winnetka executes it terribly. School has become way too fluffy.	9/19/2023 8:43 AM
23	D36 should revisit its curriculum.	9/19/2023 8:22 AM
24	We need to get back to the basics, our reading and math scores are terrible. Why are the schools so focused on SEL? My children have expressed extreme dislike of SEL.	9/19/2023 7:38 AM
25	My son participated.	9/18/2023 11:34 PM
26	EQ trumps IQ in today's world. We need children who can become resilient adults	9/18/2023 9:24 PM
27	Teaching children what to think instead of how to think, and equating their feelings with objective truth has largely contributed to the difficulty western civilization finds itself in currently	9/18/2023 9:12 PM
28	Why is this a town issue? This is an issue that we should take up with d36. We have leaned too heavily into the idea of progressive education worth out coupling it adequately with the needs to ensure our kids can read and do math at grade level. We have way too many kids on IEPs in our district. Progressive education is awesome but it needs to be balanced with the right learning programs for our core academic areas. It's more about how you teach rather than	9/18/2023 6:40 PM

	what you teach and the lastdecade has focused too much on making progressive cover both how and what.	
29	I don't understand	9/18/2023 4:56 PM
30	HATE Woke nonsense; current definitions of progressive education are Marxist - prefer hard sciences. t.	9/18/2023 12:32 PM
31	Progressive education is what has defined this area for a century and built our schools reputation. Please keep the historical "progressive" at the forefront, and not the modern use of the term.	9/18/2023 12:18 PM
32	I think it can be a lot of talk. So much talk on inclusion etc. and then the kids do not even have assigned spots in class. My daughter has done fine with this, but it can be hard for children who may not be included etc. Growing up we always had assigned spots and it would rotate around. There wasn't this stress of where will I sit?	9/17/2023 11:50 PM
33	Children are not being adequately prepared for high school via progressive education with no grades.	9/17/2023 8:50 PM
34	While I realize newer residents in town wish to shift to a more traditional education model, the progressive model is a part of the fabric of our community and works, as evidenced by how our children perform relative to peers in high school.	9/17/2023 7:48 PM
35	depends on the teacher	9/17/2023 6:58 PM
36	I like progressive, but there still seems a to be too much testing, and too much grey area on where your child is in their ability, the progress reports are really too vague,	9/17/2023 6:39 PM
37	Anyone who does not research the schools before moving here should not be able to complain about the school model.	9/17/2023 5:25 PM
38	But I am not convinced that progressive education is used as much now as it was in the past.	9/17/2023 4:51 PM
39	I think there needs to be better balance with more focus on core subjects and American and world history history	9/17/2023 3:51 PM
40	"Progressive" education as practiced in D36 is no longer progressive. If fails to take into account what has been learned about how students learn since Washburne was here. We cut ourselves off from knowledge, science and talented people by keeping our heads in the sand	9/17/2023 1:51 PM
41	Think schools should teach academic subjects and leave parents to teach rest.	9/17/2023 1:32 PM
42	Needs to be more academics though. We can be both progressive and have better academics.	9/17/2023 5:43 AM
43	It moves quantifiable student outcokes upon which to judge teaching in favor of squishy metrics that teachers can't fail on.	9/16/2023 4:24 PM
44	a classical education is superior to progressive	9/16/2023 3:49 PM
45	The Progressive Education model advocated by D36 and the one actually delivered are 2 different things. There is no differentiation above an average level. The social emotional growth is talked about by administration but not practiced by the student body or parents. Critical thinking, group work, and experiential learning all require fundamental pre-requisite skillsets. D36 often skips over that phase of education or reduces the percentile of time spent on teaching fundamental aspects of learning that enable deeper knowledge engagement. Simply put, the actual/in practice methodologies used by D36 are not supported by cognitive science studies on learning.	9/16/2023 2:43 PM
46	Let's make sure Progressive doesn't wander into "woke" grooming, race theory, gender affirmation, and other social constructs that are being imposed elsewhere	9/16/2023 2:15 PM
47	Progress should not mean lack of rigor for all levels and should not preclude some grouping for different skill levels among students.	9/16/2023 2:07 PM
48	Need to include accurate Native American and Black History in the curriculum.	9/16/2023 12:24 PM
49	I don't need my kids indoctrinated, thank you very much.	9/16/2023 11:42 AM
50	It takes a long time to get it hit best approach!!!'n	9/15/2023 6:40 PM
51	We moved here for Progressive Education. D36's ability to provide Progressive Education is	9/15/2023 6:39 PM

	severely diminished, IMO.	
52	D36 does not always do a good job explaining the progression education philosophy to new community members. On the flip side, it is incumbent on people seeking a new community to consider whether their desired approach to education matches the one used in the district.	9/15/2023 5:54 PM
53	I and we feel very strongly about this. If someone does not want this approach they should live in a district that does have their desired approach. The schools here are amazing. Not perfect nothing is. But wonderful system. People should read Carleton Washburne's book.	9/15/2023 10:50 AM
54	I'm surprised at how much I need to supplement with additional tutoring	9/15/2023 10:06 AM
55	It starts out so gentle, then ramps up so they're stressed out by Washburne from the contrast.	9/14/2023 5:47 PM
56	We appear to be behind other competitive districts.	9/14/2023 9:44 AM
57	We chose to live in Winnetka because of its progressive education model.	9/14/2023 9:32 AM
58	There are other methods that are also effective and we shouldn't hesitate to use a blend of approaches and update the system.	9/13/2023 8:00 PM
59	The definition presented above is so vague as to be meaningless.	9/13/2023 6:35 PM
60	My kids are in high school time will tell.	9/13/2023 3:28 PM
61	Parents need a greater understanding of what progressive education is to avoid the negative attitude towards it. It's become a scapegoat of blaming all the district's problems on, when in fact, it has nothing to do with the actual problem.	9/13/2023 3:27 PM
62	What metrics or data does "progressive education" hinge on? Seems as though the application picks and chooses where easy and convenient. Need children to learn the fundamentals and not at the expense of being progressive or social emotional curriculum. School is to educate (reading, writing, arithmetic), and great if it's done in a way that promotes emotional well being.	9/13/2023 2:41 PM
63	My two children went through Winnetka schools the entire way, had successful experiences at New Trier and at very competitive colleges. Winnetka kids, in the end, were the "nicest" and "most grounded" at NT and created self-esteem and socialization skills that encouraged those old friendships to be maintained. In this post-covid, technology reliant, and overly-guided parental era, I strongly feel the NEED for Winnetka's education strategy. Admiration for those teachers who continue to practice such. Honestly, other options in the NT district if families are happy with this approach. By the way, I am the daughter of an educator.	9/13/2023 9:12 AM
64	The concept is fine. Imo it's not being followed.	9/12/2023 10:21 PM
65	Love progressive education although I feel the district is sadly moving away from it.	9/12/2023 9:09 PM
66	Keep w traditional teaching not woke ideology.	9/12/2023 7:58 PM
67	Hubbard Woods was a joke but Washburne was excellent .	9/12/2023 5:28 PM
68	Its been hijacked by political activists..ie critical race theory, lack of respect for our country lack of civics and citizenship	9/12/2023 3:45 PM
69	Works well only if you stick to the principles. Can't have hybrid progressive/traditional system. It will fail.	9/12/2023 12:13 PM
70	Only works for self starters	9/12/2023 11:46 AM
71	Mostly a term used to defend existing practices/obfuscate	9/12/2023 11:11 AM
72	Positive when done correctly. D36 doesn't meet every learner. It needs to meet high acheivers	9/12/2023 11:10 AM
73	The taxes on D36 are excessive	9/12/2023 10:45 AM
74	I am very familiar with progressive education and positive about it when it is delivered correctly. Having had two children go through D36, I am disappointed in the quality and execution of the "progressive" education and no longer support it for D36.	9/12/2023 10:31 AM
75	Need to know more specifics. Basis skills are most important.	9/11/2023 4:46 PM
76	Without consistency in instruction, every child gets a very different experience. It sounds great on paper but is very difficult to execute.	9/11/2023 2:27 PM

77	not at first. was concerned my daughter couldn't spell and nobody cared.	9/11/2023 2:17 PM
78	I think Progressive Education develops better human beings. I do not think it trains students to get the best grades on the test. This might be the biggest setback one of our students may have getting into a certain college. However, in life, I think these kids will ultimately be more successful and well rounded humans.	9/11/2023 2:03 PM
79	Still yet to know for sure	9/11/2023 1:12 PM
80	they don't apply it many times-ie- if a kid is very smart, the schools waive it off, don't meet the child where they are. sorry, some kids are good at sports, others are academic- its just nature-- stop wasting our child's minds and meet them where they are & develop their love of learning further- so we don't have to send them to expensive and private schools out of D36	9/11/2023 10:54 AM
81	Needs to completely RE thought. Not against it. But just adopting a 1950s regime seems thoughtless	9/11/2023 10:38 AM
82	I love progressive education. Unfortunately sometimes it has been used by the staff as a way of pushing back against criticism or requests for data/accountability. Data can't measure all outcomes, but it can measure some. We can use data alongside a progressive education focus and create a better learning environment for our children.	9/11/2023 10:30 AM
83	Need to more competitive with other districts and forget the the SE. That is for parents. Kids need STEM and structure.	9/11/2023 9:48 AM
84	I found it to be more theoretical than actual practice. Not quite lip service, but close.	9/11/2023 9:23 AM
85	When my kids were younger, there were no options in the district for enrichment. I believe that has changed.	9/11/2023 9:05 AM
86	It is regressive, not progressive. Get politicians out of our schools and curriculum.	9/11/2023 8:32 AM
87	I love progressive education but how the district pursued it 10-20 years ago. It is largely in name alone now.	9/11/2023 7:18 AM
88	We don't have any programs to shoot kids who are advanced other than new trier math. We need to build a more robust program similar to the support we have for kids who are behind/ needing IEPs. Gifted student end up leaving the district.	9/11/2023 6:46 AM
89	But winnetka does not do progressive ed - winnetka does BS lazy protect the teachers education. It's terrible.	9/11/2023 6:35 AM
90	My opinion is to the idea of Progressive Education, not necessarily how it turned out in practice.	9/11/2023 12:43 AM
91	Question not worded right. Progressive education is amazing under the right committed leadership and teaching teams. Most public schools have taken the best concepts of progressive education and have added it to their vision. Wps has fallen behind and ultimately they are a public school that needs to adhere to educational best practice, federal and state laws. Just looking at all the performance data for wps we are not doing well. So yes I like progressive education, i move to winnetka for progressive education. Winnetka is not a progressive model of education. It is a failed model of education where we pay the highest cost per pupil and have lowest outcomes and our kids suffer.	9/10/2023 4:36 PM
92	Winnetka doesn't do progressive learning with fidelity but I wish it did	9/10/2023 12:49 PM
93	Know nothing about it	9/10/2023 12:08 PM
94	Do not change progressive ed!!!	9/10/2023 11:25 AM
95	The students aren't prepared for high school or for the real world, especially living on the north shore.	9/10/2023 8:08 AM
96	It's why we moved to Winnetka over 30 years ago.	9/9/2023 9:31 PM
97	Ill prepares students for high school compared to other feeder schools	9/9/2023 6:04 PM
98	There are pros and cons but by grades 5/6 students should have grades/clearer ways of evaluating academic performance	9/9/2023 2:38 PM
99	We moved here for Progressive Education from a traditional school. Our child thrived in this	9/9/2023 12:32 PM

environment and could even articulate the differences between his previous school and Hubbard Woods when he was in third grade. D36 is a model and is known across the nation for its commitment to Progressive Education. If one does a little research you will find that D36 is really remarkable and a treasure for our village.

100	Let's be clear, the Progress Education practiced in D36 is nothing like Carleton Washburne. I am a proponent of true progressivism in the schools, but the way that it is implemented in D36 is failing the students across the board. Our students are ill prepared in English, Math and Science compared to their peers from the surrounding communities. By the time they reach NT our students are behind and will have difficulty catching up. Also, why are you including the last question about sexual health and cultural responsive learning standards in this section. I'm disappointed that the Caucus would get involved with a clear "dog-whistle" issue for anti-LGBTQ+ groups. Shame on you.	9/9/2023 7:27 AM
101	I think that the progressive education system is great, but my concern is that kids in the district are falling behind other local school districts, especially in math. .	9/8/2023 8:44 PM
102	I'd like to see a return to the progressive education ideas. Winnetka children need more opportunities to develop social and emotional growth.	9/8/2023 7:21 PM
103	There are both positives and negatives. RE: social/emotional learning, D36 was VERY clique-y. Teachers weren't well supervised - some were fantastic, and others didn't teach AT ALL. Every parent knows about the "Lost Year" in Winnetka.	9/8/2023 6:06 PM
104	It's about the teacher - some practice, some do not - administrators seem to lack any understanding of parents wishes - take the back pack issue last year with wash - I spoke to the executive team there, they had no good reason to penalize the kids for a few bad apples	9/8/2023 5:40 PM
105	No experience	9/8/2023 3:07 PM
106	The students need to be taught formal grammar!	9/8/2023 2:58 PM
107	I do wish K started reading!	9/8/2023 10:37 AM
108	Hasn't produced positive results in Winnetka	9/7/2023 11:02 PM
109	We need smaller class sizes if we want to continue progressive ed	9/7/2023 9:36 PM
110	My kids went to CI in the 90's, and it took me until they were in colleg to realize what confident and aggressive learners they were. And what leadership abilities they had. Serves them well to this day.	9/7/2023 9:17 PM
111	Not sure it's as beneficial to our kids in an age where hard skills (STEAM) are so mission critical.	9/7/2023 8:16 PM
112	Parts of progressive ed—child focused and experiential learning, eg, are great. But rigor is missing and differentiation is wildly inconsistent across teachers and actively discouraged by district administration. Lots of time and money squandered on initiatives like portrait of an educator and podcasts instead of adopting an evidence based reading curriculum, bringing math prep to the level of our neighbor districts, etc.	9/7/2023 7:21 PM
113	Excellent in theory, horribly executed in Winnetka	9/7/2023 7:17 PM
114	schools should be emphasizing reading writing and math and not how progressive they are	9/7/2023 2:36 PM
115	We supplement with Russian School of Math to provide a more rigorous Math education.	9/7/2023 12:30 PM
116	I think the concept is excellent and my child developed a love of learning in the district. My only objection to the D36 approach has been in their reluctance to provide some accelerated options for kids who would benefit. I understand the desire not to push too soon, but if kids are challenged, then school is boring and that is not good either. The district needs to balance this and provide extra opportunities from elementary through middle school, particularly in math.	9/7/2023 9:27 AM
117	I like the idea of progressive, but you also have to have benchmarks and adapt. Far too often I've been told this is just how winnetka has always done it without much reasoning for why. It concerns me how much additional help kids seem to need in winnetka. The schools brush this off as a north shore helicopter parent issue, but when so many kids are pulled out for additional help with reading and math things should be evaluated. Also I've been surprised to see the lack of innovation. The butterfly project has been done for years and years and years. The	9/6/2023 6:22 PM

	preschools are now replicating it and so is the library. Should we keep doing it just because we always have? I'm	
118	Again, just from what I hear. it's overkill, not representative of the real world and is often implemented as a measure to protect ourselves from outside influence and pressure. Versus being something we feel is truly going to benefit our children.	9/6/2023 3:30 PM
119	A traditional academic focus seems to be an after-thought---our kids aren't as prepared for New Trier as other feeder schools. The lack of traditional, formalized critique of work at most grade levels is especially worrying. All the SEL in the world doesn't prepare kids for receiving letter grades for the first time as teenagers (arguably the most emotionally vulnerable time of their life). We need to provide a more formalized grading system at an earlier developmental stage. Children need to become used to academic judgement.	9/6/2023 11:28 AM
120	When my children were in the school system - progressive education basically meant - never implementing any change. If Carleton Washburne did it, we still do it. I would think progress means learning from failures, and implementing new strategies, but not so in Winnetka Schools	9/6/2023 8:33 AM
121	They are so well prepared for HS and how to study.	9/5/2023 11:49 PM
122	We should prepare our children for future world more.	9/5/2023 10:25 PM
123	Sounds like edu-babble. Has the description been updated since 1919?	9/5/2023 9:18 PM
124	It is beneficial in the younger grades, but more attention to academic skills should begin earlier than it does, so that Washburne isn't such a fire drill to get kids ready for New Trier.	9/5/2023 5:24 PM
125	Lack of a science based reading curriculum very concerning to me. I know things are changing slowly but unfortunately so many middle school aged kids slipped through cracks without a solid reading foundation due to progressive education methods.	9/5/2023 2:51 PM
126	I don't like the focus on Pride, LGBTQ+. Keep the politics out of school and keep learning about science, not liberal nonsense.	9/5/2023 2:20 PM
127	Progressive education in Winnetka is NOT what it once was	9/5/2023 1:36 PM
128	Don't know enough about it to say.	9/5/2023 12:07 PM
129	Dislike the use of "Progressive Education" as an all-purpose defense/retort when D36's academic performance comes up short. Carleton Washburne's methods were not at odds with academic success. Meanwhile, the latter-day emphasis on "social/emotional growth" represents a flight from accountability, turning the focus to a phenomenon that is unquantifiable. No evidence has been presented suggesting that students who emerge from D36 schools demonstrate more advanced social/emotional skills than do graduates of districts that don't specifically subscribe to "Progressive Education."	9/5/2023 12:03 PM
130	Unfortunately D36's approach lacks rigger.	9/5/2023 11:54 AM
131	This is age dependent. I want to protect "childhood" and stress learning of the 3 R's and factual information like geography, historical events and dates, science, civics, etc.	9/5/2023 11:48 AM
132	We moved here for the schools. But sometimes I feel duped. My children are in their twenties, attended top universities and still struggle with grammar. It's embarrassing!	9/5/2023 11:47 AM
133	no kids ever in schools	9/5/2023 11:27 AM
134	Feel like the basics of reading, writing and arithmetics are not inforced. My children are terrible with grammar and punctuation. They never had to memorize math facts.	9/5/2023 11:22 AM
135	When implemented properly. It is not properly implemented in Winnetka. However, there are a few GREAT teachers (who make the rest look terrible). Amazing teachers: Ladik, Hovis, Elliott, Ney. None at Skokie. Why is Ms Coyne still employed?	9/5/2023 11:10 AM
136	No opinion	9/5/2023 11:00 AM
137	...when implemented, which seems to me to be fading.	9/5/2023 10:58 AM
138	Progressive education should be aged out by end of 4th grade in favor of active learning with the introduction of individual responsibility and their active participation in the learning process - low impact homework and grading activities	9/5/2023 10:56 AM

139	Also need to learn reading and writing and math	9/5/2023 10:53 AM
140	Believe in cursive writing education, homework, teachers that stay neutral about politics and personal beliefs, stick with "reading, writing, arithmetic."	9/5/2023 10:31 AM
141	I think that Winnetka's interpretation of Progressive Ed is limited. There are a number of successful schools that are progressive that rely more heavily on metrics/data to shape the student academic experience. Winnetka uses Progressive as an excuse not to implement more rigorous expectations of our students.	9/5/2023 10:22 AM
142	Do not like idea everyone is a winner, everyone gets a prize our kids need to toughen up Its a hard world out there	9/5/2023 10:11 AM
143	But a transition to grades should happen in 5/6 grade- the kids don't have a good understanding of actual grades- what they will get in High School-	9/5/2023 10:08 AM
144	However, D36 falls short of the vision	9/5/2023 8:45 AM
145	The issue is Winnetka does not practice Progressive Education - meeting every child where they are. They don't might high achievers - only those struggling or at grade level. The top third of Winnetka students are unchallenged and results in parents having to pay and provide outside tutoring services.	9/5/2023 6:49 AM
146	I think all of the talk about progressive education is great but I see a lot of administers who are resistant to change -- both in physical buildings and education policies to meet kids where they are now	9/4/2023 6:09 PM
147	Keep the MAGA right wing Christian haters away from D36 in terms of influence, banning books, threatening public school teachers and librarians.	9/4/2023 5:53 PM

Q44 Last year approximately 75% (666 residents) of Caucus Survey respondents agreed or strongly agreed with the statement "I am interested in benchmarking data that would indicate how well D36 prepares its students relative to the other NT feeder schools" and almost 80% (704 residents) agreed or strongly agreed that "The district should make this data available to the community in a clear and concise way." This year, we would like to better understand which types of student performance-related data residents would like to see more of from the Winnetka Public Schools. Please use the options below to let us know where additional information may be helpful.
